The accompanying joint proxy statement/management information circular is first being mailed or made available to Greenbrook Shareholders (as defined below) and Neuronetics Stockholders (as defined below) on or about [•], 2024.

On August 11, 2024, Greenbrook and Neuronetics entered into an arrangement agreement dated as of August 11, 2024 (the “**Arrangement Agreement**”), pursuant to which Neuronetics will acquire all of the issued and outstanding common shares of Greenbrook (the “**Greenbrook Shares**”) pursuant to a plan of arrangement (the “**Plan of Arrangement**”) under section 182 of the *Business Corporations Act* (Ontario) (the “**Arrangement**”). Subject to the terms and conditions set forth in the Arrangement Agreement and the Plan of Arrangement, each Greenbrook Share outstanding immediately prior to the effective time of the Arrangement (other than Greenbrook Shares held by Neuronetics or any of its affiliates and all Greenbrook Shares held by Greenbrook Shareholders who have validly exercised rights of dissent in respect of the Arrangement) is expected to be exchanged for 0.01149 of a share of Neuronetics common stock at the closing of the Arrangement, subject to adjustment for any interim period funding by Madryn Asset Management, LP or its affiliates and other customary adjustments prior to closing of the Arrangement, in accordance with the terms of the Arrangement Agreement (the “**Consideration**”). At the Greenbrook Meeting, holders of Greenbrook Shares (“**Greenbrook Shareholders**”) will, among other things, be asked to consider and, if deemed advisable, to pass, with or without variation, a special resolution (the “**Greenbrook Arrangement Resolution**”), approving (i) the Arrangement and (ii) the conversion of the outstanding amount owing under the credit agreement dated as of July 14, 2022 by and among Greenbrook, as borrower, certain of Greenbrook’s subsidiaries party thereto, as guarantors, Madryn Fund Administration, LLC (“**Madryn Administration**”), as administrative agent, and Madryn Health Partners II, LP (“**MHP II**”), Madryn Health Partners II (Cayman Master), LP (“**MHP II – Cayman**”) and Madryn Select Opportunities, LP (“**MSO**”), as lenders, into fully paid and non-assessable Greenbrook Shares pursuant to the term loan exchange agreement dated as of August 11, 2024 by and among Greenbrook, Madryn Administration, as administrative agent, and MHP II, MHP II – Cayman and MSO, as lenders.

At the Neuronetics Meeting, holders (“**Neuronetics Stockholders**”) of shares of common stock of Neuronetics (“**Neuronetics Shares**”) will, among other things, be asked to consider and to approve (i) an amendment and restatement of the Neuronetics Ninth Amended and Restated Certificate of Incorporation, as amended, to increase Neuronetics’ authorized shares of common stock (the “**Neuronetics Charter Amendment Proposal**”), (ii) the issuance of such number of Neuronetics Shares as may be required to be issued to Greenbrook Shareholders in connection with the Arrangement Agreement (the “**Neuronetics Share Issuance Proposal**”), (iii) an amendment to the Neuronetics 2018 Equity Incentive Plan (the “**Plan**”) to increase the number of Neuronetics Shares reserved for issuance (the “**Neuronetics Incentive Plan Proposal**”) and (iv) subject to the provisions of the Arrangement Agreement, the adjournment of the Neuronetics Meeting, if necessary or appropriate, to solicit additional proxies if there are not sufficient votes to approve the Neuronetics Charter Amendment Proposal and

the Neuronetics Share Issuance Proposal (the “**Neuronetics Adjournment Proposal**”, and together with the Neuronetics Charter Amendment Proposal, the Neuronetics Share Issuance Proposal and the Neuronetics Incentive Plan Proposal, the “**Neuronetics Proposals**”).

The board of directors of Greenbrook UNANIMOUSLY recommends that Greenbrook Shareholders vote FOR the Greenbrook Arrangement Resolution. It is a condition to the completion of the Arrangement that the Greenbrook Arrangement Resolution be approved at the Greenbrook Meeting.

The board of directors of Neuronetics UNANIMOUSLY recommends that Neuronetics Stockholders vote FOR each of the Neuronetics Proposals. Please note that approval by Neuronetics Stockholders of both the Neuronetics Charter Amendment Proposal and the Neuronetics Share Issuance Proposal is a condition to the completion of the Arrangement.

Each of the directors and officers of Greenbrook (in their capacities as Greenbrook Shareholders), and key Greenbrook Shareholders including MHP II, MHP II – Cayman, MSO, Greybrook Health Inc. and 1315 Capital II, LP, has entered into voting and support agreements with Neuronetics pursuant to which they have agreed, among other things, to support the Arrangement and vote all Greenbrook Shares beneficially owned by them for the Greenbrook Arrangement Resolution and the transactions contemplated by the Arrangement Agreement.

In order to become effective, the Greenbrook Arrangement Resolution will require: (i) the affirmative vote of at least 66 2/3% of the votes cast by Greenbrook Shareholders, voting as a single class, who vote at the virtual Greenbrook Meeting or by proxy; and (ii) the affirmative vote of at least a simple majority of the votes cast by Greenbrook Shareholders, voting as a single class, who vote at the Greenbrook Meeting virtually or by proxy, after excluding the votes cast by certain persons whose votes may not be included in determining minority approval of a business combination pursuant to Multilateral Instrument 61-101 – *Protection of Minority Security Holders in Special Transactions*.

Assuming that all of the conditions to the Arrangement are satisfied or waived, Greenbrook and Neuronetics expect the Arrangement to become effective during the fourth quarter of 2024.

Please note, if you received a voting instruction form and you hold your Greenbrook Shares through a broker, investment dealer or other intermediary, you must provide your instructions to your broker, investment dealer or other intermediary as specified in the voting instruction form and by the deadline set out therein (which may be an earlier time than set out above). Greenbrook reserves the right to accept late proxies and to waive the proxy cut-off, with or without notice, but is under no obligation to accept or reject any particular late proxy. See "*General Information Concerning the Greenbrook Meeting and Voting*" in the accompanying Joint Proxy Statement/Circular for more information.

Registered Greenbrook Shareholders have the right to dissent with respect to the Greenbrook Arrangement Resolution and, if the Arrangement becomes effective, to be paid the fair value of their Greenbrook Shares in accordance with the provisions of section 185 of the OBCA, as modified by the Interim Order, the Final Order and the Plan of Arrangement. A registered Greenbrook Shareholder wishing to exercise rights of dissent with respect to the Arrangement must send to Greenbrook a written objection to the Greenbrook Arrangement Resolution, which written objection must be received by Greenbrook at 890 Yonge Street, 7th Floor, Toronto, Ontario, Canada, M4W 3P4, Attention: Peter Willett, by e-mail at pwillett@greenbrooktms.com, with a copy to Torys LLP, 79 Wellington Street West, 30th Floor, Box 270, TD South Tower, Toronto, Ontario, Canada M5K 1N2, Attention: Robbie Leibel, by e-mail at rleibel@torys.com, by no later than [•] [a.m./p.m.] (Eastern time) on [•], 2024 or, if the Greenbrook Meeting is adjourned or postponed, not less than 48 hours (excluding non-business days) before the commencement of such adjourned or postponed Greenbrook Meeting, and must otherwise strictly comply with the dissent procedures described in the Joint Proxy Statement/Circular. Failure to strictly comply with the requirements set forth in section 185 of the OBCA, as modified by the Interim Order, the Final Order and the Plan of Arrangement, may result in the loss of any right of dissent. Persons who are beneficial owners of Greenbrook Shares registered in the name of a broker, investment dealer or other intermediary who wish to dissent should be aware that only registered Greenbrook Shareholders are entitled to dissent. Accordingly, a beneficial Greenbrook Shareholder desiring to exercise the right of dissent must make arrangements for the Greenbrook Shares beneficially owned by such holder to be registered in the holder's name prior to the time the written objection to the Greenbrook Arrangement Resolution is required to be received by Greenbrook or, alternatively, make arrangements for a registered Greenbrook Shareholder to dissent on behalf of the beneficial Greenbrook Shareholder. It is strongly suggested that any Greenbrook Shareholder wishing to dissent seek independent legal advice.

NOTICE TO GREENBROOK SHAREHOLDERS IN THE UNITED STATES

THE NEURONETICS SHARES (AS DEFINED BELOW) TO BE ISSUED IN CONNECTION WITH THE ARRANGEMENT HAVE NOT BEEN APPROVED OR DISAPPROVED BY THE U.S. SECURITIES AND EXCHANGE COMMISSION (THE “SEC”) OR THE SECURITIES REGULATORY AUTHORITY IN ANY STATE IN THE UNITED STATES, NOR HAVE THE SEC OR THE SECURITIES REGULATORY AUTHORITY OF ANY STATE IN THE UNITED STATES PASSED ON THE ADEQUACY OR ACCURACY OF THIS JOINT PROXY STATEMENT/CIRCULAR. ANY REPRESENTATION TO THE CONTRARY IS A CRIMINAL OFFENCE.

The shares of common stock in the authorized share capital of Neuronetics, Inc. (the “**Neuronetics Shares**”) to be issued under the Arrangement will not be registered under the U.S. Securities Act of 1933, as amended (the “**U.S. Securities Act**”), or the securities laws of any state of the United States. Such securities will be issued in reliance upon the exemption from registration provided by section 3(a)(10) of the U.S. Securities Act on the basis of the approval of the Court, which will consider, among other things, the fairness of the Arrangement to the persons affected. See “*Description of the Arrangement — Court Approval*” in the accompanying Joint Proxy Statement/Circular. The Neuronetics Shares to be issued under the Arrangement will not be subject to resale restrictions under the U.S. Securities Act, except for restrictions imposed by the U.S. Securities Act on the resale of Neuronetics Shares received pursuant to the Arrangement by persons who are, or within three months before the resale were, “affiliates” of Neuronetics, Inc. See “*Description of the Arrangement — U.S. Securities Law Matters*” in the accompanying Joint Proxy Statement/Circular for more information.

Greenbrook Shareholders who are citizens or residents of the United States should be aware that the Arrangement described in the accompanying Joint Proxy Statement/Circular may have both U.S. and Canadian tax consequences to them which may not be fully described in the Joint Proxy Statement/Circular. For a general discussion of the U.S. and Canadian federal income tax consequences to investors who are resident in the United States, see “*Certain Canadian Federal Income Tax Considerations*” and “*Certain U.S. Federal Income Tax Considerations*” in the accompanying Joint Proxy Statement/Circular. U.S. holders are urged to consult their own tax advisors with respect to such U.S. and Canadian income tax consequences and the applicability of any federal, state, local, foreign and other tax laws.

The enforcement by investors of civil liabilities under U.S. securities laws may be affected adversely by the fact that Greenbrook is organized under the laws of a jurisdiction outside the United States, that certain of its officers and directors include residents of countries other than the United States, that some or all of the experts named in the Joint Proxy Statement/Circular may be residents of countries other than the United States, or that some of Greenbrook’s assets and all or a substantial portion of the assets of such persons are located outside of the United States. As a result, it may be difficult or impossible for shareholders in the United States to effect service of process within the United States on Greenbrook, or such persons, or to realize against them upon judgments of courts of the United States predicated upon civil liabilities under the securities laws of the United States. In addition, Greenbrook Shareholders in the United States should not assume that the courts of Canada: (a) would enforce judgments of U.S. courts obtained in actions against such persons predicated upon civil liabilities under the securities laws of the United States; or (b) would enforce, in original actions, liabilities against such persons predicated upon civil liabilities under the securities laws of the United States.

This Joint Proxy Statement/Circular contains industry, market and competitive position data from Greenbrook's and Neuronetics' own internal estimates and research as well as industry and general publications and research surveys and studies conducted by third parties. Industry publications, studies and surveys generally state that they have been obtained from sources believed to be reliable, although they do not guarantee the accuracy or completeness of such information. Greenbrook's and Neuronetics' internal data and estimates are based upon information obtained from trade and business organizations and other contacts in the markets in which Greenbrook and Neuronetics, as applicable, operate and their respective management's understanding of industry conditions. While Greenbrook and Neuronetics believe that each of these studies and publications is reliable, Greenbrook and Neuronetics have not independently verified market and industry data from third party sources. Unless otherwise indicated, all references to "\$", "US\$" or "U.S. dollars" in this Joint Proxy Statement/Circular refer to United States dollars and all references to "C\$" in this Joint Proxy Statement/Circular refer to Canadian dollars.

All financial statements and financial data derived therefrom included or incorporated by reference in this Joint Proxy Statement/Circular pertaining to Neuronetics, including the unaudited *pro forma* condensed combined financial statements of Neuronetics, have been prepared and presented in accordance with accounting principles generally accepted in the United States ("U.S. GAAP"). For further details, see the notes to the unaudited *pro forma* condensed combined financial statements of Neuronetics set out in Appendix "I" to this Joint Proxy Statement/Circular.

Pro forma financial information included in this Joint Proxy Statement/Circular is for informational purposes only and is unaudited. All unaudited *pro forma* financial information contained in this Joint Proxy Statement/Circular has been prepared in accordance with Article 11 of Regulation S-X to illustrate the effect of the Arrangement (as defined below). The *pro forma* financial information set forth in this Joint Proxy Statement/Circular should not be considered to be what the actual financial position or other results of operations would have necessarily been had Greenbrook and Neuronetics operated as a single combined company as at or for the periods stated.

The financial projections provided in this Joint Proxy/Circular are for informational purposes only. The Projections (as defined below) were not prepared with a view toward public disclosure or the guidelines established by the American Institute of Certified Public Accountants for preparation and presentation of prospective financial information. The inclusion of the financial projections should not be regarded as an

indication that the Neuronetics Board, management of Neuronetics, Neuronetics, the Greenbrook Board, management of Greenbrook, Greenbrook, their respective advisors or any recipient of this information considered, or now considers, it to be an assurance of the achievement of future results. There can be no assurance that the results reflected in any of the future projections will be realized or that actual results will not materially vary from the Projections.

All financial statements and financial data derived therefrom included or incorporated by reference in this Joint Proxy Statement/Circular pertaining to Greenbrook have been prepared and presented in accordance with U.S. GAAP. Greenbrook's Annual Report on Form 10-K for the year ended December 31, 2023, filed by Greenbrook with the SEC on April 26, 2024 (the "**Greenbrook 10-K**") is being incorporated by reference in this Joint Proxy Statement/Circular in order to satisfy certain disclosure obligations of Greenbrook in accordance with Canadian securities laws. On April 1, 2024, Greenbrook filed a Form 25 with the SEC to voluntarily withdraw the Greenbrook Shares from listing and registration with Nasdaq Stock Market LLC ("**Nasdaq**"), following which its deregistration under Section 12(b) of the U.S. Exchange Act of 1934, as amended (the "**U.S. Exchange Act**") became effective 90 days thereafter, and Greenbrook is not subject to Section 12(g) of the U.S. Exchange Act. Greenbrook continues to file certain periodic reports with the SEC pursuant to Section 15(d) of the U.S. Exchange Act; however, because it no longer has a class of securities registered under Section 12 of the U.S. Exchange Act, Greenbrook is not subject to U.S. proxy rules and accordingly, this Joint Proxy Statement/Circular is being filed with the SEC by Neuronetics as the only registrant.

QUESTIONS AND ANSWERS ABOUT THE ARRANGEMENT AND THE MEETINGS

General Questions and Answers

Q: What is the proposed transaction?

A: On August 11, 2024, Greenbrook and Neuronetics entered into an Arrangement Agreement dated as of August 11, 2024 (the “**Arrangement Agreement**”), pursuant to which Neuronetics will acquire all of the issued and outstanding Greenbrook Shares pursuant to a plan of arrangement (the “**Plan of Arrangement**”) under section 182 of the *Business Corporations Act* (Ontario) (the “**Arrangement**”). Subject to the terms and conditions set forth in the Arrangement Agreement and the Plan of Arrangement, each Greenbrook Share outstanding immediately prior to the effective time of the Arrangement (the “**Effective Time**”) (other than Greenbrook Shares held by Neuronetics or any of its affiliates and all Greenbrook Shares held by Greenbrook Shareholders who have validly exercised rights of dissent in respect of the Arrangement) is expected to be exchanged for 0.01149 of a Neuronetics Share at the closing of the Arrangement, subject to adjustment for any interim period funding by Madryn Asset Management, LP (“**Madryn**”) or its affiliates (“**Interim Period Funding**”) and other customary adjustments prior to closing of the Arrangement, in accordance with the terms of the Arrangement Agreement (the “**Consideration**”). On completion of the Arrangement, Neuronetics Stockholders and Greenbrook Shareholders are expected to own approximately 57% and 43% of Neuronetics (the “**Combined Company**”), respectively, on a fully diluted basis.

Neuronetics is holding the Neuronetics Meeting in order to obtain the stockholder approval necessary to approve the Neuronetics Share Issuance Proposal, the Neuronetics Charter Amendment Proposal and an amendment to the Neuronetics 2018 Equity Incentive Plan (the “**Plan**”) to increase the number of Neuronetics Shares reserved for issuance by up to 3,500,000 additional Neuronetics Shares (the “**Neuronetics Incentive Plan Proposal**”). Neuronetics Stockholders will also be asked to approve the adjournment from time to time of the Neuronetics Meeting if necessary to solicit additional proxies if there are not sufficient votes at the time of the Neuronetics Meeting, or any postponement or adjournment thereof, to approve the Neuronetics Share Issuance Proposal (the “**Neuronetics Adjournment Proposal**”). **It is important that Neuronetics Stockholders vote on each of these matters, regardless of the number of Neuronetics Shares owned.**

Greenbrook is holding the Greenbrook Meeting to obtain the shareholder approval necessary to approve the Greenbrook Arrangement Resolution. **It is important that Greenbrook Shareholders vote on this matter, regardless of the number of Greenbrook Shares owned.**

Q: What will I receive for my Greenbrook Shares under the Arrangement?

A: *Greenbrook Shareholders.* Under the Arrangement and subject to the terms of the Plan of Arrangement, each Greenbrook Shareholder will receive 0.01149 of a Neuronetics Share for each Greenbrook Share held at the closing of the Arrangement, subject to adjustment for any Interim Period Funding and other customary adjustments prior to closing of the Arrangement, as more fully described in “*The Arrangement Agreement and Related Agreements—Consideration and Consideration Shares*”. Following the consummation of the Arrangement, you will no longer own any Greenbrook Shares, but instead will own Neuronetics Shares. On completion of the Arrangement, Neuronetics Stockholders and Greenbrook Shareholders are expected to own approximately 57% and 43% of the Combined Company (as defined below), respectively, on a fully diluted basis. Pursuant to the TL Conversion Agreement, the Madryn Parties have agreed to convert all of the outstanding amounts under the Greenbrook Credit Agreement and all of the Convertible Notes (as defined below) into Greenbrook Shares prior to the Effective Date (as defined below). As a result, it is currently expected that (i) Madryn and its affiliates will own approximately 95.3% of the Greenbrook Shares immediately prior to closing of the Arrangement and will receive approximately 95.3% of the Consideration Shares being issued to Greenbrook Shareholders at closing of the Arrangement, subject to adjustment for any Interim Period Funding and other customary adjustments; and (ii) Madryn and its affiliates will own approximately 41.0% of the Neuronetics Shares following closing of the Arrangement.

Neuronetics Stockholders. Under the Arrangement, Neuronetics Stockholders will not receive any consideration under the Arrangement and will retain their Neuronetics Shares.

See “*The Arrangement Agreement and Related Agreements—Consideration and Consideration Shares*”.

Q: Will Greenbrook Shareholders receive fractional Neuronetics Shares?

A: No. If the total number of Neuronetics Shares that a Greenbrook Shareholder will be entitled to receive would otherwise result in a fraction of a Neuronetics Share being issuable, the number of Neuronetics Shares that the Greenbrook Shareholder receives will be rounded down to the nearest whole Neuronetics Share. Computershare Investor Services Inc., acting as the depositary (the “**Depositary**”), will cause Consideration Shares delivered to it by Neuronetics that otherwise represent fractional share entitlements to be sold at the then prevailing prices on Nasdaq and will distribute the net proceeds thereof on a proportional basis to former Greenbrook Shareholders in lieu of any fractional Neuronetics Shares that would otherwise have been required to be distributed. Each former Registered Greenbrook Shareholder (as defined below) who would otherwise have been entitled to receive a fraction of a Neuronetics Share will be entitled to receive cash from the net proceeds of such sale. Former Greenbrook Shareholders who beneficially held their Greenbrook Shares will have such cash amounts distributed to them in accordance with the practices and policies of the intermediaries through whom they held their Greenbrook Shares.

Q: How will Greenbrook’s outstanding equity awards and options be treated in the Arrangement?

A: At the Effective Time, (i) each Greenbrook option to purchase Greenbrook Shares (a “**Greenbrook Option**”) issued under Greenbrook’s Amended and Restated Omnibus Equity Incentive Plan, last amended May 6, 2021 (as amended, the “**Greenbrook Omnibus Plan**”) (whether vested or unvested) outstanding immediately prior to the Effective Time, will be deemed to be surrendered for cancellation and transferred to Greenbrook in consideration for the issuance by Greenbrook of that number of Greenbrook Shares (“**Net Option Surrender Shares**”), if any, equal to, rounded down to the nearest whole share: (a) the number of Greenbrook Shares subject to such Greenbrook Option immediately prior to the Effective Time minus (b) the number of Greenbrook Shares that, when multiplied by the closing price of a Greenbrook Share on the OTCQB Market, operated by OTC Markets Group Inc. (the “**OTCQB Market**”) on the trading day immediately preceding the Effective Date, is equal to the aggregate exercise price of such Greenbrook Option (and in the event that such number of Greenbrook Shares is negative, it shall be deemed to be zero), and the holder of the Greenbrook Option will be deemed to be the holder of such number of Net Option Surrender Shares, but the holder of such Greenbrook Option will not be entitled to a certificate

or other document representing the Net Option Surrender Shares so issued; (ii) each Greenbrook performance share unit (a “**Greenbrook PSU**”) and restricted share unit (a “**Greenbrook RSU**”) issued pursuant to the Greenbrook Omnibus Plan, that is outstanding immediately prior to the Effective Time (whether vested or unvested), will be immediately cancelled for no consideration and the holder thereof shall no longer have any rights thereto; and (iii) each Greenbrook deferred share unit (a “**Greenbrook DSU**”) issued pursuant to Greenbrook’s Deferred Share Unit Plan, adopted on May 6, 2021 (as amended, the “**Greenbrook DSU Plan**”) that is outstanding immediately prior to the Effective Time (whether vested or unvested), will be deemed to be unconditionally fully vested, and thereafter such Greenbrook DSU will, without any further action by or on behalf of the holder of such Greenbrook DSU, be deemed to be assigned and transferred by such holder to Greenbrook and will immediately be cancelled in exchange for: (y) if the closing price of a Greenbrook Share on the OTCQB Market on the trading day immediately preceding the Effective Date (the “**Effective Date Market Price**”) is less than or equal to \$0.0846 (the “**Minimum Price**”), a cash payment equal to the Effective Date Market Price; and (z) if the Effective Date Market Price is greater than the Minimum Price, at the election of Neuronetics, either (A) a cash payment equal to the Effective Date Market Price, or (B) such number of Neuronetics Shares equal to the Effective Date Market Price divided by the closing price of a Neuronetics Share on Nasdaq on the trading day immediately preceding the Effective Date, less any applicable withholdings pursuant to the Plan of Arrangement.

Q: How will Greenbrook’s outstanding common share purchase warrants be treated in the Arrangement?

A: Each outstanding common share purchase warrant to purchase Greenbrook Shares (a “**Greenbrook Warrant**”) (whether vested or unvested) outstanding immediately prior to the Effective Time will be deemed to be surrendered for cancellation and transferred to Greenbrook in consideration for the issuance by Greenbrook of that number of Greenbrook Shares (“**Net Warrant Surrender Shares**”), if any, equal to, rounded down to the nearest whole share: (i) the number of Greenbrook Shares subject to such Greenbrook Warrant immediately prior to the Effective Time minus (ii) the number of Greenbrook Shares that, when multiplied by the closing price of a Greenbrook Share on the OTCQB Market on the trading day immediately preceding the Effective Time, is equal to the aggregate exercise price of such Greenbrook Warrant (and in the event that such number of Greenbrook Shares is negative, it shall be deemed to be zero), and the holder of the Greenbrook Warrant will be deemed to be the holder of such number of Net Warrant Surrender Shares, but the holder of such Greenbrook Warrant shall not be entitled to a certificate or other document representing the Net Warrant Surrender Shares so issued.

Q: What approvals are required for the Arrangement to be implemented?

A: The completion of the Arrangement requires approval of the Greenbrook Arrangement Resolution by the Greenbrook Shareholders at the Greenbrook Meeting in accordance with the Interim Order (as defined below) and applicable law (the “**Greenbrook Shareholder Approval**”), the approval of the Neuronetics Share Issuance Proposal and the Neuronetics Charter Amendment Proposal by Neuronetics Stockholders at the Neuronetics Meeting in accordance with applicable law (the “**Neuronetics Stockholder Approval**”) and receipt of a final order from the Ontario Superior of Justice (Commercial List) (the “**Court**”) approving the Arrangement (the “**Final Order**”).

Q: When will the Arrangement become effective?

A: Subject to obtaining the approvals described above, as well as the satisfaction or waiver of all other conditions precedent set out in the Arrangement Agreement, it is anticipated that the Arrangement will be completed during the fourth quarter of 2024, and no later than December 10, 2024.

Q: What will happen to Greenbrook if the Arrangement is completed?

A: If the Arrangement is completed, Neuronetics will acquire all outstanding Greenbrook Shares and Greenbrook will become a wholly-owned subsidiary of Neuronetics. Upon closing of the Arrangement, Neuronetics intends to have the Greenbrook Shares deregistered under the U.S. Exchange Act, and to cause Greenbrook to submit an application to cease to be a reporting issuer under the securities legislation of each of the provinces and territories of Canada.

Q: Are the Neuronetics Shares listed on a stock exchange?

A: Neuronetics Shares are currently listed on Nasdaq under the symbol “STIM” and trade in U.S. dollars. Consequently, following the Effective Time, Greenbrook Shareholders are expected to be able to trade their Neuronetics Shares on Nasdaq in U.S. dollars. See “*The Arrangement Agreement and Related Agreements — Covenants*”.

Q: What are the expected Canadian federal income tax consequences of the Arrangement?

A: Greenbrook Shareholders who are residents of Canada for purposes of the *Income Tax Act* (Canada) (the “**Tax Act**”) should be aware that the exchange of Greenbrook Shares for Neuronetics Shares under the Arrangement will generally be a taxable transaction for Canadian federal income tax purposes. Greenbrook Shareholders who are non-residents of Canada for purposes of the Tax Act and that do not hold their Greenbrook Shares as “taxable Canadian property” will generally not be subject to tax under the Tax Act on the exchange of their Greenbrook Shares for Neuronetics Shares under the Arrangement.

For a summary of certain of the principal Canadian federal income tax consequences of the Arrangement applicable to Greenbrook Shareholders, see “*Certain Canadian Federal Income Tax Considerations*”. Such summary is not intended to be legal, business or tax advice. Greenbrook Shareholders should consult their own tax advisors as to the tax consequences of the Arrangement to them with respect to their particular circumstances.

Q: What are the expected U.S. federal income tax consequences of the Arrangement?

A: Greenbrook Shareholders who are U.S. Holders (as defined below under “*Certain U.S. Federal Income Tax Considerations*”) should generally recognize gain or loss as a result of the Arrangement for U.S. federal income tax purposes in an amount equal to the difference, if any, between the fair market value as of the Effective Date of the Neuronetics Shares received by such holders in the Arrangement and the adjusted tax basis of the Greenbrook Shares surrendered in the Arrangement.

Greenbrook Shareholders who are Non-U.S. Holders (as defined below under “*Certain U.S. Federal Income Tax Considerations*”) generally should not be subject to U.S. federal income tax on any gain.

For a summary of certain of the material United States federal income tax considerations for Greenbrook Shareholders relating to the Arrangement, see “*Certain U.S. Federal Income Tax Considerations*”. Such summary is not intended to be legal, business or tax advice. Greenbrook Shareholders should consult their own tax advisors as to the tax consequences of the Arrangement to them with respect to their particular circumstances.

Q: What happens if the Arrangement is not completed?

A: If the Arrangement is not completed for any reason, the Greenbrook Shareholders will not receive the Consideration Shares issuable under the Arrangement Agreement. Instead, Neuronetics and Greenbrook will remain separate public companies, and Greenbrook expects that the Greenbrook Shares will continue to be registered under the U.S. Exchange Act and quoted on an over-the-counter market and Greenbrook will remain a reporting issuer under securities legislation in each of the provinces and territories of Canada. In specified circumstances, either Greenbrook or Neuronetics may be required to pay to the other party a termination amount, as described below.

Q: Does Greenbrook have to pay anything to Neuronetics if the Arrangement is not completed?

A: In certain circumstances, depending on the reasons for the termination of the Arrangement Agreement, Greenbrook may have to pay Neuronetics a termination amount of \$1,900,000. Q: What happens if Neuronetics Stockholders approve the Neuronetics Share Issuance Proposal, but do not approve one or more of the other Neuronetics Proposals?

A: The approval of the Neuronetics Charter Amendment Proposal by the Neuronetics Stockholders is a condition precedent to complete the Arrangement. If the Neuronetics Charter Amendment Proposal is not approved, Neuronetics has sufficient Neuronetics Shares to close the Arrangement, and Greenbrook and Neuronetics could mutually agree to waive the condition precedent. If the Neuronetics Incentive Plan Proposal or the Neuronetics Adjournment Proposal is not approved but the Neuronetics Charter Amendment Proposal and the Neuronetics Share Issuance Proposal are approved, Neuronetics would be required to complete the Arrangement if all other conditions precedent have been satisfied.

Q: If my Neuronetics Shares are held by a broker, will they vote my Neuronetics Shares for me?

A: A broker will vote the Neuronetics Shares held by you only if you provide instructions to such broker on how to vote or which election to make. If you fail to give proper instructions, those Neuronetics Shares will not be voted on your behalf. Neuronetics Stockholders should instruct their brokers to vote their Neuronetics Shares on their behalf by following the directions on the voting instruction form provided to them by their intermediaries. Unless your intermediary gives you its proxy to vote the Neuronetics Shares at the Neuronetics Meeting, you cannot vote those Neuronetics Shares owned by you at the Neuronetics Meeting. See “*General Information Concerning the Neuronetics Meeting and Voting—Neuronetics Beneficial Stockholders*”.

Q: Can I revoke my vote after I have voted by proxy?

A: Yes. A registered Neuronetics Stockholder who has submitted a proxy may revoke it at any time prior to it being exercised. If the Neuronetics Stockholder is a registered holder, the Neuronetics Stockholder can do this in one of four ways: First, a Neuronetics Stockholder may submit another timely and properly completed proxy card with a later date. Second, a Neuronetics Stockholder may grant a subsequent timely proxy by telephone or through the internet. Third, a Neuronetics Stockholder may send a timely written notice that such Neuronetics Stockholder is revoking the proxy to Neuronetics, Inc., 3222 Phoenixville Pike, Malvern, Pennsylvania 19355, Attention: Corporate Secretary. Fourth, a Neuronetics Stockholder may attend and vote during the Neuronetics Meeting. Simply attending the Neuronetics Meeting will not, by itself, revoke a proxy. See “*General Information Concerning the Neuronetics Meeting and Voting—Participation at the Neuronetics Meeting*”.

If you have instructed a broker to vote your Neuronetics Shares and wish to change your vote, you must follow the directions received from your broker to change those instructions. See “*General Information Concerning the Neuronetics Meeting and Voting—Revocation of Proxies*”.

Q: Who can help answer my questions?

Neuronetics Stockholders who would like additional copies, without charge, of this Joint Proxy Statement/Circular or have additional questions about the procedures for voting Neuronetics Shares or making an election, should contact their broker or Neuronetics at Neuronetics, Inc., 3222 Phoenixville Pike, Malvern, Pennsylvania 19355, Attention: Corporate Secretary.

The Companies

Greenbrook

Greenbrook TMS Inc. is a leading provider of transcranial magnetic stimulation (“TMS”) therapy in the United States for the treatment of Major Depressive Disorder (“MDD”) and other mental health disorders. Greenbrook has provided more than 1.61 million treatments to over 49,000 patients struggling with depression. Greenbrook has identified certain key opportunities, including, among others, the safety and efficacy of TMS as a treatment option for patients suffering from MDD and obsessive-compulsive disorder, the growing acceptance, but under-adoption, of TMS, and the poor alignment of TMS treatment with traditional practices of psychiatry which created an opportunity for a new, differentiated service channel, as drivers for Greenbrook’s business. After opening the first Treatment Center (as defined below) in 2011 in Tysons Corner in Northern Virginia, Greenbrook has grown to control and operate a network of outpatient mental health service centers that specialize in treatment across the United States. Greenbrook offers Treatment Centers in convenient locations to provide easy access to patients and clinicians. Greenbrook owns and operates approximately 118 Treatment Centers in the Commonwealths of Massachusetts, Pennsylvania and Virginia and the States of Alaska, California, Connecticut, Florida, Illinois, Maryland, Michigan, Missouri, Nevada, North Carolina, Ohio, Oregon, South Carolina and Texas.

Beginning in 2021, Greenbrook commenced its roll-out of Spravato® (esketamine nasal spray) therapy to treat treatment-resistant depression in adults and depressive symptoms in adults with MDD with acute suicidal ideation or behavior. In late 2023, Greenbrook commenced the facilitation of medication management at select Treatment Centers across Greenbrook’s footprint. Greenbrook has also entered into a research collaboration agreement with Compass Pathways plc to explore delivery models for investigational COMP360 psilocybin treatment.

Greenbrook TMS Inc. was incorporated on February 9, 2018, in Ontario, Canada. On February 26, 2024, the Greenbrook Shares were suspended from trading on Nasdaq. Since February 26, 2024, the Greenbrook Shares have been quoted on the OTCQB Market under the symbol “GBNHF”. On April 1, 2024, Greenbrook filed a Form 25 with the SEC to complete the delisting of the Greenbrook Shares from Nasdaq, with such delisting becoming effective on April 11, 2024. Greenbrook’s deregistration under Section 12(b) of the U.S. Exchange Act became effective 90 days after the filing of the Form 25.

Background to the Arrangement

The Arrangement Agreement is the result of extensive arm's length negotiations between Greenbrook, its legal and financial advisors and the Greenbrook Special Committee (as defined below), on the one hand, and Neuronetics and its legal and financial advisors, on the other hand. See "*Description of the Arrangement— Background to the Arrangement*" for a summary of the main events that led to the execution of the Arrangement Agreement, including certain meetings, negotiations, discussions and actions of the parties that preceded the execution of the Arrangement Agreement and the public announcement of the Arrangement.

Reasons Considered by the Greenbrook Special Committee and the Greenbrook Board

With the assistance of its financial and legal advisors, the Greenbrook Special Committee carefully considered a number of substantive and procedural factors relating to the Arrangement, including, among other things, the following:

- A.G.P. Fairness Opinion. A.G.P. delivered an opinion to the Greenbrook Special Committee that, as of August 11, 2024 and based upon and subject to the assumptions, limitations and qualifications set forth therein the consideration to be received by Greenbrook Shareholders pursuant to the Arrangement is fair, from a financial point of view, to the Greenbrook Shareholders. The Greenbrook Special Committee also considered the compensation arrangements of A.G.P., in particular that A.G.P. was engaged to provide the A.G.P. Fairness Opinion on a fixed fee basis that was not contingent on the conclusions reached therein or the completion of the Arrangement.
- Broad Sale Process and Compelling Value Relative to Limited Alternatives for Sale to Third Parties.
 - Greenbrook explored multiple various alternatives to address its current financial situation, including a going-private transaction, a recapitalization, a strategic investment into the company, a sale of certain assets or a sale or merger of Greenbrook. In particular, Greenbrook conducted a broad auction process prior to its determination to engage with Neuronetics, which process involved contacting more than 35 potential strategic partners, including strategic and financial buyers and drug developers, with respect to their potential interest in acquiring Greenbrook, entering into non-disclosure and confidentiality agreements with 12 potential strategic partners, granting access to such potential strategic partners to a virtual data room containing certain diligence materials of Greenbrook and attracting expressions of interest from, and carrying on initial discussions regarding a potential transaction with, three third parties (including Neuronetics). At the conclusion of such process, and in light of the anticipated benefits of the Arrangement and the likely consequences of a failure to pursue the Arrangement, the Greenbrook Special Committee and the Greenbrook Board concluded that it was prudent to proceed with negotiating the terms of the Arrangement Agreement with Neuronetics and to pursue the Arrangement as the Arrangement represents the best going concern solution available to Greenbrook in the circumstances.
 - Since the public announcement of the Arrangement on August 11, 2024, the Greenbrook Special Committee has not received any expressions of interest or proposals from third parties with respect to an alternative transaction. Even if such a proposal were to be made, such an acquisition could not be effected without the support of Madryn and its affiliates. Given that the Madryn Parties have entered into Voting and Support Agreements, such proposal would need to constitute a "Greenbrook Enhanced Superior Proposal" (as defined in the Madryn Voting and Support Agreements) in order for the Madryn Parties to be able to support such alternative transaction.
 - The Madryn Parties, the lenders under the Greenbrook Credit Agreement and the holders of a significant portion of the outstanding subordinated convertible promissory notes that are convertible into Greenbrook Shares issued pursuant to the Convertible Note Agreement (as defined

below) (the “**Convertible Notes**”), are supportive of the Arrangement. Pursuant to the TL Conversion Agreement, the Madryn Parties have agreed to convert the outstanding amounts under the Greenbrook Credit Agreement and the Convertible Notes into Greenbrook Shares prior to closing of the Arrangement.

- Business Issues and Trends. In considering the status quo as an alternative to pursuing the Arrangement, the Greenbrook Special Committee assessed Greenbrook’s current strategic direction and business plan in light of the challenging set of circumstances that Greenbrook has been faced with over the past several years, the challenges faced by Greenbrook to meet expected cash requirements of Greenbrook, including to service and repay existing debt, the current and anticipated future opportunities, challenges and risks associated with such plan, including Greenbrook’s expected future financial and liquidity requirements, the investments required to achieve such plan, the risks associated with the healthcare industry generally, the competitive landscape of the industry in which Greenbrook operates, as well as the other risks and uncertainties set forth in Greenbrook’s most recent Annual Report on Form 10-K and the potential impact of such factors on the future trading price of the Greenbrook Shares, and ultimately concluded that the Arrangement is an attractive proposition and fair outcome for Greenbrook Shareholders (other than Madryn) relative to the status quo.
- Arm’s Length Negotiations. The terms of the Arrangement and the Arrangement Agreement are the result of a negotiation process that was undertaken at arm’s length between the Greenbrook Special Committee, with the assistance of and advice from its financial and legal advisors, on the one hand, and Neuronetics and its advisors, on the other hand. The Greenbrook Special Committee has broad authority to negotiate the terms of the Arrangement with Neuronetics, including to accept or reject any proposals made by Neuronetics or any other transaction and to identify, evaluate, negotiate and make recommendations to the Greenbrook Board regarding any alternative transaction. The Greenbrook Special Committee regularly held meetings to consider and review the terms of the Initial 2024 Neuronetics Offer, the results of subsequent negotiations with Neuronetics and the Arrangement. The members of the Greenbrook Special Committee were adequately compensated for their services and their compensation was not contingent on recommending the Arrangement to the Greenbrook Board for approval or taking the other actions described herein. The Greenbrook Special Committee is comprised solely of independent directors who are unrelated to Madryn and management of Greenbrook, and was advised by experienced, qualified and independent financial and legal advisors.
- Arrangement Agreement Terms. The terms and conditions of the Arrangement Agreement are, in the judgment of the Greenbrook Special Committee, following consultations with its and Greenbrook’s legal advisors, reasonable and were the result of extensive negotiations. In particular:
 - Limited Conditions to Closing. Completion of the Arrangement is subject to a limited number of conditions which the Greenbrook Special Committee believes are reasonable in the circumstances.
 - Ability to Change Recommendation. The Arrangement Agreement permits the Greenbrook Board to, in certain circumstances, change its recommendation that Greenbrook Shareholders vote for the Greenbrook Arrangement Resolution where, among other things, the Greenbrook Board has received a Greenbrook Acquisition Proposal (as defined in the Arrangement Agreement) and has determined that the Greenbrook Acquisition Proposal constitutes a Greenbrook Superior Proposal (as defined in the Arrangement Agreement). Even if such a Greenbrook Acquisition Proposal were to be made and the Greenbrook Board were to determine that it constituted a Greenbrook Superior Proposal, such an acquisition could not be effected without the support of Madryn and its affiliates. Given that the Madryn Parties have entered into the Madryn Voting and Support Agreements, such proposal would need to constitute a “Greenbrook Enhanced Superior Proposal” (as defined in the Madryn Voting and Support Agreements) in order for the Madryn Parties to be able to support such alternative transaction.
 - Neuronetics Termination Fee. If the Arrangement Agreement is terminated in certain circumstances, Neuronetics has agreed to pay a termination fee of \$1,900,000 to Greenbrook, which would help defray Greenbrook’s expenses incurred in connection with the Arrangement.

- Shareholder and Court Approvals Required.
 - The Arrangement will become effective only if it is approved by: (i) at least two-thirds (66 2/3%) of the votes cast by Greenbrook Shareholders present or represented by proxy and entitled to vote at the Greenbrook Meeting (including the Greenbrook Shares held by Madryn and its affiliates); and (ii) a simple majority (more than 50%) of the votes cast by Greenbrook Shareholders present or represented by proxy and entitled to vote at the Greenbrook Meeting, excluding, for the purpose of (ii), the votes attached to the 6,363,636 Greenbrook Shares held by Madryn and its affiliates, the 832,500 Greenbrook Shares held by Bill Leonard and the Greenbrook Shares held by any other Greenbrook Shareholders required to be excluded under MI 61-101.
 - Completion of the Arrangement is subject to the approval of the Court, after considering the procedural and substantive fairness of the Arrangement at a hearing at which Greenbrook Shareholders and others are entitled to be heard.
- Continuing Interest in Neuronetics. Following the Arrangement, Greenbrook will no longer exist as a public company and the Greenbrook Shares will be delisted from the OTCQB Market. However, Greenbrook Shareholders will have the opportunity to participate in the potential benefits of a continued investment in Greenbrook, including any future increase in value that might result from future growth and the potential achievement of Greenbrook’s long-term strategic plans, through their holding of Neuronetics Shares, which are listed on Nasdaq, following closing of the Arrangement.
- Dissent Rights. Registered Greenbrook Shareholders who do not vote their Greenbrook Shares for the Arrangement are entitled to exercise right of dissent with respect to the Arrangement and receive “fair value” for their Greenbrook Shares as determined by the Court.
- Voting and Support Agreements. MHP II, MHP II – Cayman, MSO, Greybrook Health Inc. (“**Greybrook Health**”), 1315 Capital II, LP (“**1315 Capital**”) and each of the members of the Greenbrook Board and the executive officers of Greenbrook, who hold in the aggregate 16,536,208 Greenbrook Shares (representing approximately 48.7% of issued and outstanding Greenbrook Shares (on a non-diluted basis and after taking into account the previously announced cancellation of 11,634,660 outstanding Greenbrook Shares that was completed on August 16, 2024)), have entered into Greenbrook Voting and Support Agreements with Neuronetics pursuant to which, and subject to the terms thereof, such Greenbrook Shareholders have agreed to vote their Greenbrook Shares for the Greenbrook Arrangement Resolution.
- Other Stakeholders. The Greenbrook Special Committee considered the impact of the Arrangement on all of Greenbrook’s stakeholders, including the Greenbrook Shareholders (other than Madryn), the holders of the Convertible Notes (other than Madryn), employees, suppliers, vendors, customers and the communities in which Greenbrook operates. In the view of the Greenbrook Special Committee, the terms of the Arrangement Agreement treat such stakeholders equitably and fairly.

In making its recommendation with respect to the Arrangement, the Greenbrook Special Committee also considered a number of potential risks and potential negative factors, which the Greenbrook Special Committee concluded were outweighed by the positive substantive and procedural factors described above, including, among others, the following:

- Risks to the Business of Non-Completion. There are risks to Greenbrook if the Arrangement is not completed despite the parties’ efforts or completion of the Arrangement is unduly delayed, even if the Greenbrook Arrangement Resolution is not approved, including the potential for suits, actions or proceedings in respect of the Arrangement Agreement or the Arrangement, the potential resulting negative impact on Greenbrook’s business, vendor and customer relationships, the potential loss of value to the Greenbrook Shareholders (other than Madryn) and the possible reduction of the trading price of the Greenbrook Shares.
- Transaction Costs and Expenses. Greenbrook has incurred and will continue to incur significant transaction costs and expenses in connection with the Arrangement, regardless of whether the Arrangement is completed.

- Diversion of Management’s Attention. There are risks that management’s attention and other resources will be diverted from the operation of Greenbrook’s business, including other strategic opportunities and operational matters, while working towards the completion of the Arrangement.
- Pendency of the Arrangement. The pendency of the Arrangement may have a negative impact on Greenbrook’s business, including its relationship with its employees, customers, suppliers and local communities in which Greenbrook operates.
- Termination of the Arrangement Agreement. Neuronetics has the right to terminate the Arrangement Agreement in certain circumstances, including if holders of more than 10% of the Greenbrook Shares that are issued and outstanding as at the deadline for the exercise of dissent rights specified in the Plan of Arrangement exercise dissent rights.
- Greenbrook Termination Fee. The Greenbrook Termination Fee (as defined in the Arrangement Agreement) is payable by Greenbrook to Neuronetics if the Arrangement is not completed and the Arrangement Agreement is terminated in certain circumstances.
- Non-Solicitation Obligations. The terms of the Madryn Voting and Support Agreements, Greenbrook’s non-solicitation obligations under the Arrangement Agreement and the Greenbrook Termination Fee payable by Greenbrook to Neuronetics in certain circumstances under the Arrangement Agreement may discourage other parties from making a superior proposal. The Greenbrook Special Committee was advised, and understood, that such restrictions would further limit the possibility that a superior proposal will emerge. However, given that a broad auction process had been conducted prior to Greenbrook determining to engage with Neuronetics and that Madryn and the Madryn Parties are supportive of the Arrangement, these restrictions are not considered significant in the circumstances.
- Restrictions on Operations. The Arrangement Agreement imposes various restrictions on the conduct of Greenbrook’s business during the period between the entering into of the Arrangement Agreement and the consummation of the Arrangement that could delay or prevent Greenbrook from undertaking business opportunities that may arise pending completion of the Arrangement.
- Interests of Certain Persons. Certain of the directors and executive officers of Greenbrook may have interests in the Arrangement that are different from, or in addition to, those of the Greenbrook Shareholders (other than Madryn), including the right to receive collateral benefits (as such term is defined under MI 61-101) that differ from, or are in addition to, the Consideration Shares to be received by the Greenbrook Shareholders under the Arrangement. See “*Description of the Arrangement —Interests of Greenbrook’s Directors and Management in the Arrangement*”.
- Taxable Transaction. The Arrangement will generally be a taxable transaction and, as a result, the Greenbrook Shareholders who are residents of Canada for purposes of the Tax Act will generally be required to pay taxes on any taxable gains that result from their receipt of the Consideration Shares pursuant to the Arrangement.

See “*Description of the Arrangement — Reasons Considered by the Greenbrook Special Committee and the Greenbrook Board*”.

Reasons Considered by the Neuronetics Board; Recommendation of the Share Issuance Proposal by the Neuronetics Board

In reaching its decision to unanimously approve the Arrangement Agreement and the transactions contemplated thereby, including the issuance of Neuronetics Shares to Greenbrook Shareholders in connection with the Arrangement, the Neuronetics Board considered the following factors, all of which they viewed as supporting its decisions to approve the Arrangement Agreement and the transactions contemplated thereby:

Strategic Factors. The Neuronetics Board evaluated the following key strategic factors supporting its approval of and entry into the Arrangement Agreement:

- that the Arrangement may strengthen Neuronetics’ balance sheet, improve financial flexibility, provide significant growth funding and an accelerated path to cash flow breakeven and profitability;
- that the Arrangement may expand Neuronetics’ revenue base across a broader portfolio of mental health-related products and services (e.g., esketamine nasal spray therapy) facilitating greater resiliency to market dynamics;

- that the Arrangement may allow Neuronetics to better operationalize Greenbrook Treatment Centers by more rapidly growing treatment session utilization and improving in-store profitability;
- that the Arrangement may provide the opportunity to enhance its service offerings to Neuronetics' current customers;
- that the Arrangement may allow for greater and more consistent nationwide category and brand awareness for NeuroStar® TMS therapy;
- that the Neuronetics Board believes that the Arrangement would be accretive to the current trading price of the Neuronetics Shares;
- that the Arrangement may diversify the Neuronetics stockholder base and enhance trading liquidity; and
- that the Arrangement would be more favorable compared to the alternative transactions and business opportunities that may have been available to Neuronetics given market conditions.

Other Factors Considered by the Neuronetics Board. In addition to considering the strategic factors described above, the Neuronetics Board considered the following additional factors, all of which it viewed as supporting its decision to approve the Arrangement:

- its knowledge of Neuronetics' business, operations, financial condition, earnings and prospects on a standalone basis and of Greenbrook's business, operations, financial condition, earnings and prospects, taking into account the results of Neuronetics' due diligence review of Greenbrook;
- the opinion of Canaccord Genuity LLC ("**Canaccord Genuity**") dated August 11, 2024, as to the fairness, from a financial point of view, to Neuronetics of the Consideration, subject to certain assumptions, factors and qualifications set forth therein;
- the terms and conditions of the Arrangement Agreement, including the completion of the Arrangement, are subject to a limited number of customary conditions the Neuronetics Board consider to be reasonable in the circumstances and the Arrangement is not subject to antitrust or foreign investment approval conditions;
- the terms and conditions of the Arrangement Agreement are the result of a rigorous arm's length negotiation process;
- the terms and conditions of the Greenbrook Voting and Support Agreements; and
- the reasonableness of the potential termination amount of \$1,900,000, which could become payable by Greenbrook if the Arrangement Agreement is terminated in certain circumstances.

The Neuronetics Board weighed the advantages and opportunities listed above against a number of other factors identified in its deliberations as weighing negatively against the Arrangement, including:

- the risk that the transaction and integration costs may be greater than anticipated;
- the cost of the transaction, including dilution to Neuronetics Stockholders, as compared to other alternative transactions and business opportunities that may have been available to Neuronetics (including a financing);
- the cost, including the time spent by Neuronetics' management, associated with a decision to pursue a strategic transaction, as well as the potential ongoing liabilities of Greenbrook;
- the impact that the announced transaction could have on Neuronetics' stock price and on Neuronetics' ability to raise additional capital or engage in certain business development discussions during the pre-closing period;
- the potential termination amount of \$1,900,000, which could become payable by Neuronetics if the Arrangement Agreement is terminated in certain circumstances, including the failure to obtain the stockholder vote to approve the Neuronetics Charter Amendment Proposal and the Neuronetics Share Issuance Proposal following a Neuronetics Change in Recommendation (as defined below);
- the risk that the transaction might not be consummated in a timely manner or at all and its likely detrimental effect on Neuronetics' cash position and stock price;

- the risk that strategic benefits, operating synergies, cashflow projections and other anticipated benefits might not be realized or may take longer than expected to achieve;
- the fact that either party has the ability to terminate the Arrangement Agreement under certain circumstances in connection with a superior proposal;
- the restrictions imposed pursuant to the Arrangement Agreement on the conduct of Neuronetics’ business and operations during the period between the execution of the Arrangement Agreement and the consummation of the Arrangement or the termination of the Arrangement Agreement;
- the possibility of disruptive stockholder litigation following announcement of the Arrangement; and
- various other risks associated with Greenbrook and the Arrangement, including the risks described in “*Risk Factors*”, and the matters described under “*Information Concerning Forward-Looking Statements*”.

After considering these factors and through discussions with Neuronetics’ management and outside legal and financial advisors, the Neuronetics Board concluded that the potential benefits of entering into the Arrangement Agreement outweighed the uncertainties and risks. In view of the factors considered in connection with its evaluation of the Arrangement and the complexity of these matters, the Neuronetics Board did not find it useful and did not attempt to quantify or assign any relative or specific weights to the various factors that it considered in reaching its determination to approve the Arrangement and the Arrangement Agreement and to make its recommendation to Neuronetics Stockholders. In addition, individual members of the Neuronetics Board may have given differing weights to different factors and applied his or her own personal business judgment to the process. The Neuronetics Board unanimously determined that the Arrangement, the negotiation of and entry into the Arrangement Agreement and the other transactions and matters contemplated in the Arrangement Agreement or in connection therewith, including the issuance of Neuronetics Shares to Greenbrook Shareholders in connection with the Arrangement, were in the best interests of, and were advisable to, Neuronetics and the Neuronetics Stockholders and approved the Arrangement Agreement and the transactions contemplated by the Arrangement Agreement.

See “*Description of the Arrangement — Reasons Considered by Neuronetics Board; Recommendation of the Share Issuance Proposal by the Neuronetics Board*”.

Recommendations of the Boards of Directors

After consultation with its financial and legal advisors and the recommendation of the Greenbrook Special Committee, the Greenbrook Board has unanimously determined that the Arrangement is in the best interests of Greenbrook and Greenbrook Shareholders and that the consideration to be received by the Greenbrook Shareholders pursuant to the Arrangement is fair to such holders. In addition, A.G.P. (as defined below), Greenbrook’s independent financial advisor, has rendered an opinion that as of the date of the A.G.P. Fairness Opinion, based upon and subject to the assumptions, limitations and qualifications set forth therein, the consideration to be received by Greenbrook Shareholders pursuant to the Arrangement is fair, from a financial point of view, to the Greenbrook Shareholders. See “*Description of the Arrangement—Fairness Opinion of A.G.P./Alliance Global Partners*”.

Accordingly, the Greenbrook Board unanimously recommends that Greenbrook Shareholders vote FOR the Greenbrook Arrangement Resolution.

Neuronetics Board Recommendation

On August 11, 2024, after careful consideration and consultation with its financial and legal advisors, the Neuronetics Board unanimously determined that the Arrangement, the negotiation of and entry into the Arrangement Agreement and the other transactions and matters contemplated in the Arrangement Agreement or in connection therewith are in the best interests of, and are advisable to, Neuronetics and the Neuronetics Stockholders.

Accordingly, the Neuronetics Board unanimously recommends that Neuronetics Stockholders vote FOR each of the Neuronetics Proposals.

See “*Description of the Arrangement — Recommendation of the Greenbrook Board*” and “*Description of the Arrangement — Recommendation of the Neuronetics Board*”.

Fairness Opinion of A.G.P./Alliance Global Partners

Greenbrook retained A.G.P./Alliance Global Partners (“**A.G.P.**”) to render a fairness opinion (the “**A.G.P. Fairness Opinion**”) to the Greenbrook Board as to the fairness, from a financial point of view, to Greenbrook Shareholders of the Consideration Shares. On August 11, 2024, A.G.P. delivered an oral opinion, subsequently confirmed in writing, to the Greenbrook Special Committee and the Greenbrook Board to the effect that as at the date thereof, based upon and subject to the assumptions, limitations and qualifications set forth in the A.G.P. Fairness Opinion, that, as of August 11, 2024, the consideration to be received by Greenbrook Shareholders pursuant to the Arrangement is fair, from a financial point of view, to the Greenbrook Shareholders. The A.G.P. Fairness Opinion is not a recommendation as to how any Greenbrook Shareholder should vote or act on any matter relating to the Arrangement. The A.G.P. Fairness Opinion is being included in this Joint Proxy Statement/Circular by Greenbrook as part of the disclosure to Greenbrook Shareholders as it was one of the factors considered by the Greenbrook Board and the Greenbrook Special Committee in their evaluation of the Arrangement and is not being included by Neuronetics for the benefit of Neuronetics Stockholders. See “*Description of the Arrangement—Fairness Opinion of A.G.P./Alliance Global Partners*”.

The full text of the A.G.P. Fairness Opinion, setting out the scope of review, assumptions made, matters considered and limitations and qualifications on the review undertaken in connection with the A.G.P. Fairness Opinion is attached as Appendix “F-1-1” to this Joint Proxy Statement/Circular. This summary of the A.G.P. Fairness Opinion is qualified in its entirety by reference to the full text of the A.G.P. Fairness Opinion. Greenbrook Shareholders are urged to read the A.G.P. Fairness Opinion in its entirety for the assumptions made, procedures followed, and other matters considered and limitations of the review by A.G.P.

Opinion of Canaccord Genuity

Neuronetics engaged Canaccord Genuity to provide financial advisory services and to assist the Neuronetics Board in the consideration and evaluation of a potential strategic transaction with Greenbrook. At a meeting of the Neuronetics Board held on August 11, 2024 to evaluate the Arrangement Agreement, Canaccord Genuity delivered to the Neuronetics Board an oral opinion, which opinion was confirmed by delivery of a written opinion dated August 11, 2024 (the “**Canaccord Genuity Fairness Opinion**”), to the effect that, as of that date and based upon and subject to certain assumptions, factors and qualifications set forth in the written opinion, the Consideration was fair, from a financial point of view, to Neuronetics. For purposes of the Canaccord Genuity Fairness Opinion, the term “Consideration” refers to a fraction of a Neuronetics Share equal to the Exchange Ratio (as defined below in “*Description of the Arrangement—Opinion of Canaccord Genuity*”). Canaccord Genuity did not express any view on, and the Canaccord Genuity Fairness Opinion did not address, any other term or aspect of any other agreements or arrangements contemplated by the Arrangement Agreement or the Plan of Arrangement or entered into or amended in connection with the transactions contemplated thereby.

The full text of the Canaccord Genuity Fairness Opinion is attached to this Joint Proxy Statement/Circular as Appendix “F-2” and is incorporated into this Joint Proxy Statement/Circular by reference. The description of the Canaccord Genuity Fairness Opinion set forth in this Joint Proxy Statement/Circular is qualified in its entirety by reference to the full text of such opinion. Neuronetics Stockholders are encouraged to read the Canaccord Genuity Fairness Opinion carefully and in its entirety for a description of the procedures followed, assumptions made, matters considered and qualifications and limitations on the review undertaken by Canaccord Genuity in connection with the Canaccord Genuity Fairness Opinion. The Canaccord Genuity Fairness Opinion was addressed to the Neuronetics Board, was only one of many factors considered by the Neuronetics Board in its evaluation of the Arrangement and only addresses the fairness, from a financial point of view and as of the date of the Canaccord Genuity Fairness Opinion, of the Consideration to Neuronetics. The Canaccord Genuity Fairness Opinion does not address the relative merits of the Arrangement as compared to other business strategies or transactions that might be available to Neuronetics, nor does it address the underlying business decision of Neuronetics to proceed with the transactions contemplated by the Arrangement Agreement. The

Canaccord Genuity Fairness Opinion was directed to and for the information of the Neuronetics Board only (in its capacity as such) in connection with its evaluation of the transactions contemplated by the Arrangement Agreement and does not constitute advice or a recommendation to the Neuronetics Board, any Neuronetics Stockholder or any other person as to how the Neuronetics Board, such Neuronetics Stockholder or such other person should vote with respect to the transactions contemplated by the Arrangement Agreement or otherwise act on any other matter with respect to the Arrangement Agreement. The Canaccord Genuity Fairness Opinion is being included in this Joint Proxy Statement/Circular by Neuronetics as part of the disclosure to Neuronetics Stockholders as it was one of the factors considered by the Neuronetics Board in its evaluation of the Arrangement and is not being included by Greenbrook for the benefit of Greenbrook Shareholders. See *“Description of the Arrangement—Opinion of Canaccord Genuity”*.

The full text of the Canaccord Genuity Fairness Opinion, setting out the scope of review, assumptions made, matters considered and limitations and qualifications on the review undertaken in connection with the Canaccord Genuity Fairness Opinion is attached as Appendix “F-2-1” to this Joint Proxy Statement/Circular. Interests of Greenbrook’s Directors and Management in the Arrangement

In considering the recommendation of the Greenbrook Special Committee and the Greenbrook Board with respect to the Arrangement, Greenbrook Shareholders should be aware that certain directors and executive officers of Greenbrook may have interests in connection with the Arrangement or may receive benefits in connection therewith that differ from, or are in addition to, the interests of Greenbrook Shareholders generally, including that certain executive officers of Greenbrook will become members of the management of Neuronetics after completion of the Arrangement, which may present them with actual or potential conflicts of interest in connection with the Arrangement. The Greenbrook Special Committee and the Greenbrook Board are aware of these interests and considered them along with other matters described herein.

Other than the interests and benefits described below and elsewhere in this Joint Proxy Statement/Circular, none of the directors or executive officers of Greenbrook or, to the knowledge of the directors and executive officers of Greenbrook, any of their respective associates or affiliates, has any material interest, direct or indirect, by way of beneficial ownership of securities or otherwise in any matter to be acted upon in connection with the Arrangement or that would materially affect the Arrangement.

See *“Description of the Arrangement—Interests of Greenbrook’s Directors and Management in the Arrangement”*.

Court Approval

An arrangement under the OBCA requires Court approval. Subject to the terms of the Arrangement Agreement, and upon obtaining approval of the Greenbrook Arrangement Resolution by the Greenbrook Shareholders at the Greenbrook Meeting in the manner required by the Interim Order and the approval of the Neuronetics Proposals at the Neuronetics Meeting, Greenbrook will apply to the Court for the Final Order. The hearing in respect of the Final Order is scheduled to take place virtually before the Court on November 15, 2024 at 10:00 a.m. (Eastern time), or as soon after such time as counsel may be heard. At the Final Order hearing, any Greenbrook Shareholders, as well as holders of Greenbrook Options, Greenbrook RSUs, Greenbrook DSUs or Greenbrook PSUs (collectively, the **“Greenbrook Securityholders”**) entitled to receive Consideration Shares pursuant to the Arrangement wishing to appear in person or to be represented by counsel at the hearing of the motion for the Final Order may do so but must comply with certain procedural requirements described in the Interim Order. A copy of the Notice of Application for the Final Order is attached as Appendix “E” to this Joint Proxy Statement/Circular.

The Court has broad discretion under the OBCA when making orders with respect to the Arrangement and the Court, in hearing the application for the Final Order, will consider, among other things, the fairness of the Arrangement to Greenbrook Securityholders. The Court may approve the Arrangement, in any manner the Court may direct, and determine appropriate.

See *“Description of the Arrangement—Court Approval”*.

Letter of Transmittal

A letter of transmittal has been mailed, together with this Joint Proxy Statement/Circular, to each person who was a Registered Greenbrook Shareholder on the Greenbrook Record Date. Each Registered Greenbrook Shareholder must forward a properly completed and signed letter of transmittal, with accompanying Greenbrook share certificate(s) and all other required documents, as applicable as set out in the letter of transmittal, in order to receive the Consideration to which such Greenbrook Shareholder is entitled under the Arrangement. It is recommended that Greenbrook Shareholders complete, sign and return the letter of transmittal with accompanying Greenbrook share certificate(s) to the Depositary as soon as possible.

Any letter of transmittal, once deposited with the Depositary, shall be irrevocable and may not be withdrawn by a Greenbrook Shareholder except that all letters of transmittal will be automatically revoked if the Depositary is notified in writing by Greenbrook and Neuronetics that the Arrangement Agreement has been terminated or that the Arrangement is not completed. If a letter of transmittal is automatically revoked, the share certificate(s) for the Greenbrook Shares received with the letter of transmittal will be promptly returned to the Greenbrook Shareholder submitting the same at the address specified in the letter of transmittal.

See “*Description of the Arrangement—Letter of Transmittal*”.

Issue and Resale of Neuronetics Shares Received in the Arrangement

The issuance of Neuronetics Shares pursuant to the Arrangement will constitute distributions of securities which are exempt from the prospectus requirements of Canadian securities laws and, subject to certain disclosure and regulatory requirements and to customary restrictions applicable to distributions of shares that constitute “control distributions” may be resold in each province and territory in Canada, subject in certain circumstances, to the usual conditions that no unusual effort has been made to prepare the market or create demand. Recipients of Neuronetics Shares are urged to obtain legal advice to ensure that their resale of such securities complies with laws applicable to them, including Canadian securities laws. See “*Description of the Arrangement—Regulatory Matters—Canadian Securities Law Matters—Qualification—Resale of Neuronetics Shares*”.

The Neuronetics Shares to be issued pursuant to the Arrangement have not been and will not be registered under the U.S. Securities Act of 1933, as amended (the “**U.S. Securities Act**”) and will be issued in reliance on the exemption afforded by Section 3(a)(10) of the U.S. Securities Act and corresponding exemptions from the registration or qualification requirements of state securities laws. Section 3(a)(10) of the U.S. Securities Act exempts from registration the offer and sale of a security which is issued in specified exchange transactions where, among other things, the fairness of the terms and conditions of such exchange are approved after a hearing on the fairness of such terms and conditions, at which all persons to whom it is proposed to issue securities in such exchange have the right to appear, by a court or governmental authority expressly authorized by law to grant such approval and to hold such a hearing. Accordingly, the Final Order, if granted by the Court, constitutes a basis for the exemption from the registration requirements of the U.S. Securities Act with respect to the Neuronetics Shares issued in connection with the Arrangement.

See “*Description of the Arrangement—Regulatory Matters—U.S. Securities Law Matters—Exemption Relied Upon from the Registration Requirements of the U.S. Securities Act*”.

The Neuronetics Shares to be issued pursuant to the Arrangement will not be subject to resale restrictions under the U.S. Securities Act, except that the U.S. Securities Act imposes restrictions on the resale of Neuronetics Shares received pursuant to the Arrangement by persons who are at the time of a resale, or who were within three months before the resale, “affiliates” of Neuronetics. An “affiliate” of an issuer is a person that, directly or indirectly, through one or more intermediaries, controls, or is controlled by, or is under common control with, the issuer. Typically, persons who are executive officers, directors or 10% or greater shareholders of an issuer may be considered to be its “affiliates”.

See “*Description of the Arrangement—Regulatory Matters—U.S. Securities Law Matters—Resale of Neuronetics Shares Within the United States*”.

Pro Forma Economic Ownership of the Combined Company

Upon completion of the transactions contemplated by the Arrangement Agreement, it is estimated that the issuance of the Consideration Shares in exchange for Greenbrook Shares will result in Greenbrook Shareholders and Neuronetics Stockholders owning approximately 43% and 57%, respectively, on a fully diluted basis, of the outstanding economic

interest in the Combined Company. Pursuant to the TL Conversion Agreement, the Madryn Parties have agreed to convert all of the outstanding amounts under the Greenbrook Credit Agreement and all of the Convertible Notes into Greenbrook Shares prior to the Effective Date. As a result, it is currently expected that (i) Madryn and its affiliates will own approximately 95.3% of the Greenbrook Shares immediately prior to closing of the Arrangement and will receive approximately 95.3% of the Consideration Shares being issued to Greenbrook Shareholders at closing of the Arrangement, subject to adjustment for any Interim Period Funding and other customary adjustments; and (ii) Madryn and its affiliates will own approximately 41.0% of the Neuronetics Shares following the closing of the Arrangement.

See “*Description of the Arrangement—Pro Forma Economic Ownership of the Combined Company*”.

Stock Exchange Listing and Reporting Issuer Status

The Neuronetics Shares currently trade on Nasdaq under the symbol “STIM”. The Greenbrook Shares are currently quoted on the OTCQB Market under the symbol “GBNHF”. If the Arrangement is completed, Neuronetics intends to have the Greenbrook Shares delisted from the OTCQB Market and deregistered under the U.S. Exchange Act.

Greenbrook is currently a reporting issuer in each of the provinces and territories of Canada. If the Arrangement is completed, Neuronetics intends to cause Greenbrook to submit an application to cease to be a reporting issuer under the securities legislation of each of the provinces and territories of Canada.

Neuronetics is currently not a reporting issuer in any province or territory of Canada. If the Arrangement is completed, Neuronetics will, as a result of the Arrangement, become a reporting issuer in each of the provinces and territories of Canada upon the completion of the Arrangement. Neuronetics may be exempted from certain Canadian statutory financial and certain other continuous and timely reporting requirements.

See “*Description of the Arrangement—Regulatory Matters—U.S. Securities Law Matters*” and “*Description of the Arrangement—Regulatory Matters—Canadian Securities Law Matters*”.

Treatment of Outstanding Greenbrook Equity Awards

At the Effective Time, (i) each Greenbrook DSU that is outstanding immediately prior to the Effective Time (whether vested or unvested), will be deemed to be unconditionally fully vested, and thereafter such Greenbrook DSU will, without any further action by or on behalf of the holder of such Greenbrook DSU, be deemed to be assigned and transferred by such holder to Greenbrook and will immediately be cancelled in exchange for: (a) if the Effective Date Market Price is less than or equal to the Minimum Price, a cash payment equal to the Effective Date Market Price; and (ii) if the Effective Date Market Price is greater than the Minimum Price, at the election of Neuronetics, either (A) a cash payment equal to the Effective Date Market Price, or (B) such number of Neuronetics Shares equal to the Effective Date Market Price divided by the closing price of a Neuronetics Share on Nasdaq on the trading day immediately preceding the Effective Time, less any applicable withholdings pursuant to the Plan of Arrangement; (iii) each Greenbrook PSU and each Greenbrook RSU that is outstanding immediately prior to the Effective Time (whether vested or unvested), will immediately be cancelled for no consideration and the holder thereof shall no longer have any rights thereto; and (iv) each Greenbrook Option issued under the Greenbrook Omnibus Plan (whether vested or unvested) outstanding immediately prior to the Effective Time, will be deemed to be surrendered for cancellation and transferred to Greenbrook in consideration for the issuance by Greenbrook of that number of Net Option Surrender Shares, if any, equal to, rounded down to the nearest whole share: (a) the number of Greenbrook Shares subject to such Greenbrook Option immediately prior to the Effective Time minus (b) the number of Greenbrook Shares that, when multiplied by the closing price of a Greenbrook Share on the OTCQB Market on the trading day immediately preceding the Effective Time, is equal to the aggregate exercise price of such Greenbrook Option (and in the event that such number of Greenbrook Shares is negative, it shall be deemed to be zero), and the holder of the Greenbrook Option will be deemed to be the holder of such number of Net Option Surrender Shares, but the holder of such Greenbrook Option will not be entitled to a certificate or other document representing the Net Option Surrender Shares so issued.

See “*Description of the Arrangement — Treatment of Outstanding Greenbrook Equity Awards*”.

The Arrangement Agreement

On August 11, 2024, Greenbrook entered into the Arrangement Agreement with Neuronetics, pursuant to which, subject to the terms and conditions set forth in the Arrangement Agreement, Neuronetics will acquire 100% of

the issued and outstanding Greenbrook Shares pursuant to a plan of arrangement under section 182 of the OBCA. Upon completion of the Arrangement, Greenbrook Shareholders (other than in respect of Greenbrook Dissenting Shareholders (as defined below)) will receive 0.01149 of a Neuronetics Share for each Greenbrook Share held at the closing of the Arrangement, subject to adjustment for any Interim Period Funding and other customary adjustments prior to closing of the Arrangement.

The terms of the Arrangement Agreement were the result of arm’s length negotiation between Greenbrook and Neuronetics and their respective advisors. For more information, see “*The Arrangement Agreement and Related Agreements*”.

Termination

The Arrangement Agreement may be terminated prior to the Effective Time by either party under certain conditions, including (i) by mutual agreement; (ii) if the Effective Time has not occurred on or before the Outside Date (as defined in the Arrangement Agreement); (iii) any applicable law or order that remains in effect and that makes the consummation of the Arrangement illegal or otherwise prohibits or enjoins Greenbrook or Neuronetics from consummating the Arrangement and such law, order or injunction has become final and non-appealable; (iv) the Greenbrook Shareholder Approval or the Neuronetics Stockholder Approval has not been obtained; (v) if a change in recommendation by either party occurs; (vi) a party breaches its non-solicitation covenants in any material respect; (vii) a Material Adverse Effect (as defined below) occurs and is continuing; (viii) breach of any representation or warranty or failure to perform any covenant or agreement and would cause the applicable conditions precedent not to be satisfied and such conditions are incapable of being satisfied by the Outside Date; or (ix) the non-terminating party’s board of directors has authorized a written agreement with respect to a superior proposal. Under certain conditions, either party may be entitled to a termination fee equal to \$1,900,000. For more information about termination under the Arrangement Agreement, see “*The Arrangement Agreement and Related Agreements—Termination*”.

Procedure for the Plan of Arrangement to Become Effective

The Arrangement will be implemented by way of a court-approved plan of arrangement under the OBCA pursuant to the terms of the Arrangement Agreement. The following procedural steps must be taken in order for the Arrangement to become effective:

- the Court must grant the Interim Order;
- the approval by the Greenbrook Shareholders of the Greenbrook Arrangement Resolution must be obtained;
- the approval by Neuronetics Stockholders of the Neuronetics Charter Amendment Proposal and the Neuronetics Share Issuance Proposal must be obtained;
- the Court must grant the Final Order approving the Arrangement; and
- the articles of arrangement of Greenbrook in respect of the Arrangement required by the OBCA to be sent to the Director appointed pursuant to Section 278 of the OBCA (the “**Director**”) after the Final Order is made, which shall include the Plan of Arrangement and otherwise be in form and substance satisfactory to Neuronetics and Greenbrook, each acting reasonably (the “**Articles of Arrangement**”) and such other documents as may be required to give effect to the Arrangement must be filed with the Director pursuant to section 182 of the OBCA.

If all other conditions precedent to the Arrangement set out in the Arrangement Agreement, including the approval of the Neuronetics Charter Amendment Proposal and the Neuronetics Share Issuance Proposal, have been satisfied or waived by the appropriate party, the Arrangement will become effective at the Effective Time. See “*Description of the Arrangement — Procedure for the Plan of Arrangement to Become Effective*”. For a description of the other conditions precedent to the completion of the Arrangement, see “*The Arrangement Agreement and Related Agreements—Conditions to Completion of the Arrangement*”.

Effect of the Arrangement

If the Greenbrook Arrangement Resolution is approved by Greenbrook Shareholders, each of the Neuronetics Charter Amendment Proposal and the Neuronetics Share Issuance Proposal is approved by Neuronetics

Stockholders and all other conditions to closing of the Arrangement are satisfied or waived and the Arrangement is completed, among other things, Neuronetics will acquire all of the issued and outstanding Greenbrook Shares and Greenbrook will become a wholly-owned subsidiary of Neuronetics.

Pursuant to the Arrangement, each Greenbrook Shareholder (other than Greenbrook Dissenting Shareholders (as defined below)) will receive, for each Greenbrook Share a certain number of Consideration Shares that is expected to result in Neuronetics Stockholders and Greenbrook Shareholders owning approximately 57% and 43% of the Combined Company, respectively, on a fully diluted basis. Pursuant to the TL Conversion Agreement, the Madryn Parties have agreed to convert all of the outstanding amounts under the Greenbrook Credit Agreement and all of the Convertible Notes into Greenbrook Shares prior to the Effective Date. As a result, it is currently expected that (i) Madryn and its affiliates will own approximately 95.3% of the Greenbrook Shares immediately prior to closing of the Arrangement and will receive approximately 95.3% of the Consideration Shares being issued to Greenbrook Shareholders at closing of the Arrangement, subject to adjustment for any Interim Period Funding and other customary adjustments; and (ii) Madryn and its affiliates will own approximately 41.0% of the Neuronetics Shares following the closing of the Arrangement.

See “*Description of the Arrangement—Recommendation of the Greenbrook Board*” and “*The Arrangement Agreement and Related Agreements—Consideration and Consideration Shares*”.

The Greenbrook Board has determined that the Arrangement is in the best interest of Greenbrook. **The Greenbrook Board unanimously recommends that Greenbrook Shareholders vote FOR the Greenbrook Arrangement Resolution.**

Greenbrook Debt Conversion

On August 11, 2024, Greenbrook entered into the TL Conversion Agreement pursuant to which the Lenders agreed to convert an amount of indebtedness owing to the Lenders equal to \$119,236,205.60 into Greenbrook Shares. Additionally, pursuant to the TL Conversion Agreement, the Lenders agreed to convert any additional amounts borrowed by Greenbrook under the Greenbrook Credit Agreement from and after July 8, 2024 until the Effective Date. The effect of such conversions into Greenbrook Shares to be held by Madryn and its affiliates is that Madryn and its affiliates are expected to be entitled to receive Consideration Shares on closing of the Arrangement in excess of 95.3% of the total number of Consideration Shares issuable in connection with the Arrangement.

On August 15, 2023, Greenbrook entered into a Note Purchase Agreement with certain purchasers thereunder (such purchasers, the “**Note Purchasers**”, and such Note Purchase Agreement, the “**Convertible Note Agreement**”), pursuant to which the Convertible Notes were issued to the Note Purchasers. Under the Convertible Note Agreement, Madryn has the option, at any time, to require all of the Note Purchasers to convert the entire amount of indebtedness outstanding under the Convertible Notes into Greenbrook Shares by delivering written notice to Greenbrook. Greenbrook will use its reasonable best efforts to take actions within its control to facilitate (i) the conversion of the entire remaining outstanding principal amount of all of the Convertible Notes (other than the Convertible Notes held by Madryn) by each of the holders thereof (other than Madryn) into Greenbrook Shares in accordance with the Convertible Note Agreement so as to cause such converted Greenbrook Shares held by such holders to, at the Effective Time, participate in the Arrangement for the Consideration; and (ii) the conversion of the entire remaining outstanding principal amount of all of the Convertible Notes held by Madryn into Greenbrook Shares in accordance with the Convertible Note Agreement so as to cause such converted Greenbrook Shares held by Madryn to, at the Effective Time, participate in the Arrangement for the Consideration. Pursuant to the TL Conversion Agreement, the Madryn Parties agreed to deliver conversion notices in respect of the Convertible Notes prior to the issuance of the Debt Conversion Shares (as defined below). The issuance of the Convertible Note Shares will be in lieu of any cash payment owing to any Note Purchaser under the Convertible Note Agreement and will be in full and complete satisfaction of the amounts owing pursuant to the Convertible Notes.

See “*The Arrangement Agreement and Related Agreements—Covenants—Greenbrook Debt Conversion*”, “*The Arrangement Agreement and Related Agreements—Term Loan Exchange Agreement*” and “*The Arrangement Agreement and Related Agreements—Convertible Note Agreement*”.

Neuronetics 2018 Equity Incentive Plan

The Plan is intended to enable those persons to acquire or increase an ownership interest in Neuronetics in order to strengthen the mutuality of interests between them and the Neuronetics Stockholders, and to provide those such persons with performance incentives to expend their maximum efforts in the creation of stockholder value. For more information on the Plan, see “*Description of Equity Incentive Plan*”.

Corporate Governance and Rights of Certain Greenbrook Shareholders

Greenbrook and Neuronetics have agreed that, after completion of the transactions contemplated by the Arrangement Agreement, the board of directors of the Combined Company (the “**Combined Company Board**”) will consist of seven members, two (2) of which shall be appointed by Madryn and five (5) of which shall be appointed by Neuronetics. See “*Governance and Management of the Combined Company—Board of Directors of the Combined Company*”.

Robert A. Cascella is expected to be the chairman of the Combined Company Board. Neuronetics intends to combine the management teams of Neuronetics and Greenbrook, with Keith J. Sullivan serving as President and Chief Executive Officer, immediately after the consummation of the Arrangement.

Following the completion of the transactions contemplated by the Arrangement Agreement, Neuronetics will have principal offices in the United States.

Neuronetics is a Delaware corporation. Greenbrook is a company incorporated under the OBCA. Upon completion of the Arrangement, Greenbrook Shareholders will become Neuronetics Stockholders and their rights as stockholders will be governed by the Ninth Amended and Restated Certificate of Incorporation of Neuronetics filed on July 6, 2018 (as amended from time to time, the “**Current Neuronetics Charter**”) and the Fourth Amended and Restated Bylaws of Neuronetics dated as of December 27, 2022 (as amended from time to time, the “**Current Neuronetics Bylaws**”, and together with the Current Neuronetics Charter, the “**Neuronetics Organizational Documents**”) and the Delaware Law. Certain of the rights associated with Neuronetics Shares under the Delaware Law are different from the rights associated with Greenbrook Shares under the OBCA. For a discussion of the different rights associated with Neuronetics Shares, see “*Comparison of Rights of Greenbrook Shareholders and Neuronetics Stockholders*” in Appendix “G” to this Joint Proxy Statement/Circular.

Greenbrook Shareholder Dissent Rights

The Interim Order expressly provides Registered Greenbrook Shareholders with the right to dissent from the Greenbrook Arrangement Resolution. Any Registered Greenbrook Shareholder who dissents from the Greenbrook Arrangement Resolution in accordance with section 185 of the OBCA, as modified by the Interim Order, the Final Order and the Plan of Arrangement (a “**Greenbrook Dissenting Shareholder**”), will be entitled to be paid the fair value of the Greenbrook Shares held by such Greenbrook Dissenting Shareholder determined as of the close of business on the day before the Greenbrook Arrangement Resolution is adopted.

Failure to strictly comply with the requirements set forth in section 185 of the OBCA, as modified by the Interim Order, the Final Order and the Plan of Arrangement, may result in the loss of any right of dissent.

If you wish to exercise Dissent Rights, you should review the requirements summarized in this Joint Proxy Statement/Circular carefully and consult with your legal advisor. See “*Description of the Arrangement—Dissent Rights of Greenbrook Shareholders*”, “*General Information Concerning the Greenbrook Meeting and Voting—Greenbrook Dissenting Shareholders’ Rights*”, and Appendix “H” of this Joint Proxy Statement/Circular.

Accounting Treatment

The acquisition of Greenbrook by Neuronetics is expected to be accounted for as a business combination in accordance with Accounting Standards Codification Topic 805-10, *Acquisition of a Business*, because the acquired set of assets and activities include a substantive process. Accordingly, the cost of the net assets is expected to be allocated to the acquired assets and assumed liabilities based upon their relative fair values at the Effective Time. The excess fair value of net assets acquired over the fair value of the stock consideration provided by Neuronetics is expected to be recognized as goodwill in Neuronetics’ balance sheets.

See “*Description of the Arrangement — Accounting Treatment*”.

Certain Canadian Federal Income Tax Considerations

Greenbrook Shareholders should carefully read the information in this Joint Proxy Statement/Circular under “*Certain Canadian Federal Income Tax Considerations*”, which qualifies the information set out below, and should consult their own tax advisors as to the particular consequences that may apply to them as a result of the Arrangement.

Greenbrook Shareholders who are residents of Canada for purposes of the Tax Act should be aware that the exchange of Greenbrook Shares for Neuronetics Shares under the Arrangement will generally be a taxable transaction for Canadian federal income tax purposes.

Greenbrook Shareholders who are not residents of Canada for purposes of the Tax Act and that do not hold their Greenbrook Shares as “taxable Canadian property” (as defined in the Tax Act) will generally not be subject to tax under the Tax Act on the disposition of their Greenbrook Shares under the Arrangement.

Certain U.S. Federal Income Tax Considerations

Greenbrook Shareholders should carefully read the information in this Joint Proxy Statement/Circular under “*Certain U.S. Federal Income Tax Considerations*”, which qualifies the information set out below, and should consult their own tax advisors as to the particular consequences that may apply to them as a result of the Arrangement.

Greenbrook Shareholders who are U.S. Holders (as defined below under “*Certain U.S. Federal Income Tax Considerations*”) should generally recognize gain or loss as a result of the Arrangement for U.S. federal income tax purposes in an amount equal to the difference, if any, between the fair market value as of the Effective Date of the Neuronetics Shares received by such holders in the Arrangement and the adjusted tax basis of the Greenbrook Shares surrendered in the Arrangement.

Greenbrook Shareholders who are Non-U.S. Holders (as defined under “*Certain U.S. Federal Income Tax Considerations*”) generally should not be subject to U.S. federal income tax on any gain.

Voting Support and Lock-Up Agreements

Greenbrook Voting and Support Agreements

Simultaneously with the execution of the Arrangement Agreement, the Greenbrook Locked-Up Parties (solely in their respective capacities as Greenbrook Shareholders), which collectively beneficially owned or controlled approximately 48.7% of the voting power of the Greenbrook Shares outstanding as of August 11, 2024 (on a non-diluted basis and after taking into account the previously announced cancellation of 11,634,660 outstanding Greenbrook Shares that was completed on August 16, 2024), entered into the Greenbrook Voting and Support Agreements pursuant to which the Greenbrook Locked-Up Parties agreed, among other things, to vote their Greenbrook Shares for the Greenbrook Arrangement Resolution and any other matter necessary for the consummation of the transactions contemplated by the Arrangement Agreement. In the event that the Madryn Parties convert all or a portion of the outstanding amounts under the Greenbrook Credit Agreement or the Convertible Notes held by the Madryn Parties prior to the Greenbrook Meeting, the Madryn Parties will be required to vote any Greenbrook Shares received on such conversion for the Greenbrook Arrangement Resolution at the Greenbrook Meeting. See *“The Arrangement Agreement and Related Agreements—Convertible Note Agreement”*. Pursuant to the Madryn Voting and Support Agreements (as defined below), the Madryn Parties are permitted to terminate the Madryn Voting and Support Agreements if, among other things, prior to the Greenbrook Meeting, Madryn receives an unsolicited bona fide written Greenbrook Acquisition Proposal and Madryn determines in good faith that such Greenbrook Acquisition Proposal constitutes a Greenbrook Enhanced Superior Proposal. The Greenbrook Voting and Support Agreements terminate upon the occurrence of certain events, including the Effective Date or the termination of the Arrangement Agreement in accordance with its terms. See *“General Information Concerning the Greenbrook Meeting and Voting—Greenbrook Voting and Support Agreements”*.

Neuronetics Voting and Support Agreements

Simultaneously with the execution of the Arrangement Agreement, the Neuronetics Locked-Up Parties (solely in their respective capacities as Neuronetics Stockholders), which collectively beneficially owned or controlled approximately 9.6% of the voting power of Neuronetics’ outstanding capital stock as of August 11, 2024, entered into the Neuronetics Voting and Support Agreements pursuant to which the Neuronetics Locked-Up Parties agreed, among other things, to vote their Neuronetics Shares, including any Neuronetics Shares acquired by the Neuronetics Locked-Up Parties subsequent to the date of the Neuronetics Voting and Support Agreements, for the Neuronetics Charter Amendment Proposal and the Neuronetics Share Issuance Proposal and any other matters necessary for the consummation of the transactions contemplated by the Arrangement Agreement, and against any alternative proposal. The Neuronetics Voting and Support Agreements terminate upon the occurrence of certain events, including the Effective Date or the termination of the Arrangement Agreement in accordance with its terms. See *“General Information Concerning the Neuronetics Meeting and Voting—Neuronetics Voting and Support Agreements”*.

No Fractional Shares

In no event will any Greenbrook Shareholder be entitled to a fractional Neuronetics Share. Where the aggregate number of Neuronetics Shares to be issued to a Greenbrook Shareholder as consideration under the Arrangement would result in a fraction of a Neuronetics Share being issuable, the number of Neuronetics Shares to be received by such Greenbrook Shareholder will be rounded down to the nearest whole Neuronetics Share. In lieu of any such fractional Neuronetics Share, each Greenbrook Shareholder otherwise entitled to a fractional interest in a Neuronetics Share will be entitled to receive a cash payment equal to an amount representing such Greenbrook Shareholder’s proportionate interest in the net proceeds from the sale by the Depositary, on behalf of all such Greenbrook Shareholders of the Neuronetics Excess Shares (as defined below). The Depositary will cause Consideration Shares delivered to it by Neuronetics that represent fractional share entitlements to be sold on Nasdaq and will distribute the net proceeds thereof on a proportional basis to Registered Greenbrook Shareholders in lieu of any fractional Neuronetics Shares that would otherwise have been required to be distributed. Each Registered Greenbrook Shareholder who would otherwise have been entitled to receive a fraction of a Neuronetics Share will be entitled to receive cash from the net proceeds of such sale.

See *“Description of the Arrangement—Exchange Procedure—No Fractional Shares”*.

Risk Factors

There are a number of risk factors relating to the Arrangement, the business of Greenbrook, the business of Neuronetics and the business of the Combined Company, government regulation and taxes all of which should be carefully considered by Greenbrook Shareholders and Neuronetics Stockholders.

See “*Risk Factors—Risks Related to the Arrangement*”, “*Risk Factors — Risks Related to the Combined Company*”, “*Risk Factors — Risks Related to Government Regulation*”, “*Risk Factors — Risks Related to Taxes*” and “*Information Concerning Neuronetics—Risks and Uncertainties*”.

Depository

Greenbrook and Neuronetics have retained the services of the Depository for the receipt of the letters of transmittal and the certificates representing Greenbrook Shares and for the delivery of the Consideration for the Greenbrook Shares under the Arrangement. The Depository will receive reasonable and customary compensation for its services in connection with the Arrangement, will be reimbursed for certain reasonable out-of-pocket expenses and will be indemnified against certain liabilities, including liabilities under securities laws and expenses in connection therewith.

See “*Description of the Arrangement — Depository*”.

The table “Unaudited Pro Forma Condensed Combined Financial Information and Per Share Data” shows summary selected unaudited pro forma condensed combined financial information (the “**Summary Pro Forma Information**”) about the financial condition and results of operations of Neuronetics as of and for the periods

indicated above after giving effect to the Arrangement. The Summary *Pro Forma* Information is based on the historical financial statements of Neuronetics and the historical financial statements of Greenbrook and has been prepared to reflect the Arrangement. The Summary *Pro Forma* Information is presented for illustrative purposes only and does not necessarily reflect the results of operations or the financial position of Neuronetics that actually would have resulted had the Arrangement occurred at the date indicated, nor project the results of operations or financial position of Neuronetics for any future date or period.

The Summary *Pro Forma* Information should be read in conjunction with the unaudited *pro forma* condensed combined financial statements of Neuronetics that give effect to the Arrangement included as Appendix “I” to this Joint Proxy Statement/Circular, the historical financial statements and related notes of Neuronetics in its Annual Report on Form 10-K for the year ended December 31, 2023, and Quarterly Report on Form 10-Q as of and for the six months ended June 30, 2024 which are incorporated by reference into this Joint Proxy Statement/Circular and the information under “*Risk Factors*”.

See “*Unaudited Pro Forma Condensed Combined Financial Information and Per Share Data*”.

RISK FACTORS

The following risk factors should be considered by Greenbrook Shareholders and Neuronetics Stockholders in evaluating whether to approve the Greenbrook Arrangement Resolution and the Neuronetics Proposals, respectively. These risk factors should be considered in conjunction with the other information contained in or incorporated by reference into this Joint Proxy Statement/Circular. These risk factors relate to the Arrangement and related matters. For information on risks and uncertainties relating to the business of Greenbrook, see “Additional Information Concerning Greenbrook and Documents Incorporated by Reference by Greenbrook” and for information on risks and uncertainties relating to the business of Neuronetics, see “Additional Information Concerning Neuronetics and Documents Incorporated by Reference by Neuronetics”.

Risks Related to the Arrangement

The completion of the Arrangement may not occur.

The completion of the Arrangement is subject to a number of conditions precedent, some of which are outside Greenbrook’s and Neuronetics’ control, including receipt of the Final Order and the approval of the Greenbrook Arrangement Resolution and the Neuronetics Charter Amendment Proposal and the Neuronetics Share Issuance Proposal.

In addition, the completion of the Arrangement by Greenbrook and Neuronetics is conditional on, among other things, no Material Adverse Effect having occurred in respect of either Greenbrook or Neuronetics that is continuing.

There can be no certainty, nor can Greenbrook or Neuronetics provide any assurance, that all conditions precedent to the Arrangement will be satisfied or waived, or, if satisfied or waived, when they will be satisfied or waived and, accordingly, the Arrangement may not be completed. If the Arrangement is not completed, the market price of Greenbrook Shares and Neuronetics Shares may be adversely affected.

If the Arrangement is not completed or the Arrangement Agreement is terminated, Greenbrook may be unable to continue as a going concern.

If the Arrangement is not completed and Greenbrook’s business operations continue at their current levels, Greenbrook will not be able to generate the sufficient cash required for its operations and may need to raise additional capital to continue as a going concern. In such circumstances, there can be no assurance that additional capital, if and when needed, would have a material adverse effect on the financial condition of Greenbrook and its ability to continue as a going concern. If the Arrangement is not completed and Greenbrook is unable to obtain the additional capital to continue as a going concern, Greenbrook may be required to pursue other alternatives, including the pursuit of proceedings under creditor protection legislation, which is likely to have a more negative effect on Greenbrook’s stakeholders.

The market price of the Greenbrook Shares and Neuronetics Shares may be adversely affected if the Arrangement is not completed or is delayed.

If, for any reason, the Arrangement is not completed or its completion is materially delayed or the Arrangement Agreement is terminated, the market price of Greenbrook Shares and Neuronetics Shares may be materially adversely affected. Depending on the reasons for terminating the Arrangement Agreement, Greenbrook’s or Neuronetics’ business, financial condition or results of operations could also be subject to various material adverse consequences, including as a result of paying the Greenbrook Termination Fee (as defined below) or the Neuronetics Termination Fee (as defined below), as applicable.

The Arrangement may be terminated in certain circumstances.

Each of Greenbrook and Neuronetics has the right, in certain circumstances, in addition to termination rights relating to the failure to satisfy the conditions of closing, to terminate the Arrangement. Accordingly, there can be no certainty, nor can Greenbrook or Neuronetics provide any assurance, that the Arrangement will not be terminated by either of Greenbrook or Neuronetics prior to the completion of the Arrangement. The Arrangement Agreement also includes termination fees payable if the Arrangement Agreement is terminated in certain circumstances. Additionally, any termination will result in the failure to realize the expected benefits of the Arrangement in respect of the business of Greenbrook and Neuronetics.

TABLE OF CONTENTS

The termination fees provided under the Arrangement Agreement may discourage other parties from attempting to acquire Greenbrook or Neuronetics.

Under the Arrangement Agreement, each of Greenbrook and Neuronetics is required to pay to the other party a termination fee of \$1,900,000 in the event the Arrangement Agreement is terminated in connection with the board of directors of such company changing its recommendation on the applicable shareholder proposals. This termination fee may discourage other parties from attempting to acquire Greenbrook Shares or Neuronetics Shares or otherwise make an Acquisition Proposal (as defined below) to Greenbrook or Neuronetics, even if those parties, in the case of Greenbrook, would otherwise be willing to offer greater value to Greenbrook Shareholders than that offered by Neuronetics under the Arrangement, or in the case of Neuronetics, would be willing to offer Neuronetics Stockholders a benefit greater than what the transactions contemplated by the Arrangement Agreement offer.

Completion of the Arrangement is uncertain given, among other things, the conditions precedent to the Arrangement.

As the Arrangement is dependent upon, among other things, satisfaction of certain conditions, its completion is uncertain. If the Arrangement is not completed for any reason, there are risks that the announcement of the Arrangement and the dedication of Greenbrook's and Neuronetics' resources to the completion thereof could have a negative impact on their respective relationships with their stakeholders and could have a material adverse effect on the current and future operations, financial condition and prospects of each of Greenbrook and Neuronetics. Further, the Greenbrook Board may determine to liquidate or dissolve Greenbrook if the Arrangement is not completed. In such an event, the amount of cash available for distribution to Greenbrook Shareholders will depend heavily on the timing of such liquidation or dissolution, as well as the amount of cash that will need to be reserved for commitments and contingent liabilities.

In addition, each of Greenbrook and Neuronetics will incur significant transaction expenses in connection with the Arrangement, regardless of whether the Arrangement is completed.

Greenbrook and Neuronetics are restricted under the Arrangement Agreement from pursuing certain business opportunities.

Each of Greenbrook and Neuronetics is subject to customary non-solicitation provisions under the Arrangement Agreement, pursuant to which, the parties are restricted from soliciting, initiating, encouraging or otherwise facilitating any Acquisition Proposal, among other things. The Arrangement Agreement also restricts them from taking specified actions until the Arrangement is completed without the consent of the other party. These restrictions may prevent each party from pursuing attractive business opportunities that may arise prior to the completion of the Arrangement.

Neuronetics Stockholders and Greenbrook Shareholders will have a reduced ownership and voting interest in, and will exercise less influence over the management of, the Combined Company following the completion of the Arrangement as compared to their current ownership and voting interest in the respective companies.

After the completion of the Arrangement, the current Neuronetics Stockholders and Greenbrook Shareholders will own a smaller percentage of the Combined Company than their ownership in their respective companies prior to the Arrangement. Upon completion of the transactions contemplated by the Arrangement Agreement, it is estimated that the issuance of the Consideration Shares in exchange for Greenbrook Shares will result in Greenbrook Shareholders and Neuronetics Stockholders owning approximately 43% and 57%, respectively, of the outstanding economic interest in the Combined Company. For a more complete description of the Arrangement Agreement, please see "The Arrangement Agreement and Related Agreements—Consideration and Consideration Shares".

Pursuant to the Greenbrook Debt Conversion (as defined below), Madryn will be entitled to a large proportion of the Consideration Shares and such proportion may increase as a result of Greenbrook's need for interim period funding from Madryn.

Pursuant to the TL Conversion Agreement, the Madryn Parties have agreed to convert all of the outstanding amounts under the Greenbrook Credit Agreement and all of the Convertible Notes held by Madryn into Greenbrook Shares prior to the Effective Date. As a result, it is currently expected that Madryn and its affiliates

TABLE OF CONTENTS

will own approximately 95.3% of the Greenbrook Shares immediately prior to closing of the Arrangement and will receive approximately 95.3% of the Consideration Shares being issued to Greenbrook Shareholders at closing of the Arrangement, subject to adjustment for any Interim Period Funding and other customary adjustments. Accordingly, the Exchange Ratio will be adjusted by the amount of any Interim Period Funding, and the proportion of Consideration Shares to be received by Madryn at closing of the Arrangement will be increased accordingly.

Another take-over, merger or business combination may not be available if the Arrangement is not completed.

If the Arrangement is not completed and is terminated, there can be no assurance that Greenbrook will be able to find a party willing to pay equivalent or more attractive consideration than the Consideration to be provided under the Arrangement or be willing to proceed at all with a similar transaction or any alternative transaction.

The pending Arrangement may divert the attention of management of Greenbrook and Neuronetics.

The pendency of the Arrangement could cause the attention of management of Greenbrook and Neuronetics to be diverted from their day-to-day operations, and suppliers, customers or distributors may seek to modify or terminate their business relationships with Greenbrook or Neuronetics, as applicable. These disruptions could be exacerbated by a delay in the completion of the Arrangement and could have an adverse effect on the business, operating results or prospects of Greenbrook and Neuronetics regardless of whether the Arrangement is ultimately completed, or of the Combined Company if the Arrangement is completed.

Directors and officers of Greenbrook may have interests in the Arrangement different from the interests of Greenbrook Shareholders.

Directors and executive officers of Greenbrook negotiated the terms of the Arrangement Agreement, and the Greenbrook Board has unanimously recommended that Greenbrook Shareholders vote for the Greenbrook Arrangement Resolution. These directors and executive officers may have interests in the Arrangement that are different from, or in addition to, those of Greenbrook Shareholders generally. See “Description of the Arrangement—Interests of Greenbrook’s Directors and Management in the Arrangement”. Greenbrook Shareholders should be aware of these interests. The Greenbrook Board was aware of, and considered, these interests when it declared the advisability of the Arrangement Agreement and unanimously recommended that Greenbrook Shareholders approve the Greenbrook Arrangement Resolution.

The issuance of a significant number of Neuronetics Shares could adversely affect the market price of the Neuronetics Shares.

On completion of the Arrangement, a significant number of Neuronetics Shares will be issued to Greenbrook Shareholders. The increase in the number of Neuronetics Shares may lead to sales of such shares or the perception that such sales may occur, either of which may adversely affect the market for, and the market price of, the Neuronetics Shares.

Neuronetics and Greenbrook have incurred, and may continue to incur, substantial transaction fees and costs in connection with the Arrangement.

Neuronetics and Greenbrook have incurred and expect to incur additional material non-recurring expenses in connection with the Arrangement and completion of the transactions contemplated by the Arrangement Agreement, including without limitation, costs relating to obtaining required shareholder and regulatory approvals. Additional unanticipated costs may be incurred in the course of coordinating the businesses of the Combined Company after completion of the Arrangement. If the Arrangement is not consummated, Neuronetics and Greenbrook will be required to pay certain costs relating to the Arrangement incurred prior to the date the Arrangement is abandoned, such as legal, accounting and financial advisory. Such costs may be significant and could have an adverse effect on each company’s future results of operations, cash flows and financial condition.

There are risks associated with securities litigation related to the Arrangement.

Securities litigation or shareholder derivative litigation frequently follows the announcement of certain significant business transactions. Greenbrook or Neuronetics may become involved in this type of litigation in connection with the Arrangement, and the Combined Company may become involved in this type of litigation in the future. Litigation often is expensive and diverts management’s attention and resources, which could have a material adverse effect on the business and the results of operations of Greenbrook, Neuronetics or the Combined Company.

TABLE OF CONTENTS

The Neuronetics Board considered the Projections in connection with the Arrangement. Actual performance of Neuronetics and Greenbrook may differ materially from the Projections.

In connection with evaluating the transactions contemplated by the Arrangement Agreement, the Neuronetics Board considered, among other things, the Projections. The Projections were also provided to Canaccord Genuity by management of Neuronetics and, at the direction and with the approval of the Neuronetics Board, were used by Canaccord Genuity in connection with the Canaccord Genuity Fairness Opinion and performing the related financial analyses as described in “—*Opinion of Canaccord Genuity*”. All of the Projections were based on assumptions and information available at the time the Projections were prepared. Neuronetics and Greenbrook do not know if such assumptions are accurate or will continue to be accurate. Such information can be adversely affected by known or unknown risks and uncertainties, many of which are beyond Neuronetics’ and Greenbrook’s control. Further, financial forecasts of this type are based on estimates and assumptions that are inherently subject to risks and other factors such as company performance, industry performance, general business, economic, regulatory, market and financial conditions, as well as changes to the business, financial condition or results of operations of Neuronetics and Greenbrook, including the factors described under “*Risk Factors*” and “*Information Concerning Forward-Looking Statements*”, which factors and changes may impact such forecasts or the underlying assumptions. As a result of these contingencies, there can be no assurance that the Projections will be realized or that actual results will not be significantly higher or lower than projected.

Risks Related to the Combined Company

The business and operations of the Combined Company will be subject to the risks described in the documents of Greenbrook and Neuronetics incorporated by reference in this Joint Proxy Statement/Circular, including, without limitation, the risks described in the Greenbrook 10-K, Greenbrook’s Quarterly Reports on Form 10-Q for the quarters ended March 31, 2024 and June 30, 2024, Neuronetics’ Annual Report filed on Form 10-K for the year ended December 31, 2023, Neuronetics’ Quarterly Reports on Form 10-Q for the quarters ended March 31, 2024 and June 30, 2024 and any subsequent SEC filings of Greenbrook or Neuronetics and any subsequent filings made by Greenbrook with the Canadian Securities Administrators, and certain unexpected, unforeseen or unknown risks. The Combined Company’s business, financial condition, results of operations and cash flows could be materially adversely affected by any of these risks. The market or trading price of Greenbrook’s and Neuronetics’ securities could decline due to any of these risks. Additional risks not presently known to Greenbrook and Neuronetics or that Greenbrook and Neuronetics currently considers immaterial may also prove to be material and may impair the Combined Company’s business and operations. In addition to risks associated with Greenbrook’s and Neuronetics’ business and operations, the following additional risks are associated with the Combined Company.

The pro forma financial statements are presented for illustrative purposes only and may not be an indication of the Combined Company’s financial condition or results of operations following the Arrangement.

The *pro forma* financial statements contained in this Joint Proxy Statement/Circular are presented for illustrative purposes only and may not be an indication of the Combined Company’s financial condition or results of operations following the Arrangement for a number of reasons. For example, the *pro forma* financial statements have been derived from the historical financial statements of Greenbrook and Neuronetics and certain adjustments and assumptions have been made regarding the Combined Company after giving effect to the Arrangement. The information upon which these adjustments and assumptions have been made is preliminary, and these types of adjustments and assumptions are difficult to make with complete accuracy. Moreover, the *pro forma* financial statements do not reflect all costs that are expected to be incurred by the Combined Company in connection with the Arrangement. As a result, the actual financial condition and results of operations of the Combined Company following the Arrangement may not be consistent with, or evident from, these *pro forma* financial statements. In addition, the assumptions used in preparing the *pro forma* financial information may not prove to be accurate, and other factors may affect the Combined Company’s financial condition or results of operations following the Arrangement. Any potential decline in the Combined Company’s financial condition or results of operations may cause a significant decrease in the trading price of the Neuronetics Shares.

Each of Greenbrook and Neuronetics have a history of losses, and the Combined Company may never achieve profitability or generate positive cash flow.

Greenbrook had net loss of \$48.9 million for the year ended December 31, 2023 and net loss of \$87.7 million for the year ended December 31, 2022. Neuronetics had net loss of \$30.2 million for the year ended

TABLE OF CONTENTS

December 31, 2023 and net loss of \$37.2 million for the year ended December 31, 2022. The Combined Company may never achieve profitability or generate positive cash flow, which could cause the Combined Company to curtail its operations and could adversely affect your investment.

The Combined Company, following the Arrangement, may not realize the anticipated benefits of the Arrangement.

Greenbrook and Neuronetics are proposing to complete the Arrangement to strengthen the position of each entity and to create the opportunity to realize certain benefits including, among other things, those set forth in this Joint Proxy Statement/Circular under “Description of the Arrangement—Reasons Considered by the Greenbrook Special Committee and the Greenbrook Board”, “Description of the Arrangement—Recommendation of the Neuronetics Board”, and “Description of the Arrangement—Reasons Considered by the Neuronetics Board; Recommendation of the Neuronetics Share Issuance Proposal by the Neuronetics Board”. Achieving the benefits of the Arrangement depends in part on the ability of the Combined Company to effectively capitalize on its scale, scope and leadership, to realize the anticipated operating synergies, and to maximize the potential of its growth opportunities. A variety of factors, including those risk factors set forth in this Joint Proxy Statement/Circular and the documents incorporated by reference herein, may adversely affect the ability to achieve the anticipated benefits of the Arrangement.

The trading prices of the Greenbrook Shares and the Neuronetics Shares prior to the Effective Time and the trading price of the Neuronetics Shares following the Effective Time may be volatile.

The trading prices of the Greenbrook Shares and the Neuronetics Shares have been and may continue to be subject to, and following completion of the Arrangement the Neuronetics Shares may be subject to, material fluctuations and may increase or decrease in response to a number of events and factors, including:

- sales or potential sales of substantial amounts of Neuronetics Shares;
- announcements about Greenbrook, Neuronetics or, following completion of the Arrangement, the Combined Company, or about Greenbrook’s, Neuronetics’ or the Combined Company’s competitors, as applicable;
- conditions in the industry in which Greenbrook, Neuronetics or the Combined Company operates;
- governmental regulation and legislation;
- variations in anticipated or actual operating results;
- changes in securities analysts’ estimates of performance, or failure to meet analysts’ expectations;
- changes in general economic trends, including current events affecting the economic situation in the United States and internationally;
- investor perception of Greenbrook’s, Neuronetics’ or, following completion of the Arrangement, the Combined Company’s industry or Greenbrook’s, Neuronetics’ or the Combined Company’s prospects, as applicable; and
- the issuance of additional equity securities by Greenbrook, Neuronetics or, following completion of the Arrangement, the Combined Company, as applicable, or the perception that such issuance may occur.

The Combined Company may be required to seek additional indebtedness.

The Combined Company may be required to draw down or incur additional indebtedness under the Perceptive Facility (as defined below) or other sources of debt financing. The additional indebtedness will increase the interest payable by the Combined Company from time to time until such amounts are repaid, which will represent an increase in the Combined Company’s cost and a potential reduction in its income. In addition, the Combined Company may need to find additional sources of financing to repay this amount when it becomes due. The Combined Company may not be able to secure suitable financing.

The Neuronetics Shares to be received by Greenbrook Shareholders as a result of the Arrangement will have different rights from the Greenbrook Shares.

Neuronetics is a Delaware corporation. Greenbrook is a company incorporated under the OBCA. Upon completion of the Arrangement, Greenbrook Shareholders will become Neuronetics Stockholders and their rights as Neuronetics Stockholders will be governed by the Neuronetics Organizational Documents and the Delaware

TABLE OF CONTENTS

Law. Certain of the rights associated with Neuronetics Shares under the Delaware Law are different from the rights associated with Greenbrook Shares under the OBCA. For a discussion of the different rights associated with Neuronetics Shares, see Appendix “G” to this Joint Proxy Statement/Circular.

Neuronetics Stockholders or former Greenbrook Shareholders may be unable to enforce their rights against the Combined Company in Canada.

Neuronetics is located outside Canada and, following the Effective Time, certain of its directors and officers are expected to reside outside of Canada. Accordingly, it may not be possible for Neuronetics Stockholders or former Greenbrook Shareholders to effect service of process within Canada upon the Combined Company or the majority of its directors or officers, or to enforce judgments obtained in Canadian courts against the Combined Company or the majority of its directors or officers.

Significant demands will be placed on the Combined Company as a result of the Arrangement.

As a result of the pursuit and completion of the arrangement, significant demands will be placed on the managerial, operational and financial personnel and systems of the Combined Company. The Combined Company cannot provide any assurance that management of Neuronetics and the operations teams of Neuronetics and Greenbrook will be adequate to support the expansion of operations and associated increased costs and complexity following and resulting from the consummation of the Arrangement. The future operating results of the Combined Company will be affected by the ability of its officers and key employees to manage changing business conditions, integrate the acquisition of Greenbrook and implement a new business strategy that includes expanding Neuronetics therapeutic offerings to include esketamine nasal spray.

Neuronetics’ revenue has been concentrated among a small number of customers, and the Arrangement may impact Neuronetics’ relationship with competitors of Greenbrook.

A significant amount of Neuronetics’ revenue is derived from a limited number of customers, including current competitors of Greenbrook. Any material non-payment or non-performance by one of these customers, a significant downturn or deterioration in the business or financial condition of any of these customers, or any other event significantly negatively impacting a contractual relationship with one of these customers could adversely affect the financial condition and results of operations of the Combined Company.

There will be a concentration of ownership of the Combined Company’s Shares by Madryn, and Madryn may exert substantial influence over the Combined Company’s business, and the interest of Madryn may conflict with those interests of other Neuronetics Stockholders.

The Madryn Parties have agreed to convert all of the outstanding amounts under the Greenbrook Credit Agreement and all of the Convertible Notes into Greenbrook Shares prior to the Effective Date. As a result, it is currently expected that (i) Madryn and its affiliates will own approximately 95.3% of the Greenbrook Shares immediately prior to closing of the Arrangement and will receive approximately 95.3% of the Consideration Shares being issued to Greenbrook Shareholders at closing of the Arrangement, subject to adjustment for any Interim Period Funding and other customary adjustments; and (ii) Madryn and its affiliates will own approximately 41.0% of the Neuronetics Shares following the closing of the Arrangement.

Madryn has the right to appoint two directors to the Neuronetics Board at the Effective Time. Based on Madryn’s representation on the Combined Company Board and ownership position, Madryn will be able to exert substantial influence over the Combined Company’s business. Additionally, the interests of Madryn may be different from or conflict with the interests of the other Neuronetics Stockholders. This concentration of voting power with Madryn could delay, defer, or prevent a change of control, entrench management and the Combined Company Board, or delay or prevent a merger, consolidation, takeover, or other business combination involving the Combined Company on terms that other Neuronetics Stockholders may desire. In addition, conflicts of interest could arise in the future between the Combined Company, on the one hand, and Madryn, on the other hand, concerning potential competitive business activities, business opportunities, the issuance of additional securities and other matters.

The Combined Company’s failure to meet the continued listing requirements of Nasdaq could result in a delisting of the Neuronetics Shares.

The Neuronetics Shares are currently listed on Nasdaq. To maintain the listing of the Neuronetics Shares on Nasdaq, the Combined Company will be required to meet certain listing requirements, including, among others, a minimum bid price of \$1.00 per share (the “**Minimum Bid Price Requirement**”).

TABLE OF CONTENTS

If the Combined Company fails to satisfy the continued listing requirements of Nasdaq, such as the corporate governance requirements or the Minimum Bid Price Requirement, Nasdaq may take steps to delist the Neuronetics Shares, which could have a materially adverse effect on the Combined Company's ability to raise additional funds as well as the price and liquidity of the Neuronetics Shares. Such a delisting would likely have a negative effect on the price of the Neuronetics Shares and would impair the Combined Company's ability to sell or purchase Neuronetics Shares when it wishes to do so. In the event of a delisting, the Combined Company could not provide assurances that any action taken by the Combined Company to restore compliance with listing requirements would allow the Neuronetics Shares to become listed again, stabilize the market price or improve the liquidity of the Neuronetics Shares, prevent the Neuronetics Shares from dropping below the Minimum Bid Price Requirement, or prevent future non-compliance with Nasdaq's listing requirements.

Risks Related to Government Regulation

The Combined Company may be subject to additional federal, state and foreign fraud and abuse laws, health information privacy and security laws and transparency laws, which, if violated, could subject the Combined Company to substantial penalties. Additionally, any challenge to or investigation into the Combined Company's practices under these laws could cause adverse publicity and be costly to respond to, and thus could harm the Combined Company's business.

There are numerous U.S. federal and state laws pertaining to healthcare fraud and abuse, including anti-kickback, beneficiary inducement, false claims and transparency laws. The Combined Company's business practices and relationships with providers, patients and third-party payors will be subject to scrutiny under these laws. The Combined Company may also be subject to patient information privacy and security regulation by both the federal government in addition to the states and foreign jurisdictions in which the Combined Company will conduct its business. The healthcare laws and regulations that may affect the Combined Company's ability to operate include:

- Federal beneficiary inducement civil monetary penalties laws prohibit the provision of something of value to influence the selection of a particular provider, supplier or practitioner for items or services reimbursable under the federal Medicare and Medicaid programs. Violations may incur fines or exclusion from billing federal healthcare programs.
- There are states in which the Combined Company will operate that have laws that prohibit business entities from directly practicing medicine, employing physicians or other healthcare professionals to practice healthcare and/or exercising control over clinical decisions by physicians or other healthcare professionals (known generally as the prohibition on corporate practice of medicine). In addition, various state laws also prohibit entities from engaging in certain financial arrangements, such as splitting or sharing a physician's professional fees. These laws are intended to avoid interference with or undue influence of a physician's professional judgment. The laws of some other states do not prohibit non-physician entities from employing physicians to practice medicine but may retain a ban on some types of fee-splitting arrangements. Corporate practice of medicine and fee splitting laws vary from state to state and are not always consistent among states. In some states these prohibitions are set forth in a statute or regulation, while in other states the prohibition is a matter of judicial or regulatory interpretation. Decisions and activities beyond those directly related to the delivery of healthcare, such as scheduling, contracting, setting rates and the hiring and management of non-clinical personnel, may also implicate the restrictions on the corporate practice of medicine in some states. The consequences of violating the corporate practice of medicine laws vary by state and may result in physicians being subject to disciplinary action, as well as the forfeiture of revenues from payors for services rendered. For lay entities, violations may also bring both civil and, in more extreme cases, criminal liability for engaging in medical practice without a license. Some of the relevant laws, regulations and agency interpretations in states with corporate practice of medicine restrictions have been subject to limited judicial and regulatory interpretation. In limited cases, courts have required management services companies to divest or reorganize structures deemed to violate corporate practice restrictions. Moreover, these state laws are subject to change. While Greenbrook and Neuronetics believe that the Combined Company will be in substantial compliance with state laws prohibiting the corporate practice of medicine and fee-splitting, other parties may assert that, despite the way the Combined Company will be structured, the Combined Company could be engaged in the corporate practice of medicine and/or unlawful fee-splitting. In this event, failure to comply could lead to adverse judicial or administrative

action against the Combined Company and/or the Combined Company’s contracted physician practices, overpayment demands, civil or criminal penalties, receipt of cease and desist orders from state regulators, loss of provider licenses, and/or the need to make changes to the terms of engagement of the Combined Company’s contracted physician practices that interfere with the Combined Company’s business, each of which could have a material adverse impact on the Combined Company’s business, results of operations and financial condition.

- The federal Anti-Kickback Statute (42 U.S.C. § 1320a-7b(b)) (the “**Anti-Kickback Statute**”) is a criminal statute that prohibits healthcare providers and others from directly or indirectly soliciting, receiving, offering or paying any remuneration, in cash or in kind, as an inducement or reward for using, referring, ordering, recommending or arranging for referrals or orders of services or other items paid in whole or in part by a government healthcare program. The Anti-Kickback Statute may be found to have been violated if at least one purpose of the remuneration is to induce or reward referrals. An individual is not required to have actual knowledge or specific intent to commit a violation of the Anti-Kickback Statute to be found guilty of violating the law.

The Office of Inspector General of the United States Department of Health and Human Services has issued safe harbor regulations that protect certain types of common arrangements from prosecution or sanction under the Anti-Kickback Statute. Other types of arrangements may be protected under statutory exceptions. According to the Office of Inspector General, arrangements that comply with a safe harbor are immune from prosecution under the Anti-Kickback Statute. All the conditions of a safe harbor must be met for it to apply; substantial compliance is not sufficient. The fact that conduct or a business arrangement does not fall within a safe harbor does not automatically render the conduct or business arrangement illegal under the Anti-Kickback Statute. However, conduct and business arrangements falling outside the safe harbors may lead to increased scrutiny by government enforcement authorities.

Where the Anti-Kickback Statute has been violated, the government may proceed criminally or civilly. If the government proceeds criminally, a violation of the Anti-Kickback Statute is a felony that is punishable by up to ten years imprisonment, a fine, and mandatory exclusion from participation in all federal health care programs. If the government proceeds civilly, it may impose civil monetary penalties per violation, among other penalties. In addition, a claim that includes items or services resulting from a violation of the Anti-Kickback Statute constitutes a false claim for purposes of the federal False Claims Act (the “**FCA**”).

Although the Combined Company believes that its financial arrangements with physicians and other referral sources comply with current law and available interpretative guidance, as a practical matter it is not always possible to structure our arrangements so as to fall squarely within an available Anti-Kickback Statute safe harbor. Where that is the case, compliance with the Anti-Kickback Statute is evaluated on a case-by-case basis. The Combined Company cannot guarantee that applicable regulatory authorities will not assert and/or determine that these financial arrangements violate the Anti-Kickback Statute or other applicable laws, including state anti-kickback laws. The failure to comply with the Anti-Kickback Statute could lead to adverse judicial or administrative action against the Combined Company, overpayment demands, civil or criminal penalties, and exclusion from participation in Federal health care programs, each of which could have a material adverse impact on the Combined Company’s business, results of operations and financial condition.

- The federal Physician Self-Referral Law, also known as the Stark Law, prohibits physicians from referring Medicare and Medicaid patients to healthcare entities with which they or any of their immediate family members have a financial relationship for the furnishing of any “designated health services”, unless certain exceptions apply. The Stark Law is a strict liability statute, meaning that no intent is required to violate the law, and even a technical violation may lead to significant penalties. A violation of the Stark Law, including schemes to circumvent the Stark Law, may result in a denial of Medicare or Medicaid payment, required refunds to the Medicare or Medicaid programs and/or the imposition of civil monetary penalties for each claim knowingly submitted in violation of the Stark Law. A violation of the Stark Law may also result in liability under the FCA. There are ownership and compensation arrangement exceptions for many customary financial arrangements between physicians and entities, including the employment exception, personal service arrangements exception, lease

exception and certain recruitment exceptions, among others. The Combined Company believes that the TMS therapy services furnished by the physician practices with which the Combined Company contracts do not implicate the Stark Law because they do not constitute “designated health services.” However, it is possible that the federal government could designate TMS therapy services or additional service lines offered by the Combined Company as “designated health services” in the future, which might require the Combined Company to restructure its arrangements with physicians.

- The FCA provides the government a tool to pursue healthcare providers for submitting false claims or requests for payment for healthcare items or services. Under the FCA, the government may penalize any person or entity that, among other things, knowingly submits, or causes the submission of, false or fraudulent claims for payment to the federal government or knowingly and improperly avoids or decreases an obligation to pay money to the federal government. The federal government has widely used the FCA to prosecute Medicare and other federal health care program fraud, such as billing for services not provided or not supported by appropriate documentation, submitting false cost reports, and providing care that is not medically necessary or that is substandard in quality. Claims for services or items rendered in violation of the Anti-Kickback Statute or the Stark Law are also a basis for liability under the FCA. The FCA is also implicated by the knowing failure to report and return an identified overpayment to the Medicare or Medicaid programs within 60 days of identifying the overpayment or by the date a corresponding cost report is due, whichever is later.

Violations of the FCA are punishable by significant monetary penalties for each fraudulent claim plus three times the amount of damages sustained by the government. In addition, under the qui tam, or whistleblower, provisions of the FCA, private parties may bring actions under the FCA on behalf of the federal government. These private parties, known as relators, are entitled to share in any amounts recovered by the government, and, as a result, whistleblower lawsuits have increased significantly in recent years. Even if federal enforcement authorities decide not to pursue a case brought by a relator, the relator may in certain circumstances continue to pursue the case on its own. Many states have similar false claims statutes that impose liability for the types of acts prohibited by the FCA or that otherwise prohibit the submission of false or fraudulent claims to the state government or Medicaid program. Any FCA action brought against the Combined Companies, even if successfully defended, could result in significant legal expenses and divert attention from the operation of the Combined Company’s business.

In addition to the FCA, the federal government may use several criminal laws, such as the federal mail fraud, wire fraud or healthcare fraud statutes, to prosecute the submission of false or fraudulent claims for payment to the federal government. Most states have also adopted generally applicable insurance fraud statutes and regulations that prohibit healthcare providers from submitting inaccurate, incorrect or misleading claims to private insurance companies. The Combined Companies believe that they have implemented safeguards and procedures to complete claim forms and requests for payment in an accurate manner and to operate in compliance with applicable laws. However, the possibility of billing or other errors can never be completely eliminated, and the Combined Companies cannot guarantee that the federal government, a state government, or a qui tam relator, upon audit or review, would not take the position that billing or other errors, should they occur, are violations of the FCA.

- The administrative simplification provisions of the Health Insurance Portability and Accountability Act (“HIPAA”), as amended by the Health Information Technology for Economic and Clinical Health Act (“HITECH”), require the use of uniform electronic data transmission standards for healthcare claims and payment transactions submitted or received electronically. These provisions are intended to encourage electronic commerce in the healthcare industry. HIPAA, HITECH and their respective implementing regulations also established federal rules relating to the privacy and security of individually identifiable protected health information (“PHI”). The privacy regulations under HIPAA govern the use and disclosure of PHI and the rights of patients to be informed about and control how such PHI is used and disclosed. The HIPAA security regulations require healthcare providers to implement administrative, physical and technical safeguards to protect the confidentiality, integrity and availability of electronic PHI. Concerns regarding compliance with the HIPAA privacy and security regulations have been an area of increased focus and enforcement by regulators in the Department of Health and Human Services Office for Civil Rights. Violations of HIPAA can result in both criminal and civil fines and penalties.

TABLE OF CONTENTS

Among other things, HITECH strengthened certain HIPAA rules regarding the use and disclosure of PHI, extended certain HIPAA provisions to business associates and created security breach notification requirements, including notifications to the individuals affected by the breach, the Department of Health and Human Services, and in certain cases, the media. HITECH has also increased maximum civil and criminal penalties for violations of HIPAA. The Combined Companies believe that they have been in material compliance with the HIPAA regulations and have developed policies and procedures to ensure ongoing compliance, although they cannot guarantee that any contracted physician practices will not be subject to fines or penalties as a result of erroneous disclosures, security incidents or breaches.

Risks Related to Taxes

The Arrangement may limit Neuronetics' ability to use tax attributes and tax credit carryforwards.

Under Section 382 of the U.S. Internal Revenue Code of 1986, as amended (the “Code”) and corresponding provisions of state law, if a corporation undergoes an “ownership change”, which is generally defined as a greater than 50 percentage point change, by value, in its equity ownership over a three-year period, the corporation’s ability to use its pre-change net operating loss carryforwards and other pre-change tax attributes to offset its post-change income may be limited. Neuronetics may have experienced ownership changes in the past. Neuronetics may also experience ownership changes in the future as a result of subsequent shifts in Neuronetics’ stock ownership, some of which may be outside of Neuronetics’ control. In addition, the Arrangement, if consummated, may also constitute an ownership change (within the meaning of Section 382 of the Code) which could eliminate or otherwise substantially limit Neuronetics’ ability to use its pre-change net operating loss carryforwards and other pre-change tax attributes.

If an ownership change occurred or occurs and Neuronetics’ ability to use Neuronetics’ historical net operating loss and tax credit carryforwards is materially limited (or entirely eliminated), or if Neuronetics’ research and development carryforwards are adjusted, it would harm Neuronetics’ future operating results by effectively increasing Neuronetics’ future tax obligations. For taxable years beginning after December 31, 2020, deductions for federal net operating losses arising in taxable years beginning after December 31, 2017, may only offset 80% of taxable income.

The Greenbrook Debt Conversion may result in U.S. and/or Canadian taxable income to Greenbrook and significantly reduce Greenbrook's tax attributes.

Prior to the Arrangement, existing debt holders of Greenbrook will convert their debt into Greenbrook Shares. The Greenbrook Debt Conversion may result in cancellation of debt income for U.S. income tax purposes and an income inclusion under the debt forgiveness rules for Canadian income tax purposes. Greenbrook believes that it has sufficient tax attributes to offset such tax liability or prevent such income inclusion, as applicable, in the U.S. and Canada. However, there can be no assurance that the United States Internal Revenue Service (the “IRS”) or the Canada Revenue Agency (the “CRA”) will agree with or not otherwise challenge this position, in which case the Greenbrook Debt Conversion may result in significant tax liability. Additionally, for purposes of the Tax Act, in general terms, where control of a corporation is acquired or deemed to be acquired, as is expected to apply to Greenbrook as a result of the Arrangement, the corporation is subject to a “loss restriction event”, and the corporation’s net operating loss carryforwards, other losses and certain other tax attributes (in the case of Greenbrook, those that have not been applied to prevent the income inclusion incurred under the Canadian debt forgiveness rules described above) will be subject to limitation and possibly elimination for purposes of the Tax Act following completion of the Arrangement. Similar rules are expected to apply for Canadian provincial purposes and are not addressed herein.

GENERAL INFORMATION CONCERNING THE GREENBROOK MEETING AND VOTING

Date, Time and Place

The Greenbrook Meeting will be held online on [•], 2024 at [•] [a.m./p.m.] (Eastern time) via live audio webcast at www.virtualshareholdermeeting.com/GTMS2024SM. At the Greenbrook Meeting, Greenbrook Shareholders will be asked to consider and, if deemed advisable, to pass, with or without variation, the Greenbrook Arrangement Resolution, the full text of which is set forth in Appendix “C” approving: (i) the Arrangement, pursuant to which Neuronetics will, among other things, acquire all of the issued and outstanding Greenbrook Shares, all as more particularly described in this Joint Proxy Statement/Circular, including in “*The Arrangement Agreement and Related Agreements*”; and (ii) the conversion of the outstanding amount owing under the Greenbrook Credit Agreement, into fully paid and non-assessable Greenbrook Shares pursuant to the TL Conversion Agreement, all as more particularly described in this Joint Proxy Statement/Circular, including under “*The Arrangement Agreement and Related Agreements—Term Loan Exchange Agreement*”.

Recommendation of the Greenbrook Board

After consultation with its financial and legal advisors and the recommendation of the Greenbrook Special Committee, the Greenbrook Board has unanimously determined that the Arrangement is in the best interests of Greenbrook and Greenbrook Shareholders and that the consideration to be received by the Greenbrook Shareholders pursuant to the Arrangement is fair to such holders. In addition, A.G.P., Greenbrook’s independent financial advisor, has rendered the A.G.P. Fairness Opinion to the Greenbrook Board and the Greenbrook Special Committee that as of August 11, 2024, based upon and subject to the assumptions, limitations and qualifications set forth in the A.G.P. Fairness Opinion, the consideration to be received by Greenbrook Shareholders pursuant to the Arrangement is fair, from a financial point of view, to Greenbrook Shareholders. See “*Description of the Arrangement—Fairness Opinion of A.G.P./Alliance Global Partners*”.

Accordingly, the Greenbrook Board unanimously recommends that Greenbrook Shareholders vote FOR the Greenbrook Arrangement Resolution.

a quorum for the transaction of business at the Greenbrook Meeting. In general, Greenbrook Shares represented by a properly signed and returned Greenbrook form of proxy, or properly voted by internet or telephone, or voted by your broker will be counted as Greenbrook Shares present and entitled to vote at the Greenbrook Meeting for purposes of determining a quorum. Greenbrook Shares represented by proxies marked “Abstain” and “broker non-votes” are also counted in determining whether a quorum is present.

Non-registered Greenbrook Shareholders who have not made arrangements for the due appointment of themselves as proxyholder will not be able to vote at the Greenbrook Meeting but may attend the Greenbrook Meeting and ask questions.

Voting Instructions

Registered Greenbrook Shareholders

Registered Greenbrook Shareholders may wish to vote by proxy whether or not they are able to attend the Greenbrook Meeting. Registered Greenbrook Shareholders may choose one of the following options to submit their vote:

- Internet:** Visit www.proxyvote.com or scan the QR code on the form of proxy to access the website and follow the instructions on screen. You will need your 16-digit control number (located on both sides of the form of proxy) to identify yourself to the system. If you are voting through the internet, all required information must be entered by [•] [a.m./p.m.] (Eastern time) on [•], 2024 or two business days immediately preceding any adjournment or postponement of the Greenbrook Meeting.
- Phone:** Call 1-800-474-7493 (English) or 1-800-474-7501 (French) and follow the instructions. You will need your 16-digit control number (located on the front of the form of proxy) to identify yourself to the system. If you are voting by telephone, all required information must be entered by [•] [a.m./p.m.] (Eastern time) on [•], 2024. If you vote by telephone, you cannot appoint anyone other than the directors named on your proxy form as your proxyholder.

- Mail:** Complete, date and sign the enclosed form of proxy and return it to Broadridge at: Data Processing Centre, P.O. Box 3700 STN Industrial Park, Markham, Ontario, Canada L3R 9Z9, in the envelope provided so that it arrives no later than [•] [a.m./p.m.] (Eastern time) on [•], 2024. This will ensure your vote is recorded.
- Virtually at the Meeting:** Registered Greenbrook Shareholders and duly appointed proxyholders can vote at the appropriate times by completing a ballot online during the Greenbrook Meeting. It is anticipated that once voting has opened during the Greenbrook Meeting, the Greenbrook Arrangement Resolution and voting choices will be displayed and you will be able to vote by selecting your voting choices from the options shown on the screen. You must click **submit** for your vote to be counted.

In all cases, Registered Greenbrook Shareholders must ensure the Greenbrook form of proxy is received at least 48 hours (excluding non-business days) before the Greenbrook Meeting, or any postponement or adjournment thereof, at which the Greenbrook form of proxy is to be used.

Beneficial Greenbrook Shareholders

These meeting materials are being sent to both registered and non-registered Greenbrook Shareholders. If you are a non-registered Greenbrook Shareholder and Greenbrook or its agent has sent these materials directly to you, your name and address and information about your holdings of securities have been obtained in accordance with applicable securities regulatory requirements from the intermediary holding on your behalf.

There are two kinds of Beneficial Greenbrook Shareholders: those who have objected to their name being made known to Greenbrook (“**Objecting Beneficial Owners**” or “**OBOs**”) and those who have not objected (“**Non-Objecting Beneficial Owners**” or “**NOBOs**”).

Greenbrook can request and obtain a list of its NOBOs from intermediaries via its transfer agent and can use this NOBO list for distribution of proxy-related materials directly to NOBOs. Greenbrook has decided not to directly send proxy-related materials to its NOBOs. If you are a NOBO, your intermediary will have provided to you a voting instruction form. Please return your instructions as specified in the voting instruction form. NOBOs that wish to attend the Greenbrook Meeting and vote in person (or appoint someone else to attend the Greenbrook Meeting and vote on such NOBOs’ behalf) can appoint themselves (or someone else) as a proxyholder by following the applicable instructions on the voting instruction form.

Applicable regulatory policy requires intermediaries to seek voting instructions from Beneficial Greenbrook Shareholders. Every intermediary has its own mailing procedures and provides its own return instructions to clients. However, the majority of intermediaries now delegate responsibility for obtaining instructions from clients to Broadridge. Broadridge typically mails its voting instruction form, which may be scanned, in lieu of the form of proxy. Beneficial Greenbrook Shareholders will be requested to complete and return the voting instruction form to Broadridge by mail. Alternatively, Beneficial Greenbrook Shareholders can call a toll-free telephone number or access the internet to vote. The toll-free number and website will be provided by Broadridge on its voting instruction form. Broadridge then tabulates the results of all instructions received and provides appropriate instructions respecting the voting of Greenbrook Shares to be represented at the Greenbrook Meeting. A Beneficial Greenbrook Shareholder cannot use a voting instruction form to vote Greenbrook Shares directly at the Greenbrook Meeting, as the voting instruction form must be returned as directed by Broadridge in advance of the Greenbrook Meeting in order to have the Greenbrook Shares voted.

Greenbrook may utilize Broadridge’s QuickVote™ service to assist eligible holders with voting their Greenbrook Shares over the telephone.

Greenbrook will arrange for copies of its meeting materials for the Greenbrook Meeting to be delivered to OBOs and is responsible for paying the fees and costs of intermediaries for their services in delivering proxy-related materials to OBOs in accordance with National Instrument 54-101—*Communication with Beneficial Owners of Securities of a Reporting Issuer*. Applicable regulatory policy requires intermediaries to whom meeting materials have been sent to seek voting instructions from OBOs in advance of the Greenbrook Meeting. Every intermediary has its own mailing procedures and provides its own return instructions, which should be carefully followed by OBOs in order to ensure

TABLE OF CONTENTS

that their Greenbrook Shares are voted at the Greenbrook Meeting. Often, the form of proxy supplied to an OBO by its intermediary is identical to that provided to Registered Greenbrook Shareholders. However, its purpose is limited to instructing the Registered Greenbrook Shareholder how to vote on behalf of the OBO. OBOs are requested to complete and return the voting instruction form in accordance with the instructions set out on that form. The voting instruction form must be returned as directed well in advance of the Greenbrook Meeting in order to have the Greenbrook Shares voted. OBOs that wish to attend the Greenbrook Meeting and vote in person (or appoint someone else to attend the Greenbrook Meeting and vote on such OBOs' behalf) can appoint themselves (or someone else) as proxyholder by following the applicable instructions.

Beneficial Greenbrook Shareholders are not entitled, as such, to vote online at the Greenbrook Meeting or to deliver a Greenbrook form of proxy. Beneficial Greenbrook Shareholders should carefully follow the voting instructions they receive, including those on how and when voting instructions are to be provided, in order to have their Greenbrook Shares voted at the Greenbrook Meeting.

Beneficial Greenbrook Shareholders located in the United States who wish to attend, submit questions or vote at the Greenbrook Meeting or, if permitted, appoint a third party as their proxyholder, must obtain a valid legal proxy from their intermediary. Beneficial Greenbrook Shareholders located in the United States must follow the instructions from their intermediary included with the legal proxy form and the voting instruction form sent to them, or contact their intermediary to request a legal proxy form if they have not received one. The legal proxy form will be mailed to the person and address written on the voting instruction form. After obtaining a valid legal proxy from their intermediary, Beneficial Greenbrook Shareholders located in the United States must then submit such legal proxy to Broadridge. Requests for registration from Beneficial Greenbrook Shareholders must be sent online by entering the 16-digit control number located on the Voter Information Form on [•] and checking the box to “Request a Legal Proxy” or with a written request for a “Legal Proxy” sent by courier to Vote Processing, c/o Broadridge, 51 Mercedes Way, Edgewood, NY 11717. The written request must include the request for “Legal Proxy”, the Beneficial Greenbrook Shareholder’s full name, address and 16-digit voting control number. Requests, whether received online or via courier, must be received by no later than [•] [a.m./p.m.] (Eastern time) on [•], 2024. Sufficient time must be given to Broadridge for the mailing and return of the legal proxy by this deadline.

Participation at the Greenbrook Meeting

Greenbrook is holding the Greenbrook Meeting in a virtual-only format, which will be conducted via live audio webcast online at www.virtualshareholdermeeting.com/GTMS2024SM. Greenbrook Shareholders will not be able to attend the Greenbrook Meeting in person. Participating at the Greenbrook Meeting online enables Registered Greenbrook Shareholders and duly appointed proxyholders (including those acting in accordance with the voting instructions received from Beneficial Greenbrook Shareholders) to vote at the appropriate times during the Greenbrook Meeting.

To log in to the Greenbrook Meeting online, visit www.virtualshareholdermeeting.com/GTMS2024SM on your smart phone, tablet or computer and check-in using the 16-digit control number included on your Greenbrook form of proxy or voting instruction form, as applicable. You should ensure you have a strong, preferably high-speed, internet connection wherever you intend to participate in the Greenbrook Meeting. The Greenbrook Meeting will begin promptly at [•] [a.m./p.m.] (Eastern time) on [•], 2024; however, it is recommended that you access the Greenbrook Meeting link online at least 30 minutes prior to the commencement of the Greenbrook Meeting and test your compatibility using the “Click Here” prompt and if necessary upgrade the media player on your device. You will be able to log in 15 minutes before the Greenbrook Meeting starts. To log in, click on one of the following choices:

- Greenbrook Shareholders:** enter the 16-digit control number located on your Greenbrook form of proxy or voting instruction form. Registered Greenbrook Shareholders and Beneficial Greenbrook Shareholders will be entitled to attend the Greenbrook Meeting and ask questions, however, only Registered Greenbrook Shareholders and duly appointed proxyholders will be able to vote at the Greenbrook Meeting; or
- Proxyholders/Appointees:** follow the instructions including entering the “Appointee Name” and “Appointee Identification Number” as it was provided by the Greenbrook Shareholder and click submit.

[TABLE OF CONTENTS](#)

When successfully authenticated, the information screen will be displayed. You can view information about Greenbrook, ask questions, vote (where applicable) and listen to the live audio webcast.

Even if you plan to attend the Greenbrook Meeting, Greenbrook recommends that you vote in advance, so that your vote will be counted if you later decide not to attend the Greenbrook Meeting.

For any technical difficulties experienced during the check-in process or during the Greenbrook Meeting, please call the technical support number that will be posted on the Greenbrook Meeting log-in page for assistance.

Submitting Questions during the Greenbrook Meeting

Greenbrook recognizes the importance of Greenbrook Shareholders being able to ask questions in a virtual meeting format. At the Greenbrook Meeting, Registered Greenbrook Shareholders and duly appointed proxyholders, regardless of geographic location, will be able to participate and have an equal opportunity to ask questions, and vote in real time at the Greenbrook Meeting, provided they are connected to the internet and have logged in to the online platform accessible at www.virtualshareholdermeeting.com/GTMS2024SM.

Greenbrook expects to hold, to the extent feasible and practical, a live question and answer session in connection with the Greenbrook Meeting. Greenbrook intends that shareholder participation at the Greenbrook Meeting will be comparable to that which a shareholder could reasonably expect if they were attending an in-person meeting. There will be a helpline for technical assistance on the registration page of the Greenbrook Meeting. Questions will be sent to be moderated before being sent to the Chair of the Greenbrook Meeting. Greenbrook reserves the right to edit profanity or other inappropriate language, or to exclude questions that are not pertinent to the Greenbrook Meeting matters or are otherwise inappropriate.

Appointment of Proxyholders

A proxy is a document that authorizes someone else to attend the Greenbrook Meeting and cast the votes for a Registered Greenbrook Shareholder. Greenbrook Shareholders who are unable to attend the Greenbrook Meeting virtually and vote may still vote by appointing a proxyholder.

A Greenbrook Shareholder has the right to appoint a person (who need not be a Greenbrook Shareholder) to represent the Greenbrook Shareholder at the Greenbrook Meeting other than the persons designated in the Greenbrook form of proxy. To do so, you can appoint either yourself or such other person (other than the named proxyholders) online at [•] using the 16-digit control number provided on the Greenbrook form of proxy or voting instruction form, as this will reduce the risk of any mail disruptions in the current environment and will allow you to share the unique “Appointee Information” you have created with the person you have appointed to represent you at the Greenbrook Meeting more easily. If you do not designate a proxyholder or appointee when completing your Greenbrook form of proxy, or if you do not provide the exact “Appointee Identification Number” and “Appointee Name” to any other person (other than the named proxyholders) who has been appointed to access and vote at the Greenbrook Meeting on your behalf, that other person will not be able to access the meeting and vote on your behalf.

If you are a non-registered Greenbrook Shareholder and wish to virtually attend the Greenbrook Meeting, participate or vote at the Greenbrook Meeting, you have to insert your own name in the space provided on the voting instruction form sent to you by your intermediary **AND** appoint yourself as your proxyholder, as described above. By doing so, you are instructing your intermediary to appoint you as proxyholder.

Voting of Proxies

If you have properly filled out, signed and delivered your proxy, then your proxyholder can vote your Greenbrook Shares for you at the Greenbrook Meeting. The Greenbrook Shares represented by the proxy will be voted or withheld from voting in accordance with the instructions of the Greenbrook Shareholder on any ballot that may be called for and, if the Greenbrook Shareholder specifies a choice with respect to any matter to be acted upon, the Greenbrook Shares will be voted accordingly. **If you sign and return your Greenbrook form of proxy without designating a proxyholder and do not give voting instructions, the Greenbrook Shares represented by such proxy will be voted FOR the Greenbrook Arrangement Resolution.**

The enclosed Greenbrook form of proxy confers discretionary authority upon the proxy nominee with respect to any amendments or variations to the matters identified in the Notice of Special Meeting of the Greenbrook

Shareholders and any other matters which may properly come before the Greenbrook Meeting. If any such amendments or variations are proposed to the matters described in the Notice of Special Meeting of the Greenbrook Shareholders or if any other matters properly come before the Greenbrook Meeting, the proxyholder may vote your Greenbrook Shares as he or she considers best. The Greenbrook Board is not currently aware of any amendments to the matters to be presented for action at the Greenbrook Meeting or of any other matters to be presented for action at the Greenbrook Meeting.

Revocation of Proxies

If you are a Registered Greenbrook Shareholder and wish to revoke your proxy, you may revoke a vote you made by proxy by:

- voting again online at www.proxyvote.com or by completing and signing a proxy bearing a later date and depositing it in accordance with the instructions on the form of proxy, which will revoke any proxy you previously submitted;
- voting at the Greenbrook Meeting virtually by submitting an online ballot through the live webcast platform, which will revoke any proxy you previously submitted; or
- making a request in writing stating that you wish to revoke your proxy, before any vote in respect of which the proxy has been given or taken. The written request can be from you or your authorized attorney or by electronic signature to the extent permitted by applicable law. This statement must be deposited at the registered office of Broadridge at the address listed below no later than [•] [a.m./p.m.] (Eastern time) on [•], 2024, or two business days immediately preceding any adjournment or postponement of the Greenbrook Meeting, or delivered in any other manner provided by law.

Greenbrook Voting and Support Agreements

Simultaneously with the execution of the Arrangement Agreement, the Greenbrook Locked-Up Parties (solely in their respective capacities as Greenbrook Shareholders) who collectively beneficially owned or controlled approximately 48.7% of the voting power of the Greenbrook Shares outstanding as of August 11, 2024 (on a non-diluted basis and after taking into account the previously announced cancellation of 11,634,660 outstanding Greenbrook Shares that was completed on August 16, 2024), entered into the Greenbrook Voting and Support Agreements, pursuant to which the Greenbrook Locked-Up Parties agreed, among other things, to vote their Greenbrook Shares, including any Greenbrook Shares acquired by the Greenbrook Locked-Up Parties subsequent to the date of the Greenbrook Voting and Support Agreements, for the Greenbrook Arrangement Resolution and any other matter necessary for the consummation of the transactions contemplated by the Arrangement Agreement. In the event that the Madryn Parties convert all or a portion of the outstanding amounts under the Greenbrook Credit Agreement or the Convertible Notes held by the Madryn Parties prior to the Greenbrook Meeting, the Madryn Parties will be required to vote any Greenbrook Shares received on such conversion for the Greenbrook Arrangement Resolution at the Greenbrook Meeting. See “*The Arrangement Agreement and Related Agreements — Convertible Note Agreement*”. Pursuant to the Greenbrook Voting and Support Agreements entered into by the Madryn Parties (the “**Madryn Voting and Support Agreements**”), the Madryn Parties are permitted to terminate the Madryn Voting and Support Agreements if, among other things, prior to the Greenbrook Meeting, Madryn receives an unsolicited bona fide written Greenbrook Acquisition Proposal and Madryn determines in good faith that such Greenbrook Acquisition Proposal constitutes a Greenbrook Enhanced Superior Proposal. The Greenbrook Voting and Support Agreements terminate upon the occurrence of certain events, including the Effective Date or the termination of the Arrangement Agreement in accordance with its terms.

GENERAL INFORMATION CONCERNING THE NEURONETICS MEETING AND VOTING

This Joint Proxy Statement/Circular is being provided to Neuronetics Stockholders as part of a solicitation of proxies by the Neuronetics Board for use at the Neuronetics Meeting to be held at the time and place specified below and at any properly convened meeting following an adjournment or postponement thereof. This Joint Proxy Statement/Circular provides Neuronetics Stockholders with information they need to know to be able to vote or instruct their vote to be cast at the Neuronetics Meeting.

Date, Time and Place

The Neuronetics Meeting will be held online via live audio webcast on [•], 2024 at [•] [a.m./p.m.] (Eastern time). There will be no physical location for Neuronetics Stockholders to attend. To participate in the Neuronetics Meeting, Neuronetics Stockholders will need their unique 16-digit control number included on their Neuronetics proxy card (printed in the box and marked by the arrow) or the instructions that accompanied the proxy materials. Neuronetics intends to make available this Joint Proxy Statement/Circular and the enclosed form of proxy to the Neuronetics Stockholders entitled to vote at the Neuronetics Meeting on or about [•], 2024.

Purpose of the Neuronetics Meeting

The Neuronetics Meeting is being called for the following purposes:

1. to approve an amendment and restatement of the Neuronetics Ninth Amended and Restated Certificate of Incorporation, as amended, to increase Neuronetics' authorized shares of common stock from 200,000,000 shares to 250,000,000 shares;

Recommendation of the Neuronetics Board

On August 11, 2024, the Neuronetics Board unanimously determined that the Arrangement, the negotiation of and entry into the Arrangement Agreement and the other transactions and matters contemplated in the Arrangement Agreement or in connection therewith are in the best interests of, and are advisable to, Neuronetics and the Neuronetics Stockholders.

Accordingly, the Neuronetics Board unanimously recommends that Neuronetics Stockholders vote FOR the Neuronetics Proposals.

The approval by Neuronetics Stockholders of the Neuronetics Charter Amendment Proposal and the Neuronetics Share Issuance Proposal is a condition to the completion of the Arrangement. If the Neuronetics Charter Amendment Proposal is not approved, Neuronetics has sufficient Neuronetics Shares to close the Arrangement, and Greenbrook and Neuronetics could mutually agree to waive the condition precedent.

Neuronetics Stockholders should carefully read this Joint Proxy Statement/Circular, including any documents incorporated by reference, and the appendices in their entirety for more detailed information concerning the Arrangement and the other transactions contemplated by the Arrangement Agreement.

Voting of Proxies

If you have properly filled out, signed and delivered your proxy, then your proxyholder can vote your Neuronetics Shares for you at the Neuronetics Meeting. The Neuronetics Shares represented by the proxy will be voted or withheld from voting in accordance with the instructions of the Neuronetics Stockholder on any ballot that may be called for and, if the Neuronetics Stockholder specifies a choice with respect to any matter to be acted upon, the Neuronetics Shares will be voted accordingly. **If a choice is not so specified with respect to any such matter, and the persons named in the enclosed form of proxy have been appointed as proxyholder, the Neuronetics Shares represented by such proxy will be voted FOR the Neuronetics Proposals.**

The enclosed form of proxy confers discretionary authority upon the proxy nominee with respect to any amendments or variations to the matters identified in the Notice of the Special Meeting of Neuronetics Stockholders and any other matters which may properly come before the Neuronetics Meeting. If any such amendments or variations are proposed to the matters described in the Notice of Special Meeting of Neuronetics Stockholders or if any other matters properly come before the Neuronetics Meeting, the proxyholder may vote your Neuronetics Shares as he or she considers best. The Neuronetics Board is not currently aware of any amendments to the matters to be presented for action at the Neuronetics Meeting or of any other matters to be presented for action at the Neuronetics Meeting.

Revocation of Proxies

A registered Neuronetics Stockholder who has submitted a proxy may revoke it at any time prior to it being exercised. If the Neuronetics Stockholder is a registered holder, the Neuronetics Stockholder can do this in one of four ways: First, a Neuronetics Stockholder may submit another timely and properly completed proxy card with a later date. Second, a Neuronetics Stockholder may grant a subsequent timely proxy by telephone or through the internet. Third, a Neuronetics Stockholder may send a timely written notice that such Neuronetics Stockholder is revoking the proxy to Neuronetics, Inc., 3222 Phoenixville Pike, Malvern, Pennsylvania 19355, Attention: Corporate Secretary. Fourth, a Neuronetics Stockholder may attend and vote during the Neuronetics Meeting. Simply attending the Neuronetics Meeting will not, by itself, revoke a proxy. See “—*Participation at the Neuronetics Meeting*”.

If you have instructed a broker to vote your Neuronetics Shares and wish to change your vote, you must follow directions received from your broker to change those instructions.

Neuronetics Voting and Support Agreements

Simultaneously with the execution of the Arrangement Agreement, Greenbrook and the Neuronetics Locked-Up Parties (solely in their respective capacities as Neuronetics Stockholders) who collectively beneficially owned or controlled approximately 9.6% of the voting power of Neuronetics’ outstanding capital stock as of August 11, 2024, entered into the Neuronetics Voting and Support Agreements pursuant to which the Neuronetics Locked-Up Parties agreed, among other things, to vote their Neuronetics Shares, including any Neuronetics Shares acquired by the Neuronetics Locked-Up Parties subsequent to the date of the Neuronetics Voting and Support Agreements, for the Neuronetics Charter Amendment Proposal and the Neuronetics Share Issuance Proposal and any other matter necessary for the consummation of the transactions contemplated by the Arrangement Agreement, and against any alternative proposal. If the Neuronetics Charter Amendment Proposal is approved by the Neuronetics Stockholders, the Neuronetics Board will cause the Neuronetics Charter Amendment Proposal to be implemented by filing articles of amendment with the Secretary of State of Delaware. The increase in Neuronetics' authorized shares of common stock will become effective on the date that such amendment is filed.

The text of the form of articles of amendment relating to the Neuronetics Charter Amendment Proposal is attached to this Joint Proxy Statement/Circular as Appendix "L".

Required Stockholder Approval

Approval requires the affirmative vote of a majority of votes cast at the Neuronetics Meeting on the Neuronetics Charter Amendment Proposal. An abstention, a broker non-vote or other failure to vote will have no effect on the outcome of the Neuronetics Charter Amendment Proposal, so long as a quorum is present.

The Neuronetics Board unanimously recommends that Neuronetics Stockholders vote FOR the Neuronetics Charter Amendment Proposal.

Neuronetics Proposal 2: Neuronetics Share Issuance Proposal

Neuronetics is asking the Neuronetics Stockholders to consider and vote on the Neuronetics Share Issuance Proposal to issue Neuronetics Shares to Greenbrook Shareholders pursuant to the Arrangement Agreement. Copies of the Arrangement Agreement and the Plan of Arrangement are attached as Appendix "A" and Appendix "B", respectively, to this Joint Proxy Statement/Circular. Neuronetics urges you to read the full text of the Arrangement Agreement and Plan of Arrangement.

Required Stockholder Approval

Approval requires the affirmative vote of a majority of votes cast at the Neuronetics Meeting on the Neuronetics Share Issuance Proposal. An abstention, a broker non-vote or other failure to vote will have no effect on the outcome of the Neuronetics Share Issuance Proposal, so long as a quorum is present.

The Neuronetics Board unanimously recommends that Neuronetics Stockholders vote FOR the Neuronetics Share Issuance Proposal.

Neuronetics Proposal 3: Neuronetics Incentive Plan Proposal

Neuronetics is asking the Neuronetics Stockholders to approve the Neuronetics Incentive Plan Proposal to increase the number of Neuronetics Shares reserved for issuance under the Plan by up to 3,500,000 additional Neuronetics Shares. The Neuronetics Board unanimously recommends that Neuronetics Stockholders vote FOR the Neuronetics Incentive Plan Proposal.

Neuronetics Proposal 4: Neuronetics Adjournment Proposal

At the Neuronetics Meeting, Neuronetics Stockholders will be asked to consider and, if deemed advisable, to approve the Neuronetics Adjournment Proposal to adjourn the Neuronetics Meeting to a later date or dates if necessary or appropriate to solicit additional proxies if there are insufficient votes to adopt the Neuronetics Charter Amendment Proposal, the Neuronetics Share Issuance Proposal, and the Neuronetics Incentive Plan Proposal, at the time of the Neuronetics Meeting. If Neuronetics Stockholders approve the Neuronetics Adjournment Proposal, Neuronetics could adjourn the Neuronetics Meeting and any adjourned session of the Neuronetics Meeting and use the additional time to solicit additional proxies, including soliciting proxies from Neuronetics Stockholders that have previously returned properly executed proxies voting against the Neuronetics Charter Amendment Proposal, the Neuronetics Share Issuance Proposal, or the Neuronetics Incentive Plan Proposal. Among other things, approval of the Neuronetics Adjournment Proposal could mean that, even if Neuronetics had received proxies representing a sufficient number of votes against the Neuronetics Charter Amendment Proposal, the Neuronetics Share Issuance Proposal, or the Neuronetics Incentive Plan Proposal such that the Neuronetics Charter Amendment Proposal, the Neuronetics Share Issuance Proposal, or the Neuronetics Incentive Plan Proposal would be defeated, Neuronetics could adjourn the Neuronetics Meeting without a vote on such Neuronetics Proposals and seek to convince those Neuronetics Stockholders to change their votes to votes for such Neuronetics Proposals. Additionally, Neuronetics may seek to adjourn the Neuronetics Meeting if a quorum is not present or otherwise at the discretion of the Chairman of the Neuronetics Meeting.

Required Stockholder Approval

Approval requires the affirmative vote of the holders of a majority of the voting power of the Neuronetics Shares present or represented by proxy at the Neuronetics Meeting and entitled to vote on such proposal. The Neuronetics Board unanimously recommends that Neuronetics Stockholders vote FOR the Neuronetics Adjournment Proposal.

DESCRIPTION OF THE ARRANGEMENT

Background to the Arrangement

The execution of the Arrangement Agreement and public announcement of the Arrangement was the culmination of the long-standing commercial relationship between Neuronetics and Greenbrook, periodic negotiations over a number of years as well as a comprehensive strategic process undertaken by Greenbrook. The Arrangement Agreement is the result of arm's length negotiations between Greenbrook, its legal and financial advisors and the Greenbrook Special Committee, on the one hand, and Neuronetics and its legal and financial advisors, on the other hand. The following is a summary of the material meetings, negotiations, discussions and actions between the parties that preceded, as well as the context that led to, the execution of the Arrangement Agreement and public announcement of the Arrangement.

The respective management teams of Neuronetics and Greenbrook, together with the Neuronetics Board and the Greenbrook Board, as applicable, regularly consider, monitor and investigate opportunities to advance their businesses and enhance shareholder value. From time to time, these opportunities have included the consideration of potential commercial and strategic transactions with various industry participants, including strategic partnerships, investments, joint ventures and other business relationships. Neuronetics and Greenbrook would review and consider such transactions as they arose to determine whether pursuing them would be in the best interests of their respective companies and stakeholders.

The commercial and business relationships between Neuronetics and Greenbrook date back to the launch of Greenbrook's TMS business in November 2011 when Greenbrook began purchasing NeuroStar Advanced Therapy for Mental Health systems and related products from Neuronetics. Over the course of that relationship, Neuronetics became Greenbrook's largest supplier and Greenbrook became Neuronetics' largest customer. Throughout this period, leadership from both companies frequently would discuss opportunities for business improvement and moving the TMS industry forward. The parties had an existing confidentiality agreement given their historical relationship and ongoing discussions.

In early 2022, leaders from Neuronetics, Greenbrook and Check Five LLC (doing business as "Success TMS") held informal discussions about a potential combination among the three companies. While the discussions involving Neuronetics were of a preliminary nature and did not lead to a transaction involving it, Greenbrook independently determined to acquire Check Five LLC in July 2022.

On July 14, 2022, the Neuronetics Board formed a transaction committee comprised of Robert A. Cascella, Glenn P. Muir and John C. Bakewell, to evaluate and advise management regarding a potential business combination with Greenbrook (the "**Transaction Committee**"). Mr. Bakewell subsequently left the Transaction Committee concurrently with the expiration of his Board term in May 2024. Canaccord Genuity served as Neuronetics' financial advisor throughout this period. Morrison & Foerster LLP served as U.S. legal advisor to Neuronetics in connection with the Greenbrook negotiations from July 2022 through December 2023. Thereafter, Ballard Spahr LLP ("**Ballard**") served as Neuronetics' U.S. legal counsel in connection with the Greenbrook discussions, the negotiation of the Arrangement Agreement and the Arrangement. Neuronetics engaged Stikeman Elliott LLP ("**Stikeman**") and Goodmans LLP as Canadian legal counsel. Neuronetics also engaged Stout Risius Ross, LLC ("**Stout**") to provide financial due diligence and tax services. The Neuronetics Board and the Transaction Committee regularly interacted with, and received advice from, these advisors throughout the process. During the course of the negotiations with Greenbrook between July 2022 and August 2024, the Transaction Committee met 12 times and the Neuronetics Board met 13 times to discuss Neuronetics' possible business combination with Greenbrook. Neuronetics' financial advisors and outside counsel were regular participants in these discussions.

Following Greenbrook's acquisition of Check Five LLC, on August 16, 2022, with the approval of the Transaction Committee, Neuronetics submitted a non-binding indication of interest regarding an all-stock merger with Greenbrook shareholders holding 38% in the post-closing combined company on a fully-diluted basis and the assumption of Greenbrook net debt estimated at approximately \$81million. This indication of interest, and subsequent indications of interest, from Neuronetics were subject to due diligence and other conditions. Greenbrook did not provide a formal response to the indication of interest, which expired in accordance with its terms.

Throughout the second half of 2022, Greenbrook's financial condition and performance began to deteriorate as compared to the expectations of management of Greenbrook and the Greenbrook Board. Factors contributing to

TABLE OF CONTENTS

this deterioration included an increasing debt balance, rising and then-sustained higher interest rates, the ongoing impacts of the novel coronavirus (COVID-19) pandemic and entrenched delays in treatment payments from insurance payors, with such factors impacting both Greenbrook and the wider industry. Compounding the underperformance of its business, Greenbrook experienced persistent liquidity challenges.

Due to these challenges and other factors, Greenbrook has experienced significant downward pressure on the trading price of, and decreased liquidity for, the Greenbrook Shares. This pressure has made it difficult for Greenbrook to raise equity capital without a significant dilutive impact on existing shareholders. Furthermore, the headwinds in the macroeconomic environment, including high inflation and increased interest rates, and the challenging capital market conditions have adversely affected Greenbrook's ability to access equity or debt capital on favorable terms.

In January 2023, Greenbrook and Neuronetics sought to expand their commercial dealings by exploring an exclusive commercial agreement. This negotiation culminated in the entry by the parties into a six-year Exclusive Commercial Agreement on January 19, 2023 (the "**Exclusive Commercial Agreement**") whereby Neuronetics would become the exclusive supplier of TMS devices to Greenbrook, and the two companies would work jointly to grow through co-branding and co-marketing programs, enhanced patient and clinician awareness, improved patient access to care and collaboration on product development and publications.

In conjunction with the discussions between the parties surrounding the Exclusive Commercial Agreement, management of Greenbrook and Neuronetics also renewed their discussions regarding a potential combination of their respective businesses. On February 1, 2023, with the approval of the Transaction Committee, Neuronetics submitted a non-binding indication of interest regarding an all-stock merger which proposed an exchange ratio that would result in Greenbrook shareholders holding a 5.0% ownership interest in the post-closing combined company on a fully-diluted basis and the assumption of Greenbrook net debt estimated at approximately \$120,000,000, subject to due diligence and other conditions.

On February 3, 2023, the Greenbrook Board authorized management of Greenbrook to deliver a non-binding indication of interest to Neuronetics (the "**Initial Greenbrook Proposal**") regarding an all-stock merger in which all outstanding Greenbrook Shares would be exchanged for Neuronetics Shares at a fixed exchange ratio that would result in Greenbrook Shareholders holding a 31.5% interest in the post-closing combined company on a fully-diluted basis and the assumption by Neuronetics of all of Greenbrook's outstanding indebtedness. The Initial Greenbrook Proposal was subject to due diligence and other conditions.

Following discussions between Greenbrook and Neuronetics, with the approval of the Transaction Committee, Neuronetics submitted a counterproposal to Greenbrook (the "**Neuronetics Counterproposal**") on February 8, 2023, which was also subject to due diligence and other conditions. The Neuronetics Counterproposal proposed an exchange ratio that would result in Greenbrook Shareholders holding a 10% interest in the post-closing combined company on a fully-diluted basis and the assumption by Neuronetics of Greenbrook's net debt, estimated at approximately \$120,000,000.

On February 22, 2023, with the approval of the Transaction Committee, Neuronetics submitted an alternative non-binding indication of interest regarding an asset purchase pursuant to a court-approved process for consideration of \$30,000,000, consisting of \$20,000,000 of assumed Greenbrook debt and \$10,000,000 of Neuronetics Shares, which was subject to due diligence and other conditions.

Following further discussions regarding a potential merger between the parties, and given the distance between the parties on mutually agreeable terms, coupled with alternative strategic initiatives being considered by Greenbrook (including the Restructuring Plan (as described below)), the Greenbrook Board determined that it was in the best interests of Greenbrook to discontinue merger discussions with Neuronetics and pursue its long-term strategy. Shortly thereafter, Greenbrook notified Neuronetics that Greenbrook was not interested in pursuing a merger at such time.

On March 6, 2023, Greenbrook announced that it would be embarking on a comprehensive restructuring plan (the "**Restructuring Plan**") aimed to strengthen Greenbrook by leveraging its scale to further reduce complexity, streamlining its operating model and driving operational efficiencies. As part of the Restructuring Plan, Greenbrook planned to decrease its operating footprint by closing 50 Treatment Centers, allowing management to focus on the remaining Treatment Centers, which had generated nearly 90% of Greenbrook's

TABLE OF CONTENTS

total revenue at that time. The Restructuring Plan was intended to fortify Greenbrook's path to achieve sustainable profitability and long-term growth and was estimated at the time to result in cost savings of between \$22,000,000 and \$25,000,000 on an annualized run-rate basis when fully implemented.

On March 16, 2023, the parties agreed to amend the Exclusive Commercial Agreement, among other things, to convert \$5,883,643.69 of Greenbrook's trade credit owed to Neuronetics into senior secured debt in an effort to improve Greenbrook's short term cash flow position. In connection with this accounts receivable conversion, Greenbrook agreed that any delinquent payments under the senior secured note, the Exclusive Commercial Agreement or otherwise owing to Neuronetics would accelerate all such debt to be immediately due and payable.

Throughout 2023, Greenbrook continued to require and obtain debt and equity financing in order to continue operating its business. This capital largely came in the form of additional senior secured debt from Madryn under the Greenbrook Credit Agreement in the aggregate amount of approximately \$30,000,000. During this period, Greenbrook continued to experience significant downward pressure on the trading price of, and decreased liquidity for, the Greenbrook Shares due to the challenges and other factors described above.

On May 15, 2023, Greenbrook received notification from Nasdaq that Greenbrook was not in compliance with the Minimum Bid Price Requirement for continued listing on Nasdaq, as the bid price for the Greenbrook Shares on Nasdaq closed below \$1.00 for 30 consecutive days. In addition, Greenbrook received a notification from Nasdaq that Greenbrook was not in compliance with the minimum market value of listed securities requirement, as the market value of the Greenbrook Shares was below \$35,000,000 for 30 consecutive days. Greenbrook was unable to re-establish compliance with Nasdaq listing requirements within the additional 180-day compliance period and the Greenbrook Shares were ultimately suspended from trading on Nasdaq effective February 26, 2024.

In December 2023, Greenbrook updated its budget for the 2024 fiscal year. In light of Greenbrook's funding needs, deteriorating financial condition and limited prospects for raising additional capital on favorable terms, the Greenbrook Board determined that it would be prudent to consider possible strategic alternatives, including a going-private transaction, a recapitalization, a restructuring or insolvency proceeding, a strategic investment into the company, a sale of certain assets or a sale or merger of Greenbrook. A.G.P. was retained as Greenbrook's financial advisor to assist Greenbrook with the sourcing, review, consideration and evaluation of any proposed strategic transactions. Between December 2023 and March 2024, A.G.P. held discussions with and presented to management of Greenbrook and Madryn regarding strategic financing alternatives for Greenbrook, including a relisting on Nasdaq and a potential take-private transaction.

On March 1, 2024, the Neuronetics Board held a meeting to discuss submitting a new non-binding indication of interest to Greenbrook. On March 3, 2024, Neuronetics approached Greenbrook with a request to arrange for the parties to enter into an agreement to extend the confidentiality obligations of the parties stemming from the 2023 discussions. On March 5, 2024, following execution by the parties of an amended and restated confidentiality agreement dated March 3, 2024 (the "**Confidentiality Agreement**"), Greenbrook received a non-binding indication of interest from Neuronetics (the "**Initial 2024 Neuronetics Offer**") regarding an all-stock merger in which all outstanding Greenbrook Shares would be exchanged for Neuronetics Shares at an exchange ratio that would result in Greenbrook Shareholders holding a 30% interest in the post-closing combined company on a fully-diluted basis (following conversion of all Greenbrook debt into Greenbrook Shares), subject to due diligence and negotiation of transaction terms. The Initial 2024 Neuronetics Offer required Madryn to complete a 100% debt-to-equity conversion.

Following receipt of the Initial 2024 Neuronetics Offer, the Greenbrook Board instructed management of Greenbrook to solicit the views of Madryn regarding the terms of the Initial 2024 Neuronetics Offer in light of the requirement in the Initial 2024 Neuronetics Offer that Madryn convert all of its debt into Greenbrook Shares. Madryn advised Greenbrook that it was not interested in converting all of its debt to equity.

On March 13, 2024, the Greenbrook Board met with management of Greenbrook and A.G.P. to review and discuss the merits of the Initial 2024 Neuronetics Offer. In light of Madryn's unwillingness to complete a full debt-to-equity conversion as required by the Initial 2024 Neuronetics Offer, the Greenbrook Board instructed management of Greenbrook to communicate to Neuronetics that this condition of its proposal could not be satisfied. Shortly thereafter, Neuronetics was advised by Greenbrook of Madryn's position.

TABLE OF CONTENTS

On March 15, 2024, Madryn advised management of Greenbrook and A.G.P. that Madryn had been approached on an unsolicited basis by an arm's length third party who had expressed preliminary interest in pursuing a transaction with Greenbrook.

In light of the Initial 2024 Neuronetics Offer and the March 15, 2024 proposal made to Madryn and following discussions with management of Greenbrook and advice from A.G.P. and Greenbrook's legal counsel, Torys LLP ("**Torys**"), on April 1, 2024, the Greenbrook Board established a special committee of independent directors of the Greenbrook Board (the "**Greenbrook Special Committee**") consisting of Frank Tworecke, Juliana Elstad and Surindra Mann, with Mr. Tworecke serving as Chair. The Greenbrook Special Committee was formed to (a) review, direct and supervise an organized process to be carried out by Greenbrook and its professional advisors and to assess, as part of such process, any potential strategic transactions and other strategic alternatives for Greenbrook (the "**Strategic Process**"); (b) review and consider the proposed structure and terms and conditions of any strategic transaction; (c) supervise the conduct of, engage in negotiations or discussions on behalf of Greenbrook and propose changes to the terms of any strategic transaction; (d) consider all legal and regulatory requirements applicable to any strategic transaction; (e) discuss details of any strategic transaction with management of Greenbrook and other representatives of Greenbrook or Greenbrook's advisors; (f) consider and make recommendations to the Greenbrook Board with respect to any strategic transaction; (g) review any public disclosure to be made by Greenbrook with respect to any strategic transaction; (h) approve all transaction documentation relating to any strategic transaction; (i) monitor the carrying out of any strategic transaction; (j) supervise and direct the process for obtaining all necessary or appropriate regulatory, shareholder or other approvals in connection with any strategic transaction; (k) if required or considered appropriate, supervise the preparation of a formal valuation and/or fairness opinion in connection with any strategic transaction; (l) report to the Greenbrook Board as to the Greenbrook Special Committee's recommendation and its reasons and conclusions in respect thereof; (m) determine whether any "collateral benefit" may arise in respect of a strategic transaction in accordance with MI 61-101; and (n) take all such further actions as the Greenbrook Special Committee shall deem necessary or advisable in order to carry out the intent of and accomplish the foregoing.

The Greenbrook Special Committee actively monitored and supervised the Strategic Process and was closely involved in the analysis and evaluation of all of the proposals submitted by the Selected Potential Counterparties (as defined below) and Neuronetics, including the supervision of the process that led to Greenbrook entering into the Arrangement Agreement and the negotiation of the terms and conditions with respect to the Arrangement. The Greenbrook Special Committee also continued to assess Greenbrook's strategic and operational objectives and possible strategic alternatives, including a potential restructuring or insolvency proceeding. The Greenbrook Special Committee met a total of 19 times between its formation and the announcement of the Arrangement and had numerous additional information discussions among themselves, representatives of management of Greenbrook and legal and financial advisors to Greenbrook. The Greenbrook Special Committee also held in-camera sessions with legal and financial advisors, at which the members of the Greenbrook Special Committee engaged in confidential discussion without the presence of management of Greenbrook.

On April 1, 2024, Greenbrook also engaged MCR Research Inc. ("**MCR**") as special advisor to the Greenbrook Special Committee. Shubo Rakhit, President and Managing Director of MCR, has held senior positions at several global and Canadian investment banks and advisory firms and has significant M&A and capital markets experience.

On April 8, 2024, the Greenbrook Special Committee met, with the assistance of A.G.P., Torys and MCR, to discuss the Strategic Process. Torys briefed the Greenbrook Special Committee on its fiduciary obligations and legal requirements (including MI 61-101) applicable to the Strategic Process and related process considerations. The Greenbrook Special Committee considered various strategic alternatives and the relative risks of initiating a broad auction process, namely the enhanced risk for the potential dissemination of highly sensitive material non-public information. It was determined that outreach should be made to a broad range of counterparties who, in the view of A.G.P., were credible and capable of completing a strategic transaction with Greenbrook based on, among other considerations, the level of interest in Greenbrook, strategic fit and industry reputation.

Between April 9, 2024 and early-July 2024, A.G.P. contacted more than 35 potential strategic partners, including strategic and financial buyers and drug developers, with respect to their potential interest in acquiring Greenbrook (collectively, the "**Potential Counterparties**"). Neuronetics was one of the Potential Counterparties

TABLE OF CONTENTS

contacted during the Strategic Process. As part of the Strategic Process, Greenbrook negotiated and entered into non-disclosure and confidentiality agreements (“**NDA**s”) with 12 of the Potential Counterparties (together with Neuronetics, which had previously entered into the Confidentiality Agreement, collectively, the “**Selected Potential Counterparties**”).

On April 9, 2024, A.G.P. sent the initial process letter (the “**Initial Process Letter**”) to the Potential Counterparties and began outreach to the Potential Counterparties to determine if they were interested in pursuing a potential transaction with Greenbrook. As part of that outreach, on April 9, 2024, A.G.P. had a call with certain members of management of Neuronetics to discuss whether Neuronetics would submit a further letter of intent as part of the Strategic Process. Neuronetics indicated that it did not plan to submit a second letter of intent as part of the Strategic Process but remained interested in a potential transaction with Greenbrook.

Throughout late April and early May, Greenbrook was engaged in updating its financial model to make available to the Selected Potential Counterparties as part of the Strategic Process and preparing materials to be made available in a virtual data room organized by Greenbrook (the “**Greenbrook Data Room**”).

On May 6, 2024, A.G.P. contacted all of the Selected Potential Counterparties that had expressed interest in a potential transaction and informed them that all indications of interest were to be received by June 7, 2024. Neuronetics advised that certain members of management of Neuronetics would be unavailable during that time and requested that the deadline be extended to June 14, 2024. Based on Neuronetics’ relationship with Greenbrook, the parties agreed to an extended deadline for Neuronetics of June 14, 2024.

On May 13, 2024, 10 of the Selected Potential Counterparties, which had entered into NDAs with Greenbrook by such date, were provided with access to the Greenbrook Data Room. The Selected Potential Counterparties were provided with select financial information and other information regarding Greenbrook and its business. The Selected Potential Counterparties received equal access to Greenbrook’s due diligence information and equal opportunity to engage with senior management of Greenbrook.

On May 22, 2024, A.G.P. conducted a call with Canaccord Genuity, financial advisor to Neuronetics, regarding Neuronetics’ participation in the Strategic Process. At this meeting, the parties discussed the Strategic Process to date, the origins of A.G.P.’s relationship with Greenbrook and the process going forward and deadlines for indications of interest expected to be received by Greenbrook.

On June 13, 2024, with the approval of the Transaction Committee, Neuronetics submitted a revised non-binding indication of interest to Greenbrook (the “**Revised Neuronetics Offer**”) regarding an all-stock merger that was substantially similar to the Initial 2024 Neuronetics Offer, except that the exchange ratio had been increased such that Greenbrook Shareholders would hold a 37% interest in the post-closing combined company on a fully-diluted basis (following conversion of all Greenbrook debt into Greenbrook Shares), compared to 30% as proposed in the Initial 2024 Neuronetics Offer. The Revised Neuronetics Offer was subject to confirmatory due diligence and negotiation of transaction terms. As the Revised Neuronetics Offer continued to require Madryn to complete a 100% debt-to-equity conversion, the Greenbrook Special Committee authorized management of Greenbrook to solicit feedback from, and engage in discussions with, Madryn regarding the terms of the Revised Neuronetics Offer.

On June 20, 2024, the Greenbrook Special Committee met, with the assistance of A.G.P., Torys and MCR, to discuss Greenbrook’s proposed response to the Revised Neuronetics Offer, which included input from Madryn (the “**Greenbrook Counteroffer**”). The Greenbrook Counteroffer included, among other things, (i) an increase to the exchange ratio such that Greenbrook Shareholders would hold a 50% interest in the post-closing combined company on a fully-diluted basis (following conversion of all Greenbrook debt into Greenbrook Shares), compared to 37% as proposed in the Revised Neuronetics Offer, (ii) forgiveness by Neuronetics of approximately \$12.4 million of trade payables and senior secured debt owing from Greenbrook, (iii) a responsibility for Neuronetics to fund Greenbrook’s treatment sessions through the Effective Date, and (iv) certain nomination rights with respect to the board of directors of the post-closing combined company. After discussion of the Revised Neuronetics Offer, the Greenbrook Counteroffer and other potential strategic alternatives, including with respect to the status of the Strategic Process, the Greenbrook Special Committee determined that management of Greenbrook should deliver the Greenbrook Counteroffer to Neuronetics and continue to engage directly with Neuronetics and Madryn on a non-exclusive basis in an effort to negotiate an agreement between the parties, while the Strategic Process continued to progress.

On June 24, 2024, the Greenbrook Special Committee met, with the assistance of A.G.P., Torys and MCR, to discuss the Revised Neuronetics Offer and the Greenbrook Counteroffer. The Greenbrook Special Committee also received an update from A.G.P. regarding the Strategic Process and the availability of other potential financing options and alternatives.

On June 26, 2024, with the approval of the Transaction Committee, Neuronetics submitted a further revised non-binding indication of interest to Greenbrook (the “**Second Revised Neuronetics Offer**”) regarding an all-stock merger that was substantially similar to the Greenbrook Counteroffer except that Greenbrook Shareholders would hold a 40% interest in the post-closing combined company on a fully-diluted basis (following conversion of all Greenbrook debt into Greenbrook Shares), compared to 37% as proposed in the Revised Neuronetics Offer and 50% as proposed in the Greenbrook Counteroffer. The decision to offer an increased exchange ratio was based on Madryn’s agreement to convert 100% of its outstanding debt for the first time and financial information presented to Neuronetics in the Greenbrook Counteroffer, as well as Neuronetics’ own financial analysis supporting the increased valuation. The Second Revised Neuronetics Offer was subject to confirmatory due diligence and negotiation of transaction terms. Greenbrook continued to consider and engage in discussions with Madryn regarding the terms of the Second Revised Neuronetics Offer.

Following expiration of the June 7, 2024 deadline under the Initial Process Letter, A.G.P. remained in contact with one of the Selected Potential Counterparties (“**Party A**”) regarding its potential interest in Greenbrook. On June 13, 2024, Party A confirmed that it was interested in submitting an indication of interest and on June 14, 2024, Party A was granted access to the Greenbrook Data Room.

On July 1, 2024, Greenbrook received a non-binding indication of interest from Party A regarding an acquisition by Party A of all of the outstanding Greenbrook Shares in exchange for a combination of cash and stock (the “**Party A Offer**”). The Party A Offer valued Greenbrook at approximately \$25,000,000 to \$30,000,000 on a cash-free, debt-free basis, assuming the conversion of all Greenbrook debt into Greenbrook Shares. The Party A Offer was subject to due diligence and negotiation of transaction terms. Greenbrook engaged in discussions with Madryn regarding the terms of the Party A Offer.

On July 1, 2024, the Greenbrook Special Committee met, with the assistance of A.G.P., Torys and MCR, to discuss the Party A Offer and Greenbrook’s proposed response to the Second Revised Neuronetics Offer, which included input from Madryn (the “**Revised Greenbrook Counteroffer**”). The Revised Greenbrook Counteroffer included, among other things, an increase to the exchange ratio such that Greenbrook Shareholders would hold a 47% interest in the post-closing combined company on a fully-diluted basis (following conversion of all Greenbrook debt into Greenbrook Shares), compared to 40% as proposed in the Second Revised Neuronetics Offer. After discussion of the Second Revised Neuronetics Offer, the Revised Greenbrook Counteroffer and other potential strategic alternatives, including with respect to the status of the Strategic Process, the Greenbrook Special Committee determined that management of Greenbrook should deliver the Revised Greenbrook Counteroffer to Neuronetics.

On July 3, 2024, Greenbrook was made aware by Madryn of discussions between Madryn and a potential strategic partner that was not formally involved in the Strategic Process (“**Party B**”), but that had engaged in preliminary discussions with Madryn, regarding a non-binding summary of proposed terms (the “**Party B IOI**”) in relation to a transaction whereby Greenbrook would commence a voluntary bankruptcy case under Chapter 11 of title 11 of the United States Code with the intent of confirming a plan of reorganization whereby, among other things, Madryn and Party B would become the equity holders of the reorganized Greenbrook, Party B would commit to fund a super-priority debtor-in-possession financing facility, assuming the conversion of approximately 75% of Greenbrook debt into Greenbrook Shares, and a portion of senior debt of Greenbrook would be retained by each of Madryn and Party B following the reorganization. The Party B IOI was subject to confirmatory due diligence and negotiation of transaction terms. Greenbrook engaged in discussions with Madryn regarding the terms of the Party B IOI, which was considered by Greenbrook and Madryn and ultimately determined not to be acceptable to Madryn.

Between June 13, 2024 and July 8, 2024, management of Greenbrook and Neuronetics met a number of times, including with Madryn, to discuss and negotiate proposed terms of the transaction based on the Second Revised Neuronetics Offer and the Revised Greenbrook Counteroffer. On July 8, 2024, members of management of Neuronetics, management of Greenbrook, representatives of Madryn and representatives of Canaccord Genuity met in person in Charlotte, NC for additional negotiations.

TABLE OF CONTENTS

Following that discussion, on July 8, 2024, with the approval of the Transaction Committee, Neuronetics delivered a further revised non-binding indication of interest to Greenbrook (the “**Final Neuronetics Offer**”) regarding an all-stock merger that was substantially similar to the Second Revised Neuronetics Offer, except that the exchange ratio had been increased such that Greenbrook Shareholders would hold a 43% interest in the post-closing combined company on a fully-diluted basis (following conversion of all Greenbrook debt into Greenbrook Shares), compared to 40% as proposed in the Second Revised Neuronetics Offer and 47% as proposed in the Revised Greenbrook Counteroffer. The decision to offer an increased exchange ratio in the Final Neuronetics Offer was based on financial projections received from Greenbrook during the July 8, 2024 meeting as well as Neuronetics additional financial analysis supporting the increased valuation. The Final Neuronetics Offer was subject to confirmatory due diligence and negotiation of transaction terms. At the conclusion of the meeting, Greenbrook and Madryn orally agreed to the Final Neuronetics Offer, subject to receipt of the required approval from the Greenbrook Special Committee.

On July 9, 2024, the Greenbrook Special Committee met, with the assistance of A.G.P., Torys and MCR, to evaluate and discuss the Final Neuronetics Offer, the Party A Offer and the Party B IOI. The other Selected Potential Counterparties advised A.G.P. that they would not be submitting a proposal to acquire Greenbrook. A.G.P. advised the Greenbrook Special Committee that it expected to be able to deliver the A.G.P. Fairness Opinion when required prior to execution of the Arrangement Agreement. After reviewing and discussing the evaluation analysis in detail, including potential alternative transactions and a continuation of the status quo as a standalone entity, the Greenbrook Special Committee concluded that the terms of the Final Neuronetics Offer was superior to each of the Party A Offer and the Party B IOI on the basis that, among other things, the valuation of Greenbrook in the Final Neuronetics Offer was higher than in the Party A Offer and the Party B IOI and Greenbrook Shareholders were expected to have the opportunity to participate in a larger interest of the post-closing combined company if the Final Neuronetics Offer was implemented than in the case of the Party A Offer or the Party B IOI and that the Party A Offer and the Party B IOI were not as attractive, from, among other things, a financial and procedural standpoint (including for the reason that the Party B IOI involved a voluntary bankruptcy process with debtor-in-possession financing and that Madryn was not supportive of the Party B IOI), as the Final Neuronetics Offer. Greenbrook and Neuronetics subsequently executed the Final Neuronetics Offer and entered into an exclusivity agreement dated July 9, 2024 (the “**Exclusivity Agreement**”). The Exclusivity Agreement required Greenbrook to negotiate exclusively with Neuronetics until August 23, 2024.

On July 19, 2024, representatives of Stikeman provided representatives of Torys and Moore & Van Allen, PLLC, U.S. counsel to Madryn (“**MVA**”), with an initial draft of the Arrangement Agreement. On July 22, 2024, members of management of Neuronetics and Greenbrook, along with their respective outside legal and financial advisors, met virtually to discuss timeline, workstreams and next steps in the process.

From July 19, 2024 to August 11, 2024, Neuronetics and Greenbrook, along with their respective legal and financial advisors, negotiated the terms of the Arrangement, including the Arrangement Agreement. In particular, the parties discussed the form and terms of consideration, the terms and timing of the Greenbrook Debt Conversion, representation by Madryn on the Neuronetics Board following closing, treatment of the securities governed by the Greenbrook Equity Incentive Plans under the Arrangement, interim covenants, conditions to closing, termination rights under the Arrangement Agreement and deal protection provisions, among other matters. In addition, Greenbrook and Madryn, along with their respective advisors, negotiated the terms of the Greenbrook Debt Conversion, including the TL Conversion Agreement.

On July 26, 2024, representatives of Stikeman provided representatives of Torys and MVA with initial draft forms of the Greenbrook Voting and Support Agreements. Between July 26, 2024 and August 11, 2024, the parties negotiated the terms of the Greenbrook Voting and Support Agreements and the Neuronetics Voting and Support Agreements.

Between July 26, 2024 and August 11, 2024, representatives of Torys, Ballard, Stikeman, MVA, and Borden Ladner Gervais LLP, Canadian counsel to Madryn (“**BLG**”), met numerous times to discuss, among other things, the Arrangement and the Greenbrook Debt Conversion, the Arrangement Agreement, the Registration Rights Agreement (as defined below), the Greenbrook Voting and Support Agreements and the Neuronetics Voting and Support Agreements and related matters.

On July 27, 2024, representatives of Torys provided representatives of Ballard and Stikeman with a revised draft of the Arrangement Agreement.

After careful deliberations, the Greenbrook Special Committee unanimously determined that the Arrangement in the best interests of Greenbrook and that the Arrangement is fair to the Greenbrook Shareholders (other than Madryn) and unanimously resolved, among other things, to recommend that the Greenbrook Board determine that the Arrangement is in the best interests of Greenbrook and the Arrangement is fair to the Greenbrook Shareholders (other than Madryn), approve the Arrangement and the Greenbrook Debt Conversion and recommend that the Greenbrook Shareholders vote in favor of the Greenbrook Arrangement Resolution at the Greenbrook Meeting.

TABLE OF CONTENTS

The Arrangement was announced by Neuronetics and Greenbrook by way of a joint press release at 7:15 a.m. (Eastern time) on August 12, 2024. Neuronetics hosted a conference call on August 12, 2024 at 8:30 a.m. (Eastern time) to discuss, among other things, the Arrangement and Neuronetics' financial and operating results for the second quarter of 2024.

Recommendation of the Greenbrook Board

After consultation with its financial and legal advisors and the recommendation of the Greenbrook Special Committee, the Greenbrook Board has unanimously determined that the Arrangement is in the best interests of Greenbrook and Greenbrook Shareholders and that the consideration to be received by the Greenbrook Shareholders pursuant to the Arrangement is fair to such holders. In addition, A.G.P., Greenbrook's independent financial advisor, has rendered an opinion that, as of the date of the A.G.P. Fairness Opinion and based upon and subject to the assumptions, limitations and qualifications set forth therein, the consideration to be received by Greenbrook Shareholders pursuant to the Arrangement is fair, from a financial point of view, to the Greenbrook Shareholders. See "*— Fairness — Opinion of A.G.P./Alliance Global Partners*".

Accordingly, the Greenbrook Board unanimously recommends that Greenbrook Shareholders vote FOR the Greenbrook Arrangement Resolution.

Reasons Considered by the Greenbrook Special Committee and the Greenbrook Board

With the assistance of its financial and legal advisors, the Greenbrook Special Committee carefully considered a number of substantive and procedural factors relating to the Arrangement, including, among others, the following:

- A.G.P. Fairness Opinion. A.G.P. delivered an opinion to the Greenbrook Special Committee that, as of August 11, 2024 and based upon and subject to the assumptions, limitations and qualifications set forth therein, the consideration to be received by Greenbrook Shareholders pursuant to the Arrangement is fair, from a financial point of view, to Greenbrook Shareholders. The Greenbrook Special Committee also considered the compensation arrangements of A.G.P., in particular that A.G.P. was engaged to provide the A.G.P. Fairness Opinion on a fixed fee basis that was not contingent on the conclusions reached therein or the completion of the Arrangement.
- Broad Sale Process and Compelling Value Relative to Limited Alternatives for Sale to Third Parties.
 - Greenbrook explored multiple various alternatives to address its current financial situation, including a going-private transaction, a recapitalization, a strategic investment into the company, a sale of certain assets or a sale or merger of Greenbrook. In particular, Greenbrook conducted a broad auction process prior to its determination to engage with Neuronetics, which process involved contacting more than 35 potential strategic partners, including strategic and financial buyers and drug developers, with respect to their potential interest in acquiring Greenbrook, entering into non-disclosure and confidentiality agreements with 12 potential strategic partners, granting access to such potential strategic partners to a virtual data room containing certain diligence materials of Greenbrook and attracting expressions of interest from, and carrying on initial discussions regarding a potential transaction with, three third parties (including Neuronetics). At the conclusion of such process, and in light of the anticipated benefits of the Arrangement and the likely consequences of a failure to pursue the Arrangement, the Greenbrook Special Committee and the Greenbrook Board concluded that it was prudent to proceed with negotiating the terms of the Arrangement Agreement with Neuronetics and to pursue the Arrangement as the Arrangement represents the best going concern solution available to Greenbrook in the circumstances.
 - Since the public announcement of the Arrangement on August 11, 2024, the Greenbrook Special Committee has not received any expressions of interest or proposals from third parties with respect to an alternative transaction. Even if such a proposal were to be made, such an acquisition could not be effected without the support of Madryn and its affiliates. Given that the Madryn Parties have entered into the Madryn Voting and Support Agreements, such proposal would need to constitute a "Greenbrook Enhanced Superior Proposal" (as defined in the Madryn Voting and Support Agreements) in order for the Madryn Parties to be able to support such alternative transaction.

- The Madryn Parties, the lenders under the Greenbrook Credit Agreement and the holders of a significant portion of the outstanding Convertible Notes, are supportive of the Arrangement. Pursuant to the TL Conversion Agreement, the Madryn Parties have agreed to convert the outstanding amounts under the Greenbrook Credit Agreement and all of the Convertible Notes into Greenbrook Shares prior to closing of the Arrangement.
- Business Issues and Trends. In considering the status quo as an alternative to pursuing the Arrangement, the Greenbrook Special Committee assessed Greenbrook’s current strategic direction and business plan in light of the challenging set of circumstances that Greenbrook has been faced with over the past several years, the challenges faced by Greenbrook to meet expected cash requirements of Greenbrook, including to service and repay existing debt, the current and anticipated future opportunities, challenges and risks associated with such plan, including Greenbrook’s expected future financial and liquidity requirements, the investments required to achieve such plan, the risks associated with the healthcare industry generally, the competitive landscape of the industry in which Greenbrook operates, as well as the other risks and uncertainties set forth in the Greenbrook 10-K and the potential impact of such factors on the future trading price of the Greenbrook Shares, and ultimately concluded that the Arrangement is an attractive proposition and fair outcome for Greenbrook Shareholders (other than Madryn) relative to the status quo.
- Arm’s Length Negotiations. The terms of the Arrangement and the Arrangement Agreement are the result of a negotiation process that was undertaken at arm’s length between the Greenbrook Special Committee, with the assistance of and advice from its financial and legal advisors, on the one hand, and Neuronetics and its advisors, on the other than. The Greenbrook Special Committee had broad authority to negotiate the terms of the Arrangement with Neuronetics, including to accept or reject any proposals made by Neuronetics or any other transaction and to identify, evaluate, negotiate and make recommendations to the Greenbrook Board regarding any alternative transaction. The Greenbrook Special Committee regularly held meetings to consider and review the terms of the Initial 2024 Neuronetics Offer, the results of subsequent negotiations with Neuronetics and the Arrangement. The members of the Greenbrook Special Committee were adequately compensated for their services and their compensation was not contingent on recommending the Arrangement to the Greenbrook Board for approval or taking the other actions described herein. The Greenbrook Special Committee is comprised solely of independent directors who are unrelated to Madryn and management of Greenbrook, and was advised by experienced, qualified and independent financial and legal advisors.
- Arrangement Agreement Terms. The terms and conditions of the Arrangement Agreement are, in the judgment of the Greenbrook Special Committee, following consultations with its and Greenbrook’s legal advisors, reasonable and were the result of extensive negotiations. In particular:
 - Limited Conditions to Closing. Completion of the Arrangement is subject to a limited number of conditions which the Greenbrook Special Committee believes are reasonable in the circumstances.
 - Ability to Change Recommendation. The Arrangement Agreement permits the Greenbrook Board to, in certain circumstances, change its recommendation that Greenbrook Shareholders vote for the Greenbrook Arrangement Resolution where, among other things, the Greenbrook Board has received a Greenbrook Acquisition Proposal (as defined in the Arrangement Agreement) and has determined that the Greenbrook Acquisition Proposal constitutes a Greenbrook Superior Proposal (as defined in the Arrangement Agreement). Even if such a Greenbrook Acquisition Proposal were to be made and the Greenbrook Board were to determine that it constituted a Greenbrook Superior Proposal, such an acquisition could not be effected without the support of Madryn and its affiliates. Given that the Madryn Parties have entered into the Madryn Voting and Support Agreements, such proposal would need to constitute a “Greenbrook Enhanced Superior Proposal” (as defined in the Madryn Voting and Support Agreements) in order for the Madryn Parties to be able to support such an alternative transaction.
 - Neuronetics Termination Fee. If the Arrangement Agreement is terminated in certain circumstances, Neuronetics has agreed to pay a termination fee of \$1,900,000 to Greenbrook, which would help defray Greenbrook’s expenses incurred in connection with the Arrangement.

TABLE OF CONTENTS

- Shareholder and Court Approvals Required.
 - The Arrangement will become effective only if it is approved by: (i) at least two-thirds (66 2/3%) of the votes cast by Greenbrook Shareholders present or represented by proxy and entitled to vote at the Greenbrook Meeting (including the Greenbrook Shares held by Madryn and its affiliates); and (ii) a simple majority (more than 50%) of the votes cast by Greenbrook Shareholders present or represented by proxy and entitled to vote at the Greenbrook Meeting, excluding, for the purpose of (ii), the votes attached to the 6,363,636 Greenbrook Shares held by Madryn and its affiliates, the 832,500 Greenbrook Shares held by Bill Leonard and the Greenbrook Shares held by any other Greenbrook Shareholder required to be excluded under MI 61-101.
 - Completion of the Arrangement is subject to the approval of the Court, after considering the procedural and substantive fairness of the Arrangement at a hearing at which Greenbrook Shareholders and others are entitled to attend and be heard.
- Continuing Interest in Neuronetics. Following the Arrangement, Greenbrook will no longer exist as a public company and the Greenbrook Shares will be delisted from the OTCQB Market. However, Greenbrook Shareholders will have the opportunity to participate in the potential benefits of a continued investment in Greenbrook, including any future increase in value that might result from future growth and the potential achievement of Greenbrook's long-term strategic plans, through their holding of Neuronetics Shares, which are listed on Nasdaq, following closing of the Arrangement.
- Dissent Rights. Registered Greenbrook Shareholders who do not vote their Greenbrook Shares for the Arrangement are entitled to exercise rights of dissent with respect to the Arrangement and receive "fair value" for their Greenbrook Shares as determined by the Court.
- Voting and Support Agreements. MHP II, MHP II – Cayman, MSO, Greybrook Health, 1315 Capital and each of the members of the Greenbrook Board and the executive officers of Greenbrook, who hold in the aggregate 16,536,208 Greenbrook Shares (representing approximately 48.7% of issued and outstanding Greenbrook Shares (on a non-diluted basis and after taking into account the previously announced cancellation of 11,634,660 outstanding Greenbrook Shares that was completed on August 16, 2024)), have entered into Greenbrook Voting and Support Agreements with Neuronetics pursuant to which, and subject to the terms thereof, such Greenbrook Shareholders have agreed to vote their Greenbrook Shares for the Greenbrook Arrangement Resolution.
- Other Stakeholders. The Greenbrook Special Committee considered the impact of the Arrangement on all of Greenbrook's stakeholders, including the Greenbrook Shareholders (other than Madryn), the holders of the Convertible Notes (other than Madryn), employees, suppliers, vendors, customers and the communities in which Greenbrook operates. In the view of the Greenbrook Special Committee, the terms of the Arrangement Agreement treat such stakeholders equitably and fairly.

In making its recommendation with respect to the Arrangement, the Greenbrook Special Committee also considered a number of potential risks and potential negative factors, which the Greenbrook Special Committee concluded were outweighed by the positive substantive and procedural factors described above, including, among others, the following:

- Risks to the Business of Non-Completion. There are risks to Greenbrook if the Arrangement is not completed despite the parties' efforts or completion of the Arrangement is unduly delayed, even if the Greenbrook Arrangement Resolution is not approved, including the potential for suits, actions or proceedings in respect of the Arrangement Agreement or the Arrangement, the potential resulting negative impact on Greenbrook's business, vendor and customer relationships, the potential loss of value to the Greenbrook Shareholders (other than Madryn) and the possible reduction of the trading price of the Greenbrook Shares.
- Transaction Costs and Expenses. Greenbrook has incurred and will continue to incur significant transaction costs and expenses in connection with the Arrangement, regardless of whether the Arrangement is completed.

TABLE OF CONTENTS

- Diversion of Management’s Attention. There are risks that management’s attention and other resources will be diverted from the operation of Greenbrook’s business, including other strategic opportunities and operational matters, while working towards the completion of the Arrangement.
- Pendency of the Arrangement. The pendency of the Arrangement may have a negative impact on Greenbrook’s business, including its relationship with its employees, customers, suppliers and local communities in which Greenbrook operates.
- Termination of the Arrangement Agreement. Neuronetics has the right to terminate the Arrangement Agreement in certain circumstances, including if holders of more than 10% of the Greenbrook Shares that are issued and outstanding as at the deadline for the exercise of dissent rights specified in the Plan of Arrangement exercise dissent rights.
- Greenbrook Termination Fee. The Greenbrook Termination Fee is payable by Greenbrook to Neuronetics if the Arrangement is not completed and the Arrangement Agreement is terminated in certain circumstances.
- Non-Solicitation Obligations. The terms of the Madryn Voting and Support Agreements, Greenbrook’s non-solicitation obligations under the Arrangement Agreement and the Greenbrook Termination Fee payable by Greenbrook to Neuronetics in certain circumstances under the Arrangement Agreement may discourage other parties from making a superior proposal. The Greenbrook Special Committee was advised, and understood, that such restrictions would further limit the possibility that a superior proposal will emerge. However, given that a broad auction process had been conducted prior to Greenbrook determining to engage with Neuronetics and that Madryn and the Madryn Parties are supportive of the Arrangement, these restrictions are not considered significant in the circumstances.
- Restrictions on Operations. The Arrangement Agreement imposes various restrictions on the conduct of Greenbrook’s business during the period between the entering into of the Arrangement Agreement and the consummation of the Arrangement that could delay or prevent Greenbrook from undertaking business opportunities that may arise pending completion of the Arrangement.
- Interests of Certain Persons. Certain of the directors and executive officers of Greenbrook may have interests in the Arrangement that are different from, or in addition to, those of the Greenbrook Shareholders (other than Madryn), including the right to receive collateral benefits (as such term is defined under MI 61-101) that differ from, or are in addition to, the Consideration Shares to be received by the Greenbrook Shareholders under the Arrangement. See “—*Interests of Greenbrook’s Directors and Management in the Arrangement*”.
- Taxable Transaction. The foregoing includes forward-looking information and readers are cautioned that actual results may vary. See “*Information Concerning Forward-Looking Information*” and “*Risk Factors*”.

The foregoing summary of the information and factors considered by the Greenbrook Special Committee is not intended to be exhaustive of the factors considered by the Greenbrook Special Committee in reaching its conclusions and making its recommendations, but includes a summary of the material information, factors and analysis considered by the Greenbrook Special Committee in reaching such conclusions and making such recommendations. The Greenbrook Special Committee’s recommendation is based upon the totality of the information presented to and considered by it. In light of the numerous factors considered in connection with its evaluation of the Arrangement, the Greenbrook Special Committee did not find it practicable to, and did not attempt to, quantify or otherwise assign relative weight to the various factors that it considered in reaching its decision. In addition, individual members of the Greenbrook Special Committee may have given different weights to different factors. The respective conclusions and unanimous recommendation of the Greenbrook Special Committee were made after considering all of the information and factors involved.

Recommendation of the Neuronetics Board

The Neuronetics Board unanimously determined that the Arrangement, the negotiation of and entry into the Arrangement Agreement and the other transactions and matters contemplated in the Arrangement Agreement or in connection therewith are in the best interests of, and are advisable to, Neuronetics and the Neuronetics Stockholders. **The Neuronetics Board unanimously recommends that Neuronetics Stockholders vote FOR the Neuronetics Charter Amendment Proposal, FOR the Neuronetics Share Issuance Proposal, FOR the Neuronetics Incentive Plan Proposal and FOR the Neuronetics Adjournment Proposal.**

Reasons Considered by the Neuronetics Board; Recommendation of the Neuronetics Share Issuance Proposal by the Neuronetics Board

In reaching its decision to unanimously approve the Arrangement Agreement and the transactions contemplated thereby, including the issuance of Neuronetics Shares to Greenbrook Shareholders in connection with the Arrangement, the Neuronetics Board considered the following factors, all of which they viewed as supporting its decision to approve the Arrangement Agreement and the transactions contemplated thereby:

Strategic Factors. The Neuronetics Board evaluated the following key strategic factors supporting its approval of and entry into the Arrangement Agreement:

- that the Arrangement may strengthen Neuronetics' balance sheet, improve financial flexibility, provide significant growth funding and an accelerated path to cash flow breakeven and profitability;
- that the Arrangement may expand Neuronetics' revenue base across a broader portfolio of mental health-related products and services (e.g., esketamine nasal spray therapy) facilitating greater resiliency to market dynamics;
- that the Arrangement may allow Neuronetics to better operationalize Greenbrook Treatment Centers by more rapidly growing treatment session utilization and improving in-store profitability;
- that the Arrangement may provide the opportunity to enhance its service offerings to Neuronetics' current customers;
- that the Arrangement may allow for greater and more consistent nationwide category and brand awareness for NeuroStar® TMS therapy;
- that the Neuronetics Board believes that the Arrangement would be accretive to the current trading price of the Neuronetics Shares;
- that the Arrangement may diversify the Neuronetics stockholder base and enhance trading liquidity; and
- that the Arrangement would be more favorable compared to the alternative transactions and business opportunities that may have been available to Neuronetics given market conditions.

Other Factors Considered by the Neuronetics Board. In addition to considering the strategic factors described above, the Neuronetics Board considered the following additional factors, all of which it viewed as supporting its decision to approve the Arrangement:

- its knowledge of Neuronetics' business, operations, financial condition, earnings and prospects on a standalone basis and of Greenbrook's business, operations, financial condition, earnings and prospects, taking into account the results of Neuronetics' due diligence review of Greenbrook;
- the Canaccord Genuity Fairness Opinion, dated August 11, 2024, to the effect that, as of that date and based upon and subject to certain assumptions, factors and qualifications set forth in such written opinion, the Consideration was fair, from a financial point of view, to Neuronetics;
- the terms and conditions of the Arrangement Agreement, including the completion of the Arrangement, are subject to a limited number of customary conditions the Neuronetics Board consider to be reasonable in the circumstances and the Arrangement is not subject to antitrust or foreign investment approval conditions;
- the terms and conditions of the Arrangement Agreement are the result of a rigorous arm's length negotiation process;
- the terms and conditions of the Greenbrook Voting and Support Agreements; and
- the reasonableness of the potential termination amount of \$1,900,000, which could become payable by Greenbrook if the Arrangement Agreement is terminated in certain circumstances.

TABLE OF CONTENTS

The Neuronetics Board weighed the advantages and opportunities listed above against a number of other factors identified in its deliberations as weighing negatively against the Arrangement, including:

- the risk that the transaction and integration costs may be greater than anticipated;
- the cost of the transaction, including dilution to Neuronetics Stockholders, as compared to other alternative transactions and business opportunities that may have been available to Neuronetics (including a financing);
- the cost, including the time spent by Neuronetics' management, associated with a decision to pursue a strategic transaction, as well as the potential ongoing liabilities of Greenbrook;
- the impact that the announced transaction could have on Neuronetics' stock price and on Neuronetics' ability to raise additional capital or engage in certain business development discussions during the pre-closing period;
- the potential termination amount of \$1,900,000, which could become payable by Neuronetics if the Arrangement Agreement is terminated in certain circumstances, including the failure to obtain the stockholder vote to approve the Neuronetics Charter Amendment Proposal and the Neuronetics Share Issuance Proposal following a Neuronetics Change in Recommendation (as defined below);
- the risk that the transaction might not be consummated in a timely manner or at all and its likely detrimental effect on Neuronetics' cash position and stock price;
- the risk that strategic benefits, operating synergies, cashflow projections and other anticipated benefits might not be realized or may take longer than expected to achieve;
- the fact that either party has the ability to terminate the Arrangement Agreement under certain circumstances in connection with a superior proposal;
- the restrictions imposed pursuant to the Arrangement Agreement on the conduct of Neuronetics' business and operations during the period between the execution of the Arrangement Agreement and the consummation of the Arrangement or the termination of the Arrangement Agreement;
- the possibility of disruptive stockholder litigation following announcement of the Arrangement; and
- various other risks associated with Greenbrook and the Arrangement, including the risks described in "Risk Factors", and the matters described under "Information Concerning Forward-Looking Statements".

After considering these factors and through discussions with Neuronetics' management and outside legal and financial advisors, the Neuronetics Board concluded that the potential benefits of entering into the Arrangement Agreement outweighed the uncertainties and risks. In view of the factors considered in connection with its evaluation of the Arrangement and the complexity of these matters, the Neuronetics Board did not find it useful and did not attempt to quantify or assign any relative or specific weights to the various factors that it considered in reaching its determination to approve the Arrangement and the Arrangement Agreement and to make its recommendation to Neuronetics Stockholders. In addition, individual members of the Neuronetics Board may have given differing weights to different factors and applied his or her own personal business judgment to the process. The Neuronetics Board unanimously determined that the Arrangement, the negotiation of and entry into the Arrangement Agreement and the other transactions and matters contemplated in the Arrangement Agreement or in connection therewith, including the issuance of Neuronetics Shares to Greenbrook Shareholders in connection with the Arrangement, were in the best interests of, and were advisable to, Neuronetics and the Neuronetics Stockholders and approved the Arrangement Agreement and the transactions contemplated by the Arrangement Agreement.

The Neuronetics Board unanimously recommends that Neuronetics Stockholders vote FOR the Neuronetics Charter Amendment Proposal, FOR the Neuronetics Share Issuance Proposal, FOR the Neuronetics Incentive Plan Proposal and FOR the Neuronetics Adjournment Proposal.

Description of the Plan of Arrangement

The following description of the Plan of Arrangement is qualified in its entirety by reference to the full text of the Plan of Arrangement, a copy of which is attached as Appendix "B" to this Joint Proxy Statement/Circular.

TABLE OF CONTENTS

The Arrangement will be implemented pursuant to a court-approved plan of arrangement under section 182 of the OBCA. - (g) each Greenbrook Share owned by a Greenbrook Dissenting Shareholder (the "**Dissent Share**" and collectively, the "**Dissent Shares**") shall be deemed to be transferred and assigned by such Greenbrook Dissenting Shareholder, without any further act of formality on its part, to Neuronetics (free and clear of any liens (as defined in the Arrangement Agreement)) in accordance with, and for the consideration contemplated in, Article 4 of the Plan of Arrangement and:
 - (i) such Greenbrook Dissenting Shareholder shall cease to be, and shall be deemed to cease to be, the registered holder of each such Dissent Share and the name of such registered holder shall be, and shall be deemed to be removed from the register of Greenbrook Shareholders in respect of each such Dissent Share, and at such time each Greenbrook Dissenting Shareholder will have only the rights set out in section 4.1 of the Plan of Arrangement;

The above events will be deemed to occur on the date shown on the certificate of the arrangement (the "**Certificate of Arrangement**") to be issued by the Director under the OBCA pursuant to subsection 183(2) of the OBCA in respect of the Articles of Arrangement (the "**Effective Date**"), notwithstanding that certain procedures related thereto may not be completed until after the Effective Date.

Amendments to the Plan of Arrangement

Neuronetics and Greenbrook reserve the right to amend, modify and/or supplement the Plan of Arrangement at any time and from time to time prior to the Effective Time, provided that any such amendment, modification or supplement must be agreed to in writing by each of Greenbrook and Neuronetics and filed with the Court, and, if made following the Greenbrook Meeting, then: (i) approved by the Court, and (ii) if the Court directs, approved by the Greenbrook Shareholders and communicated to Greenbrook Securityholders if and as required by the Court, and in either case in the manner required by the Court. Subject to the provisions of the Interim Order, any amendment, modification or supplement to the Plan of Arrangement, if agreed to by Greenbrook and Neuronetics, may be proposed by Greenbrook or Neuronetics at any time prior to or at the Greenbrook Meeting, with or without any other prior notice or communication, and if so proposed and accepted by the Greenbrook Shareholders voting at the Greenbrook Meeting shall become part of the Plan of Arrangement for all purposes. Any amendment, modification or supplement to the Plan of Arrangement that is approved or directed by the Court following the Greenbrook Meeting will be effective only if it is agreed to in writing by each of Greenbrook and Neuronetics and, if required by the Court, by some or all of the Greenbrook Shareholders voting in the manner directed by the Court. Notwithstanding the foregoing, any amendment, modification or supplement to the Plan of Arrangement may be made by Greenbrook and Neuronetics without the approval of or communication to the Court or the Greenbrook Securityholders, provided that it concerns a matter which, in the reasonable opinion of Greenbrook and Neuronetics, is of an administrative nature required to better give effect to the implementation of the Plan of Arrangement and is not materially adverse to the financial or economic interests of any of the Greenbrook Securityholders.

The Plan of Arrangement may be withdrawn prior to the Effective Time in accordance with the Arrangement Agreement.

Procedure for the Plan of Arrangement to Become Effective

The Arrangement will be implemented by way of a court-approved plan of arrangement under section 182 of the OBCA pursuant to the terms of the Arrangement Agreement. The following procedural steps must be taken in order for the Arrangement to become effective:

- the Court must grant the Interim Order;
- the approval by the Greenbrook Shareholders of the Greenbrook Arrangement Resolution must be obtained;
- the approval by Neuronetics Stockholders of the Neuronetics Charter Amendment Proposal and the Neuronetics Share Issuance Proposal must be obtained;
- the Court must grant the Final Order approving the Arrangement; and
- the Articles of Arrangement of Greenbrook in respect of the Arrangement and such other documents as may be required to give effect to the Arrangement must be filed with the Director pursuant to section 182 of the OBCA.

In addition, the Arrangement will only become effective if all other conditions precedent to the Arrangement set out in the Arrangement Agreement have been satisfied or waived by the appropriate party. For a description of the other conditions precedent to the completion of the Arrangement, see “*The Arrangement Agreement and Related Agreements—Conditions to Completion of the Arrangement*”.

Fairness Opinion of A.G.P./Alliance Global Partners

In determining that the Arrangement is in the best interests of Greenbrook and fair to the Greenbrook Shareholders, the Greenbrook Special Committee and the Greenbrook Board considered, among other things, the A.G.P. Fairness Opinion.

The following summary of the A.G.P. Fairness Opinion is qualified in its entirety by, and should be read in conjunction with, the full text of the A.G.P. Fairness Opinion, which is attached as Appendix “F-1” to this Joint Proxy Statement/Circular. The A.G.P. Fairness Opinion is not a recommendation as to how any Greenbrook Shareholder should vote or act on any matter relating to the Arrangement. The full text of the A.G.P. Fairness Opinion describes, among other things, the assumptions made, procedures followed, information reviewed, matters considered and limitations and qualifications on the review undertaken by A.G.P. in connection with the A.G.P. Fairness Opinion. Greenbrook Shareholders are urged to read the A.G.P. Fairness Opinion carefully and in its entirety. The A.G.P. Fairness Opinion is being included in this Joint Proxy Statement/Circular by Greenbrook as part of the disclosure to Greenbrook Shareholders as it was one of the factors considered by the Greenbrook Board and the Greenbrook Special Committee in their evaluation of the Arrangement and is not being included by Neuronetics for the benefit of Neuronetics Stockholders.

The A.G.P. Fairness Opinion was relied upon by the Greenbrook Board and Greenbrook Special Committee for the purpose of considering the Arrangement and making recommendations to Greenbrook Shareholders, and may not be used or relied upon by any other person for any other purpose without A.G.P.’s express prior written consent.

Background

A formal valuation of the Greenbrook Shares is required by MI 61-101, since (i) the Arrangement is a “business combination” within the meaning of MI 61-101 and (ii) Madryn is a “related party” (as defined in MI 61-101) of Greenbrook and Madryn is a party to a “connected transaction” (as defined in MI 61-101) to the Arrangement (being the conversion of the outstanding amount owing under the Greenbrook Credit Agreement into fully paid and non-assessable Greenbrook Shares pursuant to the TL Conversion Agreement (the “**Madryn Debt Conversion**”). Please see “—*Canadian Securities Law Matters*” for further information about the applicability of MI 61-101 to the Arrangement.

MI 61-101 provides that, unless an exemption is available, a reporting issuer proposing to carry out a business combination is required to obtain a formal valuation of the “affected securities” (as defined in MI 61-101) from a qualified independent valuator and to provide the holders of such affected securities with a summary of such valuation. For the purposes of the Arrangement, the Greenbrook Shares are considered “affected securities” within the meaning of MI 61-101.

However, MI 61-101 provides certain exemptions from the requirement for a formal valuation requirement, including that no securities of the issuer are listed or quoted on the Toronto Stock Exchange, Aequitas NEO Exchange Inc., the New York Stock Exchange, the American Stock Exchange, Nasdaq, or a stock exchange outside of Canada and the United States other than the Alternative Investment Market of the London Stock Exchange or the PLUS markets operated by PLUS Markets Group plc (collectively, the “**Specified Markets**”). As no securities of Greenbrook are listed or quoted on the Specified Markets, Greenbrook is entitled to rely on this exemption and the formal valuation requirement for a “business combination” under MI 61-101 does not apply in respect of the Arrangement.

Pursuant to the Arrangement Agreement, Greenbrook engaged A.G.P., the financial advisor to Greenbrook, to provide an oral opinion to the Greenbrook Special Committee and the Greenbrook Board, to be subsequently confirmed in writing, that, as of the date of such opinion and subject to the assumptions, limitations and qualifications set out therein, the Consideration to be received by Greenbrook Shareholders pursuant to the Arrangement is fair, from a financial point of view, to Greenbrook Shareholders.

The Greenbrook Special Committee and the Greenbrook Board determined that A.G.P. was a qualified and independent financial advisor for the purposes of delivering the fairness opinion. As a result, the Greenbrook Special Committee and the Greenbrook Board retained A.G.P. to provide a fairness opinion. A.G.P. was not requested to prepare (and has not prepared) a valuation or appraisal of Greenbrook or Neuronetics or of any of

the respective assets, liabilities or securities of Greenbrook or Neuronetics, or to express an opinion with respect to the form of the Arrangement itself, and the A.G.P. Fairness Opinion should not be construed as such. A.G.P. was similarly not engaged to review any legal, tax or accounting aspects of the Arrangement.

Mandate and Professional Fees

Pursuant to engagement letters dated April 6, 2024 and August 5, 2024 (the “**Engagement Agreements**”), the Greenbrook Board and the Greenbrook Special Committee requested that A.G.P. render an opinion to the Greenbrook Board and the Greenbrook Special Committee as to the fairness, from a financial point of view, to the Greenbrook Shareholders of the Consideration to be paid to Greenbrook Shareholders pursuant to the Arrangement.

On August 11, 2024 and after reviewing the substantially final form of the Arrangement Agreement and ancillary documents, A.G.P. delivered to the Greenbrook Board and the Greenbrook Special Committee an oral opinion to the effect that, as of August 11, 2024, and based on and subject to the analyses referred to, and the assumptions, limitations and qualifications set forth in the A.G.P. Fairness Opinion, the Consideration to be received by Greenbrook Shareholders pursuant to the Arrangement is fair, from a financial point of view, to the Greenbrook Shareholders. The A.G.P. Fairness Opinion provides the same conclusions and opinions, in writing, as of August 11, 2024.

The terms of the Engagement Agreements provide for payment of A.G.P. of (i) a fixed fee of \$750,000 upon delivery of the A.G.P. Fairness Opinion; (ii) a cash fee upon closing of the Arrangement of 2.5% of the transaction value (the “**M&A Transaction Fee**”); and (iii) a monthly retainer of \$125,000 until the end of August 2024 (which will be credited towards the M&A Transaction Fee). The fees payable to A.G.P. under the Engagement Agreements, with the exception of the M&A Transaction Fee, are not contingent upon the conclusions reached by A.G.P. in the A.G.P. Fairness Opinion or the completion of the Arrangement. In addition, A.G.P. is to be reimbursed for its reasonable out-of-pocket expenses incurred in connection with its engagement, including fees and disbursements paid to its legal counsel, up to a maximum amount of \$125,000 and is to be indemnified by Greenbrook in respect of certain liabilities that might arise out of its engagement.

Following delivery of the A.G.P. Fairness Opinion, Greenbrook and A.G.P. agreed that in consideration for all services rendered by A.G.P., A.G.P. would be paid (i) a fixed fee of \$750,000 in respect of the A.G.P. Fairness Opinion and (ii) a fixed fee of \$750,000 in respect of the advisory services provided by A.G.P. to Greenbrook, for aggregate fees of \$1,500,000.

A.G.P. is a financial services firm engaged in the securities, investment management and individual wealth management businesses. Its securities business is engaged in securities underwriting, trading and brokerage activities, foreign exchange, commodities and derivatives trading, prime brokerage, as well as providing investment banking, financing and financial advisory services. A.G.P. may, in the future, in the ordinary course of its business, perform financial advisory or investment banking services for Greenbrook, Neuronetics or any of their respective associates or affiliates.

A.G.P. received a fee as compensation for its services in rendering the A.G.P. Fairness Opinion, no portion of which is contingent upon either the conclusion contained therein or the consummation of the Arrangement. Greenbrook has agreed to indemnify A.G.P. against certain liabilities arising out of its engagement.

The A.G.P. Fairness Opinion was approved by A.G.P.’s fairness opinion committee, a committee of A.G.P. investment banking and other professionals, in accordance with A.G.P.’s customary practice.

TABLE OF CONTENTS

Scope of Review and Assumptions and Limitations

For purposes of rendering the A.G.P. Fairness Opinion, A.G.P. reviewed and relied upon, among other things, the following:

5. publicly available stock market information of Neuronetics, including current and historical market prices and trading volumes of publicly traded shares of Neuronetics.

A.G.P. was not requested to prepare and did not prepare a formal valuation or appraisal of Greenbrook or Neuronetics or of any of the respective assets, liabilities or securities of Greenbrook or Neuronetics, or to express an opinion with respect to the form of the Arrangement itself, and the A.G.P. Fairness Opinion should not be construed as such. A.G.P. was similarly not engaged to review any legal, tax or accounting aspects of the Arrangement.

In rendering the A.G.P. Fairness Opinion, A.G.P., with the Greenbrook Board's and the Greenbrook Special Committee's permission, assumed and relied upon the accuracy and completeness of all information that was publicly available, provided by or on behalf of Greenbrook or any other party to the proposed Arrangement, or otherwise reviewed by or discussed with A.G.P., without, and without assuming responsibility for, independent verification thereof by A.G.P., and A.G.P. relied upon the assurances of the management of Greenbrook that they were not aware of any facts or circumstances that would make such information inaccurate or misleading. Accordingly, A.G.P. did not express an opinion or any other form of assurance thereon. Moreover, upon the advice of the Greenbrook Board and the Greenbrook Special Committee, A.G.P. assumed that the financial forecasts and projections and probability estimates and judgments of the management of Greenbrook as to the matters covered thereby, and A.G.P. relied upon such forecasts, projections and estimates in its analysis. A.G.P. also assumed for the purposes of the A.G.P. Fairness Opinion that the consummation of the retirement of approximately 11,634,660 Greenbrook Shares pursuant to a settlement agreement with a shareholder. A.G.P. was not engaged to assess the reasonableness or achievability of such forecasts, projections or estimates or the assumptions upon which they were based, and A.G.P. expressed no views as to such forecasts, projections or estimates or the assumptions on which they were based.

In addition, A.G.P. did not evaluate the solvency of Greenbrook or Neuronetics or make an independent evaluation or appraisal of Greenbrook (including any contingent, derivative, or off-balance-sheet assets and liabilities), Neuronetics or any of their respective subsidiaries, and A.G.P. was not furnished with any such evaluation or appraisal.

The A.G.P. Fairness Opinion does not constitute legal, regulatory, accounting, insurance, tax, or other similar professional advice. A.G.P., with respect to all accounting, legal and tax matters relating to the Arrangement and the implementation thereof, relied on the advice of accounting advisors and legal and tax counsel to Greenbrook and Neuronetics, as applicable, including information disclosed in this Joint Proxy Statement/Circular, and expressed no opinion thereon.

The A.G.P. Fairness Opinion also does not address the underlying business decision of Greenbrook to engage in the Arrangement, or the relative merits of the Arrangement as compared to any strategic alternatives that may be available to Greenbrook. The A.G.P. Fairness Opinion addresses only the fairness from a financial point of view, as of August 11, 2024, to Greenbrook Shareholders of the Consideration to be paid to Greenbrook Shareholders in the Arrangement. A.G.P. did not express any view on, and the A.G.P. Fairness Opinion does not address, any other terms or aspect of the Arrangement, including, without limitation, the form or structure of the Arrangement,

the tax treatment thereof, the form or structure of the Consideration (or any component thereof), any adjustment to the Consideration, the allocation of expenses between Greenbrook and Neuronetics in connection with the Arrangement, any transition services, noncompetition, support, consulting, lock-up, transfer restriction, registration rights or other agreement or arrangement to be entered into in connection with the Arrangement, any consideration received in connection therewith by, the holders of any class of securities, creditors, or other constituencies of Greenbrook, other than Greenbrook Shareholders, or any other party to the Arrangement, the fairness of the amount or nature of any compensation to be paid or payable to any of the officers, directors or employees of Greenbrook or any other party to the Arrangement, or class of such persons in connection with the Arrangement, whether relative to the Consideration to be paid to the Greenbrook Shareholders in the Arrangement or otherwise, the terms of the conversion of any outstanding indebtedness of Greenbrook into Greenbrook Shares in connection with or in contemplation of the Arrangement. A.G.P. did not express any opinion as to what the actual value of Neuronetics Shares will be when issued in the Arrangement, the prices at which Neuronetics Shares or Greenbrook Shares will trade at any time or what the actual value of the Consideration Shares will be if and when paid. The A.G.P. Fairness Opinion is necessarily based on economic, monetary, market and other conditions as in effect on, and the information made available to A.G.P. as of August 11, 2024, and A.G.P. assumes no responsibility for updating, revising or reaffirming the A.G.P. Fairness Opinion based on circumstances, developments or events occurring after August 11, 2024.

For purposes of rendering the A.G.P. Fairness Opinion, A.G.P. assumed, with the Greenbrook Board's and the Greenbrook Special Committee's permission, for all purposes material to its analysis, that the Consideration was determined through arm's length negotiations between Greenbrook and Neuronetics, that the representations and warranties made in the Arrangement Agreement are accurate, that all estimated financial forecasts will be realized, and that all of the conditions required to implement the Arrangement will be satisfied and that the Arrangement will be completed in accordance with the Arrangement Agreement without any amendments thereto or any waivers of any terms or conditions thereof. A.G.P. also has assumed, with the Greenbrook Board's and the Greenbrook Special Committee's permission, that all governmental, regulatory, or other consents and approvals necessary or useful for the consummation of the Arrangement would be obtained without any adverse effect on Greenbrook or Neuronetics or on the Arrangement in any way impacting A.G.P.'s analysis. A.G.P. relied upon the fact that Greenbrook has been advised by appropriate legal counsel and financial advisors as to all legal, tax and accounting matters with respect to the Arrangement, including whether all procedures required by law to be taken in connection with the Arrangement have been duly, validly and timely taken.

A.G.P. further assumed, with the Greenbrook Board's and the Greenbrook Special Committee's permission, that as of August 11, 2024, there has been no material adverse change to Greenbrook's or Neuronetics' assets, financial condition, results of operations, business or prospects since the date of the last financial statements made available to A.G.P., in the case of Greenbrook, or made publicly available by Neuronetics, in the case of Neuronetics.

In A.G.P.'s analysis in connection with the preparation of the A.G.P. Fairness Opinion, A.G.P. made numerous assumptions which it believed to be reasonable with respect to the industry performance, general business and economic conditions and other matters, many of which are beyond the control of A.G.P. or Greenbrook, and while in the opinion of A.G.P. the assumptions used in preparing the A.G.P. Fairness Opinion were appropriate in the circumstances, some or all of these assumptions may prove to be incorrect.

Approach to Fairness

In support of the A.G.P. Fairness Opinion, A.G.P. performed certain financial analyses on Greenbrook based on the methodologies and assumptions that A.G.P. considered, in its professional judgment, appropriate in the circumstances for the purposes of providing the A.G.P. Fairness Opinion. As part of the analyses and investigations carried out in the preparation of the A.G.P. Fairness Opinion, A.G.P. reviewed, considered and relied upon the items outlined under "*Fairness Opinion of A.G.P./Alliance Global Partners—Scope of Review and Assumptions and Limitations*" above. A.G.P. was not provided with access to the management of Neuronetics and did not perform any financial analyses to estimate the value of Neuronetics Shares. Rather, A.G.P. assumed, with the Greenbrook Board's and the Greenbrook Special Committee's permission, that the closing price of the Neuronetics Shares on August 8, 2024, the last trading day prior to the date of the A.G.P. Fairness Opinion, which was \$1.78 per share, was a reasonable estimate of value for the Consideration Shares. Based on the 25,304,971 Neuronetics Shares to be issued as Consideration in the Arrangement, A.G.P. calculated an implied equity value for the Consideration of \$45,042,848, before adjusting the valuation for any implied

savings as a result of the conversion of debt into equity prior to the closing of the Arrangement. Based on the total amount of debt converting into equity of Greenbrook prior to the closing of the Arrangement, Greenbrook is estimated to realize a cost savings of approximately \$88,223,124, resulting in an adjusted implied valuation of approximately \$130,282,373 after taking into consideration non-converted debt and cash held on Greenbrook's balance sheet. A.G.P. did not apply any illiquidity or other discounts, or otherwise gave effect to any restrictions or limitations, which may be attributable to the Consideration Shares. In the context of the A.G.P. Fairness Opinion, A.G.P. performed the following financial analyses:

- (i) a comparison of the Consideration to the results of a discounted cash flow analysis of Greenbrook on a stand-alone basis;
- (ii) a comparison of the Consideration to the results of a selected companies analysis of Greenbrook; and
- (iii) a comparison of the Consideration to the results of a precedent transactions analysis of Greenbrook.

A.G.P. reviewed and considered other market data and financial analyses but did not rely on these analyses.

Fairness Opinion Conclusion

Based upon and subject to the assumptions, limitations and qualifications set forth in the A.G.P. Fairness Opinion, A.G.P. was of the opinion that, as of August 11, 2024, the Consideration to be received by Greenbrook Shareholders pursuant to the Arrangement is fair, from a financial point of view, to the Greenbrook Shareholders.

Opinion of Canaccord Genuity

Canaccord Genuity is acting as financial advisor to Neuronetics in connection with the transactions contemplated by the Arrangement Agreement. At a meeting of the Neuronetics Board held on August 11, 2024 to evaluate the Arrangement Agreement, Canaccord Genuity delivered to the Neuronetics Board an oral opinion, which opinion was confirmed by delivery of a written opinion dated August 11, 2024, to the effect that, as of that date and based upon and subject to certain assumptions, factors and qualifications set forth in the written opinion, the Consideration was fair, from a financial point of view, to Neuronetics. Canaccord Genuity did not express any view on, and the Canaccord Genuity Fairness Opinion did not address, any other term or aspect of any other agreements or arrangements contemplated by the Arrangement Agreement or the Plan of Arrangement or entered into or amended in connection with the transactions contemplated thereby. For purposes of the Canaccord Genuity Fairness Opinion, (i) the term "Consideration" refers to a fraction of a Neuronetics Share equal to the Exchange Ratio, and (ii) the term "**Exchange Ratio**" means the number, rounded down to the nearest five decimal places, that is equal to the quotient obtained when (a) 25,304,971 is divided by (b) the aggregate number of Greenbrook Shares issued and outstanding immediately prior to the effective time of the Arrangement (including the Greenbrook Shares to be issued pursuant to the Greenbrook Debt Conversion as described in the Arrangement Agreement and the Net Option Surrender Shares and the Net Warrant Surrender Shares as described in the Plan of Arrangement), which quotient as of immediately prior to the execution of the Arrangement Agreement was calculated to be 0.01149 based on the capitalization of Greenbrook as provided by management of Greenbrook.

The full text of the Canaccord Genuity Fairness Opinion is attached to this Joint Proxy Statement/Circular as Appendix "F-2" and is incorporated into this Joint Proxy Statement/Circular by reference. The description of the Canaccord Genuity Fairness Opinion set forth in this Joint Proxy Statement/Circular is qualified in its entirety by reference to the full text of such opinion. Neuronetics Stockholders are encouraged to read the Canaccord Genuity Fairness Opinion carefully and in its entirety for a description of the procedures followed, assumptions made, matters considered and qualifications and limitations on the review undertaken by Canaccord Genuity in connection with the Canaccord Genuity Fairness Opinion. The Canaccord Genuity Fairness Opinion was addressed to the Neuronetics Board, was only one of many factors considered by the Neuronetics Board in its evaluation of the transactions contemplated by the Arrangement Agreement and only addresses the fairness, from a financial point of view and as of August 11, 2024, of the Consideration to Neuronetics. The Canaccord Genuity Fairness Opinion does not address the relative merits of the Arrangement as compared to other business strategies or transactions that might be available to Neuronetics, nor does it address the underlying business decision of Neuronetics to proceed with the transactions contemplated by the Arrangement Agreement. The Canaccord Genuity Fairness Opinion was directed to and for the information of the Neuronetics Board only (in its capacity as

such) in connection with its evaluation of the transactions contemplated by the Arrangement Agreement and does not constitute advice or a recommendation to the Neuronetics Board, any Neuronetics Stockholder or any other person as to how the Neuronetics Board, such Neuronetics Stockholder or such other person should vote with respect to the transactions contemplated by the Arrangement Agreement or otherwise act on any other matter with respect to the Arrangement Agreement. The Canaccord Genuity Fairness Opinion is being included in this Joint Proxy Statement/Circular by Neuronetics as part of the disclosure to Neuronetics Stockholders as it was one of the factors considered by the Neuronetics Board in its evaluation of the Arrangement and is not being included by Greenbrook for the benefit of Greenbrook Shareholders. The Canaccord Genuity Fairness Opinion was necessarily based on securities, economic, market and monetary conditions prevailing on, and the information made available to Canaccord Genuity, as of August 11, 2024, the date of its opinion. Subsequent developments may affect the conclusions expressed in the Canaccord Genuity Fairness Opinion if such opinion were rendered as of a later date. Canaccord Genuity assumes no responsibility for updating, revising or reaffirming its opinion or otherwise commenting upon any events occurring after the date of the Canaccord Genuity Fairness Opinion.

- (x) reviewed such other financial studies and analyses, performed such other investigations, and took into account such other matters as Canaccord Genuity deemed necessary, including an assessment of general securities, economic, market and monetary conditions.

In connection with its review and arriving at the Canaccord Genuity Fairness Opinion, Canaccord Genuity did not independently verify any of the foregoing information, relied on such information, assumed that all such information was complete and accurate in all material respects, and relied on assurances of the managements of Neuronetics and Greenbrook that they were not aware of any facts that would make such information misleading in any material respect. With respect to the financial projections of Greenbrook prepared by management of Greenbrook (as adjusted by management of Neuronetics), the financial projections of Neuronetics provided by

management of Neuronetics, and any other estimates or forward-looking information reviewed by Canaccord Genuity, Canaccord Genuity assumed, with the consent of the Neuronetics Board, that such information was reasonably prepared on bases reflecting the best currently available estimates and judgments of management as to the matters covered thereby, and Canaccord Genuity relied, at the direction of the Neuronetics Board, on such information for purposes of its analysis and opinion. Canaccord Genuity expressed no view or opinion as to such information or the assumptions on which it was based. Canaccord Genuity also relied on information provided by the management of Neuronetics and Greenbrook as to the capitalization of Neuronetics and Greenbrook, respectively, and Canaccord Genuity assumed, with the consent of the Neuronetics Board, that such information will not vary in any material respect that would be meaningful to its analysis.

Canaccord Genuity also assumed that (i) the transactions contemplated by the Arrangement Agreement will be consummated upon the terms set forth in the Arrangement Agreement and the form of Plan of Arrangement attached thereto, without any adjustment to the Exchange Ratio or any waiver, modification or amendment of any material term, condition or agreement therein which would be in any way meaningful to Canaccord Genuity's analysis, (ii) the representations and warranties made by the parties to the Arrangement Agreement are and will be true and correct in all respects material to Canaccord Genuity's analysis, and (iii) in the course of obtaining any necessary governmental, regulatory and third-party approvals and consents for the transactions contemplated by the Arrangement Agreement, no modification, delay, limitation, restriction or conditions will be imposed which would have an adverse effect on Neuronetics or Greenbrook or the contemplated benefits of such transactions or be in any way meaningful to Canaccord Genuity's analysis. Canaccord Genuity is not a legal, accounting, regulatory or tax expert and relied on the assessments made by Neuronetics and its advisors with respect to such matters.

The Canaccord Genuity Fairness Opinion is limited to and addresses only the fairness of the Consideration, from a financial point of view and as of the date of such opinion, to Neuronetics to the extent expressly specified therein. Canaccord Genuity did not express any view on, and the Canaccord Genuity Fairness Opinion did not address, any other term or aspect of any other agreements or arrangements contemplated by the Arrangement Agreement or the Plan of Arrangement or entered into or amended in connection with the Arrangement, including, but not limited to, the Greenbrook Debt Conversion, the Neuronetics Facility Amendment or the Neuronetics Alternative Facility, or any Pre-Acquisition Reorganization (as each term is defined in the Arrangement Agreement). Canaccord Genuity also expressed no opinion as to the fairness of the transactions contemplated by the Arrangement Agreement to the holders of any class of securities, creditors or other constituencies of Neuronetics or Greenbrook. The Canaccord Genuity Fairness Opinion does not address the relative merits of the Arrangement as compared to other business strategies or transactions that might be available to Neuronetics, nor does it address the underlying business decision of Neuronetics to proceed with the Arrangement or any view on another term or aspect of the Arrangement, including, without limitation, the structure or form of the Arrangement. Canaccord Genuity did not consider, and did not express an opinion as to, the fairness of the amount or nature of the compensation to any of the officers, directors or employees of Neuronetics or Greenbrook, or class of such persons, relative to the Consideration or otherwise. Further, Canaccord Genuity did not express any opinion as to in the future what the value of Neuronetics Shares, Greenbrook Shares or any other securities will be when issued or the price or range of prices at which Neuronetics common stock or any other securities may trade or otherwise be transferable at any time, including following announcement or consummation of the Arrangement, or the potential effects of volatility in the credit, financial or equity markets on Neuronetics or Greenbrook, their respective securities or other financial instruments, or the transactions contemplated by the Arrangement Agreement.

Canaccord Genuity was not requested to conduct and did not conduct, nor did Canaccord Genuity rely upon, any independent valuation or appraisal of any of the assets or liabilities (contingent, derivative, off-balance sheet or otherwise) of Neuronetics or Greenbrook. Canaccord Genuity also did not evaluate nor express any opinion as to the solvency of any party to the Arrangement Agreement, or the ability of Neuronetics or Greenbrook to pay its obligations when they become due, or as to the impact of the Arrangement on such matters, under any state, federal or other laws relating to bankruptcy, insolvency or similar matters. In addition, Canaccord Genuity assumed, with the consent of the Neuronetics Board, that any material liabilities (contingent or otherwise, known or unknown) of Neuronetics and Greenbrook were as set forth in the respective financial statements of Neuronetics and Greenbrook provided to Canaccord Genuity.

Summary of Financial Analyses

The following is a summary of the material financial analyses performed by Canaccord Genuity in connection with rendering the Canaccord Genuity Fairness Opinion. The following summary, however, does not purport to be a complete description of the factors considered or financial analyses performed by Canaccord Genuity, nor does the order of analyses described represent relative importance or weight given to those analyses by Canaccord Genuity. Some of these summaries of the financial analyses include information presented in tabular format. The tables must be read together with the full text of each summary and are alone not a complete description of Canaccord Genuity's financial analyses. In performing its analyses, Canaccord Genuity made numerous assumptions with respect to industry performance, general business and economic conditions and other matters, many of which are beyond the control of Neuronetics or any other party to the Arrangement Agreement. Any estimates contained in these analyses are not necessarily indicative of actual values or predictive of future results or values, which may be significantly more or less favorable than as set forth below. Except as otherwise noted, the following quantitative information, to the extent that it is based on market data, is based on market data as it existed on or before August 9, 2024 (the last business day prior to delivery of the Canaccord Genuity Fairness Opinion) and is not necessarily indicative of current market conditions.

Historical Exchange Ratio Analysis

Canaccord Genuity calculated and analyzed the historical exchange ratios implied by dividing the daily closing prices of Greenbrook Shares by those of Neuronetics Shares, over historical periods up to and including August 9, 2024. The results of this historical exchange ratio analysis are summarized below (with averages representing trading days):

| | Implied Exchange Ratio |
|--------------------------------|-----------------------------------|
| Current (as of August 9, 2024) | 0.02376x |
| 30-day Average | 0.03457x |
| 90-day Average | 0.03592x |
| 180-day Average | 0.05815x |
| LTM (last 12 months) Average | 0.09838x |
| LTM High | 0.26000x |
| LTM Low | 0.01183x |

Canaccord Genuity noted that the implied transaction exchange ratio of 0.01149x was below the overall range of implied exchange ratios derived from this analysis of 0.01183x to 0.26000x.

Contribution Analysis

Canaccord Genuity analyzed implied exchange ratios based on projections of each company's relative contributions of actual and estimated revenue. For purposes of this analysis, Canaccord Genuity utilized financial projections for Neuronetics prepared by Neuronetics management and financial projections for Greenbrook prepared by Greenbrook management (as adjusted by Neuronetics management), in each case as provided to Canaccord Genuity by Neuronetics management and approved for use in Canaccord Genuity's analysis by the Neuronetics Board. A relative contribution analysis was performed with respect to the last 12 months ended June 30, 2024 and the projected calendar years ending December 31, 2024 through December 31, 2026, by applying a blended multiple to each company's revenue (excluding, in the case of Greenbrook, other revenue) to arrive at an implied enterprise value. Canaccord Genuity then calculated (i) the implied equity value for Neuronetics by subtracting debt of \$50.0 million and adding cash of \$22.9 million, in each case as provided by Neuronetics management as of July 31, 2024, and (ii) the implied equity value for Greenbrook by subtracting debt of \$6.4 million and non-controlling interest of \$(3.8) million as of June 30, 2024 and adding cash of \$4.5 million as of August 2, 2024, in each case as provided by Greenbrook management. Based on the implied relative equity value contributions, Canaccord Genuity calculated the implied exchange ratios.

TABLE OF CONTENTS

| 2025E Revenue | 34% | 66% | 0.03007x |
| 2026E Revenue | 34% | 66% | 0.02990x |

Canaccord Genuity noted that the implied transaction exchange ratio of 0.01149x was below the overall range of implied exchange ratios derived from this analysis of 0.02307x to 0.03007x.

Selected Public Companies Analysis

Canaccord Genuity derived values for each of Neuronetics and Greenbrook using a selected public companies analysis in which implied values were derived using valuation multiples from selected publicly traded companies.

Selected Public Companies Analysis—Neuronetics. Canaccord Genuity reviewed certain publicly available financial information for selected public companies that, based on its experience and professional judgment, share similar business characteristics to Neuronetics. No company utilized in the selected public companies analysis was directly comparable to Neuronetics and certain of these companies may have financial, business and/or operating characteristics that are materially different from those of Neuronetics. However, the companies were selected, among other reasons, because they were publicly traded companies with businesses that, for purposes of Canaccord Genuity's analysis, may be considered similar to that of Neuronetics based on industry sector and financial profile.

The selected public companies are listed below:

- Treace Medical Concepts, Inc.
- NeuroPace, Inc.
- Sight Sciences, Inc.
- Pulmonx Corporation
- CVRx, Inc.
- TELA Bio, Inc.
- Brainsway Ltd.
- Outset Medical, Inc.

Using publicly available information obtained from SEC filings and other data sources and research analyst consensus estimates as of August 9, 2024, Canaccord Genuity calculated for each selected public company the following: (i) total enterprise value (calculated as the market value of common equity determined using the treasury stock method, plus the book value of debt, less cash), as a multiple of actual last 12 months ("LTM") revenue based on latest SEC filings; (ii) total enterprise value as a multiple of estimated revenue for calendar year 2024; and (iii) total enterprise value as a multiple of estimated revenue for calendar year 2025.

The results of this analysis are summarized below:⁽¹⁾

| | Low | High |
|----------------------------|------|------|
| TEV / LTM 6/30/24A Revenue | 1.7x | 2.8x |
| TEV / 2024E Revenue | 1.5x | 2.7x |
| TEV / 2025E Revenue | 1.4x | 2.3x |

(1) Low and high multiple ranges were derived based upon the application of Canaccord Genuity's experience and professional judgment from the first and third quartile data points from the Neuronetics selected public companies analysis.

Based on its analysis and other considerations that Canaccord Genuity deemed relevant in its experience and professional judgment, Canaccord Genuity used these reference ranges of multiples to derive a range of implied

enterprise values for Neuronetics of \$118.8 million to \$207.5 million and a range of implied equity values for Neuronetics of \$91.7 million to \$180.4 million. The implied equity value was calculated by subtracting debt and adding cash as of July 31, 2024, in each case as provided by Neuronetics management, from the implied total enterprise value. Canaccord Genuity also derived a range of implied per share equity values for Neuronetics (using the fully-diluted Neuronetics Shares determined using the treasury stock method, as provided by Neuronetics management) which are summarized below:

|----------------------------|--|
| TEV / LTM 6/30/24A Revenue | \$2.76-5.30 |
| TEV / 2024E Revenue | \$2.73-5.38 |

| TEV / 2024E Revenue | 1.1x | 1.6x |
| TEV / 2025E Revenue | 1.1x | 1.6x |

(1) Low and high multiple ranges were derived based upon the application of Canaccord Genuity's experience and professional judgment from the first quartile and median data points from the Greenbrook selected public companies analysis.

TABLE OF CONTENTS

Based on its analysis and other considerations that Canaccord Genuity deemed relevant in its experience and professional judgment, Canaccord Genuity used these reference ranges of multiples to derive a range of implied enterprise values for Greenbrook of \$89.0 million to \$180.1 million and a range of implied equity values for Greenbrook of \$90.9 million to \$182.0 million. The implied equity value was calculated by subtracting debt and non-controlling interest as of June 30, 2024 and adding cash as of August 2, 2024, in each case as provided by Greenbrook management, from the implied total enterprise value. Canaccord Genuity also derived ranges of implied per share equity values for Greenbrook (using the fully-diluted Greenbrook Shares determined using the treasury stock method, including the Greenbrook Shares to be issued pursuant to the Greenbrook Debt Conversion as described in the Arrangement Agreement and the Net Option Surrender Shares and the Net Warrant Surrender Shares as described in the Plan of Arrangement, in each case as provided by Greenbrook management) which are summarized below:

| TEV / 2025E Revenue | \$0.06-0.08 |

Selected Public Companies Analysis—Implied Exchange Ratio Range. The selected public companies analyses for Neuronetics and Greenbrook were used to calculate an implied exchange ratio range of 0.00768x to 0.03024x based on the implied per share valuation ranges. The low exchange ratio in the range represents the ratio of the lowest value per Greenbrook Share implied by such valuation and the highest value per Neuronetics Share implied by such valuation (as described in the summaries set forth above), and the high exchange ratio represents the ratio of the highest value per Greenbrook Share implied by such valuation and the lowest value per Neuronetics Share implied by such valuation (as described in the summaries set forth above). Canaccord Genuity noted that the implied transaction exchange ratio of 0.01149x fell within the overall range of implied exchange ratios derived from the selected public companies analyses of 0.00768x to 0.03024x.

Selected Precedent Transactions Analysis

Canaccord Genuity performed a precedent transaction analysis, which attempts to imply the value of a company based on publicly available financial terms of selected transactions. Canaccord Genuity selected the precedent transactions based on the similarity of products offered and markets served by the target company as compared to Greenbrook, as well as the financial position and other relevant financial metrics of the target companies.

The selected precedent transactions were as follows:

| Announcement | Acquiror | Target |
|---------------------|--|--|
| June 2023 | Optum, Inc. | Amedisys, Inc. |
| November 2022 | Village Practice Management Company, LLC | City Practice Group of New York, LLC |
| September 2022 | Olympus Advisors, LLC | EyeSouth Partners, LLC |
| July 2022 | Patient Square Capital, LP | Hanger, Inc. |
| May 2022 | Greenbrook TMS Inc. | Check Five LLC (Success TMS) |
| March 2022 | OptumHealth, Inc. | LHC Group, Inc. |
| September 2021 | Patient Square Capital, LP | Summit Behavioral Healthcare, LLC |
| June 2021 | Akumin Corp. | Alliance Healthcare Services, Inc. |
| February 2021 | WELL Health Technologies Corp. | CRH Medical Corporation |
| October 2020 | Innovative Renal Care, LLC | American Renal Associates Holdings, Inc. |
| December 2018 | Centerbridge Partners, L.P. | Civitas Solutions, Inc. |

Based on its review of the relevant metrics for each of the precedent transactions, Canaccord Genuity calculated the multiples of implied total enterprise value to LTM revenue for each of the target companies in the precedent transactions. For purposes of this analysis, Canaccord Genuity utilized information regarding the precedent transactions obtained from filings with the SEC and other public data sources. Canaccord Genuity selected a representative range of multiples derived from the first quartile and median data points for the precedent transactions of 1.2x to 1.7x based upon the application of its experience and professional judgment. Based on its

TABLE OF CONTENTS

analysis and other considerations that Canaccord Genuity deemed relevant in its experience and professional judgment, Canaccord Genuity used this reference range of multiples and the LTM revenue of Greenbrook (assumed for purposes of this analysis to be the last 12 months ended June 30, 2024) as provided by Greenbrook management to derive a range of implied total enterprise values for Greenbrook of \$89.6 million to \$124.7 million and a range of implied equity values for Greenbrook of \$91.5 million to \$126.6 million. The implied equity value was calculated by subtracting debt and non-controlling interest as of June 30, 2024 and adding cash as of August 2, 2024, in each case as provided by Greenbrook management, from the implied total enterprise value. Canaccord Genuity also derived a range of implied per share equity values for Greenbrook (using the fully-diluted Greenbrook Shares determined using the treasury stock method, including the Greenbrook Shares to be issued pursuant to the Greenbrook Debt Conversion as described in the Arrangement Agreement and the Net Option Surrender Shares and the Net Warrant Surrender Shares as described in the Plan of Arrangement, in each case as provided by Greenbrook management) of \$0.04 to \$0.06.

Canaccord Genuity calculated an implied exchange ratio range of 0.02334x to 0.03230x based on the range of implied per share equity values for Greenbrook from the selected precedent transactions analysis and the Neuronetics closing share price of \$1.78 as of August 9, 2024. Canaccord Genuity noted that the implied transaction exchange ratio of 0.01149x fell below the range of implied exchange ratios derived from the selected precedent transactions analysis of 0.02334x to 0.03230x.

Discounted Cash Flow Analysis

Canaccord Genuity conducted a discounted cash flow analysis for each of Neuronetics and Greenbrook for the purpose of calculating a range of equity values per Neuronetics Share and Greenbrook Share, respectively. A discounted cash flow analysis is a method of evaluating an asset using estimates of the future unlevered free cash flows generated by the asset and taking into consideration the time value of money with respect to those future cash flows by calculating their net present value. For purposes of this analysis, Canaccord Genuity utilized financial projections for Neuronetics prepared by Neuronetics management and financial projections for Greenbrook prepared by Greenbrook management (as adjusted by Neuronetics management), in each case as provided to Canaccord Genuity by Neuronetics management and approved for use in Canaccord Genuity's analysis by the Neuronetics Board. Unlevered free cash flows were calculated by taking operating income after tax, adding back depreciation and amortization, subtracting capital expenditures, and adjusting for changes in net working capital.

Discounted Cash Flow Analysis—Neuronetics. Canaccord Genuity conducted a discounted cash flow analysis for Neuronetics for the purpose of calculating a range of equity values per Neuronetics Share on a stand-alone basis. Canaccord Genuity calculated the net present value of the estimated unlevered free cash flows for Neuronetics for the six months ending December 31, 2024 and calendar years 2025 and 2026 and calculated terminal values in the year 2026 based on terminal revenue multiples ranging from 1.5x to 2.5x. Canaccord Genuity selected these terminal revenue multiples based on the application of its professional judgment and experience. These values were discounted to net present values as of August 9, 2024 at a discount rate ranging from 18.0% to 20.0%, which range of discount rates was selected, upon the application of Canaccord Genuity's professional judgment and experience, to reflect Neuronetics' estimated range of weighted average cost of capital. Based on this analysis, Canaccord Genuity derived a range of implied total enterprise values for Neuronetics of \$83.2 million to \$155.4 million and a range of implied equity values for Neuronetics of \$56.1 million to \$128.3 million. The implied equity value was calculated by subtracting debt and adding cash as of July 31, 2024, in each case as provided by Neuronetics management, from the implied total enterprise value. Canaccord Genuity also derived a range of implied per share equity values for Neuronetics of \$1.67 to \$3.82 (using the fully-diluted Neuronetics Shares determined using the treasury stock method, as provided by Neuronetics management), which range was based on the high and low data points from the analysis.

Discounted Cash Flow Analysis—Greenbrook. Canaccord Genuity conducted a discounted cash flow analysis for Greenbrook for the purpose of calculating a range of equity values per Greenbrook Share on a stand-alone basis. Canaccord Genuity calculated the net present value of the estimated unlevered free cash flows for Greenbrook for the six months ending December 31, 2024 and calendar years 2025 and 2026 and calculated terminal values in the year 2026 based on terminal revenue multiples ranging from 1.0x to 2.0x. Canaccord Genuity selected these terminal revenue multiples based on the application of its professional judgment and experience. These values were discounted to net present values as of August 9, 2024 at a discount rate ranging from 18.0% to 20.0%, which range of discount rates was selected, upon the application of Canaccord Genuity's professional

judgment and experience, to reflect Greenbrook's estimated range of weighted average cost of capital. Based on this analysis, Canaccord Genuity derived a range of implied total enterprise values for Greenbrook of \$91.7 million to \$181.7 million and a range of implied equity values for Greenbrook of \$93.6 million to \$183.6 million. The implied equity value was calculated by subtracting debt and non-controlling interest as of June 30, 2024 and adding cash as of August 2, 2024, in each case as provided by Greenbrook management, from the implied total enterprise value. Canaccord Genuity also derived a range of implied per share equity values for Greenbrook of \$0.04 to \$0.08 (using the fully-diluted Greenbrook Shares determined using the treasury stock method, including the Greenbrook Shares to be issued pursuant to the Greenbrook Debt Conversion as described in the Arrangement Agreement and the Net Option Surrender Shares and the Net Warrant Surrender Shares as described in the Plan of Arrangement, in each case as provided by Greenbrook management), which range was based on the high and low data points from the analysis.

Discounted Cash Flow Analysis—Implied Exchange Ratio Range. The discounted cash flow analysis for each of Neuronetics and Greenbrook was used to calculate an implied exchange ratio range of 0.01112x to 0.04988x based on the implied per share valuation ranges. The low exchange ratio in the range represents the ratio of the lowest value per Greenbrook Share implied by such valuation and the highest value per Neuronetics Share implied by such valuation (as described in the summaries set forth above), and the high exchange ratio represents the ratio of the highest value per Greenbrook Share implied by such valuation and the lowest value per Neuronetics Share implied by such valuation (as described in the summaries set forth above). Canaccord Genuity noted that the implied transaction exchange ratio of 0.01149x fell within the overall range of implied exchange ratios derived from the discounted cash flow analyses of 0.01112x to 0.04988x.

Other Information

Canaccord Genuity observed certain additional factors that were not considered part of its financial analyses for purposes of the Canaccord Genuity Fairness Opinion but were noted to the Neuronetics Board for reference purposes only, including the following:

- Historical trading prices of Neuronetics Shares during the 52-week period ended August 9, 2024, which reflected low to high closing prices of the shares during such period of \$1.05 per share on October 27, 2023 to \$4.81 per share on April 1, 2024.
- The implied consideration per Greenbrook Share in the Arrangement was \$0.02 (calculated based on the implied transaction exchange ratio of 0.01149x and the closing price of Neuronetics common stock on August 9, 2024 of \$1.78), which represented: (i) a discount of 51.6% to the closing price of Greenbrook Shares of \$0.04 per share on August 9, 2024; (ii) a discount of 71.1% to the volume weighted average trading price per Greenbrook Share of \$0.07 for the 30 trading days ended on August 9, 2024; (iii) a discount of 95.0% to the volume weighted average trading price per Greenbrook Share of \$0.41 for the twelve months ended on August 9, 2024; and (iv) a discount of 95.3% to the 52-week high closing price of Greenbrook Shares of \$0.44 per share on January 10, 2024.

General

The preparation of a fairness opinion is a complex process and is not necessarily susceptible to partial analysis or summary description. Selecting portions of the analyses or of the summary set forth above, without considering the analyses as a whole, could create an incomplete view of the processes underlying the Canaccord Genuity Fairness Opinion. In arriving at its fairness determination, Canaccord Genuity considered the results of all of its analyses and did not attribute any particular weight to any factor or analysis considered by it. Rather, Canaccord Genuity made its determination as to fairness on the basis of its experience and professional judgment after considering the results of all of its analyses, taken as a whole. No company used in the above analyses as a comparison is directly comparable to Neuronetics, Greenbrook or the Arrangement. The reasons for and the circumstances surrounding each of the selected companies analyzed were diverse and there are inherent differences in the business, operations, financial condition and prospects of Neuronetics or Greenbrook, as applicable, and the companies included in those analyses.

Canaccord Genuity prepared these analyses for purposes of providing the Canaccord Genuity Fairness Opinion to the Neuronetics Board as to the fairness, from a financial point of view and as of August 11, 2024, to Neuronetics of the Consideration. These analyses do not purport to be appraisals, nor do they necessarily reflect the prices at which businesses or securities actually may be sold.

TABLE OF CONTENTS

The Consideration was determined through negotiations between Neuronetics and Greenbrook and was approved by the Neuronetics Board. Canaccord Genuity provided advice to the Neuronetics Board during these negotiations. Canaccord Genuity, however, did not recommend any specific amount of consideration to Neuronetics or the Neuronetics Board or that any specific amount of consideration constituted the only appropriate consideration for the Arrangement.

As described above, the Canaccord Genuity Fairness Opinion to the Neuronetics Board was one of many factors taken into consideration by the Neuronetics Board in making its determination to approve the Arrangement Agreement. The foregoing summary does not purport to be a complete description of the factors considered or financial analyses performed by Canaccord Genuity in connection with the Canaccord Genuity Fairness Opinion and is qualified in its entirety by reference to the full text of the written Canaccord Genuity Fairness Opinion attached to this Joint Proxy Statement/Circular as Appendix “F-2”. The issuance of the Canaccord Genuity Fairness Opinion was approved by a fairness committee of Canaccord Genuity.

Canaccord Genuity, as part of its investment banking activities, is regularly engaged in the valuation of businesses and their securities in connection with mergers and acquisitions, negotiated underwritings, secondary distributions of listed and unlisted securities, private placements and valuations for corporate and other purposes. In the ordinary course of business, Canaccord Genuity and its affiliates may acquire, hold or sell, for its and its affiliates’ own accounts and the accounts of customers, equity, debt and other securities and financial instruments (including bank loans and other obligations) of Neuronetics and Greenbrook. In the two years prior to the date of the Canaccord Genuity Fairness Opinion, Canaccord Genuity had not provided investment banking or other financial services of a material nature to Neuronetics, Greenbrook or Madryn Asset Management, LP, except as financial advisor to Neuronetics in connection with the Arrangement. Canaccord Genuity may provide investment banking services to Neuronetics, Greenbrook or their respective affiliates in the future, for which Canaccord Genuity may receive compensation.

The Neuronetics Board selected Canaccord Genuity as financial advisor to Neuronetics because it is a nationally recognized investment banking firm that has substantial experience in transactions similar to the Arrangement. Pursuant to a letter agreement, dated as of July 22, 2022, Neuronetics engaged Canaccord Genuity to act as its financial advisor in connection with a potential strategic transaction with Greenbrook and the delivery of a fairness opinion as described above. Pursuant to the terms of the engagement letter, Neuronetics agreed to pay Canaccord Genuity a fee of \$2.0 million for its services, of which \$100,000 was payable upon signing of the engagement letter, \$450,000 was payable upon delivery by Canaccord Genuity of the Canaccord Genuity Fairness Opinion, and the remainder of which is contingent upon consummation of the Arrangement. In addition, Neuronetics has agreed to reimburse Canaccord Genuity for certain expenses and indemnify Canaccord Genuity and related persons for liabilities relating to or arising out of its engagement.

Summary of Certain Greenbrook and Neuronetics Financial Projections

In connection with its consideration and evaluation of the Arrangement, management of Neuronetics prepared and provided to the Neuronetics Board, prior to finalizing the Arrangement Agreement, certain financial and other projections with respect to each of Greenbrook and Neuronetics summarized below (the “**Projections**”). The Projections were also provided to Canaccord Genuity by management of Neuronetics and, at the direction and with the approval of the Neuronetics Board, were used by Canaccord Genuity in connection with the Canaccord Genuity Fairness Opinion and performing the related financial analyses as described in “—*Opinion of Canaccord Genuity*”. The Projections and the disclosure related thereto is being provided on behalf of Neuronetics to Neuronetics Stockholders due to such Projections being provided to the Neuronetics Board and Canaccord Genuity’s use of the Projections at the direction of the Neuronetics Board in connection with the Canaccord Genuity Fairness Opinion.

Neuronetics did not prepare the Projections with a view toward public disclosure or the guidelines established by the American Institute of Certified Public Accountants for preparation and presentation of prospective financial information. Neither Neuronetics’ independent registered public accounting firm, nor any other independent accountants, have reviewed the Projections or compiled, examined or performed any procedures with respect to the Projections, nor has any of them expressed any opinion or any other form of assurance on the Projections or the achievability of the results reflected in the Projections, and none of them assumes any responsibility for, and

each of them disclaims any association with, the Projections. Consequently, the inclusion of the Projections should not be regarded as an indication that the Neuronetics Board, management of Neuronetics, Neuronetics, Canaccord Genuity or any other recipient of this information considered, or now considers, it to be an assurance of the achievement of future results.

The Projections were prepared based on certain financial and other information regarding Greenbrook and Neuronetics available to management of Neuronetics prior to finalizing the Arrangement Agreement on August 11, 2024. In developing the Projections, Neuronetics and Greenbrook, respectively, applied judgment and discretion as well as a number of assumptions in respect of future matters that impact the Projections. The Projections, and the assumptions, opinions and judgments applied in developing the Projections, were based on then best estimates of management of Neuronetics and Greenbrook and were not the subject of independent verification. As such, there can be no assurance that such assumptions, opinions or judgments are correct, nor that the Projections will be achieved. The Projections do not reflect subsequent estimates, including estimates related to annual pre-tax synergies, supply chain efficiencies and full potential improvements, following entry into the Arrangement Agreement. As a result, the Projections may not be an accurate representation of equivalent measures as at the date of this Joint Proxy Statement/Circular. Neuronetics and Greenbrook, respectively, can give no assurance that, had the Projections been prepared either as of the date of the Arrangement Agreement or as of the date of this Joint Proxy Statement/Circular, similar assumptions, estimates, opinions and judgments would be used.

The Projections utilize different assumptions, opinions and judgments than the Neuronetics guidance set forth on Neuronetics' Exhibit 99.1 on Current Report on Form 8-K filed on August 12, 2024.

Important Information About the Projections

Certain of the projections summarized above were not prepared in accordance with U.S. GAAP, Operating Expenditures and Adjusted EBITDA. Non-U.S. GAAP financial measures should not be considered in isolation from, or as a substitute for, financial information prepared in accordance with U.S. GAAP. Neuronetics' calculation of non-U.S. GAAP financial measures may differ from others in the industry and Capital Expenditures, Operating Expenditures and Adjusted EBITDA are not necessarily comparable with similar titles used by other companies. The Projections may differ from Greenbrook's projections. Financial measures provided to a financial advisor in connection with a business combination transaction are excluded from the definition of non-U.S. GAAP financial measures and therefore are not subject to SEC rules regarding disclosures of non-U.S. GAAP financial measures, which would otherwise require a reconciliation of a non-U.S. GAAP financial measure to a U.S. GAAP financial measure. Reconciliations of non-U.S. GAAP financial measures were not relied upon by Canaccord Genuity for purposes of its separate financial analyses and the Canaccord Genuity Fairness Opinion or by the Neuronetics Board in connection with its consideration of the Arrangement. In addition, the SEC's rules do not require a reconciliation of a forward-looking non-U.S. GAAP financial measure to a U.S. GAAP financial measure to the extent it is not available without unreasonable efforts. Accordingly, Neuronetics has not provided a reconciliation of the financial measures.

The summary of the Projections is not being included in this Joint Proxy Statement/Circular to influence a Neuronetics Stockholder's decision whether to approve the Neuronetics Proposals, but is being included to provide Neuronetics Stockholders with the Projections that were made available to the Neuronetics Board and Canaccord Genuity. The inclusion of the Projections in this Joint Proxy Statement/Circular should not be regarded as an indication that Neuronetics, Greenbrook or any of their respective affiliates, officers, directors, advisors or other representatives or any other recipient of this information considered or now considers the Projections to be necessarily predictive of actual future events or events which have occurred since the date of the Projections, and the Projections should not be relied upon as such. None of Neuronetics, Greenbrook or any of their respective affiliates, officers, directors, advisors or other representatives can give any assurance that actual results will not differ materially from the Projections. None of Neuronetics, Greenbrook or any of their respective affiliates, officers, directors, advisors or other representatives has made or makes any representation to any Neuronetics Stockholder regarding the ultimate performance of Neuronetics, Greenbrook or the Combined Company compared to the information contained in the Projections or that the Projections will be achieved.

The Projections, while presented with numerical specificity, reflect numerous variables, estimates and assumptions as to future events made by management of Neuronetics that such management believed were reasonable at the respective times that the Projections were prepared, taking into account the relevant information available to such management at the respective times of preparation. However, such variables, estimates and assumptions are inherently uncertain and beyond the control of management of Neuronetics, including, among other things, Neuronetics', Greenbrook's and the Combined Company's future financial performance, industry performance and activity, general business, economic, regulatory, market and financial conditions and competition, as well as changes to the business, financial condition or results of operations of such company, including the factors described under "Information Concerning Forward-Looking Statements", and the risks and uncertainties described under "Risk Factors", any of which may cause the Projections or their respective underlying assumptions to be inaccurate. Some or all of the assumptions which have been made regarding, among other things, the timing of certain occurrences or impacts, may change or may have changed since the respective dates when the Projections were prepared. The Projections also reflect assumptions as to certain business decisions that are subject to change and, in many respects, subjective judgment, and thus are susceptible to multiple interpretations and periodic revisions based on actual experience and further or future business

developments. Neuronetics has not updated and, except as may be required by applicable law, does not intend to update or otherwise revise the Projections to reflect circumstances existing after the respective date when made or to reflect the occurrence of future events, even in the event that any or all of the assumptions on which the Projections were based are shown to be in error. There can be no assurance that the results reflected in any of the Projections will be realized or that actual results will not materially vary from the Projections. In addition, since the Projections cover multiple years, such information by its nature becomes less predictive with each successive year. No one has made or makes any representation to any stockholder or any other investor regarding the information included in the Projections.

In light of the foregoing and the uncertainties inherent in the Projections, and considering that the Neuronetics Meeting will be held long after the Projections were prepared, Neuronetics Stockholders and other investors are cautioned not to place undue, if any, reliance on the Projections.

Interests of Greenbrook's Directors and Management in the Arrangement

In considering the recommendation of the Greenbrook Special Committee and the Greenbrook Board with respect to the Arrangement, Greenbrook Shareholders should be aware that certain directors and executive officers of Greenbrook may have interests in connection with the Arrangement or may receive benefits in connection therewith that differ from, or are in addition to, the interests of Greenbrook Shareholders generally, including that certain executive officers of Greenbrook will become members of the management of Neuronetics after completion of the Arrangement, which may present them with actual or potential conflicts of interest in connection with the Arrangement. The Greenbrook Special Committee and the Greenbrook Board are aware of these interests and considered them along with other matters described herein.

Other than the interests and benefits described below and elsewhere in this Joint Proxy Statement/Circular, none of the directors or executive officers of Greenbrook or, to the knowledge of the directors and executive officers of Greenbrook, any of their respective associates or affiliates, has any material interest, direct or indirect, by way of beneficial ownership of securities or otherwise in any matter to be acted upon in connection with the Arrangement or that would materially affect the Arrangement.

Insurance and Indemnification of Greenbrook Directors and Officers

Pursuant to the Arrangement Agreement, Greenbrook has agreed to, prior to the Effective Time, purchase customary “tail” policies of directors’ and officers’ liability insurance containing terms and conditions no less favorable in the aggregate to the protection provided by the policies maintained by Greenbrook and its subsidiaries which are in effect immediately prior to the Effective Date and providing protection in respect of claims arising from facts or events which occurred on or prior to the Effective Time, and Greenbrook will and will cause its subsidiaries to, maintain such “tail” policies in effect without any reduction in scope or coverage for six years from the Effective Time; provided, that Greenbrook and its subsidiaries will not be required to pay any amounts in respect of such coverage prior to the Effective Time and provided further that the cost of such policies will not exceed 300% of the current annual premium for Greenbrook’s directors’ and officers’ insurance currently maintained by Greenbrook or its subsidiaries.

Pursuant to the Arrangement Agreement, Greenbrook will, and will cause its subsidiaries to, honor all rights to indemnification or exculpation existing in favor of present and former employees, officers and directors of Greenbrook and its subsidiaries under law and under the articles or other constating documents of Greenbrook and/or its subsidiaries or under any agreement or contract of any indemnified person with Greenbrook or any of its subsidiaries, and acknowledges that such rights will survive the completion of the Plan of Arrangement and will continue in full force and effect in accordance with their terms for a period of not less than six years from the Effective Date.

Interests of Neuronetics’ Directors and Management in the Arrangement

None of the members of the Neuronetics Board or Neuronetics’ management team is party to an arrangement with Neuronetics, or participates in any Neuronetics plan, program or arrangement, that provides such member with financial incentives that are contingent upon the consummation of the Arrangement. All five members of the Neuronetics Board will continue as directors of the Combined Company and Neuronetics intends to combine the management teams of Neuronetics and Greenbrook, with Keith J. Sullivan serving as President and Chief Executive Officer, immediately after the consummation of the Arrangement. Information about the Neuronetics Board and management team can be found in Neuronetics’ Annual Report on Form 10-K for the fiscal year ended December 31, 2023 as filed on March 8, 2024 with the SEC, as amended and as updated by subsequent Quarterly Reports on Form 10-Q and Current Reports on Form 8-K, all of which are incorporated by reference into this Joint Proxy Statement/Circular.

Court Approval

Interim Order

An arrangement of a company under the OBCA requires approval by the Court. On [•], 2024, Greenbrook obtained the interim order providing for the calling and holding of the Greenbrook Meeting and other procedural matters (the “**Interim Order**”). A copy of the Interim Order is attached as Appendix “D” to this Joint Proxy Statement/Circular.

Final Order

Subject to the terms of the Arrangement Agreement, following the approval of the Greenbrook Arrangement Resolution by Greenbrook Shareholders at the Greenbrook Meeting in the manner required by the Interim Order and the approval of the Neuronetics Proposals at the Neuronetics Meeting, Greenbrook will make an application to the Court to obtain the Final Order. The hearing in respect of the Final Order is scheduled to take place virtually before the Court located at 330 University Avenue, Toronto, Ontario on [•], 2024 at [•] [a.m./p.m.] (Eastern time), or as soon after such time as counsel may be heard (the “**Final Order Date**”). A copy of the Notice of Application for the Final Order is attached as Appendix “E” to this Joint Proxy Statement/Circular.

TABLE OF CONTENTS

Any Greenbrook Shareholder and other person entitled to receive Consideration Shares pursuant to the Arrangement wishing to appear in person or to be represented by counsel at the hearing of the motion for the Final Order may do so but must comply with certain procedural requirements described in the Interim Order, including filing a notice of appearance with the Court and serving the same upon Greenbrook and Neuronetics via their respective counsel as soon as reasonably practicable, in any event, no less than two days before the Final Order Date.

Prior to the hearing, Greenbrook will advise the Court that the Final Order will serve as a basis for an exemption pursuant to section 3(a)(10) of the U.S. Securities Act from the registration requirements otherwise imposed by the U.S. Securities Act, as well as similar exemptions under applicable U.S. state securities laws, regarding the distribution of the Consideration Shares to be issued by Neuronetics to Greenbrook Shareholders pursuant to the Plan of Arrangement. See “—*U.S. Securities Law Matters*”.

The Court has broad discretion under the OBCA when making orders with respect to arrangements. When hearing the application for the Final Order on the Final Order Date, the Court will consider, among other things, the fairness of the Arrangement to Greenbrook Shareholders. The Court may approve the Arrangement in any manner that it may direct and determine appropriate.

Once the Final Order is granted and the other conditions contained in the Arrangement Agreement are satisfied or waived to the extent legally permissible, the Articles of Arrangement will be filed with the Director under the OBCA for issuance of the Certificate of Arrangement giving effect to the Arrangement.

Letter of Transmittal

A letter of transmittal has been mailed, together with this Joint Proxy Statement/Circular, to each person who was a Registered Greenbrook Shareholder on the Greenbrook Record Date. Each Registered Greenbrook Shareholder must forward a properly completed and signed letter of transmittal, with accompanying Greenbrook share certificate(s) and all other required documents, as applicable as set out in the letter of transmittal, in order to receive the Consideration to which such Greenbrook Shareholder is entitled under the Arrangement. It is recommended that Greenbrook Shareholders complete, sign and return the letter of transmittal with accompanying Greenbrook share certificate(s) to the Depository as soon as possible. See “—*Exchange Procedure*”.

Each Registered Greenbrook Shareholder acknowledges that the risk of loss of Greenbrook Shares when depositing the share certificate(s) will pass only upon proper receipt thereof by the Depository. Accordingly, any use of the mail to transmit a share certificate representing Greenbrook Shares and a related letter of transmittal is at the risk of the Greenbrook Shareholder. If these documents are mailed, it is recommended that first-class or registered insured mail is used with return receipt requested.

Whether or not Greenbrook Shareholders forward the share certificate(s) representing their Greenbrook Shares, upon completion of the Arrangement on the Effective Date, Greenbrook Shareholders will cease to be Greenbrook Shareholders as of the Effective Date and will only be entitled to receive that number of Neuronetics Shares to which they are entitled under the Arrangement or, in the case of Greenbrook Shareholders who properly exercise Dissent Rights, the right to receive fair value for their Greenbrook Shares in accordance with the dissent procedures and the Interim Order. See “—*Dissent Rights of Greenbrook Shareholders*”.

The instructions for exchanging share certificates(s) representing Greenbrook Shares and depositing such share certificate(s) with the Depository are set out in the letter of transmittal and should be reviewed carefully. The letter of transmittal also provides instructions in respect of lost certificates. See “—*Exchange Procedure*”.

Any letter of transmittal, once deposited with the Depository, will be irrevocable and may not be withdrawn by a Greenbrook Shareholder except that all letters of transmittal will be automatically revoked if the Depository is notified in writing by Greenbrook and Neuronetics that the Arrangement Agreement has been terminated, or if the Arrangement is not completed. If a letter of transmittal is automatically revoked, the share certificate(s) for the Greenbrook Shares received with the letter of transmittal will be promptly returned to the Greenbrook Shareholder submitting the same at the address specified in the letter of transmittal.

Exchange Procedure

Following receipt of the Final Order and prior to the Effective Time, Neuronetics will cause a treasury direction to be delivered to its transfer agent (with a copy to the Depository) irrevocably directing and causing such

TABLE OF CONTENTS

transfer agent to issue and deposit in escrow with the Depositary prior to the Effective Time, such number of Neuronetics Shares as is required to satisfy the issuance of the number of Consideration Shares payable to the Greenbrook Shareholders as provided for in the Plan of Arrangement.

Upon return to the Depositary of a properly completed letter of transmittal by a former Registered Greenbrook Shareholder, together with any certificate or direct registration statement (“**DRS Advice**”) that, immediately before the Effective Time, represented outstanding Greenbrook Shares that were transferred pursuant to the Plan of Arrangement, together with any additional documents and instruments as the Depositary may reasonably require, the holder of such surrendered certificate or DRS Advice will be entitled to receive in exchange therefor, and the Depositary will deliver to such holder, (i) certificates or DRS Advice representing Neuronetics Shares that such holder is entitled to receive under the Plan of Arrangement and (ii) the cash amount, if any, that such holder is entitled to receive with respect to any fractional shares in accordance with the Plan of Arrangement (as further described below).

After the Effective Time and until surrendered for cancellation as contemplated by the Plan of Arrangement, each certificate or DRS Advice, if any, that immediately prior to the Effective Time represented one or more Greenbrook Shares will be deemed at all times to represent only the right to receive in exchange therefor (i) Neuronetics Shares that the holder of such certificate is entitled to receive in accordance with the Arrangement and (ii) the cash amount, if any, that such holder is entitled to receive with respect to any fractional shares in accordance with the Plan of Arrangement (as further described below).

No Fractional Shares

In no event will any Greenbrook Shareholder be entitled to a fractional Neuronetics Share. Where the aggregate number of Neuronetics Shares to be issued to a Greenbrook Shareholder as consideration under the Arrangement would result in a fraction of a Neuronetics Share being issuable, the number of Neuronetics Shares to be received by such Greenbrook Shareholder will be rounded down to the nearest whole Neuronetics Share.

In lieu of any such fractional Neuronetics Share, each Greenbrook Shareholder otherwise entitled to a fractional interest in a Neuronetics Share will be entitled to receive a cash payment equal to an amount representing such Greenbrook Shareholder’s proportionate interest in the net proceeds from the sale by the Depositary on behalf of all such Greenbrook Shareholders of the Neuronetics Excess Shares (as defined below).

As promptly as practicable following the Effective Time, the Depositary will determine the excess of (i) the number of Neuronetics Shares issued and delivered to the Depositary pursuant to the Plan of Arrangement representing the Consideration Shares over (ii) the aggregate number of whole Consideration Shares to be issued to Greenbrook Shareholders pursuant to the Plan of Arrangement (such excess, the “**Neuronetics Excess Shares**”). Following the Effective Time, the Depositary will, on behalf of the former Greenbrook Shareholders, sell the Neuronetics Excess Shares at the then prevailing prices on Nasdaq. The sale of the Neuronetics Excess Shares by the Depositary will be executed on Nasdaq through one or more member firms of Nasdaq and will be executed in round lots to the extent applicable. The Depositary will use its commercially reasonable efforts to complete the sale of the Neuronetics Excess Shares as promptly following the Effective Time as is practicable, consistent with obtaining the best execution of such sales in light of prevailing market conditions. Until the net proceeds of such sale or sales have been distributed to former Greenbrook Shareholders, the Depositary will hold such proceeds in trust for such former Greenbrook Shareholders (the “**Neuronetics Share Trust**”). The amount of all commissions, transfer taxes and other out-of-pocket transaction costs, including expenses and compensation of the Depositary incurred in connection with such sale of Neuronetics Excess Shares will be paid by Neuronetics. The Depositary will determine the portion of the Neuronetics Share Trust to which each former Greenbrook Shareholder is entitled, if any, by multiplying the amount of the aggregate net proceeds composing the Neuronetics Share Trust by a fraction, the numerator of which is the amount of the fractional share interest to which such former Greenbrook Shareholder is entitled (after taking into account all Greenbrook Shares held as of immediately prior to the Effective Time by such former Greenbrook Shareholder) and the denominator of which is the aggregate amount of fractional Neuronetics Shares to which all former Greenbrook Shareholders are entitled.

As soon as practicable after the determination of the amount of cash, if any, to be paid to former Greenbrook Shareholders with respect to any fractional Neuronetics Shares, the Depositary will make available such amounts to such former Greenbrook Shareholders.

TABLE OF CONTENTS

Loss of Certificates

In the event any certificate that immediately prior to the Effective Time represented one or more outstanding Greenbrook Shares that were transferred pursuant to the Plan of Arrangement will have been lost, stolen or destroyed, upon the making of an affidavit of that fact by the person claiming such certificate to be lost, stolen or destroyed, the Depository will issue in exchange for such lost, stolen or destroyed certificate, the Consideration deliverable in accordance with such holder's duly completed and executed letter of transmittal. When authorizing such payment in exchange for any lost, stolen or destroyed certificate, the person to whom such cash is to be delivered will as a condition precedent to the delivery of such Consideration, give a bond satisfactory to Neuronetics and the Depository (acting reasonably) in such sum as Neuronetics may direct, or otherwise indemnify Neuronetics and Greenbrook in a manner satisfactory to Neuronetics and Greenbrook, acting reasonably, against any claim that may be made against Neuronetics and Greenbrook with respect to the certificate alleged to have been lost, stolen or destroyed.

Extinction of Rights

Any certificate or book-entry statements that immediately prior to the Effective Time represented outstanding Greenbrook Shares that were exchanged pursuant to the Plan of Arrangement and is not deposited with all other instruments required by the Plan of Arrangement on or before the sixth anniversary of the Effective Date will cease to represent a claim or interest of any kind or nature as a Neuronetics Stockholder or a former Greenbrook Shareholder. On such date, the Neuronetics Shares to which the former registered holder of such certificate was ultimately entitled, will be deemed to have been surrendered to Neuronetics together with all entitlements to dividends, distributions and interest thereon held for such former registered holder. None of Neuronetics, Greenbrook or the Depository will be liable to any person in respect of any Neuronetics Shares (or dividends, distributions and interest in respect thereof) delivered to any public official pursuant to any applicable abandoned property, escheat or similar law.

Withholding Rights

Neuronetics, Greenbrook, any of their respective affiliates and the Depository, as applicable, will be entitled to deduct and withhold, or direct any other person to deduct and withhold on their behalf, from any amounts otherwise payable, issuable or otherwise deliverable to any Greenbrook Securityholders and any other person under the Plan of Arrangement or the Arrangement Agreement such amounts as are required or reasonably believed to be required to be deducted and withheld from such amounts under any provision of the Tax Act, the Code or any provision of any other law. To the extent any such amounts are so deducted and withheld, such amounts shall be treated for all purposes under the Plan of Arrangement and the Arrangement Agreement as having been paid to the person in respect of which such deduction and withholding was made; provided that such deducted and withheld amounts are actually remitted to the appropriate governmental entity. To the extent that the amount so required to be deducted or withheld from any amounts payable, issuable or otherwise deliverable to a person under the Plan of Arrangement or the Arrangement Agreement exceeds the amount of cash otherwise payable to such person, Neuronetics, Greenbrook, any of their affiliates and the Depository are hereby authorized to sell or otherwise dispose, or direct any other person to sell or otherwise dispose, of such portion of the non-cash consideration or non-cash amounts payable, issuable or otherwise deliverable under the Arrangement Agreement to such person as is necessary to provide sufficient funds to Neuronetics, Greenbrook, any of their affiliates and the Depository, as the case may be, to enable it to comply with such deduction or withholding requirement and Neuronetics, Greenbrook, any of their affiliates and the Depository, as applicable, shall notify the relevant person of such sale or other disposition and remit to such person any unapplied balance of the net proceeds of such sale or other disposition (after deduction for (x) the amounts required to satisfy the required withholding under the Plan of Arrangement and the Arrangement Agreement in respect of such person, (y) reasonable commissions payable to the broker and (z) other reasonable costs and expenses).

Distributions with respect to Unsurrendered Share Certificates

No dividend or other distribution declared or made after the Effective Time with respect to Neuronetics Shares with a record date after the Effective Time shall be delivered to the holder of any unsurrendered certificate that immediately prior to the Effective Time represented outstanding Greenbrook Shares unless and until the holder of such certificate shall have complied with the provisions of section 5.1 or section 5.2 of the Plan of Arrangement. Subject to applicable law and section 5.3 of the Plan of Arrangement, at the time of such compliance, there shall,

TABLE OF CONTENTS

in addition to the delivery of Consideration to which such holder is thereby entitled, be delivered to such holder, without interest, the amount of the dividend or other distribution with a record date after the Effective Time theretofore paid with respect to such Neuronetics Shares.

Regulatory Matters

In the United States, Neuronetics and Greenbrook must comply with applicable federal and state securities laws and the rules and regulations of Nasdaq in connection with the issuance of Neuronetics Shares to Greenbrook Shareholders in connection with the transactions contemplated by the Arrangement Agreement and the filing of this Joint Proxy Statement/Circular with the SEC. The parties do not require any regulatory approval from antitrust authorities to consummate the transactions contemplated by the Arrangement Agreement.

Canadian Securities Law Matters

Application of MI 61-101

Greenbrook is a reporting issuer in all of the provinces and territories of Canada, and, accordingly, is subject to applicable securities laws in all such provinces and territories, including MI 61-101.

MI 61-101 is intended to regulate certain transactions to ensure fair treatment of securityholders in transactions which raise the potential for conflicts of interest, generally requiring enhanced disclosure, approval by a majority of securityholders excluding interested or related parties, independent valuations and, in certain instances, approval and oversight of the transaction by a special committee of independent directors. The protections of MI 61-101 apply to a reporting issuer proposing to carry out, among other transactions, a “business combination” (as defined in MI 61-101).

A transaction is a “business combination” for purposes of MI 61-101 if, among other things, a “related party” of an issuer (as defined in MI 61-101), whether alone or with joint actors, would, directly or indirectly, as a consequence of such transaction: (i) acquire the issuer or the business of the issuer, or combine with the issuer (through an amalgamation, arrangement or otherwise), (ii) is a party to any “connected transaction” (as defined in MI 61-101) to the transaction, or (iii) is entitled to receive (A) consideration per equity security that is not identical in amount and form to the entitlement of the general body of holders in Canada of securities of the same class or (B) a “collateral benefit” (as defined in MI 61-101).

As of the Greenbrook Record Date, Madryn and its affiliates beneficially owned directly or exercised control or direction over, in the aggregate, 6,363,636 Greenbrook Shares, which represented approximately [•]% of the issued and outstanding Greenbrook Shares on an undiluted basis. As a result, Madryn is a “related party” of Greenbrook for purposes of MI 61-101.

Two transactions are “connected transactions” for purposes of MI 61-101 if such transactions (a) have at least one party in common, directly or indirectly (other than transactions related solely to services as an employee, director or consultant), and (b) (i) are negotiated or completed at approximately the same time, or (ii) the completion of at least one of the transactions is conditional on the completion of each of the other transactions. The Arrangement and the Madryn Debt Conversion, as contemplated under the Arrangement Agreement and the TL Conversion Agreement, have at least one party in common (being Greenbrook) and were negotiated at approximately the same time. In addition, given that the conditions to the Madryn Debt Conversion under the TL Conversion Agreement include several of the conditions precedent to the Arrangement under the Arrangement Agreement (being that each of the Greenbrook Shareholder Approval, the Neuronetics Stockholder Approval and the Final Order has been obtained), the completion of the Madryn Debt Conversion may be viewed as being conditional on the completion of the Arrangement. As a result, the Arrangement and the Madryn Debt Conversion are “connected transactions” for purposes of MI 61-101.

The Arrangement is a “business combination” for the purposes of MI 61-101 because, among other things, Madryn is a “related party” of Greenbrook and Madryn is a party to a “connected transaction” to the Arrangement (being the Madryn Debt Conversion).

Collateral Benefit

A “collateral benefit”, as defined under MI 61-101, includes any benefit that a “related party” of the company, which includes the directors and “senior officers” (as defined under MI 61-101) of the company, is entitled to receive as a consequence of the Arrangement, including, without limitation, an increase in salary, a lump sum

TABLE OF CONTENTS

payment, a payment for surrendering securities, or other enhancement in benefits related to past or future services as an employee, director or consultant of the company. MI 61-101 excludes from the meaning of “collateral benefit” certain benefits to a “related party” received solely in connection with the related party’s services as an employee, director or consultant of an issuer where, among other things, (a) the benefit is not conferred for the purpose, in whole or in part, of increasing the value of the consideration paid to the related party for securities relinquished under the transaction, (b) the conferring of the benefit is not, by its terms, conditional on the related party supporting the transaction in any manner, (c) full particulars of the benefit are disclosed in the disclosure document for the transaction, and (d) (i) at the time the transaction was agreed to, the related party and its associated entities beneficially own or exercise control or direction over less than 1% of the outstanding common shares of the issuer, or (ii) an independent committee, acting in good faith, determines that the value of the collateral benefit, net of any offsetting costs to the related party, is less than 5% of the value of the consideration the related party expects to receive under the terms of the transaction.

In accordance with the terms of the Arrangement Agreement and the Arrangement, each Greenbrook Option and each Greenbrook DSU immediately outstanding prior to the Effective Time (whether vested or unvested) shall be surrendered for cancellation and transferred to Greenbrook, as the case may be, in exchange for (i) in the case of the Greenbrook Options, the issuance by Greenbrook of that number of Greenbrook Shares, if any, equal to (A) the number of Greenbrook Shares subject to such Greenbrook Option immediately prior to the Effective Time minus (B) the number of Greenbrook Shares that, when multiplied by the closing price of a Greenbrook Share on the OTCQB Market on the trading day immediately preceding the Effective Date, is equal to the aggregate exercise price of such Greenbrook Option; or (ii) in the case of the Greenbrook DSUs, (A) if the Effective Date Market Price is less than or equal to the Minimum Price, a cash payment from Greenbrook equal to the Effective Date Market Price, and (B) if the Effective Date Market Price is greater than the Minimum Price, at the election of Neuronetics, either a cash payment equal to the Effective Date Market Price or such number of Neuronetics Shares equal to the Effective Date Market Price divided by the closing price of a Neuronetics Share on Nasdaq on the trading day immediately preceding the Effective Date, less any applicable withholdings. The acceleration of Greenbrook Options and the treatment of Greenbrook DSUs may be considered a “collateral benefit” to each director or senior officer of Greenbrook that are holders thereof. See “—*Interests of Greenbrook’s Directors and Management in the Arrangement*”. Notwithstanding the foregoing, such benefits, other than with respect to Bill Leonard as described below, fall within the exception to the definition of “collateral benefit” under MI 61-101 as they satisfy the conditions set out above, including the fact that each of the directors and senior officers of Greenbrook that hold Greenbrook Options and Greenbrook DSUs, other than Bill Leonard, owns less than 1% of the outstanding securities of Greenbrook.

Mr. Leonard may be deemed to be receiving a “collateral benefit” under the Arrangement and the foregoing exception may not apply, given that (a) Mr. Leonard beneficially owns more than 1% of the outstanding Greenbrook Shares, as calculated in accordance with MI 61-101, and (b) the aggregate benefit that he is entitled to receive for the accelerated vesting of Greenbrook Options may exceed 5% of the value of the consideration that Mr. Leonard will receive under the Arrangement for the Greenbrook Shares that he beneficially owns.

In addition, Madryn may be deemed to be receiving a “collateral benefit” under the Arrangement as a result of Madryn’s entitlement to certain investor rights, including registration rights, in respect of the Neuronetics Shares that it is entitled to receive upon closing of the Arrangement pursuant to the registration rights agreement, dated as of August 11, 2024, by and among Neuronetics and the Madryn Parties (the “**Registration Rights Agreement**”). See “—*Minority Approval*”.

Accordingly, as the Arrangement is a “business combination” for purposes of MI 61-101, each of Madryn and Mr. Leonard would be considered an “interested party” for purposes of MI 61-101 and the votes attached to (i) the 6,363,636 Greenbrook Shares held or controlled by Madryn and its affiliates and (ii) the 832,500 Greenbrook Shares held or controlled by Bill Leonard will be excluded in determining whether Minority Approval (as defined below) of the Arrangement has been obtained.

Formal Valuation

MI 61-101 provides that, unless an exemption is available, a reporting issuer proposing to carry out a business combination is required to obtain a formal valuation of the “affected securities” (as defined in MI 61-101) from a qualified independent valuator and to provide the holders of such affected securities with a summary of such valuation. For the purposes of the Arrangement, the Greenbrook Shares are considered “affected securities” within the meaning of MI 61-101.

TABLE OF CONTENTS

However, MI 61-101 provides certain exemptions from the requirement for a formal valuation requirement, including if no securities of the issuer are listed or quoted on Specified Markets. As no securities of Greenbrook are listed or quoted on the Specified Markets, Greenbrook is entitled to rely on this exemption and the formal valuation requirement for a “business combination” under MI 61-101 does not apply in respect of the Arrangement. See “—*Fairness Opinion of A.G.P./Alliance Global Partners*”.

Minority Approval

MI 61-101 requires that, in addition to any other required security holder approval, a “business combination” must be subject to “minority approval” (as defined in MI 61-101) of every class of “affected securities” (as defined in MI 61-101) of the issuer, in each case voting separately as a class (“**Minority Approval**”).

Consequently, the approval of the Greenbrook Arrangement Resolution will require the affirmative vote of a simple majority of the votes cast by all the holders of Greenbrook Shares present or represented by proxy and entitled to vote at the Greenbrook Meeting, other than: (i) an “interested party” (as defined in MI 61-101); (ii) any “related party” (as defined in MI 61-101) of an “interested party”, unless the “related party” meets that description solely in its capacity as a director or senior officer of one or more persons that are neither an “interested party” nor “issuer insiders” of Greenbrook; and (iii) any person that is a “joint actor” (as defined in MI 61-101) with any of the foregoing, voting separately as a class.

To the knowledge of Greenbrook, (i) Madryn and Mr. Leonard are the only holders of Greenbrook Shares that qualify as an “interested party” or a “related party” of an “interested party”; and (ii) there are no holders of Greenbrook Shares that qualify as a “joint actor” of an “interested party” or a “joint actor” of a “related party” of an “interested party”. Accordingly, any Greenbrook Shares held, directly or indirectly, by Madryn and Mr. Leonard (which, collectively, beneficially own or exercise control or direction over an aggregate of 7,196,136 Greenbrook Shares, representing in the aggregate approximately [•]% of the outstanding Greenbrook Shares) will be excluded from the vote on Minority Approval. For clarity, given the analysis set out above under “—*Collateral Benefit*”, none of the Greenbrook Shares held by the directors or senior officers of Greenbrook (other than the 832,500 Greenbrook Shares held by Bill Leonard, the President and Chief Executive Officer of Greenbrook and a member of the Greenbrook Board) will be excluded in determining whether Minority Approval of the Arrangement has been obtained.

Prior Valuations

MI 61-101 requires that every “prior valuation” (as defined in MI 61-101) in respect of Greenbrook that has been made in the 24 months prior to the date of this Joint Proxy Statement/Circular, the existence of which is known, after reasonable inquiry, to Greenbrook or any of its directors or senior officers, be disclosed in this Joint Proxy Statement/Circular. To the knowledge of Greenbrook or any of its directors or senior officers, after reasonable inquiry, there has been no “prior valuation” of Greenbrook or of its securities, including the Greenbrook Shares, or material assets in the 24 months preceding the date of this Joint Proxy Statement/Circular.

Prior Offers

MI 61-101 requires that every “prior offer” (as defined in MI 61-101) in respect of Greenbrook, that has been made in the 24 months prior to the date of this Joint Proxy Statement/Circular that relates to the subject matter of or is otherwise relevant to the Arrangement, be disclosed in this Joint Proxy Statement/Circular. Greenbrook has not received any *bona fide* prior offer related to the subject matter of the Arrangement or that is otherwise relevant to the Arrangement.

Reporting Issuer Status

Greenbrook is currently a reporting issuer in each of the provinces and territories of Canada. If the Arrangement is completed, Neuronetics intends to cause Greenbrook to submit an application to cease to be a reporting issuer under the securities legislation of each of the provinces and territories of Canada.

Neuronetics is currently not a reporting issuer in any province or territory of Canada. If the Arrangement is completed, Neuronetics will, as a result of the Arrangement, become a reporting issuer in each of the provinces and territories of Canada upon the completion of the Arrangement. Neuronetics may be exempted from certain Canadian statutory financial and certain other continuous and timely reporting requirements.

Qualification—Resale of Neuronetics Shares

The issue of Neuronetics Shares pursuant to the Arrangement will constitute distributions of securities which are exempt from the prospectus requirements of the Canadian securities laws and, subject to certain disclosure and regulatory requirements and to customary restrictions applicable to distributions of shares that constitute “control distributions” may be resold in each province and territory in Canada, subject in certain circumstances, to the usual conditions that no unusual effort has been made to prepare the market or create demand. Recipients of Neuronetics Shares in the Arrangement are urged to obtain legal advice to ensure that their resale of such securities complies with applicable Canadian securities laws.

U.S. Securities Law Matters

The following discussion is a general overview of certain requirements of U.S. federal and state securities laws applicable to Greenbrook Shareholders. All holders of such securities are urged to obtain legal advice to ensure that their resale of such securities complies with applicable U.S. securities laws. Also see “*Notice to Greenbrook Shareholders in the United States*”.

Greenbrook Shareholders who resell Neuronetics Shares must also comply with Canadian securities laws, as outlined above.

Status Under U.S. Federal Securities Laws

The Neuronetics Shares are registered under Section 12(b) of the U.S. Exchange Act and trade on Nasdaq, and Neuronetics is subject to periodic reporting obligations under the U.S. Exchange Act. Neuronetics is not a “foreign private issuer” as defined in Rule 3b-4 under the U.S. Exchange Act, pursuant to Section 13(a) of the U.S. Exchange Act.

Exemption Relied Upon from the Registration Requirements of the U.S. Securities Act

The Neuronetics Shares to be issued pursuant to the Arrangement have not been and will not be registered under the U.S. Securities Act and will be issued in reliance on the exemption afforded by section 3(a)(10) of the U.S. Securities Act.

Section 3(a)(10) of the U.S. Securities Act exempts from registration the offer and sale of a security which is issued in specified exchange transactions where, among other things, the fairness of the terms and conditions of such exchange are approved by a court of an authorized government entity after a hearing on the fairness of such terms and conditions, at which all persons to whom it is proposed to issue securities in such exchange have the right to appear, by a court or governmental authority expressly authorized by law to grant such approval and to hold such a hearing. Accordingly, the Final Order, if granted by the Court, constitutes a basis for the exemption from the registration requirements of the U.S. Securities Act with respect to the Neuronetics Shares issued in connection with the Arrangement.

The Arrangement will be carried out with the intention that all Consideration Shares issued under the Arrangement will be issued by Neuronetics in reliance on the exemption from the registration requirements of the U.S. Securities Act provided by Section 3(a)(10) thereunder. Each party will act in good faith and use commercially reasonable efforts to accomplish such intended treatment of the Arrangement. In order to ensure the availability of the exemption under Section 3(a)(10) of the U.S. Securities Act and to facilitate Neuronetics’ compliance with other United States federal and state securities laws, the Arrangement will be carried out on the following basis:

- (a) the Court will be asked to approve and conclude affirmatively the procedural and substantive fairness of the terms and conditions of the Arrangement;
- (b) pursuant to the terms of the Arrangement Agreement, prior to the issuance of the Interim Order, the Court will be advised as to the intention of the parties to rely on the exemption from the registration requirements of the U.S. Securities Act provided by Section 3(a)(10) thereunder with respect to the issuance of Consideration Shares pursuant to the Arrangement, based on the Court’s approval of the Arrangement;
- (c) prior to the issuance of the Interim Order, Greenbrook will file with the Court a draft copy of the proposed text of this Joint Proxy Statement/Circular together with any other documents required by applicable law in connection with the Greenbrook Meeting;

TABLE OF CONTENTS

- (d) the Court will be advised prior to the hearing that its approval of the Arrangement will be relied upon as a determination that the Court has satisfied itself as to the procedural and substantive fairness of the terms and conditions of the Arrangement to all persons who are entitled to receive Consideration Shares pursuant to the Arrangement;
- (e) each person entitled to receive Consideration Shares pursuant to the Arrangement will be given adequate and appropriate notice advising them of their right to attend the hearings of the Court to approve the procedural and substantive fairness of the terms and conditions of the Arrangement and providing them with sufficient information necessary for them to exercise that right;
- (f) all persons entitled to receive Consideration Shares pursuant to the Arrangement will be advised that the issuance of the Consideration Shares issued pursuant to the Arrangement have not been registered under the U.S. Securities Act and will be issued by Neuronetics in reliance on the exemption from registration provided by Section 3(a)(10) of the U.S. Securities Act;
- (g) the Interim Order will specify that each person entitled to receive Consideration Shares pursuant to the Arrangement will have the right to appear before the Court at the hearing of the Court to give approval of the Arrangement so long as they enter a response to petition within a reasonable time;
- (h) the Final Order will expressly include:
 - (i) a recital substantially to the following effect:
 - (A) “It is the intention of the parties to rely on Section 3(a)(10) of the U.S. Securities Act, and that the declaration of the fairness of, and the approval of, the Arrangement contemplated in the Plan of Arrangement, a copy of which is attached to the final order, by the Court will serve as the basis for an exemption from the registration requirements of the U.S. Securities Act pursuant to section 3(a)(10) thereof, for the issuance and distribution of the shares of Neuronetics in connection with the Arrangement”; and
 - (ii) a statement substantially to the following effect:
 - (A) “The Arrangement as provided for in the Plan of Arrangement, including the terms and conditions thereof and the issuances and exchanges of securities contemplated therein, is procedurally and substantively fair and reasonable to the Greenbrook Shareholders and those affected by the Arrangement”;
- (i) the Court will hold a hearing before approving the procedural and substantive fairness of the terms and conditions of the Arrangement and issuing the Final Order; and
- (j) the issuance of any Consideration Shares to a person in any state, territory or possession of the United States will comply with any issuer broker-dealer registration requirements applicable in that state, territory or possession, unless an exemption from such issuer broker-dealer registration requirement is available.

Resale of Neuronetics Shares Within the United States

The Neuronetics Shares to be issued under the Arrangement will not be subject to resale restrictions under the U.S. Securities Act, except that the U.S. Securities Act imposes restrictions on the resale of Neuronetics Shares received pursuant to the Arrangement by persons who are at the time of a resale, or who were within three months before the resale, “affiliates” of Neuronetics. An “affiliate” of an issuer is a person that, directly or indirectly, through one or more intermediaries, controls, or is controlled by, or is under common control with, the issuer. Typically, persons who are executive officers, directors or 10% or greater shareholders of an issuer may be considered to be its “affiliates”.

Any holder of Neuronetics Shares who is an affiliate of Neuronetics at the time of a proposed resale, or has been an affiliate within three months before a proposed resale, is urged to consult with its own legal advisor to ensure that any proposed resale of Neuronetics Shares issued to them under the Arrangement complies with applicable U.S. Securities Act requirements.

Stock Exchange Listing

The Greenbrook Shares are currently quoted on the OTCQB Market under the symbol “GBNHF”. If the Arrangement is completed, Neuronetics intends to have the Greenbrook Shares delisted from the OTCQB Market and deregistered under the U.S. Exchange Act.

Treatment of Outstanding Greenbrook Equity Awards

At the Effective Time, (i) each Greenbrook Option (whether vested or unvested) outstanding immediately prior to the Effective Time, will be deemed to be surrendered for cancellation and transferred to Greenbrook in consideration for the issuance by Greenbrook of that number Net Option Surrender Shares, if any, equal to, rounded down to the nearest whole share: (a) the number of Greenbrook Shares subject to such Greenbrook Option immediately prior to the Effective Time minus (b) the number of Greenbrook Shares that, when multiplied by the closing price of a Greenbrook Share on the OTCQB Market on the trading day immediately preceding the Effective Date, is equal to the aggregate exercise price of such Greenbrook Option (and in the event that such number of Greenbrook Shares is negative, it shall be deemed to be zero), and the holder of the Greenbrook Option will be deemed to be the holder of such number of Net Option Surrender Shares, but the holder of such Greenbrook Option will not be entitled to a certificate or other document representing the Net Option Surrender Shares so issued; (ii) each Greenbrook PSU and Greenbrook RSU that is outstanding immediately prior to the Effective Time (whether vested or unvested), will be immediately cancelled for no consideration and the holder thereof shall no longer have any rights thereto; and (iii) each Greenbrook DSU that is outstanding immediately prior to the Effective Time (whether vested or unvested), will be deemed to be unconditionally fully vested, and thereafter such Greenbrook DSU will, without any further action by or on behalf of the holder of such Greenbrook DSU, be deemed to be assigned and transferred by such holder to Greenbrook and will immediately be cancelled in exchange for: (y) if the Effective Date Market Price is less than or equal to the Minimum Price, a cash payment equal to the Effective Date Market Price; and (z) if the Effective Date Market Price is greater than the Minimum Price, at the election of Neuronetics, either (A) a cash payment equal to the Effective Date Market Price, or (B) such number of Neuronetics Shares equal to the Effective Date Market Price divided by the closing price of a Neuronetics Share on Nasdaq on the trading day immediately preceding the Effective Date, less any applicable withholdings pursuant to the Plan of Arrangement.

Dissent Rights of Greenbrook Shareholders

Registered Greenbrook Shareholders have the right to dissent in respect of the Greenbrook Arrangement Resolution in the manner provided in section 185 of the OBCA, as modified by the Interim Order, the Final Order and the Plan of Arrangement (“**Dissent Rights**”). The following summary is qualified in its entirety by the provisions of section 185 of the OBCA, the Interim Order, the Final Order and the Plan of Arrangement. **It is a condition to completion of the Arrangement in favor of Neuronetics that Dissent Rights shall not have been exercised in respect of more than 10% of the issued and outstanding Greenbrook Shares.**

Any Greenbrook Dissenting Shareholder may be entitled, in the event the Arrangement becomes effective, to be paid by Neuronetics the fair value, less any applicable withholdings, of the Greenbrook Shares held by such Greenbrook Dissenting Shareholder, which fair value, notwithstanding anything to the contrary contained in Part XIV of the OBCA, shall be determined as of the close of business on the day before the Greenbrook Arrangement Resolution is adopted. A Greenbrook Dissenting Shareholder will not be entitled to any other payment or consideration, including any payment that would be payable under the Arrangement had such holders not exercised their Dissent Rights in respect of such Greenbrook Shares. Greenbrook Shareholders are cautioned that fair value could be determined to be less than the value of the Consideration Shares exchangeable for Greenbrook Shares pursuant to the terms of the Arrangement.

Section 185 of the OBCA provides that a Greenbrook Dissenting Shareholder may only make a claim under that section with respect to all of the Greenbrook Shares held by the Greenbrook Dissenting Shareholder on behalf of any one beneficial owner and registered in the Greenbrook Dissenting Shareholder’s name. **One consequence of this provision is that a Registered Greenbrook Shareholder may exercise Dissent Rights only in respect of Greenbrook Shares that are registered in that Registered Greenbrook Shareholder’s name.** In addition, any judicial determination of fair value will result in delay of receipt by a Greenbrook Dissenting Shareholder of consideration for such Greenbrook Dissenting Shareholder’s Dissent Shares.

In many cases, Greenbrook Shares beneficially owned by a Beneficial Greenbrook Shareholder are registered either: (i) in the name of an intermediary; or (ii) in the name of a clearing agency (such as the Canadian

TABLE OF CONTENTS

Depository for Securities (“CDS”) and the Depository Trust Company (“DTC”) of which the intermediary is a participant. Accordingly, a Beneficial Greenbrook Shareholder will not be entitled to exercise its Dissent Rights directly (unless the Greenbrook Shares are re-registered in the Beneficial Greenbrook Shareholder’s name). A Beneficial Greenbrook Shareholder who wishes to exercise Dissent Rights should immediately contact the intermediary with whom the Beneficial Greenbrook Shareholder deals in respect of its Greenbrook Shares and either: (a) instruct the intermediary to exercise Dissent Rights on the Beneficial Greenbrook Shareholder’s behalf (which, if the Greenbrook Shares are registered in the name of CDS, DTC or other clearing agency, may require that such Greenbrook Shares first be re-registered in the name of the intermediary), or (b) instruct the intermediary to re-register such Greenbrook Shares in the name of the Beneficial Greenbrook Shareholder, in which case the Beneficial Greenbrook Shareholder would be able to exercise Dissent Rights directly.

A Registered Greenbrook Shareholder who wishes to dissent must provide a written notice of dissent (“Dissent Notice”) to Greenbrook at 890 Yonge Street, 7th Floor, Toronto, Ontario, Canada, M4W 3P4, Attention: Peter Willett, by e-mail at pwillett@greenbrooktms.com with a copy to Torys LLP, 79 Wellington Street West, 30th Floor, Box 270, TD South Tower, Toronto, Ontario, Canada M5K 1N2, Attention: Robbie Leibel, by e-mail at rleibel@torys.com by no later than [•] [a.m./p.m.] (Eastern time) on [•], 2024 (or by [•] on the second business day immediately preceding the date that any adjourned or postponed Greenbrook Meeting is reconvened). Failure to properly exercise Dissent Rights may result in the loss or unavailability of the right to dissent.

The filing of a Dissent Notice does not deprive a Registered Greenbrook Shareholder of the right to vote at the Greenbrook Meeting. No Registered Greenbrook Shareholder who has voted in favor of the Greenbrook Arrangement Resolution shall be entitled to exercise Dissent Rights with respect to its Greenbrook Shares. **A vote against the Greenbrook Arrangement Resolution, an abstention from voting, or a proxy submitted instructing a proxyholder to vote against the Greenbrook Arrangement Resolution does not constitute a Dissent Notice, but a Registered Greenbrook Shareholder need not vote its Greenbrook Shares against the Greenbrook Arrangement Resolution in order to dissent.** Similarly, the revocation of a proxy conferring authority on the proxyholder to vote for the Greenbrook Arrangement Resolution does not constitute a Dissent Notice; however, any proxy granted by a Registered Greenbrook Shareholder who intends to dissent, other than a proxy that instructs the proxyholder to vote against the Greenbrook Arrangement Resolution, should be validly revoked in order to prevent the proxyholder from voting such Greenbrook Shares for the Greenbrook Arrangement Resolution and thereby causing the Registered Greenbrook Shareholder to forfeit his or her Dissent Rights.

Within ten days after Greenbrook Shareholders adopt the Greenbrook Arrangement Resolution, Greenbrook is required to notify each Greenbrook Dissenting Shareholder, with a copy to Torys LLP, 79 Wellington Street West, 30th Floor, Box 270, TD South Tower, Toronto, Ontario, Canada M5K 1N2, Attention: Robbie Leibel, by e-mail at rleibel@torys.com, that the Greenbrook Arrangement Resolution has been adopted. Such notice is not required to be sent to any Greenbrook Shareholder who voted FOR the Greenbrook Arrangement Resolution or who has withdrawn its Dissent Notice.

A Greenbrook Dissenting Shareholder who has not withdrawn its Dissent Notice prior to the Greenbrook Meeting must then, within 20 days after receipt of notice that the Greenbrook Arrangement Resolution has been adopted, or if a Greenbrook Dissenting Shareholder does not receive such notice, within 20 days after learning that the Greenbrook Arrangement Resolution has been adopted, send to Greenbrook at 890 Yonge Street, 7th Floor, Toronto, Ontario, Canada, M4W 3P4, Attention: Peter Willett, by e-mail at pwillett@greenbrooktms.com with a copy to Torys LLP, 79 Wellington Street West, 30th Floor, Box 270, TD South Tower, Toronto, Ontario, Canada M5K 1N2, Attention: Robbie Leibel, by e-mail at rleibel@torys.com a written notice containing his or her name and address, the number of Dissent Shares, and a demand for payment of the fair value of such Greenbrook Shares (the “**Demand for Payment**”). Within 30 days after sending a Demand for Payment, a Greenbrook Dissenting Shareholder must send to Greenbrook at 890 Yonge Street, 7th Floor, Toronto, Ontario, Canada, M4W 3P4, certificates representing the Dissent Shares. Greenbrook will or will cause its transfer agent to endorse on the applicable certificate received from a Greenbrook Dissenting Shareholder a notice that the holder is a Greenbrook Dissenting Shareholder and will forthwith return such certificates to a Greenbrook Dissenting Shareholder.

TABLE OF CONTENTS

Failure to strictly comply with the requirements set forth in section 185 of the OBCA, as modified by the Interim Order, the Final Order and the Plan of Arrangement, may result in the loss of any right to dissent. The execution or exercise of a proxy does not constitute a written objection for the purposes of subsection 185(6) of the OBCA.

After sending a Demand for Payment, a Greenbrook Dissenting Shareholder ceases to have any rights as a Greenbrook Shareholder in respect of its Dissent Shares other than the right to be paid the fair value of the Dissent Shares held by such Greenbrook Dissenting Shareholder, except where: (i) a Greenbrook Dissenting Shareholder withdraws its Dissent Notice before Greenbrook makes an offer to pay (an “**Offer to Pay**”), or (ii) Greenbrook fails to make an Offer to Pay and a Greenbrook Dissenting Shareholder withdraws the Demand for Payment, in which case a Greenbrook Dissenting Shareholder’s rights as a Greenbrook Shareholder will be reinstated as of the date of the Demand for Payment.

Pursuant to the Plan of Arrangement, in no case shall Neuronetics or Greenbrook or any other person be required to recognize any Greenbrook Dissenting Shareholder as holder of Greenbrook Shares in respect of which Dissent Rights have been validly exercised after the completion of the transfer under section 3.1(g) of the Plan of Arrangement, and the names of such Greenbrook Dissenting Shareholders shall be removed from the registers of holders of Greenbrook Shares at the same time as the event described in section 3.1(g) of the Plan of Arrangement occurs.

In addition to any other restrictions under section 185 of the OBCA, none of the following shall be entitled to exercise Dissent Rights: (i) Greenbrook Shareholders who vote or have instructed a proxyholder to vote such Greenbrook Shares for the Greenbrook Arrangement Resolution or who have not voted their Greenbrook Shares on the Greenbrook Arrangement Resolution; (ii) holders of Greenbrook Options, Greenbrook PSUs, Greenbrook RSUs, Greenbrook DSUs, and Greenbrook Warrants; and (iii) any person who is not a Registered Greenbrook Shareholder as of the Greenbrook Record Date.

Pursuant to the Plan of Arrangement, Greenbrook Dissenting Shareholders who are ultimately determined not to be entitled, for any reason, to be paid fair value for their Dissent Shares, shall be deemed to have participated in the Arrangement on the same basis as any Greenbrook Shareholder who is not a Greenbrook Dissenting Shareholder.

Greenbrook is required, not later than seven days after the later of the Effective Date or the date on which a Demand for Payment is received from a Greenbrook Dissenting Shareholder, to send to each Greenbrook Dissenting Shareholder who has sent a Demand for Payment, an Offer to Pay for its Dissent Shares in an amount considered by the Greenbrook Board to be the fair value of the Greenbrook Shares, accompanied by a statement showing the manner in which the fair value was determined. Every Offer to Pay for Greenbrook Shares of the same class must be on the same terms. Neuronetics must pay for the Dissent Shares of a Greenbrook Dissenting Shareholder within 10 days after an Offer to Pay has been accepted by a Greenbrook Dissenting Shareholder, but any such offer lapses if Greenbrook does not receive an acceptance within 30 days after the Offer to Pay has been made.

If Greenbrook fails to make an Offer to Pay for Dissent Shares, or if a Greenbrook Dissenting Shareholder fails to accept an Offer to Pay that has been made, Greenbrook may, within 50 days after the Effective Date or within such further period as a court may allow, apply to a court to fix a fair value for the Dissent Shares. If Greenbrook fails to apply to a court, a Greenbrook Dissenting Shareholder may apply to a court for the same purpose within a further period of 20 days or within such further period as a court may allow. A Greenbrook Dissenting Shareholder is not required to give security for costs in such an application.

If Greenbrook or a Greenbrook Dissenting Shareholder makes an application to a court, Greenbrook will be required to notify each affected Greenbrook Dissenting Shareholder of the date, place and consequences of the application and of its right to appear and be heard in person or by counsel. Upon an application to a court, all Greenbrook Dissenting Shareholders who have not accepted an Offer to Pay will be joined as parties and be bound by the decision of the court. Upon any such application to a court, the court may determine whether any person is a Greenbrook Dissenting Shareholder who should be joined as a party, and the court will then fix a fair value for the Dissent Shares of all Greenbrook Dissenting Shareholders. The final order of a court will be rendered against Greenbrook in favor of each Greenbrook Dissenting Shareholder for the amount of the fair value of its Dissent Shares as fixed by the court. The court may, in its discretion, allow a reasonable rate of interest on the amount payable to each Greenbrook Dissenting Shareholder from the Effective Date until the date of payment.

The foregoing is only a summary of the provisions of the OBCA regarding the rights of Greenbrook Dissenting Shareholders (as modified by the Plan of Arrangement, the Interim Order and the Final Order), which are technical and complex. Greenbrook Shareholders are urged to review a complete copy of section 185 of the OBCA attached as Appendix “H” to this Joint Proxy Statement/Circular, and those Greenbrook Shareholders who wish to exercise Dissent Rights are also advised to seek legal advice, as failure to comply strictly with the provisions of the OBCA, as modified by the Plan of Arrangement, the Interim Order and the Final Order, may result in the loss or unavailability of their Dissent Rights.

Depositary

Greenbrook and Neuronetics have retained the services of the Depositary for the receipt of the letters of transmittal and the certificates representing Greenbrook Shares and for the delivery of the Consideration for the Greenbrook Shares under the Arrangement. The Depositary will receive reasonable and customary compensation for its services in connection with the Arrangement, will be reimbursed for certain reasonable out-of-pocket expenses and will be indemnified against certain liabilities, including liabilities under securities laws and expenses in connection therewith.

Pro Forma Economic Ownership of the Combined Company

Upon completion of the transactions contemplated by the Arrangement Agreement, it is estimated that the Neuronetics Stockholders and Greenbrook Shareholders will own approximately 57% and 43%, respectively, on a fully diluted basis, of the outstanding economic interest in the Combined Company. Pursuant to the TL Conversion Agreement, the Madryn Parties have agreed to convert all of the outstanding amounts under the Greenbrook Credit Agreement and all of the Convertible Notes into Greenbrook Shares prior to the Effective Date. As a result, it is currently expected that (i) Madryn and its affiliates will own approximately 95.3% of the Greenbrook Shares immediately prior to closing of the Arrangement and will receive approximately 95.3% of the Consideration Shares being issued to Greenbrook Shareholders at closing of the Arrangement, subject to adjustment for any Interim Period Funding and other customary adjustments; and (ii) Madryn and its affiliates will own approximately 41.0% of the Neuronetics Shares following closing of the Arrangement.

Accounting Treatment

The acquisition of Greenbrook by Neuronetics is expected to be accounted for as a business combination in accordance with Accounting Standards Codification Topic 805-10, *Acquisition of a Business*, because the acquired set of assets and activities include a substantive process. Accordingly, the cost of the net assets is expected to be allocated to the acquired assets and assumed liabilities based upon their relative fair values at the Effective Time. The excess fair value of net assets acquired over the fair value of the stock consideration provided by Neuronetics is expected to be recognized as goodwill in Neuronetics’ balance sheets.

Description of Neuronetics Indebtedness

On July 25, 2024, Neuronetics entered into a Credit Agreement and Guaranty with Perceptive Credit Holdings IV, LP, (“**Perceptive**”), as collateral agent, and other lenders defined in the agreement (the “**Perceptive Facility**”) that replaced Neuronetics’ previous \$60.0 million credit facility with SLR Investment Corp. (formerly known as Solar Capital Ltd.) (“**Solar**”, and such facility, the “**Solar Facility**”).

The Perceptive Facility permits Neuronetics to borrow up to an aggregate amount of \$90.0 million in three tranches of term loans (a “**Tranche 1 Loan**”, a “**Tranche 2 Loan**” and a “**Tranche 3 Loan**”). On July 25, 2024, Neuronetics borrowed an aggregate amount of \$50.0 million, which was the aggregate amount available under the Tranche 1 Loan portion of the Perceptive Facility. Under the Tranche 2 Loan portion of the Perceptive Facility, Neuronetics is permitted to borrow, at its election, up to an aggregate amount of \$15.0 million, (i) upon Neuronetics achieving a specified amount of trailing twelve months net revenue, and (ii) assuming there has been no event of default under the Perceptive Facility prior to such election. The Tranche 2 Loan portion of the Perceptive Facility must be borrowed on or before December 31, 2025. Under the Tranche 3 Loan portion of the Perceptive Facility, Neuronetics may request to borrow, at the consent of the Majority Lenders (as defined in the Perceptive Facility), up to an aggregate amount of \$25.0 million. The Tranche 3 Loan portion of the Perceptive Facility must be borrowed on or before June 30, 2026. All amounts borrowed under the Perceptive Facility are due on July 25, 2029.

TABLE OF CONTENTS

Each of the Tranche 1 Loan, Tranche 2 Loan and Tranche 3 Loan accrues interest from the date of borrowing through the date of repayment at a floating per annum rate of interest equal to the sum of 7.00% plus the greater of (a) 4.50% and (b) One-Month Term SOFR (as defined in the Perceptive Facility). There will be no scheduled repayments of the principal on the Tranche 1 Loan, Tranche 2 Loan and Tranche 3 Loan prior to the maturity date.

If Neuronetics prepays either the Tranche 1 Loan, Tranche 2 Loan or Tranche 3 Loan prior to their scheduled maturity date, Neuronetics will also be required to pay prepayment fees to Perceptive equal to 6% of the principal amount of such term loan then-prepaid if prepaid on or before the first anniversary of the closing date, 5% of the principal amount of such term loan then-prepaid if prepaid after the first anniversary and on or before the second anniversary of the closing date, 4% of the principal amount of such term loan then-prepaid if prepaid after the second anniversary and on or before the third anniversary of the closing date, and 3% of the principal amount of such term loan then-prepaid if prepaid after the third anniversary and on or before the fourth anniversary of the closing date.

The Perceptive Facility restricts Neuronetics from acquisitions, except for Permitted Acquisitions (as defined in the Perceptive Facility), which among other items, requires at least fifteen (15) calendar days' prior written notice of such Permitted Acquisition.

Neuronetics' obligations under the Perceptive Facility are secured by a first priority security interest in substantially all of its assets, including its intellectual property. The Perceptive Facility requires Neuronetics to comply with certain financial covenants as well as customary affirmative and negative covenants.

The Perceptive Facility contains events of default, including, without limitation, events of default upon: (i) failure to make payment pursuant to the terms of the agreement; (ii) violation of covenants; (iii) material adverse changes to Neuronetics' business; (iv) insolvency; (v) material cross-defaults; (vi) significant judgments, orders or decrees for payments by Neuronetics; (vii) incorrectness of representations and warranties; (viii) significant adverse ERISA events; (ix) failure by Neuronetics to be registered with the SEC and be in good standing; and (x) failure by Neuronetics to maintain a valid and perfected lien on the collateral securing the borrowing.

As consideration for the Perceptive Facility, Neuronetics agreed to issue to Perceptive warrants to purchase up to 1,462,500 Neuronetics Shares, with a warrant exercisable into 1,125,000 Neuronetics Shares issued on the closing date of the Perceptive Facility (the "**Initial Warrant**"). The per share exercise price for the Initial Warrant is equal to the lower of (x) the 10-day volume weighted average price of Neuronetics Shares on the business day immediately prior to the closing date of the Perceptive Facility on the business day immediately prior to the closing date and (y) the 10-day volume weighted average price of the Neuronetics Shares ended on August 31, 2024. In addition to the Initial Warrant, an additional warrant will be issued for 337,500 Neuronetics Shares concurrently with the borrowing of the Tranche 2 Loan. The per share exercise price for the additional warrant will be equal to the exercise price of the Initial Warrant. Each warrant will be exercisable, in whole or in part, until the tenth anniversary of the applicable date of issuance.

THE ARRANGEMENT AGREEMENT AND RELATED AGREEMENTS

The following is a summary of the principal terms of the Arrangement Agreement and related agreements. This summary does not purport to be complete and may not contain all of the information about the Arrangement Agreement or related agreements that is important to Greenbrook Shareholders and Neuronetics Stockholders. The rights and obligations of the parties are governed by the express terms and conditions of the Arrangement Agreement and the related agreements and not by this summary or any other information contained in this Joint Proxy Statement/Circular. On August 11, 2024, Greenbrook entered into the Arrangement Agreement with Neuronetics, pursuant to which, subject to the terms and conditions set forth in the Arrangement Agreement, Neuronetics will acquire 100% of the issued and outstanding Greenbrook Shares pursuant to a plan of arrangement under section 182 of the OBCA. Upon completion of the Arrangement, Greenbrook Shareholders (other than in respect of Greenbrook Dissenting Shareholders) will receive 0.01149 of a Neuronetics Share for each Greenbrook Share held at the closing of the Arrangement, subject to adjustment for any Interim Period Funding and other customary adjustments prior to closing of the Arrangement.

The terms of the Arrangement Agreement were the result of arm’s length negotiation between Greenbrook and Neuronetics and their respective advisors.

Consideration and Consideration Shares

Arrangement Consideration

Upon the Effective Time, holders of Greenbrook Shares will be entitled to receive the Consideration pursuant to the Plan of Arrangement. The Exchange Ratio shall be the number, rounded down to the nearest five decimal places, that is equal to the quotient obtained when (a) 25,304,971 is divided by (b) the aggregate number of Greenbrook Shares issued and outstanding immediately prior to the Effective Time (including, for certainty, Greenbrook Shares issued pursuant to the Madryn Debt Conversion and issuance of Net Option Surrender Shares and Net Warrant Surrender Shares pursuant to the Plan of Arrangement), subject to certain adjustments set forth in the Arrangement Agreement.

The representations and warranties of Greenbrook and Neuronetics contained in the Arrangement Agreement will not survive the completion of the Arrangement and will expire and be terminated on the earlier of the Effective Time and the date on which the Arrangement Agreement is terminated in accordance with its terms. Notwithstanding the termination of the Arrangement Agreement, no party will be relieved or released from any liabilities or damages arising out of its willful breach of any provision of the Arrangement Agreement.

"Material Adverse Effect" means, in relation to any party to the Arrangement Agreement, any event, change, occurrence, effect or state of facts that, individually or in the aggregate with other events, changes, occurrences, effects or states of facts is, or would reasonably be expected to be, material and adverse to the business, operations, results of operations, properties, assets, liabilities (contingent or otherwise) or financial condition of a party and its subsidiaries taken as a whole; provided that no event, change, occurrence, effect or state of facts shall be deemed to constitute, nor shall any of the foregoing be taken into account in determining whether there has been a Material Adverse Effect, to the extent that such event, change, occurrence, effect or state of facts results from or arises out of:

- (a) any change or development generally affecting the industry in which a party or its subsidiaries operate;

Neuronetics and Greenbrook acknowledged and agreed that information furnished pursuant to the foregoing paragraph shall be subject to the terms and conditions of the Confidentiality Agreement (as defined in the Arrangement Agreement). Any such investigation by a party and its representatives shall not mitigate, diminish or affect the representations and warranties of the other party contained in the Arrangement Agreement or any document or certificate given pursuant thereto.

Insurance and Indemnification

Prior to the Effective Time, Greenbrook will purchase customary “tail” policies of directors’ and officers’ liability insurance from a reputable and financially sound insurance carrier and containing terms and conditions no less favorable in the aggregate to the protection provided by the policies maintained by Greenbrook and its subsidiaries which are in effect immediately prior to the Effective Date and providing protection in respect of claims arising from facts or events which occurred on or prior to the Effective Time and Greenbrook will and will cause its subsidiaries to, maintain such “tail” policies in effect without any reduction in scope or coverage for six years from the Effective Time; *provided*, that Greenbrook and its subsidiaries will not be required to pay any amounts in respect of such coverage prior to the Effective Time and *provided* further that the cost of such policies shall not exceed 300% of Greenbrook’s current annual aggregate premium for policies currently maintained by Greenbrook or its subsidiaries.

Greenbrook will also, and will also cause its subsidiaries to, honor all rights to indemnification or exculpation now existing in favor of present and former employees, officers and directors of Greenbrook and its subsidiaries under law and under the articles or other constituting documents of Greenbrook and/or its subsidiaries or under any agreement or contract of any indemnified person with Greenbrook or with any of its subsidiaries, and acknowledges that such rights shall survive the completion of the Plan of Arrangement, and, to the extent within the control of Greenbrook, Greenbrook shall ensure that the same will not be amended, repealed or otherwise modified in any manner that would adversely affect any right thereunder of any such indemnified person and shall continue in full force and effect in accordance with their terms for a period of not less than six years from the Effective Date.

Neuronetics Facility Amendment

Neuronetics will use reasonable best efforts to take or cause to be taken all actions and to do, or cause to be done, all things necessary, proper or advisable to enter into an amendment to the Neuronetics Credit Agreement (as defined in the Arrangement Agreement), which amendment shall provide for the consent to the transactions contemplated in the Arrangement Agreement and an increase in borrowings of up to \$75 million (together, the “**Neuronetics Facility Amendment**”) by no later than the Effective Date. If the Neuronetics Facility Amendment becomes unavailable for any reason whatsoever, Neuronetics shall use reasonable best efforts to arrange and obtain alternative debt financing that provides for aggregate borrowings of up to \$75 million by no later than the Effective Date (the “**Neuronetics Alternative Facility**”).

Greenbrook will use reasonable best efforts to provide, and to cause each of its subsidiaries and each of their respective representatives to provide, such cooperation as may be reasonably requested by Neuronetics in

TABLE OF CONTENTS

connection with the Neuronetics Facility Amendment, the Neuronetics Alternative Facility and any other borrowing or an issuance of debt by Neuronetics and/or any liability management transaction (including, without limitation, any exchange offers, consent solicitations or tender offers). Neuronetics will reimburse Greenbrook for all reasonable out-of-pocket costs or expenses incurred by Greenbrook and its subsidiaries in connection with the foregoing cooperation.

Greenbrook Debt Conversion

Greenbrook will use its reasonable best efforts to take actions within its control to facilitate the conversion of the indebtedness owing under the Greenbrook Credit Agreement or otherwise into fully paid and non-assessable Greenbrook Shares in accordance with the TL Conversion Agreement so as to cause such converted Greenbrook Shares held by Madryn and its affiliates to, at the Effective Time, participate in the Arrangement for the Consideration.

The Madryn Debt Conversion shall be on terms and conditions satisfactory to Neuronetics, acting reasonably (it being understood that the definitive agreement in respect of the Madryn Debt Conversion shall be reasonably satisfactory to Neuronetics if it provides that the receipt of converted Greenbrook Shares by Madryn shall be in full satisfaction of the entire indebtedness amount outstanding under the Greenbrook Credit Agreement and Madryn executes a payoff letter in customary form that provides for confirmation of payment in full, release of all liens on assets of Greenbrook and termination of, and full and final release of Greenbrook's obligations and liabilities under, the Greenbrook Credit Agreement).

Greenbrook will use its reasonable best efforts to take actions within its control to facilitate: (i) the conversion of the entire remaining outstanding principal amount, together with any accrued and unpaid interest thereon and any fees owed thereunder of all of the Convertible Notes (other than the Convertible Notes held by Madryn) by each of the holders thereof (other than Madryn) into fully paid and non-assessable Greenbrook Shares in accordance with the applicable definitive agreement in respect of the Convertible Note Conversion (as defined below) so as to cause such converted Greenbrook Shares held by such holders to, at the Effective Time, participate in the Arrangement for the Consideration; and (ii) the conversion of the entire remaining outstanding principal amount, with any accrued and unpaid interest thereon cancelled without any payment, of all of the Convertible Notes held by Madryn into fully paid and non-assessable Greenbrook Shares in accordance with the applicable definitive agreement dated the date of the Arrangement Agreement in respect of the Convertible Note Conversion so as to cause such converted Greenbrook Shares held by Madryn to, at the Effective Time, participate in the Arrangement for the Consideration (together, the "**Convertible Note Conversion**", and together with Madryn Debt Conversion, the "**Greenbrook Debt Conversion**"). The Convertible Note Conversion shall be on terms and conditions satisfactory to Neuronetics, acting reasonably (it being understood that each definitive agreement in respect of the Convertible Note Conversion shall be reasonably satisfactory to Neuronetics if it provides that the receipt of converted Greenbrook Shares by such holder shall be in full satisfaction of the entire indebtedness amount outstanding under the Convertible Notes held by such holder and such holder executes a payoff letter in customary form that provides for confirmation of payment in full and termination of, and full and final release of Greenbrook's obligations and liabilities under, the Convertible Notes).

Within fourteen days following the execution of the Arrangement Agreement, Greenbrook was required to provide Neuronetics and its advisors with all necessary and relevant information, documents, and data reasonably requested by Neuronetics and its advisors to assess the tax considerations and potential tax liabilities associated with the Greenbrook Debt Conversion (the "**Tax Information**"). Greenbrook was required to cooperate fully with Neuronetics and its advisors in providing the Tax Information and shall promptly respond to any further inquiries or requests for clarification from Neuronetics and its advisors. Greenbrook shall also make available, upon reasonable request, any personnel or advisors who have relevant knowledge concerning the Tax Information. Neuronetics agreed that all Tax Information provided by Greenbrook shall be treated as confidential and used solely for the purpose of assessing the tax considerations and potential tax liabilities associated with the Greenbrook Debt Conversion.

subsidiaries as of the Effective Date who continues in employment with Neuronetics or any of its affiliates (including Greenbrook following the Effective Date) following the Effective Date (each, a “**Continuing Employee**”) with: (i) a base salary or an hourly wage rate, as applicable, that is no lower than the base salary or hourly wage rate provided to such Continuing Employee immediately prior to the Effective Date; (ii) cash bonus and/or commission opportunities that are substantially similar in the aggregate to those provided by Greenbrook or its subsidiaries to such Continuing Employee immediately prior to the Effective Date; and (iii) employee benefits (including any paid leave, paid time off, health, welfare and retirement but excluding severance benefits, post-retirement health and welfare, and any equity or equity-based awards, change in control, post-retirement health and welfare or defined benefit pension benefits) that are substantially similar in the aggregate to those provided to: (A) in the case of employees located in the United States, similarly situated employees of Neuronetics; and (B) in the case of employees located in Canada, by Greenbrook or its subsidiaries to such Continuing Employee immediately prior to the Effective Date.

Covenants Regarding Non-Solicitation

Except as expressly otherwise provided in the Arrangement Agreement, each of Greenbrook and Neuronetics will not, and will cause its respective subsidiaries and their respective directors, officers, employees not to, and use its reasonable best efforts to cause its other representatives not to:

- (a) solicit, assist, initiate, knowingly encourage or otherwise facilitate (including by way of furnishing confidential information or entering into any form of agreement, arrangement or understanding other than a confidentiality agreement otherwise permitted by the Arrangement Agreement) any inquiry, proposal or offer that constitutes, or may be reasonably expected to constitute or lead to, an Acquisition Proposal;
- (b) enter into or otherwise engage or participate in any discussions or negotiations with any person (other than the other party) in respect of any inquiry, proposal or offer that constitutes, or may reasonably be expected to constitute or lead to, an Acquisition Proposal;
- (c) accept or enter into, or publicly propose to accept or enter into, any letter of intent, agreement in principle, agreement, arrangement or undertaking relating to any Acquisition Proposal (other than a confidentiality agreement otherwise permitted by the Arrangement Agreement);
- (d) make a Greenbrook Change in Recommendation (as defined below) or a Neuronetics Change in Recommendation (as defined below), as applicable; or
- (e) make any public announcement or take any other action inconsistent with the approval, recommendation or declaration of advisability of the Greenbrook Board or the Neuronetics Board, as applicable, of the transactions contemplated by the Arrangement Agreement.

Pursuant to the terms of the Arrangement Agreement, each of Greenbrook and Neuronetics has agreed to, and to cause its respective subsidiaries and representatives to, immediately cease any existing solicitation, discussions, negotiations or other activities commenced prior to the date of the Arrangement Agreement with any person (other than the other party and its subsidiaries or affiliates) conducted by either party or any of its subsidiaries or representatives with respect to any inquiry, proposal or offer that constitutes or may reasonably be expected to constitute or lead to, a Greenbrook Acquisition Proposal or a Neuronetics Acquisition Proposal, and in connection therewith, each party has agreed to discontinue access to and disclosure of its and its subsidiaries’ confidential information (and not allow access to or disclosure of any such confidential information, or any data room, virtual or otherwise); and will as soon as possible (and in any event within two business days of the date of the Arrangement Agreement), request and use commercially reasonable efforts to exercise all rights it has (or cause its subsidiaries to exercise any rights that they have) to require the return or destruction of all confidential information regarding such party and its subsidiaries previously provided in connection therewith to any person (other than the other party) to the extent such information has not already been returned or destroyed and use commercially reasonable efforts to ensure that such obligations are fulfilled.

Notification of Acquisition Proposals

Each party will as soon as practicable, and in any event, within 24 hours, notify the other party (orally at first and then in writing, in each case within 24 hours) if it receives or otherwise becomes aware of any inquiry, proposal or offer that constitutes or would reasonably be expected to constitute or lead to an Acquisition Proposal

(as defined below), or any request for copies of, access to, or disclosure of, confidential information relating to such party or any of its subsidiaries in relation to a possible Acquisition Proposal, of such Acquisition Proposal, inquiry, proposal, offer or request, including the identity of the person making such Acquisition Proposal, inquiry, proposal, offer or request and the material terms and conditions thereof and copies of all material or substantive documents or correspondence received in respect of, from or on behalf of any such person. Each party will keep the other party promptly and fully informed of the material developments and, to the extent such party is permitted by the Arrangement Agreement to enter into discussions or negotiations, the status of discussions and negotiations with respect to such Acquisition Proposal, inquiry, proposal, offer or request, including any material changes, modifications or other amendments thereto.

Responding to an Acquisition Proposal

Notwithstanding the foregoing, if at any time following the date of the Arrangement Agreement, and prior to obtaining the approval of the Greenbrook Shareholder Approval or the Neuronetics Stockholder Approval, respectively, either party receives a request for material non-public information or to enter into discussions, from a person that proposes to a party an unsolicited bona fide written Acquisition Proposal that did not result from a breach of the non-solicitation provisions of the Arrangement Agreement (and which has not been withdrawn) and the board of directors of the party to whom the written Acquisition Proposal is made, in good faith after consultation with its outside financial and legal advisors, that such Acquisition Proposal constitutes or would reasonably be expected to constitute a Superior Proposal (as defined below), then, and only in such case, may the party (i) enter into, participate in, facilitate and maintain discussions or negotiations with, and otherwise cooperate with or assist, the person making such Acquisition Proposal and (ii) provide the person making such Acquisition Proposal with, or access to, confidential information regarding the party and its subsidiaries, but only to the extent the other party has previously been, or is concurrently, provided with, or access to, the same information, if, and only if:

- (a) prior to providing any such copies, access, or disclosure, such party enters into a confidentiality and standstill agreement with the person or persons making such Acquisition Proposal substantially in the same form as the Confidentiality Agreement (and without limitation such agreement may not include any provision calling for an exclusive right to negotiate with such party and may not restrict it or its subsidiaries from complying with the non-solicitation provisions of the Arrangement Agreement or interfere with its ability to consummate the transactions contemplated by the Arrangement Agreement);
- (b) the person or persons making such Acquisition Proposal was not restricted from making such Acquisition Proposal pursuant to an existing standstill, confidentiality, non-disclosure, business purpose, use or similar restriction or agreement and no waiver of any such provision was granted to the person; and
- (c) the party has been, and continues to be, in compliance with its obligations under the non-solicitation provisions of the Arrangement Agreement.

Right to Match

Notwithstanding any other provision of the Arrangement Agreement, neither Greenbrook nor Neuronetics will make a Greenbrook Change in Recommendation or Neuronetics Change in Recommendation, as applicable, unless all of the following conditions are satisfied:

- (a) the Greenbrook Board or Neuronetics Board, as applicable, has determined that the Acquisition Proposal constitutes a Superior Proposal;
- (b) the Greenbrook Shareholder Approval or the Neuronetics Stockholder Approval, as applicable, has not been obtained;
- (c) Greenbrook or Neuronetics, as applicable, has been, and continues to be, in material compliance with its non-solicitation obligations under the Arrangement Agreement;
- (d) Greenbrook or Neuronetics, as applicable, promptly provides the other party with a notice in writing that there is a Superior Proposal, together with all documentation related to and detailing the Superior Proposal, including a copy of any proposed agreement and all ancillary documentation relating to such Superior Proposal as well as the cash value that the Greenbrook Board or Neuronetics Board, as applicable, has, after consultation with outside financial advisors, determined should be ascribed to any non-cash consideration offered under the Superior Proposal;

TABLE OF CONTENTS

- (e) five business days (the “**Response Period**”) shall have elapsed from the date the applicable party received the notice and documentation referred to in the foregoing paragraph from the other party; and
- (f) if Neuronetics or Greenbrook, as applicable, has proposed to amend the terms of the Arrangement in accordance with its terms, the Greenbrook Board or Neuronetics Board, as applicable, shall have determined, in good faith, after consultation with its outside financial and legal advisors, that the Acquisition Proposal remains a Superior Proposal compared to the proposed amendment to the terms of the Arrangement by Greenbrook or Neuronetics, as and if applicable.

Each of Greenbrook and Neuronetics acknowledged and agreed that, during the Response Period or such longer period as Greenbrook or Neuronetics, as applicable, may approve for such purpose, Greenbrook or Neuronetics, as applicable, shall have the opportunity, but not the obligation, to propose to amend the terms of the Arrangement Agreement, including an increase in, or modification of, the Consideration. The Greenbrook Board or Neuronetics Board, as applicable, will review any such proposal to determine in good faith whether the other party’s proposal to amend the Arrangement Agreement would result in the Acquisition Proposal ceasing to be a Superior Proposal. If the Greenbrook Board or Neuronetics Board, as applicable, determines that the Acquisition Proposal is not a Superior Proposal as compared to the proposed amendments to the terms of the Arrangement Agreement, it will promptly advise the other party and enter into an amended agreement with such party reflecting such proposed amendments. If the Greenbrook Board or Neuronetics Board, as applicable, continues to believe in good faith, after consultation with its outside financial and legal advisors, that such Acquisition Proposal remains a Superior Proposal and therefore rejects the other party’s offer to amend the Arrangement Agreement and the Arrangement, if any, Greenbrook or Neuronetics, as applicable, may, subject to compliance with the other provisions of the Arrangement Agreement, make a Change in Recommendation. Each successive modification of any Acquisition Proposal shall constitute a new Acquisition Proposal for the purposes of the Arrangement Agreement and the other party shall be afforded a new Response Period in respect of each such Acquisition Proposal from the date on which such party received the notice and documentation referred to in paragraph (d) above in respect of such new Superior Proposal from Greenbrook or Neuronetics, as applicable.

The Greenbrook Board or Neuronetics Board, as applicable, will promptly reaffirm the Board Recommendation by press release after: (a) the Greenbrook Board or Neuronetics Board, as applicable, determines any Acquisition Proposal that has been publicly announced or publicly disclosed is not a Superior Proposal; or (b) the Greenbrook Board or Neuronetics Board, as applicable, determines that a proposed amendment to the terms of the Arrangement would result in any Acquisition Proposal which has been publicly announced or made not being a Superior Proposal. Greenbrook or Neuronetics, as applicable, shall provide the other party and its legal counsel with a reasonable opportunity to review and comment on the form and content of any such press release to be issued pursuant to this paragraph and shall give reasonable consideration to such comments.

In circumstances where Greenbrook or Neuronetics, as applicable, provides the other party with notice of a Superior Proposal and all documentation contemplated by paragraph (d) above on a date that is less than seven business days prior to the Greenbrook Meeting or Neuronetics Meeting, as applicable, Greenbrook or Neuronetics, as applicable, may, or if and as requested by the other party, will, either proceed with or postpone the Greenbrook Meeting or Neuronetics Meeting, as applicable, to a date that is not more than seven business days after the scheduled date of such Greenbrook Meeting or Neuronetics Meeting, as directed by the other party, provided, however, that the Greenbrook Meeting or Neuronetics Meeting, as applicable, shall not be adjourned or postponed to a date later than the seventh business day prior to December 10, 2024.

Without limiting the generality of the foregoing, Greenbrook or Neuronetics, as applicable, will advise its subsidiaries and its representatives of the prohibitions set out in the foregoing paragraphs and any violation of the restrictions set forth in the foregoing paragraphs by Greenbrook, Neuronetics, or their subsidiaries or representatives, as applicable, is deemed to be a breach of the foregoing paragraphs by the applicable party.

The Arrangement Agreement provides that each party will provide prompt notice to the other party of the occurrence or failure to occur (in either case, actual, anticipated, contemplated or, to the knowledge of such party, threatened), at any time from the date of the Arrangement Agreement until the Effective Date of any event or state of facts which occurrence or failure would, or would reasonably be likely to:

- (a) cause any of the representations or warranties of either party contained in the Arrangement Agreement to be untrue, misleading or inaccurate in any material respect on the date of the Arrangement Agreement or at the Effective Date; or
- (b) result in the failure to comply with or satisfy any covenant, condition or agreement to be complied with or satisfied by either party prior to or at the Effective Date.

Amendments

Subject to the provisions of the Interim Order, the Plan of Arrangement and applicable laws, the Arrangement Agreement may, at any time and from time to time before or after holding of the Greenbrook Meeting, but not later than the Effective Time, be amended by mutual written agreement of Greenbrook and Neuronetics, without further notice to or authorization on the part of the Greenbrook Shareholders. Any such amendment may, without limitation:

 - (i) the Effective Time has not occurred on or before the Outside Date, except that the right to terminate the Arrangement Agreement shall not be available to any party whose failure to fulfill any of its obligations or breach of any of its representations and warranties under the Arrangement Agreement has been the cause of, or resulted in, the failure of the Effective Time to occur by the Outside Date;
 - (ii) after the date hereof, there shall be enacted or made any applicable law or order that remains in effect and that makes the consummation of the Arrangement illegal or otherwise prohibits or enjoins Greenbrook or Neuronetics from consummating the Arrangement and such law, order or enjoinder has become final and non-appealable;
 - (iii) the Greenbrook Shareholder Approval has not been obtained at the Greenbrook Meeting except that the right to terminate the Arrangement Agreement shall not be available to any party whose failure to fulfill any of its obligations or breach of any of its representations and warranties under the Arrangement Agreement has been the cause of, or resulted in, the failure to receive the Greenbrook Shareholder Approval; or
 - (iv) the Neuronetics Stockholder Approval has not been obtained at the Neuronetics Meeting except that the right to terminate the Arrangement Agreement shall not be available to any party whose failure to fulfill any of its obligations or breach of any of its representations and warranties under the Arrangement Agreement has been the cause of, or resulted in, the failure to receive Neuronetics Stockholder Approval.

Each of the termination rights in clauses (b)(i), (iii) and (iv) above cannot be exercised by a party whose failure to fulfill any of its obligations or breach of any of its representations and warranties under the Arrangement Agreement has been the cause of, or resulted in, the occurrence of the applicable termination event therein.

- (a) by Greenbrook, if:
 - (i) a Neuronetics Change in Recommendation occurs;
 - (ii) Neuronetics breaches its non-solicitation covenants in any material respect;
 - (iii) a Material Adverse Effect in respect of Neuronetics has occurred and is continuing;
 - (iv) a breach of any representation or warranty or failure to perform any covenant or agreement on the part of Neuronetics under the Arrangement Agreement has occurred that would cause the applicable conditions precedent not to be satisfied, and such conditions are incapable of being satisfied by the Outside Date; or
 - (v) prior to the obtaining the Greenbrook Shareholder Approval, the Greenbrook Board has authorized Greenbrook to enter into a written agreement with respect to a Greenbrook Superior Proposal in accordance with the Arrangement Agreement, provided that prior to or concurrent with such termination, Greenbrook pays the Greenbrook Termination Fee.
- (b) by Neuronetics, if:
 - (i) a Greenbrook Change in Recommendation occurs;
 - (ii) Greenbrook breaches its non-solicitation covenants in any material respect;
 - (iii) a Material Adverse Effect in respect of Greenbrook has occurred and is continuing;
 - (iv) a breach of any representation or warranty or failure to perform any covenant or agreement on the

part of Greenbrook under the Arrangement Agreement has occurred that would cause the applicable conditions precedent not to be satisfied, and such conditions are incapable of being satisfied by the Outside Date; or

- (v) prior to the obtaining the Neuronetics Stockholder Approval, the Neuronetics Board has authorized Neuronetics to enter into a written agreement with respect to a Neuronetics Superior Proposal in accordance with the Arrangement Agreement, provided that prior to or concurrent with such termination, Neuronetics pays the Neuronetics Termination Fee.

Termination Fee

Under the Arrangement Agreement, Neuronetics will be entitled to the Greenbrook Termination Fee upon the occurrence of any of the following events (each, a “**Greenbrook Termination Fee Event**”):

- (a) by Neuronetics if a Greenbrook Change in Recommendation occurs or a breach by Greenbrook of its non-solicit obligations under Section 5.8 of the Arrangement Agreement in any material respect;

- (d) by either party if: (i) the Effective Time has not occurred on or before the Outside Date; or (ii) the Greenbrook Shareholder Approval is not obtained at the Greenbrook Meeting; or (iii) by Neuronetics if a breach of any representation or warranty or failure to perform any covenant or agreement on the part of Greenbrook set forth in the Arrangement Agreement shall have occurred that would cause the Greenbrook to not satisfy the closing conditions required of it under the Arrangement Agreement and such conditions are incapable of being satisfied by the Outside Date, but only if, in these termination events, (x) prior to such termination, a bona fide Greenbrook Acquisition Proposal for Greenbrook shall have been made or publicly announced by any person other than Neuronetics (and, if the Greenbrook Meeting is held, is not withdrawn at least five business days prior to the date of the Greenbrook Meeting) and (y) within 12 months following the date of such termination, (A) Greenbrook or one or more of its subsidiaries enters into a definitive agreement in respect of a Greenbrook Acquisition Proposal (whether or not such Greenbrook Acquisition Proposal is the same Greenbrook Acquisition Proposal referred to in paragraph (x) above) and such Greenbrook Acquisition Proposal is later consummated (whether or not within 12 months after such termination) or (B) a Greenbrook Acquisition Proposal shall have been consummated (whether or not such Greenbrook Acquisition Proposal is the same Greenbrook Acquisition Proposal referred to in paragraph (x) above), provided that for purposes of this paragraph the term “Greenbrook Acquisition Proposal” shall have the meaning ascribed to such term below except that a reference to “20 per cent” therein shall be deemed to be a reference to “50 per cent”.

Greenbrook will be entitled to the Neuronetics Termination Fee upon the occurrence of any of the following events (each, a “**Neuronetics Termination Fee Event**”):

- (a) by Greenbrook if a Neuronetics Change in Recommendation occurs or a breach by Neuronetics of its non-solicit obligations under Section 5.9 of the Arrangement Agreement in any material respect;
- (b) by Neuronetics if, prior to obtaining the Neuronetics Stockholder Approval, the Neuronetics Board authorizes Neuronetics to enter into a written agreement with respect to a Neuronetics Superior Proposal;

such conditions are incapable of being satisfied by the Outside Date, but only if, in these termination events, (x) prior to such termination, a bona fide Neuronetics Acquisition Proposal for Neuronetics shall have been made or publicly announced by any person other than Neuronetics (and, if the Neuronetics Meeting is held, is not withdrawn at least five business days prior to the date of the Neuronetics Meeting) and (y) within 12 months following the date of such termination, (A) Neuronetics or one or more of its subsidiaries enters into a definitive agreement in respect of a Neuronetics Acquisition Proposal (whether or not such Neuronetics Acquisition Proposal is the same Neuronetics Acquisition Proposal referred to in paragraph (x) above) and such Neuronetics Acquisition Proposal is later consummated (whether or not within 12 months after such termination) or (B) a Neuronetics Acquisition Proposal shall have been consummated (whether or not such Neuronetics Acquisition Proposal is the same Neuronetics Acquisition Proposal referred to in paragraph (x) above), provided that for purposes of this paragraph the term “Neuronetics Acquisition Proposal” shall have the meaning ascribed to such term below except that a reference to “20 per cent” therein shall be deemed to be a reference to “50 per cent”.

In the description above under “—*Termination*”, the following terms has the following meanings:

“**Greenbrook Termination Fee**” means \$1,900,000.

“**Neuronetics Termination Fee**” means \$1,900,000.

Expenses of the Arrangement

Greenbrook estimates that expenses in the aggregate amount of approximately \$[•] will be incurred by Greenbrook in connection with the Arrangement, including legal, financial advisory, accounting, filing fees and costs, the cost of preparing, printing and mailing this Joint Proxy Statement/Circular and fees in respect of the A.G.P. Fairness Opinion.

Except as otherwise provided in the Arrangement Agreement, all fees, costs and expenses incurred in connection with the Arrangement Agreement and the Plan of Arrangement will be paid by the party incurring such fees, costs or expenses.

Governing Law

The Arrangement Agreement is governed, including as to validity, interpretation and effect, by the laws of the Province of Ontario and the laws of Canada applicable therein. Each of Greenbrook and Neuronetics irrevocably attorned to the exclusive jurisdiction of the courts of the Province of Ontario in respect of all matters arising under and in relation to the Arrangement Agreement and the Arrangement and waived any defence to the maintenance of an action in the courts of the Province of Ontario.

Term Loan Exchange Agreement

On August 11, 2024, concurrently with execution of the Arrangement Agreement, Greenbrook entered into the TL Conversion Agreement with the Madryn Administration and the Madryn Parties, pursuant to which the Lenders agreed to convert an amount of indebtedness owing to the Lenders equal to \$119,236,205.60 (the “**Total Exchanged Term Loan Amount**”) into Greenbrook Shares (the “**Term Loan Shares**”). In addition, pursuant to the TL Conversion Agreement, the Lenders agreed to convert any additional amounts borrowed by Greenbrook under the Greenbrook Credit Agreement from and after July 8, 2024 until the Effective Date (the “**Bridge Loan Amount**”) that has not otherwise been repaid by Greenbrook prior to the Effective Date into Greenbrook Shares (the “**Bridge Loan Shares**”), and together with the Term Loan Shares, the “**Debt Conversion Shares**”). The TL Conversion Agreement includes customary representations and warranties of Greenbrook and the Lenders. The conversion of the Total Exchanged Term Loan Amount and the Bridge Loan Amount by Madryn into Greenbrook Shares is a condition precedent to completion of the Arrangement.

Pursuant to the terms of the TL Conversion Agreement, the number of Term Loan Shares to be issued to Madryn upon conversion of the Total Exchanged Term Loan Amount will be determined by dividing (i) such Lender’s *pro rata* share of the Total Exchanged Term Loan Amount by (ii) a price per share equal to the quotient of (x) the Total Exchanged Term Loan Amount divided by (y) such number of Greenbrook Shares sufficient for Madryn and its affiliates to receive 95.3% of the Consideration Shares (the “**Exchange Share Price**”). The

TABLE OF CONTENTS

number of Bridge Loan Shares to be issued to Madryn upon conversion of the Bridge Loan Amount will be determined by dividing (i) each Lender's *pro rata* share of the Bridge Loan Amount by (ii) the Exchange Share Price (being the same price that was used to calculate the number of Term Loan Shares to be issued to Madryn).

The Lenders agreed that the Debt Conversion Shares issuable in connection with the TL Conversion Agreement will be in full and complete satisfaction of the amounts owing under the Greenbrook Credit Agreement, all obligations of Greenbrook under the Greenbrook Credit Agreement will be terminated (excluding any obligations that are contingent reimbursement obligations or obligations that expressly survive termination), and the Agent will cause the release and termination of all liens, pledges and guarantees granted pursuant to the Greenbrook Credit Agreement.

As of the date of this Joint Proxy Statement/Circular, the Bridge Loan Amount is equal to \$7,654,823. Accordingly, Madryn will be entitled to receive an additional number of Debt Conversion Shares following conversion of the Bridge Loan Amount into Bridge Loan Shares and the Exchange Ratio will be correspondingly adjusted. Consequently, Madryn and its affiliates are expected to be entitled to receive Consideration Shares on closing of the Arrangement in excess of 95.3% of the total number of Consideration Shares issuable in connection with the Arrangement. However, as Greenbrook's funding requirements between the date hereof and the Effective Date of the Arrangement is currently unknown, the number of Consideration Shares to be received by Madryn on closing of the Arrangement cannot be calculated at this time. See "*Risk Factors*".

The foregoing description of the TL Conversion Agreement does not purport to be complete and is qualified in its entirety by the full text of the TL Conversion Agreement, which is included as Exhibit 10.4 to Greenbrook's Quarterly Report on Form 10-Q filed on August 13, 2024 and is incorporated herein by reference.

Convertible Note Agreement

On August 15, 2023, Greenbrook entered into a Convertible Note Agreement, pursuant to which the Convertible Notes were issued to the Note Purchasers. Under the Convertible Note Agreement, Madryn has the option, at any time, to require all of the Note Purchasers to convert the entire amount of indebtedness outstanding under the Convertible Notes into Greenbrook Shares by delivering written notice to Greenbrook (such shares, the "**Convertible Note Shares**"). The maximum number of Convertible Note Shares that can be issued is 200,000,000. The conversion price under the Convertible Note Agreement is (i) the lesser of (a) 85% of the closing price per Greenbrook Share on Nasdaq or any other market as of the applicable closing date for the Convertible Notes and (b) 85% of the 30-day volume weighted average trading price of the Greenbrook Shares immediately prior to the date of the applicable exercise of conversion rights under the Convertible Note Agreement, or (ii) if the Greenbrook Shares are not listed on any of Nasdaq or any other market at the time of conversion of the Convertible Notes, a per share price based on 85% of the fair market value per Greenbrook Share as of such date; provided, however, that the conversion price is at all times subject to the floor price of \$0.0780 per Greenbrook Share (the "**Floor Price**"). As of the date of this Joint Proxy Statement/Circular, the conversion price of the Convertible Notes is equal to the Floor Price.

The conversion of the Convertible Notes into Greenbrook Shares is a condition precedent to completion of the Arrangement. Pursuant to the TL Conversion Agreement, the Madryn Parties agreed to deliver conversion notices in respect of the Convertible Notes prior to the issuance of the Debt Conversion Shares. The issuance of the Convertible Note Shares will be in lieu of any cash payment owing to any Note Purchaser under the Convertible Note Agreement and will be in full and complete satisfaction of the amounts owing pursuant to the Convertible Notes, and all obligations of Greenbrook under the Convertible Note Agreement will be terminated (excluding any obligations that are contingent reimbursement obligations or obligations that expressly survive termination).

The foregoing description of the Convertible Note Agreement does not purport to be complete and is qualified in its entirety by the full text of the Convertible Note Agreement, which is included as Exhibit 10.11 to the Greenbrook 10-K filed on April 26, 2024 and is incorporated herein by reference.

Registration Rights Agreement

Simultaneously with the execution of the Arrangement Agreement, Neuronetics and the Madryn Parties entered into the Registration Rights Agreement, pursuant to which the Madryn Parties are entitled to registration rights in respect of the Consideration Shares that the Madryn Parties will receive upon consummation of the Arrangement. Pursuant to the Registration Right Agreements, one hundred eighty (180) days following the consummation of the Arrangement, the Madryn Parties will have the right to demand registration of their

TABLE OF CONTENTS

Consideration Shares, subject to certain limitations. In addition, the Madryn Parties will have certain “piggyback” rights if Neuronetics or other holders of Neuronetics Shares undertake a registration, subject to customary cutbacks. In addition, the Madryn Parties agreed for a period of two years to vote in favor of certain Neuronetics Board proposals regarding the Plan and agreed to not acquire any additional equity securities or debt securities convertible into equity of Neuronetics.

The foregoing description of the Registration Rights Agreement does not purport to be complete and is qualified in its entirety by the full text of the Form of Registration Rights Agreement, which is included as Exhibit 10.4 to the Current Report on Form 8-K filed on August 13, 2024 by Neuronetics and is incorporated herein by reference.

Holders Resident in Canada

This portion of the summary is generally applicable to a Holder who, at all relevant times, for purposes of the Tax Act and any applicable income tax treaty or convention: (i) is, or is deemed to be, resident in Canada; and (ii) is not exempt from tax under Part I of the Tax Act (a “**Resident Holder**”).

Additional considerations, not discussed herein, may be applicable to a Resident Holder that is a corporation whose investment in a non-resident corporation as part of a transaction or event or series of transactions or events that includes the acquisition of Neuronetics Shares is subject to the foreign affiliate dumping rules in section 212.3 of the Tax Act. Such Resident Holders should consult their tax advisors with respect to the consequences of acquiring Neuronetics Shares.

Certain Resident Holders whose Greenbrook Shares might not otherwise qualify as capital property may, in certain circumstances, be eligible to make an irrevocable election in accordance with subsection 39(4) of the Tax Act to have their Greenbrook Shares (but not Neuronetics Shares), and every other “Canadian security” (as defined in the Tax Act) owned by such Resident Holder in the taxation year in which the election is made and in all subsequent taxation years, be deemed to be capital property. Resident Holders should consult their own tax advisors as to whether they hold or will hold their Greenbrook Shares and Neuronetics Shares as capital property and whether such election can or should be made in respect of their Greenbrook Shares.

Disposition of Greenbrook Shares Pursuant to the Arrangement

A Resident Holder (other than a Resident Dissenter (as defined below)) who exchanges Greenbrook Shares for Neuronetics Shares under the Arrangement will be considered to have disposed of such Greenbrook Shares for proceeds of disposition equal to the aggregate fair market value at the time of disposition of the Consideration Shares received by the Resident Holder for such Greenbrook Shares (and the amount of cash received by the Resident Holder in lieu of any fractions of Consideration Shares that such Resident Holder would have otherwise received). As a result, the Resident Holder will generally realize a capital gain (or a capital loss) to the extent that such proceeds of disposition exceed (or are less than) the aggregate of the Resident Holder’s adjusted cost base of the Greenbrook Shares immediately before the time of disposition and any reasonable costs of disposition. For a description of the tax treatment of capital gains and capital losses see “—*Taxation of Capital Gains and Capital Losses*” below.

The cost to a Resident Holder of Consideration Shares acquired under the Arrangement as consideration for such Resident Holder’s Greenbrook Shares will be equal to the fair market value, at the time of acquisition, of such Consideration Shares so received by such Resident Holder. For the purpose of determining the adjusted cost base of such Consideration Shares to a Resident Holder, the cost of the newly acquired Consideration Shares will be averaged with the adjusted cost base of all Neuronetics Shares owned by the Resident Holder as capital property immediately before that acquisition.

Dissenting Resident Holders

A Resident Holder who validly exercises Dissent Rights and is entitled to be paid fair value for their Greenbrook Shares in accordance with the Arrangement (a “**Resident Dissenter**”) will be deemed to transfer their Greenbrook Shares to Neuronetics in consideration for an amount equal to the fair value of such Greenbrook Shares.

A Resident Dissenter who is entitled to be paid the fair value of their Greenbrook Shares by Neuronetics will be considered to have disposed of such Greenbrook Shares for proceeds of disposition equal to the amount received by the Resident Dissenter (other than any portion thereof that is interest awarded by a court). Such Resident Dissenters will realize a capital gain (or incur a capital loss) to the extent that such proceeds of disposition exceeds (or is less than) the aggregate of the adjusted cost base of the Greenbrook Shares to the Resident Dissenter immediately before their transfer to Neuronetics pursuant to the Arrangement and the Resident Dissenter’s reasonable costs of the disposition. See “—*Taxation of Capital Gains and Capital Losses*” below.

Any interest awarded to a Resident Dissenter by a court will be included in the Resident Dissenter’s income for purposes of the Tax Act.

Taxation of Capital Gains and Capital Losses

Subject to the Capital Gains Proposals (as defined below), a Resident Holder will generally be required to include in computing income for a taxation year one-half of the amount of any capital gain (a “**taxable capital**”

TABLE OF CONTENTS

gain”) realized in that year. A Resident Holder will generally be required to deduct one half of the amount of any capital loss (an “allowable capital loss”) realized in a taxation year from taxable capital gains realized by the Resident Holder in that taxation year (subject to and in accordance with rules contained in the Tax Act). Allowable capital losses in excess of taxable capital gains for a taxation year may be carried back to any of the three preceding taxation years or carried forward to any subsequent taxation year and deducted against net taxable capital gains realized in such years to the extent and under the circumstances specified by the Tax Act.

Proposed Amendments related to the capital gains inclusion rate (the “Capital Gains Proposals”) would increase a Resident Holder’s capital gains inclusion rate for a taxation year ending after June 24, 2024, from one-half to two-thirds, subject to a transitional rule applicable for a Resident Holder’s 2024 taxation year that would reduce the capital gains inclusion rate for that taxation year to, in effect, be one-half for net capital gains realized before June 25, 2024. The Capital Gains Proposals also include provisions that would, generally, offset the increase in the capital gains inclusion rate for up to \$250,000 of net capital gains realized (or deemed to be realized) by Resident Holders that are individuals (including certain trusts) in the year that are not offset by net capital losses carried back or forward from another taxation year. The Capital Gains Proposals also provide that capital losses realized prior to June 25, 2024, which are deductible against capital gains included in income for the 2024 or subsequent taxation years will offset an equivalent capital gain regardless of the inclusion rate which applied at the time such capital losses were realized. Resident Holders should consult their own tax advisors with respect to the Capital Gains Proposals.

A capital loss realized on the disposition of Greenbrook Shares by a Resident Holder that is a corporation may be reduced by the amount of dividends received or deemed to have been received by the corporation on such shares to the extent and under the circumstances specified by the Tax Act. Similar rules may apply where a corporation is a member of a partnership or a beneficiary of a trust that owns Greenbrook Shares directly or indirectly through a partnership or trust. Resident Holders to whom these rules may be relevant should consult their own advisors.

A capital gain realized by a Resident Holder who is an individual (including certain specified trusts) may be relevant for purposes of calculating liability for alternative minimum tax under the Tax Act. Resident Holders should consult their own tax advisors in this regard.

Dividends on Neuronetics Shares

A Resident Holder will be required to include in computing income for a taxation year the amount of dividends, if any, received or deemed to be received in respect of Neuronetics Shares, including amounts withheld for U.S. withholding tax, if any. For a Resident Holder who is an individual (including a trust), such dividends will not be subject to the gross-up and dividend tax credit rules under the Tax Act normally applicable to taxable dividends received by an individual from a corporation resident in Canada for purposes of the Tax Act. A Resident Holder that is a corporation will generally not be entitled to deduct the amount of such dividends in computing its taxable income.

Subject to the detailed rules in the Tax Act, a Resident Holder may be entitled to a foreign tax credit or deduction for any U.S. withholding tax paid with respect to dividends received by the Resident Holder on the Neuronetics Shares. Resident Holders should consult their own tax advisors with respect to the availability of a foreign tax credit or deduction having regard to their own particular circumstances.

Disposition of Neuronetics Shares

A Resident Holder that disposes of, or is deemed to dispose of, a Neuronetics Share in a taxation year will realize a capital gain (or a capital loss) equal to the amount by which the proceeds of disposition of the Neuronetics Share exceeds (or is exceeded by) the aggregate of the Resident Holder’s adjusted cost base of such Neuronetics Share immediately before the disposition and any reasonable costs of disposition. For a description of the tax treatment of capital gains and capital losses see “Taxation of Capital Gains and Capital Losses” above.

Foreign tax, if any, levied on any gain realized on a disposition of the Neuronetics Shares may be eligible for a foreign tax credit or deduction under the Tax Act to the extent and under the circumstances described in the Tax Act. Resident Holders should consult their own tax advisors with respect to the availability of a foreign tax credit or deduction, having regard to their own particular circumstances.

Additional Refundable Tax

A Resident Holder that is throughout the year a “Canadian-controlled private corporation” (as defined in the Tax Act), or at any time in the year a “substantive CCPC” (as defined in the Tax Act), may be liable to pay an additional tax (refundable in certain circumstances) on its “aggregate investment income” (as defined in the Tax Act), including taxable capital gains, dividends on Neuronetics Shares, and interest. Resident Holders are advised to consult their own tax advisors in this regard.

Foreign Property Information Reporting

Generally, a Resident Holder that is a “specified Canadian entity” (as defined in the Tax Act) for a taxation year or a fiscal period and whose total “cost amount” of “specified foreign property” (as such terms are defined in the Tax Act), including Neuronetics Shares, at any time in the year or fiscal period exceeds \$100,000 will be required to file an information return with the CRA for the year or period disclosing prescribed information in respect of such property. Subject to certain exceptions, a Resident Holder will be a specified Canadian entity, as will certain partnerships.

Penalties may apply where a Resident Holder fails to file the required information return in respect of such Resident Holder’s “specified foreign property” (as defined in the Tax Act) on a timely basis in accordance with the Tax Act. The reporting rules in the Tax Act are complex and this summary does not purport to address all circumstances in which reporting may be required by a Resident Holder. Resident Holders should consult their own tax advisors regarding the reporting rules contained in the Tax Act and compliance with these reporting requirements.

Offshore Investment Fund Property Rules

The Tax Act contains rules (the “**OIF Rules**”) which may, in certain circumstances, require a Resident Holder to include in income in each taxation year an amount in respect of the acquisition and holding of Neuronetics Shares, if (a) the value of such Neuronetics Shares may reasonably be considered to be derived, directly or indirectly, primarily from portfolio investments in certain assets described in paragraph 94.1(1)(b) of the Tax Act, particularly (i) shares of the capital stock of one or more corporations, (ii) indebtedness or annuities, (iii) interests in one or more corporations, trusts, partnerships, organizations, funds or entities, (iv) commodities, (v) real estate, (vi) Canadian or foreign resource properties, (vii) currency of a country other than Canada, (viii) rights or options to acquire or dispose of any of the foregoing, or (ix) any combination of the foregoing (collectively, “**Investment Assets**”) and (b) it may reasonably be concluded, having regard to all the circumstances, that one of the main reasons for the Resident Holder acquiring, holding or having the Neuronetics Shares was to derive a benefit from portfolio investments in Investment Assets in such a manner that the taxes, if any, on the income, profits and gains from such Investment Assets for any particular year are significantly less than the tax that would have been applicable under Part I of the Tax Act if the income, profits and gains had been earned directly by the Resident Holder.

The OIF Rules are complex, and their application and consequences depend, in part, on the reasons for a Resident Holder acquiring or holding Neuronetics Shares. Resident Holders are urged to consult their own tax advisors regarding the application and consequences of the OIF Rules, in their own particular circumstances.

Eligibility for Investment

Provided the Neuronetics Shares are listed on a “designated stock exchange” (as defined in the Tax Act, which currently includes Nasdaq) on the date of issuance, the Neuronetics Shares will be qualified investments on such date under the Tax Act for a trust governed by a “registered retirement savings plan”, a “registered retirement income fund”, a “registered education savings plan”, a “registered disability savings plan”, a “tax-free savings account”, a “first home savings account” (each, a “**Registered Plan**”) or a “deferred profit sharing plan” (each as defined in the Tax Act).

Notwithstanding that Neuronetics Shares may be qualified investments for a Registered Plan, a holder, annuitant, or subscriber, as the case may be, of or under a Registered Plan (each, a “**Plan Holder**”), will be subject to a penalty tax on such shares if such shares are a “prohibited investment” (as defined in the Tax Act) for the particular Registered Plan. Neuronetics Shares will generally not be a “prohibited investment” unless the Plan Holder does not deal at arm’s length with Neuronetics for purposes of the Tax Act or has a “significant interest” (as defined in the Tax Act) in Neuronetics. Also, the Neuronetics Shares will not be a prohibited investment if the Neuronetics Shares are “excluded property” (as defined in the Tax Act) for the Registered Plan.

TABLE OF CONTENTS

Plan Holders are advised to consult their own tax advisors with respect to whether Neuronetics Shares are “prohibited investments” in their particular circumstances and the tax consequences of Neuronetics Shares being acquired or held by a Registered Plan.

In the event that the Neuronetics Shares cease to be listed on a designated stock exchange, such Neuronetics Shares may become “non-qualified investments” on such date under the Tax Act for a trust governed by a Registered Plan or a deferred profit sharing plan. A Registered Plan or deferred profit sharing plan or its Plan Holder or beneficiary, as applicable, could be subject to taxes and penalties under the Tax Act if such Registered Plan or deferred profit sharing plan holds non-qualified investments. Resident Holders who intend to hold Neuronetics Shares in a Registered Plan or deferred profit sharing plan are advised to consult their own tax advisors in this regard.

Holders Not Resident in Canada

The following portion of the summary is generally applicable to a Holder who, at all relevant times, for purposes of the Tax Act and any applicable income tax treaty or convention, is neither resident nor deemed to be resident in Canada, and does not and will not use or hold, and is not and will not be deemed to use or hold, Greenbrook Shares or Neuronetics Shares in connection with a business carried on, or deemed to be carried on, in Canada (a “**Non-Resident Holder**”). Special rules, which are not discussed in this summary, may apply to a Non-Resident Holder that is an insurer carrying on an insurance business in Canada and elsewhere or an “authorized foreign bank” (as defined in the Tax Act) and any such Non-Resident Holders should consult their own tax advisors.

Disposition of Shares

A Non-Resident Holder will not be subject to tax under the Tax Act on any capital gain, or be entitled to deduct any capital loss, realized by such Non-Resident Holder on the disposition of Greenbrook Shares pursuant to the Arrangement, or on the future or deemed disposition of Neuronetics Shares, unless the Greenbrook Shares or Neuronetics Shares, as applicable, are, or are deemed to be, “taxable Canadian property” and are not “treaty-protected property” to the Non-Resident Holder for purposes of the Tax Act.

Generally, a Greenbrook Share will not be taxable Canadian property of a Non-Resident Holder at a particular time provided that, at any time during the 60-month period immediately preceding the disposition, no more than 50% of the fair market value of such share was derived (otherwise than through a corporation, partnership or trust the shares or interests in which were not themselves taxable Canadian property at the particular time) from one or any combination of real or immovable property situated in Canada, “Canadian resource property” or “timber resource property” (both as defined in the Tax Act), and options in respect of, or interests in, or for civil law rights in, any such properties (whether or not such property exists).

Generally, a Neuronetics Share will not be taxable Canadian property of a Non-Resident Holder at a particular time provided that the share is listed on a “designated stock exchange” (which currently includes Nasdaq) unless, at any time during the 60-month period immediately preceding the disposition: (a) one or any combination of (i) the Non-Resident Holder, (ii) any one or more other persons with whom the Non-Resident Holder does not deal at arm’s length, or (iii) any partnership in which the Non-Resident Holder or a non-arm’s length person holds a membership interest directly or indirectly through one or more partnerships, owned 25% or more of the issued shares of any class or series in the capital of Neuronetics; and (b) more than 50% of the fair market value of such share was derived from one or any combination of real or immovable property situated in Canada, “Canadian resource property” or “timber resource property” (both as defined in the Tax Act), and options in respect of, or interests in, or for civil law rights in, any such properties (whether or not such property exists). If the Neuronetics Share is not listed on any designated stock exchange, the Neuronetics Share would generally be “taxable Canadian property” of a Non-Resident Holder at any time if, at any particular time during the 60-month period that ends at that time, the condition described in (b) above is met.

Notwithstanding the foregoing, in certain other circumstances a Greenbrook Share or Neuronetics Share, as applicable, could be deemed to be taxable Canadian property to the Non-Resident Holder for purposes of the Tax Act. Non-Resident Holders should consult their own tax advisors in this regard.

Even if the Greenbrook Shares or Neuronetics Shares, as applicable, are taxable Canadian property to a Non-Resident Holder, a taxable capital gain or an allowable capital loss resulting from the disposition of such

TABLE OF CONTENTS

shares will not be taken into account in computing the Non-Resident Holder's taxable income for purposes of the Tax Act if, at the time of the disposition, the Greenbrook Shares or Neuronetics Shares, as applicable, constitute "treaty-protected property" of the Non-Resident Holder for purposes of the Tax Act. Greenbrook Shares or Neuronetics Shares, as applicable, will generally be considered "treaty-protected property" of a Non-Resident Holder for purposes of the Tax Act at the time of the disposition if the gain from such disposition would, because of an applicable income tax treaty between Canada and the country in which the Non-Resident Holder is resident for purposes of such treaty and in respect of which the Non-Resident Holder is entitled to receive benefits thereunder, be exempt from tax under Part I of the Tax Act.

In the event that the Greenbrook Shares or Neuronetics Shares, as applicable, constitute taxable Canadian property and are not treaty-protected property to a particular Non-Resident Holder, the Non-Resident Holder will realize a capital gain (or capital loss) generally in the circumstances and computed in the manner described above under "*— Holders Resident in Canada—Disposition of Greenbrook Shares Pursuant to the Arrangement*", "*— Holders Resident in Canada—Disposition of Neuronetics Shares*" and "*—Holders Resident in Canada—Taxation of Capital Gains and Capital Losses*". A Non-Resident Holder who disposes of taxable Canadian property that is not treaty-protected property may have to file a Canadian income tax return for the year in which the disposition occurs.

Non-Resident Holders whose Greenbrook Shares or Neuronetics Shares, as applicable, are, or may be, taxable Canadian property should consult their own tax advisors for advice having regard to their particular circumstances, including whether such shares constitute treaty-protected property.

Dissenting Non-Resident Holders

A Non-Resident Holder that validly exercises Dissent Rights and is entitled to be paid fair value for their Greenbrook Shares in accordance with the Arrangement (a "**Non-Resident Dissenter**") will be deemed to transfer such Greenbrook Shares to Neuronetics in consideration for an amount equal to the fair value of such Greenbrook Shares.

As discussed above under "*—Holders Not Resident in Canada—Disposition of Shares*", a Non-Resident Dissenter will not be subject to tax under the Tax Act on any capital gain, or be entitled to deduct any capital loss, realized by such Non-Resident Dissenter on the disposition of Greenbrook Shares unless the Greenbrook Shares constitute "taxable Canadian property" (as defined in the Tax Act) and are not "treaty-protected property" (as defined in the Tax Act) of the Non-Resident Dissenter at the time of disposition.

Any interest paid or credited to a Non-Resident Dissenter in respect of the exercise of Dissent Rights will not be subject to Canadian withholding tax, provided that such interest is not "participating debt interest" (as defined in the Tax Act). Non-Resident Holders should consult their own tax advisors in this regard.

Dividends on Neuronetics Shares

Dividends paid on Neuronetics Shares to a Non-Resident Holder will not be subject to Canadian withholding tax or other income tax under the Tax Act.

CERTAIN U.S. FEDERAL INCOME TAX CONSIDERATIONS

The following is a summary of certain of the material United States federal income tax considerations for Greenbrook Shareholders relating to the exchange of Greenbrook Shares for Neuronetics Shares pursuant to the Arrangement and the ownership and disposition of such Neuronetics Shares. Except as provided below, this discussion does not address any tax consequences arising under the Medicare contribution tax on net investment income or the alternative minimum tax, U.S. federal non-income tax laws or the laws of any state or local or non-U.S. jurisdiction. This discussion is based on the Code (and any reference in this Joint Proxy Statement/Circular to any particular Code section shall be interpreted to include any revision of or successor to that section regardless of how numbered or classified), the regulations of the U.S. Treasury Department promulgated thereunder ("**Treasury Regulations**") and judicial authorities and published positions of the IRS, all as currently in effect on the date of this Joint Proxy Statement/Circular. These laws may change or be subject to differing interpretations, possibly retroactively, and any change or differing interpretation could affect the continuing validity of this discussion. We have not sought and do not intend to seek a ruling from the IRS regarding the matters discussed below. This discussion assumes that (i) the Arrangement will be consummated in

TABLE OF CONTENTS

accordance with the Arrangement Agreement, the Plan of Arrangement, and as described in this Joint Proxy Statement/Circular, and (ii) at the Effective Time, Neuronetics will deliver the Consideration Shares to a direct wholly-owned Neuronetics subsidiary, and such subsidiary will then deliver the Consideration Shares to its wholly-owned direct subsidiary, which will acquire the Greenbrook Shares from the Greenbrook Shareholders (which steps Neuronetics intends to carry out and which are intended to cause the Arrangement to be treated as a taxable exchange for U.S. federal income tax purposes). This discussion does not address any U.S. federal income tax consequences to Greenbrook Shareholders who (i) exercise their statutory or judicial rights of appraisal or (ii) either individually or as a group are treated as related to Neuronetics under certain provisions of the Code.

For purposes of this discussion, a “**U.S. Holder**” is a beneficial owner of Greenbrook Shares that is, for U.S. federal income tax purposes:

- an individual who is a citizen or resident of the United States;
- a corporation or other entity treated as a corporation for U.S. federal income tax purposes, created or organized under the laws of the United States, any state thereof or the District of Columbia;
- a trust if it (i) is subject to the primary supervision of a U.S. court and one or more United States persons (as defined in Section 7701(a)(30) of the Code) have the authority to control all substantial decisions of the trust or (ii) has a valid election in effect under applicable Treasury Regulations to be treated as a United States person; or
- an estate that is subject to U.S. federal income tax on its income regardless of its source.

For purposes of this discussion, a “**Non-U.S. Holder**” is a beneficial owner of Greenbrook Shares other than a U.S. Holder or a partnership or other entity or arrangement treated as a partnership for U.S. federal income tax purposes.

If a partnership or other entity or arrangement treated as a partnership for U.S. federal income tax purposes holds Greenbrook Shares, the tax treatment of a person treated as a partner in such partnership for U.S. federal income tax purposes generally will depend upon the status of the partner and the activities of the partnership. Such partnerships and partners in such partnerships should consult their own tax advisors regarding the tax consequences of the Arrangement to them.

This discussion assumes that Greenbrook Shareholders hold their Greenbrook Shares as capital assets within the meaning of Section 1221 of the Code (generally, property held for investment). Further, this discussion does not address all aspects of U.S. federal income taxation that may be relevant to a Greenbrook Shareholder in light of its particular circumstances or that may be applicable if such holder is a member of a special class of holders subject to special rules, including:

- a bank or other financial institution;
- a tax-exempt or governmental organization;
- a partnership or other entity or arrangement treated as a partnership for U.S. federal income tax purposes, or an investor in the foregoing;
- an insurance company;
- a regulated investment company or real estate investment trust;
- a mutual fund;
- a broker or dealer in securities, stocks, commodities or currencies;
- a trader in securities who elects the mark-to-market method of accounting for securities;
- a passive foreign investment company or controlled foreign corporation for U.S. federal income tax purposes;
- a U.S. expatriate, former citizen or long-term resident of the United States;

TABLE OF CONTENTS

- a person who directly, indirectly or constructively owned more than five percent (5%) of the outstanding Greenbrook Shares at any time during the period ending on the date of the Arrangement or who directly, indirectly or constructively has owned or will own following the Arrangement more than five percent (5%) of the outstanding Neuronetics Shares;
- a Greenbrook Shareholder who received or will receive (pursuant to a Greenbrook RSU, a Greenbrook DSU or a comparable arrangement, a Greenbrook Option, or otherwise) Greenbrook Shares as compensation;
- a U.S. Holder that has a functional currency other than the U.S. dollar;
- a person subject to special tax accounting rules under Section 451(b) of the Code;
- a person that holds Greenbrook Shares or Neuronetics Shares as part of a straddle, or a hedging or a conversion transaction; or
- a person liable for the alternative minimum tax or the Medicare contribution tax on net investment income.

The following discussion does not address the tax consequences of any transactions effectuated before, after or at the same time as the Arrangement, whether or not in connection with the Arrangement, including, without limitation, the tax consequences to holders of options, warrants, restricted share units, deferred share units, performance share units, or similar rights to purchase Greenbrook Shares.

Greenbrook Shareholders are urged to consult their own tax advisors regarding the specific tax consequences of the Arrangement to them in light of their particular situations, including the applicability and effect of any U.S. federal, state, local or non-U.S. tax laws.

U.S. Federal Income Tax Classification of Greenbrook

Although Greenbrook is organized as a corporation under the OBCA, Greenbrook takes the position that it is treated as a U.S. domestic corporation for all U.S. federal income tax purposes under Section 7874 of the Code and the Treasury Regulations thereunder. The remainder of this summary assumes that Greenbrook will be treated as a U.S. domestic corporation for U.S. federal income tax purposes.

U.S. Federal Income Tax Considerations for U.S. Holders

Exchange of Greenbrook Shares for Neuronetics Shares Pursuant to the Arrangement

The receipt of Neuronetics Shares by U.S. Holders in exchange for Greenbrook Shares pursuant to the Arrangement should be a taxable transaction for U.S. federal income tax purposes. A U.S. Holder who receives Neuronetics Shares in exchange for Greenbrook Shares pursuant to the Arrangement generally should recognize capital gain or loss equal to the difference, if any, between (i) the fair market value of the Neuronetics Shares received on the Effective Date (treating any fractional shares that are sold by the Depositary on the holder's behalf as described herein as received by the holder) and (ii) the U.S. Holder's adjusted tax basis in its Greenbrook Shares exchanged therefor.

Capital gains of a non-corporate U.S. Holder will generally be eligible for preferential U.S. federal income tax rates that are applicable to long-term capital gains if the U.S. Holder has held its Greenbrook Shares for more than one year as of the effective date of the Arrangement and meets other applicable requirements. Capital gains of a non-corporate U.S. Holder will generally be treated as short-term capital gains (and taxed at ordinary income tax rates) if the U.S. Holder has held its Greenbrook Shares for one year or less as of the date of the Arrangement. The deductibility of capital losses is subject to limitations. If a U.S. Holder acquired different blocks of Greenbrook Shares at different times or different prices, such U.S. Holder must determine its tax basis and holding period separately for each block of Greenbrook Shares.

A U.S. Holder's aggregate adjusted tax basis in the Neuronetics Shares received in the Arrangement should equal the fair market value of those shares on the Effective Date of the Arrangement, and the holder should have a holding period in the Neuronetics Shares received that begins on the day following the Effective Date of the Arrangement.

Ownership and Disposition of Neuronetics Shares

Distributions. A distribution of cash or property to a U.S. Holder with respect to its Neuronetics Shares generally will be treated as a dividend to the extent paid out of Neuronetics' current or accumulated earnings and profits and will be includable in income by the U.S. Holder and taxable as ordinary income when received. If such a distribution exceeds Neuronetics' current and accumulated earnings and profits, the excess will be first treated as a tax-free return of the U.S. Holder's investment, up to the U.S. Holder's tax basis in its Neuronetics Shares, and thereafter as a capital gain. Dividends received by a non-corporate U.S. Holder will be eligible to be taxed at reduced rates if the U.S. Holder meets certain holding period and other applicable requirements. Dividends received by a corporate U.S. Holder will be eligible for the dividends-received deduction if the U.S. Holder meets certain holding period and other applicable requirements.

Sale, Exchange or Other Taxable Disposition of Neuronetics Shares. For U.S. federal income tax purposes, gain or loss a U.S. Holder realizes on the sale, exchange or other taxable disposition of its Neuronetics Shares will be capital gain or loss, and will be long-term capital gain or loss if the U.S. Holder's holding period in the Neuronetics Shares is greater than one year. The amount of the U.S. Holder's gain or loss will be equal to the difference between the amount realized on the disposition and the U.S. Holder's tax basis in the Neuronetics Shares that were sold. Long-term capital gain of a U.S. Holder who is an individual generally is subject to reduced tax rates. The deductibility of capital losses may be subject to limitations.

Information Reporting and Backup Withholding

Payments to a U.S. Holder pursuant to the Arrangement may, under certain circumstances, be subject to information reporting and backup withholding. In addition, distributions with respect to Neuronetics Shares and proceeds from the sale or other taxable disposition of Neuronetics Shares generally will be subject to information reporting to the IRS and possible backup withholding. To avoid backup withholding, a U.S. Holder should timely complete and return an IRS Form W-9, certifying that such U.S. Holder is a "United States person" as defined under the Code, the taxpayer identification number provided is correct, and such U.S. Holder is not subject to backup withholding. Certain types of U.S. Holders (including, with respect to certain types of payments, corporations) generally are not subject to backup withholding. Backup withholding is not an additional tax. Any amounts withheld under the backup withholding rules generally will be allowed as a refund or a credit against a U.S. Holder's U.S. federal income tax liability if the required information is furnished by such holder on a timely basis to the IRS.

U.S. Holders are urged to consult their own tax advisors as to the particular tax consequences of the Arrangement, including the effect of U.S. federal, state and local tax laws or non-U.S. tax laws.

U.S. Federal Income Tax Considerations for Non-U.S. Holders

Exchange of Greenbrook Shares for Neuronetics Shares Pursuant to the Arrangement

Subject to the discussion below on backup withholding, a Non-U.S. Holder generally should not be subject to U.S. federal income tax on any gain realized as a result of the Arrangement unless (a) such gain is effectively connected with the Non-U.S. Holder's conduct of a trade or business within the United States (and, if required by an applicable income tax treaty, the Non-U.S. Holder maintains a permanent establishment in the United States to which such gain is attributable), (b) the Non-U.S. Holder is a non-resident alien individual present in the United States for 183 days or more during the taxable year of the Arrangement and certain other requirements are met, or (c) Greenbrook is or was a "United States real property holding corporation" for U.S. federal income tax purposes (a "USRPHC") at any time during the shorter of the five-year period preceding the Non-U.S. Holder's exchange of Greenbrook Shares pursuant to the Arrangement or its holding period in such Greenbrook Shares.

Gain described in clause (a) above generally will be subject to U.S. federal income tax on a net income basis at the regular rates. A Non-U.S. Holder that is a corporation may also be subject to a branch profits tax at a rate of 30% (or such lower rate specified by an applicable income tax treaty) on such effectively connected gain, as adjusted for certain items.

Gain described in clause (b) above will be subject to U.S. federal income tax at a rate of 30% (or such lower rate specified by an applicable income tax treaty), which may be offset by U.S. source capital losses of the Non-U.S. Holder provided that the Non-U.S. Holder has timely filed U.S. federal income tax returns with respect to such losses.

TABLE OF CONTENTS

With regard to clause (c) above, in general, a corporation is a USRPHC if the fair market value of its United States real property interests equals or exceeds 50% of the sum of the fair market value of its worldwide real property interests plus its other assets used or held for use in a trade or business. Greenbrook believes it currently is not a USRPHC. However, because the determination of whether Greenbrook is a USRPHC is made from time to time and depends on the relative fair market value of its assets, there can be no assurance that Greenbrook currently is not a USRPHC or has not been a USRPHC in the past. If Greenbrook were a USRPHC, the tax relating to disposition of stock in a USRPHC generally would not apply to a Non-U.S. Holder whose holdings, directly, indirectly, and constructively, constituted 5% or less of outstanding Greenbrook Shares at all times during the applicable period, provided that the Greenbrook Shares were “regularly traded on an established securities market” (as provided in applicable Treasury Regulations) at any time during the calendar year in which the disposition occurs. However, no assurance can be provided that the Greenbrook Shares will be so treated for purposes of the rules described above. If a Non-U.S. Holder is subject to U.S. federal income tax pursuant to these rules, any gain realized by the Non-U.S. Holder from its exchange of Greenbrook Shares pursuant to the Arrangement would be taxed on a net income basis at the graduated rates applicable to U.S. persons, and the holder would be required to file a U.S. tax return with respect to such gains.

Ownership and Disposition of Neuronetics Shares

Distributions. A distribution of cash or property to a Non-U.S. Holder with respect to its Neuronetics Shares generally will be treated as a dividend to the extent paid out of Neuronetics’ current or accumulated earnings and profits. If such a distribution exceeds Neuronetics’ current and accumulated earnings and profits, the excess will be first treated as a tax-free return of the Non-U.S. Holder’s investment, up to the Non-U.S. Holder’s tax basis in the Neuronetics Shares, and thereafter as a capital gain subject to the tax treatment described above in “—U.S. Federal Income Tax Considerations for Non-U.S. Holders—Exchange of Greenbrook Shares for Neuronetics Shares Pursuant To The Arrangement”.

Dividends paid to a Non-U.S. Holder generally will be subject to withholding of U.S. federal income tax at a 30% rate, or such lower rate as may be specified by an applicable tax treaty. Even if a Non-U.S. Holder is eligible for a lower treaty rate, a withholding agent generally will be required to withhold at a 30% rate (rather than the lower treaty rate) unless the Non-U.S. Holder has furnished a valid IRS Form W-8BEN or W-8BEN-E (or other applicable documentation) establishing the Non-U.S. Holder’s entitlement to the lower treaty rate or other applicable exemption under the Code with respect to such dividend payments, and the withholding agent does not have actual knowledge or reason to know to the contrary. Non-U.S. Holders are urged to consult their own tax advisers regarding their entitlement to benefits under any applicable income tax treaty.

If dividends paid to a Non-U.S. Holder are effectively connected with the Non-U.S. Holder’s conduct of a trade or business within the United States (and, if required by an applicable income tax treaty, the Non-U.S. Holder maintains a permanent establishment in the United States to which such dividends are attributable), the Non-U.S. Holder will be exempt from the withholding tax described above. To claim the exemption, the Non-U.S. Holder must furnish to the applicable withholding agent a valid IRS Form W-8ECI, certifying that the dividends are effectively connected with the Non-U.S. Holder’s conduct of a trade or business within the United States. Any such effectively connected dividends will be subject to U.S. federal income tax on a net income basis at the regular graduated rates. A Non-U.S. Holder that is a corporation may also be subject to a branch profits tax at a rate of 30% (or such lower rate as is specified by an applicable income tax treaty) on such effectively connected dividends, as adjusted for certain items. Non-U.S. Holders are urged to consult their own tax advisers regarding any applicable income tax treaties that may provide for different rules.

Sale, Exchange or Other Taxable Disposition of Neuronetics Shares. A Non-U.S. Holder that disposes of its Neuronetics Shares in a sale, exchange, or other taxable disposition generally will be subject to tax consequences similar to those described above in “—U.S. Federal Income Tax Considerations for Non-U.S. Holders—Exchange of Greenbrook Shares for Neuronetics Shares Pursuant to the Arrangement”. Non-U.S. Holders generally will be subject to taxation in the United States if the Neuronetics Shares they hold are treated as United States real property interests by virtue of Neuronetics being treated as a USRPHC under the Code. Neuronetics has not determined whether it is a USRPHC; however, even if it is a USRPHC, so long as the Neuronetics Shares continue to be “regularly traded on an established securities market” in the United States, within the meaning of applicable Treasury Regulations, a Non-U.S. Holder will not be subject to U.S. federal income tax on the disposition of Neuronetics Shares if the Non-U.S. Holder has not held more than 5% (actually or constructively) of the total Neuronetics Shares outstanding at any time during the shorter of the five-year period preceding the date of disposition, or such Non-U.S. Holder’s holding period. If a

TABLE OF CONTENTS

Non-U.S. Holder exceeds the limits described in the preceding sentence with respect to Neuronetics Shares and Neuronetics is a USRPHC, the Non-U.S. Holder generally will be subject to U.S. federal income tax at the regular rates applicable to U.S. persons upon its disposition at a gain. In such a case, a Non-U.S. Holder that exceeds such limits generally would also be subject to such tax with respect to any distribution on its Neuronetics Shares to the extent such distribution would not be treated as a dividend as if such Non-U.S. Holder were a U.S. person. If a Non-U.S. Holder is subject to the tax described in the preceding sentences, the Non-U.S. Holder generally will be required to file a U.S. federal income tax return with the IRS.

Information Reporting and Backup Withholding

A Non-U.S. Holder may be subject to information reporting and backup withholding for U.S. federal income tax purposes in connection with the Arrangement. However, backup withholding will not apply in connection with the Arrangement nor to distributions on Neuronetics Shares to a Non-U.S. Holder if the applicable withholding agent does not have actual knowledge or reason to know the holder is a United States person and the Non-U.S. Holder either certifies its non-U.S. status, such as by furnishing a valid IRS Form W-8BEN or W-8BEN-E, or otherwise establishes an exemption. Information returns will be filed annually with the IRS in connection with any dividends paid on Neuronetics Shares to a Non-U.S. Holder. Copies of these information returns may also be made available under the provisions of a specific tax treaty or other agreement to the tax authorities of the country in which the Non-U.S. Holder resides.

The gross proceeds from a sale or other disposition of Neuronetics Shares may be subject, in certain circumstances discussed below, to U.S. backup withholding and information reporting. If a Non-U.S. Holder sells or otherwise disposes of Neuronetics Shares outside the United States through a non-U.S. office of a non-U.S. broker and the sale or disposition proceeds are paid to the Non-U.S. Holder outside the United States, then the U.S. backup withholding and information reporting requirements generally will not apply to that payment. However, U.S. information reporting, but not U.S. backup withholding, will apply to a payment of sale or disposition proceeds, even if that payment is made outside the United States, if a Non-U.S. Holder sells Neuronetics Shares through a non-U.S. office of a broker that is a U.S. person or has certain enumerated connections with the United States, unless the broker has documentary evidence in its files that the Non-U.S. Holder is not a U.S. person and certain other conditions are met or the Non-U.S. Holder otherwise qualifies for an exemption.

If a Non-U.S. Holder receives payment of the proceeds of a sale or other disposition of Neuronetics Shares to or through a U.S. office of a broker, the payment will be subject to both U.S. backup withholding and information reporting unless the Non-U.S. Holder provides to the applicable withholding agent a properly executed IRS Form W-8BEN or W-8BEN-E (or other applicable form) certifying under penalties of perjury that the Non-U.S. Holder is not a U.S. person (and the applicable withholding agent does not have actual knowledge or reason to know that such holder is a U.S. person) or otherwise qualifies for an exemption. Backup withholding is not an additional tax. Any amounts withheld under the backup withholding rules may be credited against the Non-U.S. Holder's U.S. federal income tax liability (which may result in the Non-U.S. Holder being entitled to a refund), provided that the required information is timely furnished to the IRS.

Foreign Account Tax Compliance Withholding

Sections 1471 to 1474 of the Code (such sections commonly referred to as "FATCA") impose withholding of 30% on payments of dividends (including constructive dividends received pursuant to a redemption of stock) to stockholders that fail to meet prescribed information reporting or certification requirements. In general, no such withholding will be required with respect to a U.S. Holder or an individual Non-U.S. Holder that timely provides the certifications required on a valid IRS Form W-9 or applicable IRS Form W-8, respectively. Holders potentially subject to FATCA withholding include "foreign financial institutions" (which is broadly defined for this purpose and in general includes investment vehicles) and "non-financial foreign entities" unless various U.S. information reporting and due diligence requirements (generally relating to ownership by U.S. persons of interest in or accounts with those entities) have been satisfied, or an exemption applies (typically satisfied by the delivery of a properly completed IRS Form W-8BEN-E). If FATCA withholding is imposed, a beneficial owner that is not a foreign financial institution or a non-financial foreign entity generally will be entitled to a refund of any amounts withheld by filing a U.S. federal income tax return (which may entail a significant administrative burden). Foreign financial institutions and non-financial foreign entities located in jurisdictions that have an intergovernmental agreement with the United States governing FATCA may be subject to different rules.

Non-U.S. Holders should consult their tax advisors regarding the effects of FATCA on the exchange of Greenbrook Shares pursuant to the Arrangement and the ownership and disposition of Neuronetics Shares in light of their particular circumstances.

The foregoing summary of U.S. federal income tax consequences is for general informational purposes only and does not constitute tax advice. All Greenbrook Shareholders are urged to consult their own tax advisors with respect to the application of U.S. federal income tax laws to their particular situations as well as any tax consequences arising under the U.S. federal non-income tax rules, or under the laws of any state, local, non-U.S. or other taxing jurisdiction.

INFORMATION CONCERNING GREENBROOK

General

Greenbrook TMS Inc. was incorporated in Ontario, Canada, under the OBCA on February 9, 2018, as a wholly owned subsidiary of Greenbrook's predecessor parent company, TMS NeuroHealth Inc. (now TMS NeuroHealth Centers Inc. ("**TMS US**")), a corporation incorporated in 2011 under the laws of the State of Delaware. On March 29, 2018, Greenbrook and TMS US completed a corporate reorganization pursuant to which all of the holders of common stock of TMS US exchanged their holdings of common stock of TMS US for Greenbrook Shares, resulting in TMS US becoming a wholly owned subsidiary of Greenbrook. The principal, head and registered office of Greenbrook is located at 890 Yonge Street, 7th Floor, Toronto, Ontario, Canada M4W 3P4. Greenbrook's United States corporate headquarters is located at 8401 Greensboro Drive, Suite 425, Tysons Corner, Virginia, United States, 22102.

Currently operating through 118 company-operated treatment centers (the "**Treatment Centers**"), Greenbrook is a leading provider of TMS and Spravato® (esketamine nasal spray), FDA-cleared, non-invasive therapies for the treatment of MDD and other mental health disorders, in the United States. TMS therapy provides local electromagnetic stimulation to specific brain regions known to be directly associated with mood regulation. Spravato® is offered to treat adults with treatment-resistant depression and to treat depressive symptoms in adults with MDD with suicidal thoughts or actions. Greenbrook has provided more than 1.61 million treatments to over 49,000 patients struggling with depression. Greenbrook has identified the following key opportunity drivers for Greenbrook's business:

- the safety and efficacy of TMS as a treatment option for patients suffering from MDD and obsessive-compulsive disorder;
- the growing societal awareness and acceptance of depression as a treatable disease and a corresponding reduction in stigma surrounding depression, seeking treatment and mental health issues generally;
- the growing acceptance, but under-adoption, of TMS;
- the poor alignment of TMS treatment ("**Treatment**") with traditional practices of psychiatry which created an opportunity for a new, differentiated service channel;
- the fragmented competitive landscape for Treatment which provides an opportunity for consolidation; and
- the track record of success by the Greenbrook management team in multi-location, center-based healthcare service companies.

Beginning in 2021, Greenbrook commenced its roll-out of Spravato® (esketamine nasal spray) therapy in Treatment Centers to treat treatment-resistant depression in adults and depressive symptoms in adults with MDD with acute suicidal ideation or behavior. Greenbrook has since grown to offer Spravato® at 91 Treatment Centers within its operating network as of the date of this Joint Proxy Statement/Circular.

In late 2023, Greenbrook commenced the facilitation of medication management at select Treatment Centers across Greenbrook's footprint, building on the long-term business plan of utilizing Treatment Centers as platforms for the delivery of innovative treatments to patients suffering from MDD and other mental health disorders. Greenbrook believes that becoming a more comprehensive mental health care provider will allow it to provide greater access to those suffering from MDD and other mental health disorders.

In addition, Greenbrook has entered into a research collaboration agreement with Compass Pathways plc, a corporation registered in England and Wales, to explore delivery models for investigational COMP360 psilocybin treatment. Greenbrook believes it is on the forefront of innovative treatment delivery using Greenbrook's experience and nationwide presence to offer a platform for scaling new treatments that solve issues with awareness, geographic convenience and fiscal viability so patients can receive and benefit from the latest therapeutics.

After Greenbrook opened its first Treatment Center in 2011 in Tysons Corner in Northern Virginia, it has grown to control and operate a network of outpatient mental health service centers that specialize in Treatment across the United States. Greenbrook offers Treatment Centers in convenient locations to provide easy access to patients and clinicians. As of the date of this Joint Proxy Statement/Circular, Greenbrook owns and operates

TABLE OF CONTENTS

118 Treatment Centers in the Commonwealths of Massachusetts, Pennsylvania and Virginia and the States of Alaska, California, Connecticut, Florida, Illinois, Maryland, Michigan, Missouri, Nevada, North Carolina, Ohio, Oregon, South Carolina and Texas.

Greenbrook's regional model seeks to develop leading positions in key markets and to leverage operational efficiencies by combining smaller local Treatment Centers within a region under a single shared regional management infrastructure. Management regions typically cover a specific metropolitan area that meets a requisite base population threshold. The management region is typically defined by a manageable geographic area which facilitates the use of regional staff working across the various Treatment Center locations within the management region and creates a marketing capture area that allows for efficiencies in advertising costs. Management regions often have similar economic characteristics and are not necessarily defined by state lines, other geographic borders, or differentiating methods of services delivery, but rather are defined by a functional management area.

Greenbrook believes that the following describes the key strengths and investment highlights of Greenbrook and its business:

Greenbrook's established footprint and service delivery model is well-positioned to lead the delivery of new indications which can be rapidly incorporated into Greenbrook's existing Treatment Center network with minimal additional investment required.
- **Potential for delivery of innovative treatment modalities:** The initial successes of Greenbrook's Spravato® program in the financial year ended December 31, 2022 and the financial year ended December 31, 2023 demonstrate Greenbrook's ability to leverage its Treatment Centers as platforms for the delivery of innovative treatments. Greenbrook believes that it is well positioned to replicate similar rollouts of new treatment options in the future, and we are continuously evaluating opportunities to collaborate with developers of new therapeutic solutions that may benefit patients suffering from MDD and other mental health disorders, including investigational COMP360 psilocybin treatment for which Greenbrook has signed a Research Collaboration Agreement.
- **Comprehensive mental health provider:** In the third quarter of 2023, Greenbrook commenced its pilot to roll-out its facilitation of medication management to select Treatment Centers across its footprint, building on its long-term business plan of utilizing its Treatment Centers as platforms for the delivery of innovating treatments to patients suffering from MDD and other mental health disorders. INFORMATION CONCERNING NEURONETICS

Overview

As a global leader in neuroscience, Neuronetics is redefining patient and physician expectations with its NeuroStar Advanced Therapy for Mental Health. NeuroStar is a non-drug, noninvasive treatment that can improve the quality of life for people suffering from neurohealth conditions when traditional medication has not helped. NeuroStar is indicated for the treatment of depressive episodes and for decreasing anxiety symptoms for those who may exhibit comorbid anxiety symptoms in adult patients suffering from MDD and who failed to achieve satisfactory improvement from previous antidepressant medication treatment in the current episode. It is also FDA-cleared as an adjunct for adults with obsessive-compulsive disorder and for adolescent patients aged 15-21 with MDD. Neuronetics is committed to transforming lives by offering an exceptional treatment that produces extraordinary results. For safety and prescribing information, visit www.neurostar.com. NeuroStar Advanced Therapy System is safe, clinically effective, reproducible and precise and Neuronetics believes is supported by the largest clinical data set of any competing TMS system.

Neuronetics designed the NeuroStar Advanced Therapy System as a non-invasive therapeutic alternative to treat patients who suffer from MDD and to address many of the key limitations of existing treatment options. Neuronetics believes its NeuroStar Advanced Therapy System provides Neuronetics' psychiatrist customers and their patients with several benefits, including clinically demonstrated response and remission with durable results, a demonstrated safety profile with limited treatment-emergent side effects and high patient adherence. Additionally, NeuroStar Advanced Therapy System was designed to provide a precise and reproducible office-based therapy that is efficient and convenient. Neuronetics' therapy is delivered without general anesthesia or sedation, enabling the patient to drive and resume normal activities immediately following each treatment session. Neuronetics couples its product's clinical benefits with significant practice development resources, on-site clinical training and reimbursement and service support to help Neuronetics' psychiatrist customers develop a successful NeuroStar Advanced Therapy System practice. Neuronetics also provides cloud-based practice management solutions that enhance convenience for both psychiatrists and patients. Based on Neuronetics' commercial data, Neuronetics believes psychiatrists can recoup their initial capital investment in the Neuronetics' system by providing a standard course of treatment to approximately 12 patients, assuming these patients receive reimbursement from federal healthcare programs or commercial insurance at rates that are similar to what Neuronetics customers have observed for existing and prior patients. Neuronetics believes psychiatrists can generate approximately \$8,500 of average revenue per patient for a standard course of treatment, which may provide meaningful incremental income to their practices. Neuronetics believes that the NeuroStar Advanced Therapy System coupled with these advantages offer significant improvement over competing TMS, which lack the ability to reproduce consistent treatments, significant clinical data from randomized outcome trials, practice development resources, and a cloud-based practice management system.

Neuronetics was originally formed as NeuroNetics, LLC, a limited liability company formed under the jurisdiction of the State of Delaware on July 3, 2001. NeuroNetics, LLC filed a Certificate of Conversion and the original Certificate of Incorporation with the State of Delaware on April 2, 2003. Neuronetics' common stock has been publicly traded on Nasdaq under the symbol "STIM" since June 28, 2018.

Three-Year History

2021

On September 29, 2021, Neuronetics entered into an exclusive, five-year Master Sales Agreement (the "**Check Five Commercial Agreement**") with Check Five LLC d/b/a Success TMS ("**Success TMS**"). In connection with the Check Five Commercial Agreement, Neuronetics agreed to loan Success TMS the principal amount of \$10 million for a period of five years pursuant to a secured promissory note (the "**Success Note**"). The Success Note accrued interest at a floating rate equal to the prime rate plus 6% per annum. The Success Note included an interest-only period through October 1, 2022, after which time Success TMS would be required to make monthly payments of principal and interest, provided that the interest-only period would be extended to October 1, 2023 upon satisfaction of certain conditions. Under the terms of the Success Note, Neuronetics received a first priority security interest in substantially all of the assets of Success TMS. Success TMS also granted Neuronetics an

observer seat on the board of managers of Success TMS. In the Success Note, Success TMS made certain representations and warranties and was required to comply with certain customary affirmative and negative covenants during the term of the Success Note. The Success Note contained events of default, including, without limitation: (i) failure to make payment pursuant to the terms of the Success Note; (ii) violation of covenants; (iii) breach of any representation or warranty; (iv) breach or default under the Check Five Commercial Agreement; (v) material adverse changes to Success TMS' business; (vi) any impairment of Neuronetics' security interest in collateral; (vii) attachment or levy on Success TMS' assets or judicial restraint on its business; (viii) commencement of insolvency proceedings; (ix) material cross-defaults; (x) significant judgments, orders or awards for payment against Success TMS; (xi) a change of control of Success TMS; and (xii) the invalidity or unenforceability of the Success Note or the Check Five Commercial Agreement. The owner of Success TMS, 6214 Riverwalk LLC, provided a limited guarantee and pledge of its equity in Success TMS in connection with the Success Note.

2022

On April 29, 2022, Neuronetics entered into a Subordination Agreement (the "**Subordinated Agreement**") with ZW Partners, LLC, a New Jersey limited liability company ("**ZW Partners**"), pursuant to which Neuronetics agreed to subordinate its rights under the secured promissory note, dated as of September 29, 2021 (the "**ZW Note**"), issued to Neuronetics by Success TMS, to the rights of ZW Partners under a Revolving Promissory Note, dated as of April 29, 2022 (the "**ZW Senior Note**"), issued by Success TMS to ZW Partners in an amount up to \$10 million. As a result, payments in respect of the ZW Note were subordinate and subject in right and time of payment to payment in full of the ZW Senior Note, and ZW Partners' liens and security interests upon the collateral securing both the ZW Senior Note and the ZW Note were superior in priority to Neuronetics' liens and security interests upon such collateral. Under the Subordinated Agreement, Neuronetics had the right to purchase, at par, the entire aggregate amount of debt under the ZW Senior Note at any time.

On July 14, 2022, concurrent with Greenbrook's acquisition of Check Five LLC, the Success Note was repaid in full.

2023

On March 29, 2023, Neuronetics entered into a fourth amendment (the "**Solar Fourth Amendment**") to the Solar Facility.

The Solar Fourth Amendment increased the borrowings by \$2.5 million, extended the interest only period from March 2023 to March 2026 and extended the maturity date from February 2025 to March 2028. In addition the amendment changed the basis of the interest expense from LIBOR to SOFR.

The Solar Facility was \$60.0 million and consisted of three tranches of term loans: a "**Term A Loan**" in an aggregate amount of \$35.0 million, a "Term B Loan" in an aggregate amount of \$2.5 million, and a "**Term C Facility**" in an aggregate principal amount equal to \$22.5 million. The Term A Loan was fully drawn prior to the effectiveness of the Solar Fourth Amendment. On March 29, 2023, Neuronetics borrowed an amount of \$2.5 million under the Term B Loan.

On September 29, 2023, Neuronetics entered into a fifth amendment to a credit facility with Solar (the "**Solar Fifth Amendment**"). The Solar Fifth Amendment allowed Neuronetics to draw on the \$22.5 million Term C Loan portion of the Solar Facility and revise the required testing levels of the net product revenue and minimum liquidity covenants for certain testing periods. On October 3, 2023, Neuronetics borrowed an aggregate amount of \$22.5 million under the Term C Loan portion of the Solar Facility.

On October 3, 2023, Neuronetics borrowed an amount of \$22.5 million under the Term C Facility. The maturity date of the Loans was March 29, 2028. Prior to the effectiveness of the Solar Fourth Amendment, the maturity date of the Term A Loan was February 28, 2025.

Recent Developments

On July 25, 2024, Neuronetics entered into a Credit Agreement and Guaranty with Perceptive, as collateral agent, and other lenders defined in the agreement that replaced Neuronetics' previous \$60.0 million credit facility with Solar. The proceeds of the Perceptive Facility were used to repay the full amount outstanding under the Solar Facility, and the Solar Facility was terminated. For more information on the Perceptive Facility, see "*Description of the Arrangement — Description of Neuronetics Indebtedness*".

[TABLE OF CONTENTS](#)

Delaware Law and Certain Provisions of the Current Neuronetics Charter, Current Neuronetics Bylaws and Statutory Provisions

Neuronetics is a Delaware corporation and is subject to Section 203 of the Delaware Law. In general, Section 203 prevents an “interested stockholder” (defined generally as a person owning 15% or more of a corporation’s outstanding voting stock) from engaging in a “business combination” (as defined by the Delaware Law) with a Delaware corporation for three years following the time such person became an interested stockholder, subject to certain exceptions. For more information see “Comparison of Rights of Greenbrook Shareholders and Neuronetics Stockholders” in Appendix “G” to this Joint Proxy Statement/Circular.

Directors Liability and Indemnification

Current Delaware Law restricts the ability to limit the liability of a director on certain matters. For a description of the restrictions on the ability to limit the liability of a director under current Delaware Law, see “Comparison of Rights of Greenbrook Shareholders and Neuronetics Stockholders” in Appendix “G” to this Joint Proxy Statement/Circular.

Advance Notice Provisions for Neuronetics Stockholder Nominations and Neuronetics Stockholder Proposals

For a description of the restrictions on the shareholder notice procedure, see “Comparison of Rights of Greenbrook Shareholders and Neuronetics Stockholders” in Appendix “G” to this Joint Proxy Statement/Circular.

Certain Effects of Authorized but Unissued Stock

As of [•], 2024, there were 200,000,000 Neuronetics Shares authorized of which [•] have been issued, and 10,000,000 shares of Neuronetics Preferred Stock authorized of which no shares have been issued, for future issuance without additional shareholder approval. These additional shares may be utilized for a variety of corporate purposes, including future offerings to raise additional capital or to facilitate corporate acquisitions, including the Arrangement.

The issuance of Neuronetics Preferred Stock could have the effect of delaying or preventing a change in Neuronetics’ control. The issuance of Neuronetics Preferred Stock could decrease the amount of earnings and assets available for distribution to the Neuronetics Stockholders or could adversely affect the rights and powers, including voting rights, of the Neuronetics Stockholders. In certain circumstances, such issuance could have the effect of decreasing the market price of the Neuronetics Shares.

One of the effects of the existence of unissued and unreserved Neuronetics Shares or Neuronetics Preferred Stock may be to enable the Neuronetics Board to issue shares to persons friendly to current management, which could render more difficult or discourage an attempt to obtain control of Neuronetics by means of a merger, tender offer, proxy contest or otherwise, and thereby protect the continuity of management. Such additional shares also could be used to dilute the stock ownership of persons seeking to obtain control of Neuronetics.

Perceptive Facility

On July 25, 2024, Neuronetics entered into a Credit Agreement and Guaranty with Perceptive, as collateral agent, and other lenders defined in the Perceptive Facility that replaced Neuronetics' previous \$60.0 million credit facility with Solar.

The Perceptive Facility permits Neuronetics to borrow up to an aggregate amount of \$90.0 million in three tranches of term loans. On July 25, 2024, Neuronetics borrowed an aggregate amount of \$50.0 million, which was the aggregate amount available under the Tranche 1 Loan portion of the Perceptive Facility. Under the Tranche 2 Loan portion of the Perceptive Facility, Neuronetics is permitted to borrow, at its election, up to an aggregate amount of \$15.0 million, (i) upon Neuronetics achieving a specified amount of trailing twelve months net revenue, and (ii) assuming there has been no event of default under the Perceptive Facility prior to such election. The Tranche 2 Loan portion of the Perceptive Facility must be borrowed on or before December 31, 2025. Under the Tranche 3 Loan portion of the Perceptive Facility, Neuronetics may request to borrow, at the

TABLE OF CONTENTS

consent of the Majority Lenders (as defined in the Perceptive Facility), up to an aggregate amount of \$25.0 million. The Tranche 3 Loan portion of the Perceptive Facility must be borrowed on or before June 30, 2026. All amounts borrowed under the Perceptive Facility are due on July 25, 2029.

Each of the Tranche 1 Loan, Tranche 2 Loan and Tranche 3 Loan accrues interest from the date of borrowing through the date of repayment at a floating per annum rate of interest equal to the sum of 7.00% plus the greater of (a) 4.50% and (b) One-Month Term SOFR (as defined in the Perceptive Facility). There will be no scheduled repayments of the principal on the Tranche 1 Loan, Tranche 2 Loan and Tranche 3 Loan prior to the maturity date.

If Neuronetics prepays either the Tranche 1 Loan, Tranche 2 Loan or Tranche 3 Loan prior to their scheduled maturity date, Neuronetics will also be required to pay prepayment fees to Perceptive equal to 6% of the principal amount of such term loan then-prepaid if prepaid on or before the first anniversary of the closing date, 5% of the principal amount of such term loan then-prepaid if prepaid after the first anniversary and on or before the second anniversary of the closing date, 4% of the principal amount of such term loan then-prepaid if prepaid after the second anniversary and on or before the third anniversary of the closing date, and 3% of the principal amount of such term loan then-prepaid if prepaid after the third anniversary and on or before the fourth anniversary of the closing date.

The Perceptive Facility restricts Neuronetics from acquisitions, except for Permitted Acquisitions (as defined in the Perceptive Facility), which among other items, requires at least fifteen (15) calendar days' prior written notice of such Permitted Acquisition.

Neuronetics' obligations under the Perceptive Facility are secured by a first priority security interest in substantially all of its assets, including its intellectual property. The Perceptive Facility requires Neuronetics to comply with certain financial covenants as well as customary affirmative and negative covenants.

The Perceptive Facility contains events of default, including, without limitation, events of default upon: (i) failure to make payment pursuant to the terms of the agreement; (ii) violation of covenants; (iii) material adverse changes to Neuronetics' business; (iv) insolvency; (v) material cross-defaults; (vi) significant judgments, orders or decrees for payments by Neuronetics; (vii) incorrectness of representations and warranties; (viii) significant adverse ERISA events; (ix) failure by Neuronetics to be registered with the SEC and be in good standing; and (x) failure by Neuronetics to maintain a valid and perfected lien on the collateral securing the borrowing.

As consideration for the Perceptive Facility, Neuronetics agreed to issue to Perceptive warrants to purchase up to 1,462,500 Neuronetics Shares, with a warrant exercisable into 1,125,000 Neuronetics Shares issued on the closing date of the Perceptive Facility. The per share exercise price for the Initial Warrant is equal to the lower of (x) the 10-day volume weighted average price of Neuronetics Shares on the business day immediately prior to the closing date of the Perceptive Facility on the business day immediately prior to the closing date and (y) the 10-day volume weighted average price of the Neuronetics Shares ended on August 31, 2024. In addition to the Initial Warrant, an additional warrant will be issued for 337,500 Neuronetics Shares concurrently with the borrowing of the Tranche 2 Loan. The per share exercise price for the additional warrant will be equal to the exercise price of the Initial Warrant. Each warrant will be exercisable, in whole or in part, until the tenth anniversary of the applicable date of issuance.

DESCRIPTION OF EQUITY INCENTIVE PLAN

The purpose of the Neuronetics Incentive Plan Proposal is to assist Neuronetics in attracting, motivating, retaining and rewarding high-quality executives and other employees, officers, directors, consultants and other persons who provide services to Neuronetics. Neuronetics is proposing to further amend and restate the Plan as described in this Joint Proxy Statement/Circular. The Plan is intended to enable those persons to acquire or increase an ownership interest in Neuronetics in order to strengthen the mutuality of interests between them and the Neuronetics Stockholders, and to provide those such persons with performance incentives to expend their maximum efforts in the creation of stockholder value.

Change Proposed to be made to the Plan and Reasons for the Change

The change to the Plan proposed for stockholder approval is an increase in the number of Neuronetics Shares reserved for issuance by up to 3,500,000 additional shares in order to retain, incentivize and reward current Neuronetics and Greenbrook employees, consultants, officers and directors and attract new employees, officers and consultants and, where appropriate, new director candidates.

Increase in Authorized Shares

As of [•], 2024, absent the approval of the Neuronetics Incentive Plan Proposal, 2,092,670 Neuronetics Shares are authorized for issuance under the Plan, of which 711,685 shares remain available for future issuance. With the 3,500,000 Neuronetics Shares requested under the Neuronetics Incentive Plan Proposal, the total number of shares subject to existing awards or available for future awards of 6,292,670 will be approximately [•]% of the [•] outstanding shares as of the Neuronetics Record Date. The shares available for future issuances represent approximately [•]% of the outstanding shares as of the Neuronetics Record Date.

Neuronetics desires to have sufficient shares available for incentive and compensation awards to be made under the Plan as it continues to pursue its strategic objectives in connection with the Arrangement. Neuronetics cannot predict whether it will be able to successfully implement its strategy, and it believes it needs to have sufficient shares available under the Plan to make equity awards to retain and incentivize Neuronetics' existing employees and executives and recruit and retain new employees. Neuronetics believes it is important to have sufficient availability to provide retentive equity awards to existing employees. In addition, Neuronetics provides equity awards to non-employee directors as compensation for serving as a director, and anticipates that it may recruit new directors in the future as it strives to add skills and qualifications to the Neuronetics Board. For these reasons, Neuronetics is seeking approval to add an additional 3,500,000 Neuronetics Shares to the Plan.

A copy of the proposed amended and restated Plan is attached as Appendix "K" to this Joint Proxy Statement/Circular. The following is a summary of the provisions of the Plan. You are encouraged to review the Plan for a full understanding of the Plan.

Description of the Plan

The following is a summary of the principal features of the amended and restated Plan.

Shares Available for Awards; Annual Per-Person Limitations

As of [•], 2024, without the approval of the Neuronetics Incentive Plan Proposal, 2,092,670 Neuronetics Shares are authorized for issuance under the Plan, of which 711,685 shares remain available for future issuance. With the 3,500,000 Neuronetics Shares requested under the Neuronetics Incentive Plan Proposal, the total number of shares subject to existing awards or available for future awards of 711,685 will be approximately [•]% of the [•] outstanding shares as of the Neuronetics Record Date. The shares available for future issuances represent approximately [•]% of the outstanding shares as of the Neuronetics Record Date subject to an automatic annual increase in the share reserve on each January 1 equal to four percent (4%) of the total number of shares of capital stock outstanding on December 31 of the preceding year. Following the Effective Date, Neuronetics expects its employee count to increase from approximately 200 to approximately 700. Neuronetics believes the increase requested under the Neuronetics Incentive Plan Proposal will allow it to make needed equity awards for two to three years for eligible employees and other plan participants. Any shares that are subject to awards of stock options, stock appreciation rights, restricted stock, restricted stock units, performance shares or other awards count against this limit as one share for every share granted.

TABLE OF CONTENTS

If any shares subject to an award are forfeited, expire or otherwise terminate without issuance of shares, then the shares subject to such forfeiture, expiration or termination will again become available for awards under the Plan. Awards issued in substitution for awards previously granted by a company acquired by Neuronetics or one of Neuronetics' subsidiaries or affiliates, or with which Neuronetics or one of Neuronetics' subsidiaries or affiliates combines, do not reduce the limit on grants of awards under the Plan.

While equity incentive awards are an important part of Neuronetics' compensation program, the Neuronetics Board and the Compensation Committee of the Neuronetics Board (the "**Compensation Committee**") are mindful of their responsibility to the Neuronetics Stockholders to exercise judgment in granting equity-based awards. Neuronetics reviews a number of metrics to assess the cumulative impact of its equity compensation programs, including burn rate and overhang. Burn rate measures Neuronetics' usage of shares from Neuronetics' equity incentive plans as a percentage of Neuronetics' outstanding Neuronetics Shares. Overhang measures the potential dilution to which Neuronetics' existing stockholders are exposed due to outstanding equity awards.

The annual share usage for the last three fiscal years was as follows:

| | FY 2021 | FY 2022 | FY 2023 |
|--------------------------|---------|---------|---------|
| Burn Rate ⁽¹⁾ | 4.24% | 9.71% | 5.10% |
| Overhang ⁽²⁾ | 17.66% | 18.87% | 16.16% |

- (1) Burn rate represents, for each fiscal year (i) the sum of stock options granted plus restricted stock and Neuronetics RSUs awards granted as multiplied by a multiplier based on stock price volatility divided by (ii) the basic weighted average common shares outstanding.
- (2) Overhang represents (i) total plan shares divided by (ii) the sum of total plan shares and common shares outstanding, where total plan shares equals the sum of the number of shares available for future grants under all existing plans, and the number of stock options and Neuronetics RSUs outstanding.

Administration

The Compensation Committee administers the Plan. The Compensation Committee, acting as the administrator of the Plan has, among other things, the discretionary authority to interpret the Plan, determine eligibility for and grant awards, determine the number of shares subject to any award made under the Plan, determine, modify or waive the terms and conditions of any award, prescribe forms, rules and procedures, and do all things necessary to carry out the purposes of the Plan, all subject to the provisions of and limitations in the Plan. All determinations of the Compensation Committee made under the Plan will be conclusive and will bind all parties. The Compensation Committee may, in its discretion, delegate to one or more individuals the day-to-day administration of the Plan and any of the functions assigned to the Compensation Committee in the Plan.

Eligibility

The persons eligible to receive awards under the Plan are Neuronetics' non-employee directors, officers, other employees, consultants and other persons who provide services to Neuronetics. An employee on leave of absence may be considered as still in Neuronetics' employ for purposes of eligibility for participation in the Plan. As of the record date, approximately [*] non-employee directors and employees were eligible to participate in the Plan. In addition, current consultants are eligible to participate in the Plan.

The following table sets forth summary information as to outstanding awards granted under the Plan to the Named Executive Officers (the "**Neuronetics NEOs**"), non-employee directors and non-executive employees and consultants during 2023:

| Name/Group | Number of Shares |
|---|------------------|
| Keith J. Sullivan, President & CEO | 285,000 |
| Steve Furlong, EVP, CFO & Treasurer | 100,000 |
| W. Andrew Macan, EVP, GC & Chief Compliance Officer | 90,000 |
| Non-Employee Directors as a group | 154,547 |
| Non-Executive Employees and Consultants as a group | 154,547 |

Stock Options and Stock Appreciation Rights

The Compensation Committee is authorized to grant stock options, including both non-qualified stock options, and incentive stock options, referred to as “ISOs,” which can result in potentially favorable tax treatment to the recipient, and stock appreciation rights entitling the recipient to receive the amount by which the fair market value of a share of the Neuronetics Shares on the date of exercise exceeds the grant price of the stock appreciation right. The exercise price per share subject to an option and the grant price of a stock appreciation right cannot be less than the fair market value of a share of Neuronetics Shares on the date of grant. For purposes of the Plan, the term “fair market value” means the closing sales price per share of the Neuronetics Shares as reported on the principal stock exchange or market on which the Neuronetics Shares is traded on the date as of which such value is being determined or, if there is no sale on that date, then on the last previous day on which a sale was reported. If the Neuronetics Shares is not listed on any such exchange or market, the Compensation Committee will determine the fair market value. The maximum term of each option or stock appreciation right, the times at which each option or stock appreciation right will be exercisable, and provisions requiring forfeiture of unexercised options or stock appreciation rights at or following termination of employment generally are fixed by the Compensation Committee, except that no option or stock appreciation right may have a term exceeding ten years, and the minimum vesting schedule for stock options is six months. Methods of exercise and settlement and other terms of the stock appreciation right are determined by the Compensation Committee. As determined by the Compensation Committee and included in an award agreement, options may be exercised by payment of the exercise price in cash, shares of Neuronetics Shares underlying the award or owned shares having a fair market value equal to the exercise price, as the Compensation Committee may determine from time to time.

Unless otherwise determined by the Compensation Committee (in an award agreement or otherwise) or as otherwise directed in writing to Neuronetics by a participant holding an option, each option outstanding on the trading day prior to the date the option would otherwise expire with an exercise price per share that is less than the fair market value per share of Neuronetics Shares as of such date will automatically and without further action by the participant or Neuronetics be exercised on such date. This automatic exercise feature does not apply to an option if the participant incurs a termination of employment on or before the date immediately prior to the end of the option’s term.

Restricted Stock and Restricted Stock Units

The Compensation Committee is authorized to grant restricted stock and restricted stock units. Restricted stock is a grant of shares of Neuronetics Shares which may not be sold or disposed of, and which will be subject to any risks of forfeiture and other restrictions as the Compensation Committee may impose. An eligible person granted restricted stock generally has all of the rights of a Neuronetics Stockholder, unless otherwise determined by the Compensation Committee. An award of restricted stock units confers upon the recipient the right to receive shares of Neuronetics Shares at the end of a specified restriction period and/or performance period, subject to any risks of forfeiture and other restrictions as the Compensation Committee may impose. Prior to settlement, an award of restricted stock units carries no voting or dividend rights or other rights associated with share ownership, although dividend equivalents may be granted, as discussed below.

Dividend Equivalents

The Compensation Committee is authorized to grant dividend equivalents conferring on recipients the right to receive, on a deferred basis, an amount equal in value to dividends paid on a specific number of shares of Neuronetics Shares.

Other Stock-Based Awards

The Compensation Committee is authorized to grant awards that are denominated or payable in, valued by reference to, or otherwise based on or related to shares of Neuronetics Shares. The Compensation Committee determines the terms and conditions of those awards.

Performance Awards

The Compensation Committee is authorized to grant performance awards to eligible persons on terms and conditions established by the Compensation Committee. The performance goals to be achieved during any

TABLE OF CONTENTS

performance period, and the length of the performance period, are determined by the Compensation Committee upon the grant of the performance award; provided that the minimum performance period is one year. Performance awards may be settled by delivery of cash, shares, or any combination, as determined by the Compensation Committee.

For performance awards, the Compensation Committee shall determine the financial or operational performance, stock-performance related or individually-based goals.

Impact of Certain Termination Events on Awards

Specific events that lead to termination of a participant's employment with Neuronetics or a subsidiary have been added to the Plan and have the following consequences on outstanding awards:

| <u>Termination Event</u> | <u>Stock Options *</u> | <u>Service-based Awards *</u> | <u>Performance-based Awards *</u> |
|------------------------------|---|---|---|
| <i>Voluntary termination</i> | All vested options remain exercisable for 90 days or, if shorter, the term of the option; unvested options are forfeited. | Subject to Neuronetics Board discretion | Subject to Neuronetics Board discretion |
| <i>Death</i> | Outstanding exercisable options are exercisable for 18 months after death, or, if shorter, the term of the option. Outstanding exercisable options are exercisable for 18 months after death, or, if shorter, the term of the option. | Subject to Neuronetics Board discretion | Subject to Neuronetics Board discretion |
| <i>Disability</i> | Outstanding exercisable options are exercisable for one year after termination of employment or, if shorter, the term of the option. | Subject to Neuronetics Board discretion | Subject to Neuronetics Board discretion |
| <i>For Cause</i> | Outstanding awards are forfeited. | Subject to Neuronetics Board discretion | Subject to Neuronetics Board discretion |

* All of these acceleration events are subject to the requirement that, except for five percent (5%) of the shares available for award under the Plan, the minimum vesting period is six months. If an employment agreement has different terms, the employment agreement will control.

Clawbacks

Neuronetics shall have the right to recoup or "claw back" any payment made with respect to an award under the Plan to the extent necessary to comply with applicable federal securities laws.

Other Terms of Awards

Awards may be settled in the form of cash or shares, other awards or a combination in the discretion of the Compensation Committee. Net settlement for the payment of tax obligations or the exercise price, if applicable, is authorized to the extent allowable by law. Awards granted under the Plan generally may not be pledged or otherwise encumbered and are not transferable except by will or by the laws of descent and distribution, or to a designated beneficiary upon the participant's death, except that the Compensation Committee may, in its discretion, permit transfers for estate planning or other purposes subject to any applicable restrictions under Rule 16b-3. Unless otherwise provided by the Compensation Committee in an award agreement, the vesting schedule or forfeiture period for awards shall be at least six months from the date of grant.

Impact of a Change in Control

In the case of a change in control:

- *Awards Not Assumed or Substituted by the Surviving Entity.* Upon the occurrence of a change in control, and except with respect to any awards assumed by the surviving entity or otherwise equitably converted or substituted in connection with the change in control in a manner approved by the Compensation Committee or the Neuronetics Board, any outstanding awards shall be dealt with in accordance with any of the following approaches, as determined by the agreement effectuating the transaction or, if and to the extent not so determined, as determined by the Compensation Committee: (i) the continuation of the outstanding awards by Neuronetics, if Neuronetics is a surviving entity, (ii) the assumption or substitution for the outstanding awards by the surviving entity or its parent or subsidiary, (iii) full exercisability or vesting and accelerated expiration of the outstanding awards, or (iv) settlement of the value of the outstanding awards in cash or cash equivalents or other property followed by cancellation of such awards (which value, in the case of options or stock appreciation rights, shall be measured by the amount, if any, by which the fair market value of a Neuronetics Share exceeds the exercise or grant price of the option or stock appreciation right as of the effective date of the transaction).
- *Awards Assumed or Substituted by Surviving Entity.* With respect to awards assumed by the surviving entity or otherwise equitably converted or substituted in connection with a change in control, if within two years after the effective date of the change in control, a participant's employment is terminated without cause or the participant terminates his or her employment for good reason in connection with a change in control, if applicable to the participant, then (i) all of that participant's outstanding awards, (ii) all time-based vesting restrictions on the participant's outstanding awards, and (iii) the payout opportunities attainable under all of such participant's outstanding performance awards shall be subject to the discretion of the Neuronetics Board.

If more specific terms are set forth in any separate plan document or agreement between Neuronetics and any participant, such separate plan or agreement shall govern the treatment of awards. The Compensation Committee has approved acceleration of vesting or lapse of forfeiture restrictions for the Neuronetics NEOs on a "double-trigger" basis under their employment agreements, as described on pages [179](#) to [180](#) of this Joint Proxy Statement/Circular.

Amendment and Termination

The Neuronetics Board or the Compensation Committee may amend, alter, suspend, discontinue or terminate the Plan, or the Compensation Committee's authority to grant awards under the Plan, or any award agreement, without the consent of stockholders or participants, except that any such amendment shall be subject to approval of the Neuronetics Stockholders in the manner and to the extent required by applicable law (including applicable stock exchange requirements). If required by applicable law or listing requirements, and except for certain capitalization adjustments, Neuronetics will seek Neuronetics Stockholder approval of any amendment of the Plan that (A) materially increases the number of shares of Neuronetics Shares available for issuance under the Plan, (B) materially expands the class of individuals eligible to receive awards under the Plan, (C) materially increases the benefits accruing to participants under the Plan, (D) materially reduces the price at which shares of Neuronetics Shares may be issued or purchased under the Plan, (E) materially extends the term of the Plan, or (F) materially expands the types of awards available for issuance under the Plan. Except as otherwise provided in the Plan or an award agreement, no amendment of the Plan will materially impair a participant's rights under an outstanding award without the participant's written consent.

Notwithstanding the foregoing, neither the Neuronetics Board nor the Compensation Committee can materially and adversely affect the rights of a participant without the consent of the affected participant. No amendment, suspension or termination of the Plan shall impair the rights of any participant under an outstanding award, unless agreed to in a writing signed by the participant and Neuronetics. The Compensation Committee may waive any conditions or rights under, or amend, alter, suspend, discontinue or terminate any award except as otherwise provided in the Plan.

Material U.S. Federal Income Tax Consequences of Awards

The following is a summary of material U.S. federal income tax considerations relating to the Plan. The summary is based on U.S. federal income tax laws and regulations presently in effect, which are subject to change, possibly retroactively. Tax laws are complex and may vary depending on individual circumstances and from locality to locality. This discussion does not purport to be a complete description of the U.S. federal income tax aspects of the Plan and does not address state, local or foreign tax consequences. All participants in the Plan are urged to consult their own tax advisors regarding the U.S. federal, state, local, and foreign income and other tax consequences of participating in the Plan based on the participant's personal circumstances.

Nonqualified Stock Options. Under the Code, the grant of a nonqualified stock option is generally not taxable to the optionee. On exercise of a nonqualified stock option granted under the Plan, an optionee will recognize ordinary income equal to the excess, if any, of the fair market value of the shares acquired over the exercise price. The optionee's tax basis in those shares will be equal to their fair market value on the date of exercise of the option, and the optionee's holding period for those shares will begin on that date. Upon an optionee's sale of shares acquired pursuant to the exercise of a nonqualified stock option, any difference between the sale price and the fair market value of the shares on the date when the stock option was exercised will be treated as long-term or short-term capital gain or loss.

If an optionee pays for shares of stock on exercise of an option by delivering Neuronetics Shares, the optionee will not recognize gain or loss on the shares delivered, even if the fair market value of such shares differs from the optionee's tax basis in such shares. The optionee, however, will be taxed on the exercise of the option in the manner described above as if he had paid the exercise price in cash. The tax basis of the shares received upon exercise will be the tax basis of the shares delivered as payment, share for share, to the extent the number of shares received equals the number of shares delivered as payment. In addition, the holding period of the shares received will include the holding period of the shares delivered as payment. The optionee's tax basis and holding period for any shares received in excess of the number of shares delivered by the optionee will be the same as if the optionee had exercised the option solely in exchange for cash.

Upon an optionee's exercise of a nonqualified stock option, Neuronetics or the applicable subsidiary will generally be entitled to a deduction for U.S. federal income tax purposes at such time and in the same amount recognized as ordinary income to the optionee, subject to the possible limitations on deductibility under Section 280G of the Code for compensation paid to executives designated in those sections, and provided that Neuronetics effects withholding with respect to the deemed compensation.

Incentive Stock Options. The Plan provides for the grant of stock options that qualify as incentive stock options ("ISOs") as defined in section 422 of the Code. Under the Code, an optionee generally is not subject to tax upon the grant or exercise of an ISO. In addition, if the optionee holds a share of stock received on exercise of an ISO for at least two years from the date the option was granted and at least one year from the date the option was exercised (the "Required Holding Period"), the difference, if any, between the amount realized on a sale or other taxable disposition of that share and the holder's tax basis in that share will be long-term capital gain or loss.

If, however, an optionee disposes of a share of stock acquired on exercise of an ISO before the end of the Required Holding Period, (a "Disqualifying Disposition") the optionee generally will recognize ordinary income in the year of the Disqualifying Disposition equal to the excess, if any, of the fair market value of the share on the date the ISO was exercised (or, if less, the amount realized on such Disqualifying Disposition) over the exercise price. If the amount realized on a Disqualifying Disposition exceeds the fair market value of the share on the date of exercise of the option, the excess gain recognized will be short-term or long-term capital gain, depending upon the length of time the shares have been held after the date of exercise.

If an optionee exercises an ISO by delivering shares of stock acquired by an earlier exercise of an ISO, and the previously acquired shares have not been held for the Required Holding Period, the optionee will recognize ordinary income on the Disqualifying Disposition.

For purposes of the alternative minimum tax, the amount by which the fair market value of a share of stock acquired on exercise of an ISO exceeds the exercise price of that option generally will be an adjustment included in the optionee's alternative minimum taxable income for the year in which the option is exercised. If, however,

TABLE OF CONTENTS

there is a Disqualifying Disposition of the share in the year in which the option is exercised, there will be no adjustment with respect to that share. If there is a Disqualifying Disposition in a later year, no income with respect to the Disqualifying Disposition is included in the optionee's alternative minimum taxable income for that year.

Neuronetics is not entitled to take a deduction for U.S. federal income tax purposes with respect to the grant or exercise of an incentive stock option or the disposition of a share acquired on exercise of an incentive stock option after the Required Holding Period. However, if there is a Disqualifying Disposition of a share, Neuronetics is entitled to a deduction in an amount equal to the ordinary income includible in income by the optionee, subject to the possible limitations on deductibility under Section 280G of the Code for compensation paid to executives designated in that section, and provided that Neuronetics effects withholding with respect to the deemed compensation.

Stock Appreciation Rights. Neuronetics may grant stock appreciation rights ("SARs") separate from any other award or in tandem with options under the Plan. Generally, the recipient of a SAR will not recognize any taxable income at the time the SAR is granted. When the SAR is exercised, the recipient receives the appreciation inherent in the SARs in cash and such cash will be taxable as ordinary compensation income to the recipient at the time that the cash is received. If the recipient receives the appreciation inherent in the SARs in shares of stock, the recipient will recognize ordinary compensation income equal to the excess of the fair market value of the stock on the day it is received over any amounts paid by the recipient for the stock. Neuronetics will be entitled to a deduction for U.S. federal income tax purposes in an amount equal to the amount recognized by the recipient as ordinary income, subject to the possible limitations on deductibility under Section 280G of the Code for compensation paid to executives designated in those sections, and provided that Neuronetics effects withholding with respect to the deemed compensation.

SARs may be issued in tandem with a stock option. Under this type of arrangement, the exercise of a SAR will result in the cancellation of an option, and the exercise of an option will result in a cancellation of a SAR. If the recipient of a tandem SAR elects to surrender the underlying option in exchange for cash or shares of stock equal to the appreciation inherent in the underlying option, the tax consequences to the recipient will be the same as discussed above relating to the SARs. If the recipient elects to exercise the underlying option, the holder will be taxed at the time of exercise as if he or she had exercised a nonqualified stock option, as previously discussed above. As a result, the recipient will recognize ordinary income for federal tax purposes measured by the excess of the then fair market value of the shares of stock over the exercise price.

Restricted Stock. Generally, the recipient of a stock award will recognize ordinary compensation income at the time the stock is received equal to the excess, if any, of the fair market value of the stock received over any amount paid by the recipient in exchange for the stock. If, however, the stock is not vested when it is received under the Plan (for example, if the employee is required to work for a period of time in order to have the right to sell the stock), the recipient generally will not recognize income until the stock becomes vested, at which time the recipient will recognize ordinary compensation income equal to the excess, if any, of the fair market value of the stock on the date it becomes vested over any amount paid by the recipient in exchange for the stock. A recipient may, however, file a "section 83(b) election" with the Internal Revenue Service, within 30 days of his or her receipt of the stock award, to recognize ordinary compensation income at the time the shares are awarded in an amount equal to their fair market value at that time, notwithstanding that such shares are not vested and may be subsequently forfeited. If a recipient makes such an election, the recipient will not recognize any additional taxable income at the time the shares become vested, but if the shares are later forfeited, the recipient will not be allowed a tax deduction for the forfeited shares.

The recipient's basis for the determination of gain or loss upon the subsequent disposition of shares acquired as stock awards will be the amount paid for such shares plus any ordinary income recognized either when the stock is received or when the stock becomes vested. Upon the disposition of any stock received as a stock award under the Plan, the difference between the sales price and the recipient's basis in the shares will be treated as a capital gain or loss and generally will be characterized as long-term capital gain or loss if the shares have been held for more than one year from the date as of which he or she would be required to recognize any compensation income.

TABLE OF CONTENTS

Neuronetics will be entitled to a deduction for U.S. federal income tax purposes equal to the amount of ordinary income taxable to the recipient, subject to the possible limitations on deductibility under Section 280G of the Code for compensation paid to executives designated in that section, and provided that Neuronetics effects withholding with respect to the deemed compensation.

Restricted Stock Units. A participant normally will not realize taxable income upon the award of Neuronetics RSUs. A participant will be subject to tax on the earlier of the year in which the participant receives the underlying shares of Neuronetics Shares or the year in which the award is no longer subject to a substantial risk of forfeiture. In that year, the participant will recognize income equal to the fair market value of the Neuronetics Shares received, or no longer subject to a substantial risk of forfeiture, and Neuronetics will be entitled to a deduction in the same amount, provided that such amount constitutes an ordinary and necessary business expense for Neuronetics and is reasonable in amount, and either the employee includes that amount in income or Neuronetics timely satisfies its reporting requirements with respect to that amount.

Performance based Awards. A participant who has been granted a performance-based award generally will not recognize taxable income at the time of grant, and Neuronetics will not be entitled to a deduction for U.S. federal income tax purposes at that time. When an award is paid, whether in cash or Neuronetics Shares, the participant generally will recognize ordinary income, and Neuronetics will be entitled to a corresponding deduction, provided that such amount constitutes an ordinary and necessary business expense for Neuronetics and is reasonable in amount, and either the employee includes that amount in income or Neuronetics timely satisfies its reporting requirements with respect to that amount. The participant's tax basis in any shares acquired pursuant to a performance-based award is the amount recognized by him or her as income attributable to such shares. Upon a subsequent disposition of the shares, the participant will generally realize a capital gain or loss, as applicable.

Other Stock Awards. The U.S. federal income tax consequences of any other stock awards will depend upon the specific facts and circumstances of each award, including, in particular, the nature of any restrictions imposed with respect to the awards.

Dividend Equivalents. Generally, the recipient of a dividend equivalent award will recognize ordinary compensation income at the time the dividend equivalent award is received equal to the fair market value of the amount received. Neuronetics generally will be entitled to a deduction for U.S. federal income tax purposes equal to the amount of ordinary income that the employee is required to recognize as a result of the dividend equivalent award, subject to the possible limitations on deductibility under Section 280G of the Code for compensation paid to executives designated in those sections, and provided that Neuronetics effects withholding with respect to the deemed compensation.

Tax Withholding. Ordinary income recognized in connection with the receipt or exercise of an award under the Plan is subject to income and employment tax wage withholding, unless the participant is not an employee of Neuronetics, or any subsidiary or affiliate. Neuronetics, or any subsidiary or affiliate, may deduct from all payments made under the Plan, an amount (which may include Neuronetics Shares) to satisfy any federal, state, local or foreign withholding obligations with respect to any award.

Section 409A. Section 409A of the Code governs the taxation of deferred compensation. Awards received under the Plan are intended to be exempt from the requirements of section 409A where possible. However, there can be no assurance that awards designed to be exempt from section 409A will in fact be exempt. An award that is subject to section 409A and fails to satisfy its requirements will subject the holder of the award to immediate taxation, an interest penalty and an additional 20% tax on the amount underlying the award.

Section 280G. Under certain circumstances, the accelerated vesting or exercise of options or the accelerated lapse of restrictions on stock awards in connection with a change in control could be deemed an "excess parachute payment" for purposes of the parachute tax provisions of section 280G of the Code. In that event, the grantee could be subject to a 20% excise tax and Neuronetics or applicable subsidiary could be denied a tax deduction with respect to a portion of the grants.

EXECUTIVE COMPENSATION

As a smaller reporting company, Neuronetics is not required to include a Compensation Discussion and Analysis in Neuronetics’ executive compensation disclosure and have elected to comply with the reduced disclosure requirements applicable to smaller reporting companies.

The following section describes the compensation that was earned by the Neuronetics NEOs. The Neuronetics NEOs for 2023 were:

- Keith J. Sullivan, President and Chief Executive Officer;
- Stephen Furlong, Executive Vice President, Chief Financial Officer and Treasurer; and
- W. Andrew Macan, Executive Vice President, General Counsel, Chief Compliance Officer and Corporate Secretary.

Executive Compensation Process

The Compensation Committee is responsible for the executive compensation program for Neuronetics’ executive officers, including the Neuronetics NEOs, and reports to the Neuronetics Board on its discussions, decisions and other actions. The Compensation Committee has reviewed the corporate goals and objectives relating to the compensation of Neuronetics’ President and Chief Executive Officer, evaluated the performance of Neuronetics’ President and Chief Executive Officer in light of those goals and objectives and recommended to the Neuronetics Board the compensation of Neuronetics’ President and Chief Executive Officer based on such evaluation. In addition, the Compensation Committee has reviewed and approved all compensation for Neuronetics the other executive officers, including Neuronetics NEOs.

Summary Compensation Table

The following table provides information regarding the total compensation for services rendered in all capacities that was earned by Neuronetics NEOs for the fiscal years ended December 31, 2023 and 2022:

For the year ended December 31, 2023, the amount reported for Mr. Macan includes payment of \$13,556, for travel and entertainment expenses, including \$3,726 for a gross-up payment to offset the tax liability incurred in connection with such expenses.

Narrative Disclosure to 2023 Summary Compensation Table

The compensation of Neuronetics NEOs generally consists of base salary, an annual non-equity incentive opportunity and long-term incentive compensation in the form of equity awards.

Base Salary

The Compensation Committee reviews the base salaries of Neuronetics' executive officers, including Neuronetics NEOs, from time to time and makes adjustments (or, in the case of Neuronetics' President and Chief Executive Officer, may recommend adjustments for approval by the Neuronetics Board) as it determines to be reasonable and necessary to reflect the scope of their performance, contributions, responsibilities, experience, prior salary level, position and market conditions, including base salary amounts relative to similarly situated executive officers at peer group companies. On February 8, 2023, the Compensation Committee adjusted Messrs. Furlong's and Macan's base salaries to \$448,200 and \$409,400, respectively, effective January 1, 2023. Also on February 8, 2023, upon the recommendation of the Compensation Committee, the Neuronetics Board adjusted Mr. Sullivan's base salary to \$700,000, effective January 1, 2023. The Compensation Committee evaluated all executive base salaries in consultation with Alpine Rewards, LLC ("**Alpine**").

Annual Cash Bonuses

Each of Messrs. Sullivan, Furlong and Macan participated in Neuronetics' 2023 annual non-equity incentive plan, pursuant to which they were eligible to earn a cash incentive award based on corporate performance focused on revenue and earnings before interest and taxes ("**EBIT**") objectives. The 2023 target annual cash incentive opportunity of Messrs. Sullivan, Furlong and Macan was 100%, 50% and 50% of annual base salary, respectively. In early 2024, the Compensation Committee evaluated Neuronetics' performance relative to these performance metrics. After considering Neuronetics' revenue and EBIT performance in the context of the market conditions that evolved throughout the year, the roll-out of the Better Me Guarantee Provider pilot program, Neuronetics' accomplishment in generating positive cash flow for the first time in Neuronetics' history during the fourth quarter of 2023, and with respect to Messrs. Furlong and Macan, their performance against their pre-established individual performance goals, the Compensation Committee determined to pay Messrs. Sullivan, Furlong and Macan cash incentive awards at 94%, 101% and 101%, respectively, of target. As the Compensation Committee exercised discretion in calculating the cash amounts paid to Messrs. Sullivan, Furlong and Macan with respect to the year ending December 31, 2023, those amounts are set forth in the column entitled "*Bonus*" in the "*— Summary Compensation Table*".

Long-Term Incentive Compensation

Pursuant to the terms and conditions of Neuronetics' equity incentive plans, Neuronetics generally grants restricted stock unit awards to Neuronetics' employees, including Neuronetics NEOs.

On February 8, 2023, Messrs. Sullivan, Furlong and Macan received restricted stock units representing 285,000 shares, 100,000 shares and 90,000 shares, respectively. For a description of restricted stock unit awards that may be settled for Neuronetics Shares granted to Neuronetics NEOs in 2023, see "*— Outstanding Equity Awards at Fiscal Year-End Table*".

On February 5, 2024, Messrs. Sullivan, Furlong and Macan received restricted stock units representing 300,000 shares, 100,000 shares and 90,000 shares, respectively. On February 29, 2024, Messrs. Furlong and Macan each received restricted stock units representing 15,000 shares.

Employment Agreements

Neuronetics has entered into employment agreements or offer letters with Messrs. Sullivan, Furlong, and Macan. The key terms and conditions of these agreements are described below. For a discussion of the post-employment compensation arrangements with each of Neuronetics NEOs, see "*— Executive Officer Post-Employment Compensation Arrangements*".

TABLE OF CONTENTS

Mr. Sullivan

Neuronetics entered into an employment agreement with Mr. Sullivan dated July 14, 2020, pursuant to which Neuronetics employed him as Neuronetics' President and Chief Executive Officer and he serves as a member of the Neuronetics Board. The agreement entitled Mr. Sullivan to a target annual cash bonus opportunity of at least 75% of his annual base salary, subject to annual review and adjustment by the Neuronetics Board upon recommendation from the Compensation Committee, with the actual amount of such annual bonus payable to be determined by the Neuronetics Board, based on the achievement of corporate performance objectives determined and agreed to by the Neuronetics Board. Effective November 2, 2023, Neuronetics amended and restated the agreement to update Mr. Sullivan's annual base salary, his target annual cash bonus opportunity (from 75% to 100% of his annual base salary), and his severance benefits (as described in greater detail in "— Executive Officer Post-Employment Compensation Arrangements"). Mr. Sullivan's 2023 annual base salary was \$700,000. See "— *Executive Officer Post-Employment Compensation Arrangements*" for more information regarding severance benefits.

Messrs. Furlong and Macan

Neuronetics entered into employment offer letters with each of Messrs. Furlong and Macan. The employment of each is "at will" and each agreement endures until terminated by either party. See "— *Executive Officer Post-Employment Compensation Arrangements*" for more information regarding severance benefits.

Perquisites

Mr. Furlong is entitled to commuting costs reimbursement, including reimbursement for weekly round-trip coach class airfare to corporate headquarters in Malvern, PA; reimbursement of certain related travel expenses; a housing allowance in Malvern of up to \$2,000 per month; and a tax gross-up payment to offset any tax liability Mr. Furlong incurs as a result of any reimbursed relocation expenses. In 2023, Neuronetics NEOs and their spouses attended Neuronetics' annual President's Club trip, which is an all-expenses-paid trip that is offered as a reward to certain of Neuronetics' sales representatives and their spouses based on achievement of pre-defined goals.

Executive Officer Post-Employment Compensation Arrangements

Mr. Sullivan

In July 2021, Neuronetics entered into a restrictive covenant and severance agreement with Mr. Sullivan, which updated certain provisions in his employment agreement. Under the agreement, if Neuronetics terminated Mr. Sullivan’s employment without cause or Mr. Sullivan terminated his employment for good reason, then

TABLE OF CONTENTS

Mr. Sullivan was entitled to receive 12 months of salary continuation, 12 months of benefits continuation and a prorated bonus for the year of termination, and if the termination of Mr. Sullivan's employment was in connection with a change in control, then, in lieu of the benefits described above, Mr. Sullivan was entitled to receive 18 months of salary continuation, 18 months of benefits continuation, a bonus for the year of termination paid at 150% of target and accelerated vesting of his outstanding equity awards. Effective November 2, 2023, acting upon Alpine's recommendation and approval from the Compensation Committee and the Neuronetics Board, Neuronetics amended and restated the agreement such that, if the termination of Mr. Sullivan's employment is in connection with a change in control, then Mr. Sullivan is entitled to receive 24 months of salary and benefits continuation (in lieu of 18 months as set forth prior to such amendment and restatement).

Messrs. Furlong and Macan

In July 2021, Neuronetics entered into restrictive covenant and severance agreements with each of Messrs. Furlong and Macan, which updated certain provisions in their original severance agreements. Under the new agreement, if Neuronetics terminates the executive's employment without cause or the executive terminates his employment for good reason, the executive is entitled to receive 12 months of salary continuation and 12 months of benefits continuation. If the termination of the executive's employment is in connection with a change in control, then, in addition to the severance benefits above, the executive is entitled to receive a bonus for the year of termination paid at 100% of target and accelerated vesting of his outstanding equity awards.

For purposes of these agreements, "cause" generally means the executive's indictment, conviction or plea of guilty or no contest to a felony or to a misdemeanor involving moral turpitude or that causes material damage to Neuronetics' public image or reputation, or to Neuronetics' operations or financial performance; gross negligence or willful misconduct with respect to their duties and responsibilities to Neuronetics; alcohol or illegal substance abuse in the event Neuronetics has reasonable grounds for suspecting they are under the influence while at work and their ability to perform their duties and responsibilities has been impaired; their failure to timely execute a restrictive covenant agreement; willful refusal or failure to perform any specific material lawful direction from the Neuronetics Board not cured within 30 days after delivery of written notice; willful and material breach of any written agreement with or duty owed to Neuronetics; or if Neuronetics determines that they have intentionally omitted any requested information or falsified any disclosed information either in their resume or during the interview process with Neuronetics.

Messrs. Sullivan, Furlong, and Macan

For purposes of these agreements, "good reason" generally means a material adverse change in the executive's position with Neuronetics that reduces their title, level of authority, duties or responsibilities; a reduction in their base salary or target bonus; Neuronetics' failure to provide that they are eligible to participate in benefit plans on a basis at least as favorable as that of Neuronetics' other similarly situated senior corporate officers; or relocation of their principal worksite by more than 35 miles, unless it reduces their commute.

For purposes of these agreements, "change in control" generally means the occurrence of, in one transaction or a series of related transactions, any person becoming a beneficial owner, directly or indirectly, of Neuronetics' securities representing more than 50% of the voting power of Neuronetics' then-outstanding securities; a consolidation, share exchange, reorganization or merger in which Neuronetics' equity holders immediately prior to such event own less than 50% of the voting power of the resulting entity's securities outstanding immediately following such event; or the sale or other disposition of all or substantially all of Neuronetics' assets; or any similar event deemed by the Neuronetics Board to constitute a "change in control."

In consideration for the benefits extended under the severance agreements, Messrs. Sullivan, Furlong and Macan entered into restrictive covenant and invention assignment agreements with Neuronetics, which agreements contain non-compete, non-solicitation and intellectual property protections in Neuronetics' favor.

Equity Award Acceleration

Under the terms of the Plan, in connection with a change in control or similar corporate transaction, the Compensation Committee may choose, but is not required, to accelerate the vesting and exercisability of awards granted under the Plan.

Pay Versus Performance

As required by the pay versus performance rules adopted by the SEC pursuant to the Dodd-Frank Wall Street Reform and Consumer Protection Act of 2010, as amended, Neuronetics is providing the following information regarding the relationship between executive compensation and Neuronetics’ financial performance for each of the last two completed fiscal years. In determining the compensation actually paid (“CAP”) to Neuronetics NEOs, Neuronetics is required to make various adjustments to amounts that are reported in the Summary Compensation Table, as the SEC’s valuation methods for this section differ from those required in the Summary Compensation Table.

Neuronetics does not utilize net income (loss) or total stockholder return (“TSR”) in Neuronetics’ executive compensation program. However, Neuronetics does utilize several other performance measures to align executive compensation with Neuronetics’ performance. As described in more detail in the section entitled “— *Narrative Disclosure to 2023 Summary Compensation Table*”, part of the compensation that Neuronetics NEOs are eligible to receive consists of annual performance-based cash bonuses, which are designed to provide appropriate incentives to Neuronetics’ executives to achieve defined annual corporate goals and to reward Neuronetics’ executives for individual achievement towards these goals. Additionally, Neuronetics views restricted stock, which is an integral part of Neuronetics’ executive compensation program, as related to Neuronetics’ performance although not directly tied to net income (loss) or TSR, because they provide incremental value only if the market price of Neuronetics’ common stock increases, and if the executive officer continues in Neuronetics’ employment over the vesting period. Neuronetics believes that stock restricted stock grants provide a meaningful incentive for Neuronetics’ executives to remain in Neuronetics’ employment and enhance stockholder value over time.

Neuronetics Stockholders should refer to the philosophy, policies and practices in this Joint Proxy Statement/Circular for a complete description of how executive compensation relates to Neuronetics’ performance measures and how the Compensation Committee makes its decisions related thereto. See “— *Executive Compensation Process*”. The Compensation Committee did not consider this SEC-required pay versus performance analysis and disclosure below in making its pay decisions for any of the years shown.

Pay Versus Performance Table

The following table provides the information required to be disclosed for Neuronetics NEOs for each of the fiscal years ended December 31, 2023, December 31, 2022, and December 31, 2021 along with the financial information required to be disclosed for each fiscal year. Neuronetics is a smaller reporting company, as defined in Rule 12b-2 under the U.S. Exchange Act, and has elected to provide in this proxy statement certain scaled disclosures permitted under the U.S. Exchange Act for smaller reporting companies.

- (5) The amounts reported in this column reflect Neuronetics' cumulative TSR, assuming an initial fixed \$100 investment in Neuronetics for the period starting December 31, 2021 through the end of each listed fiscal year. Cumulative TSR is calculated by dividing the sum of the cumulative amount of dividends for the measured period, assuming dividend reinvestment, and the difference between Neuronetics' share price at the end and the beginning of the measured period by Neuronetics' share price at the beginning of the measured period. No dividends were paid on stock or option awards in 2021, 2022 and 2023.

Analysis of the Information Presented in the Pay Versus Performance Table

Neuronetics generally seeks to incentivize long-term performance, and therefore does not specifically align Neuronetics' performance measures with CAP (as computed in accordance with Item 402(v) of Regulation S-K) for a particular year. In accordance with Item 402(v) of Regulation S-K, Neuronetics is providing the following descriptions of the relationships between information presented in the Pay Versus Performance table.

Additionally, annual cash compensation for committee membership is as follows:

All annual cash compensation amounts are payable in equal quarterly installments. Cash retainers are prorated for any partial year service. Eligible directors may elect to receive cash retainers in the form of vested common stock.

In 2023: (i) each eligible director who continued to serve as a director following Neuronetics’ 2023 annual meeting of stockholders was granted restricted stock units valued at \$100,000, vesting in full one year from the grant date and, in any event, vesting on the date of the next annual meeting of Neuronetics Stockholders or upon a change in control of Neuronetics, subject to continued service as a director through the applicable vesting date; and (ii) Mr. Casella, the non-executive Chairman of the Neuronetics Board, received additional restricted stock units valued at \$25,000 for his service as the non-executive Chair.

Mr. Sullivan, Neuronetics’ President and Chief Executive Officer, receives no compensation for his service as a director.

The following table provides information for the year ended December 31, 2023 regarding all compensation awarded to, earned by or paid to each person who served as a non-employee director during the year ended December 31, 2023. Other than as set forth in the table and the narrative that follows it, in the year ended December 31, 2023, Neuronetics did not pay any fees to Neuronetics’ non-employee directors, make any equity or non-equity awards to non-employee directors or pay any other compensation to non-employee directors.

PRINCIPAL STOCKHOLDERS OF NEURONETICS

The following table sets forth information known to Neuronetics regarding the beneficial ownership of the Neuronetics Shares as of [•], 2024, by:

- each person who is known by Neuronetics to be the beneficial owner of more than 5% of the outstanding Neuronetics Shares;
- each current named executive officers and directors of Neuronetics; and

Beneficial ownership is determined according to the rules of the SEC, which generally provide that a person has beneficial ownership of a security if he, she or it possesses sole or shared voting or investment power over that security, including options and warrants that are currently exercisable or exercisable within 60 days.

The beneficial ownership percentages set forth in the table below are based on 30,301,103 Neuronetics Shares issued and outstanding as of [•], 2024. In computing the number of shares beneficially owned by a person and the percentage ownership of such person, Neuronetics deemed to be outstanding all shares subject to stock awards held by that person that are issuable upon settlement of Neuronetics RSUs and all shares subject to convertible notes, options and/or warrants, as applicable, held by the person that are currently exercisable or would be exercisable within 60 days of October 30, 2024. However, except as described above, Neuronetics did not deem such shares outstanding for the purpose of computing the percentage ownership of any other person. Unless otherwise noted in the footnotes to the following table, and subject to applicable community property laws, the persons and entities named in the table have sole voting and investment power with respect to their beneficially owned Neuronetics Shares.

HOUSEHOLDING

The SEC has adopted rules that permit companies and intermediaries (e.g., brokers) to satisfy the delivery requirements for proxy statements and notices with respect to two or more stockholders sharing the same address by delivering a single proxy statement or a single notice addressed to those stockholders. This process, which is commonly referred to as "householding", potentially means extra convenience for stockholders and provides cost savings for companies. Some brokers household proxy materials, delivering a single proxy statement or notice to multiple stockholders sharing an address unless contrary instructions have been received from the affected stockholders. Once you have received notice from your broker that they will be householding materials to your address, householding will continue until you are notified otherwise or until you revoke your consent. If, at any time, you no longer wish to participate in householding and would prefer to receive a separate proxy statement or notice, or if your household is receiving multiple copies of these documents and you wish to request that future deliveries be limited to a single copy, please notify your broker. If you are a Registered Greenbrook Shareholder or registered Neuronetics Stockholder, you may contact Greenbrook or Neuronetics, as applicable, at the contact information below regarding the same.

TABLE OF CONTENTS

If, at any time, you no longer wish to participate in householding and would prefer to receive a separate copy of the notice, please notify your broker or Broadridge Financial Solutions, Inc. Neuronetics Stockholders who currently receive multiple copies of the notice at their addresses and would like to request householding of their communications should contact their brokers or Broadridge Financial Solutions, Inc. Any householded stockholder may request prompt delivery of a copy of the annual report or proxy statement by contacting Broadridge Financial Solutions, Inc. at 1-866-540-7095 or by writing to it at Broadridge Financial Solutions, Inc., 51 Mercedes Way, Edgewood, NY 11717.

In addition, Greenbrook shall not object to Neuronetics' legal counsel making such submissions on the hearing of the motion for the Interim Order and the application for the Final Order as such counsel considers appropriate, provided that Greenbrook is advised of the nature of any submissions prior to the hearing and such submissions are consistent in all material respects with this Agreement and the Plan of Arrangement. Greenbrook shall also oppose any proposal from any party that the Final Order contain any provision inconsistent with this Agreement, and, if at any time after the issuance of the Final Order and prior to the Effective Date, Greenbrook is required by the terms of the Final Order or by Law to return to Court with respect to the Final Order, it shall do so after notice to, and in consultation and cooperation with, Neuronetics.

2.11 U.S. Securities Law Matters

The Parties agree that the Arrangement will be carried out with the intention that, and will use their commercially reasonable best efforts to ensure that, all Consideration Shares issued under the Arrangement will be issued by Neuronetics in exchange for Greenbrook Shares pursuant to the Plan of Arrangement, whether in the United States, Canada or any other country, in reliance on the exemption from the registration requirements of the U.S. Securities Act provided by Section 3(a)(10) thereof and similar exemptions under applicable U.S. state securities laws. In order to ensure the availability of the exemption under Section 3(a)(10) of the U.S. Securities Act and to facilitate Neuronetics' compliance with other U.S. Securities Laws, the Parties agree that the Arrangement will be carried out on the following basis:

- (a) the Court will be asked to approve the procedural and substantive fairness of the terms and conditions of the Arrangement;
- (b) prior to the issuance of the Interim Order, the Court will be advised of the intention of Neuronetics and Greenbrook to rely on the exemption provided by Section 3(a)(10) of the U.S. Securities Act with respect to the issuance of Consideration Shares to Greenbrook Shareholders pursuant to the Arrangement, based on the Court's approval of the Arrangement;
- (c) prior to the issuance of the Interim Order, Greenbrook will file with the Court a draft copy of the proposed text of the Greenbrook Proxy Statement together with any other documents required by Law in connection with the Greenbrook Meeting;
- (d) the Court will be advised prior to the hearing that its approval of the Arrangement will be relied upon as a determination that the Court has satisfied itself as to the procedural and substantive fairness of the terms and conditions of the Arrangement to all Persons who are entitled to receive Consideration Shares to Greenbrook Shareholders pursuant to the Arrangement;
- (e) Greenbrook will ensure that each Greenbrook Shareholder and other Person entitled to receive Consideration Shares pursuant to the Arrangement will be given adequate and appropriate notice advising them of their right to attend the hearing of the Court to approve the procedural and substantive fairness of the terms and conditions of the Arrangement and providing them with sufficient information necessary for them to exercise that right;
- (f) the Final Order will expressly state that the Arrangement is approved by the Court as being procedurally and substantively fair and reasonable to all Persons entitled to receive Consideration Shares to Greenbrook Shareholders pursuant to the Arrangement;

- (g) Greenbrook shall advise the Court that the Final Order will serve as a basis for an exemption, pursuant to Section 3(a)(10) of the United States Securities Act of 1933, as amended, from the registration requirements otherwise imposed by that act, as well as similar exemptions under applicable U.S. state securities laws, regarding the distribution of securities of Neuronetics, pursuant to the Plan of Arrangement;
- (h) the Interim Order will specify that each Person entitled to receive Consideration Shares pursuant to the Arrangement will have the right to appear before the Court at the hearing of the Court to give approval of the Arrangement;
- (i) the Court will hold a hearing before approving the procedural and substantive fairness of the terms and conditions of the Arrangement and issuing the Final Order; and
- (j) all Consideration Shares issued to Persons in the United States will be registered or qualified under the securities laws of each state, territory or possession of the United States in which any Person receiving Consideration Shares is located, unless an exemption from such state securities law registration or qualification requirements is available. In addition, each Person entitled to receive Consideration Shares will be advised that the Consideration Shares issued pursuant to the Arrangement have not been registered under the U.S. Securities Act and will be issued by Neuronetics in reliance on the exemption from registration under Section 3(a)(10) of the U.S. Securities Act and similar exemptions under applicable U.S. state securities laws.

2.12 Arrangement and Effective Date

- (a) The Articles of Arrangement shall implement the Plan of Arrangement. The Articles of Arrangement shall include the Plan of Arrangement.
- (b) Unless another time or date is agreed to in writing by the Parties, Greenbrook shall send the Articles of Arrangement to the Director on the third Business Day after the satisfaction or, where not prohibited, the waiver by the applicable Party or Parties in whose favour the condition is, of the conditions set out in Article 6 (excluding conditions that, by their terms, are to be satisfied on the Effective Date, but subject to the satisfaction or, where not prohibited, the waiver by the applicable Party or Parties in whose favour the condition is, of those conditions as of the Effective Date).
- (c) The closing of the Arrangement will take place remotely by exchange of documents and signatures (of their electronic counterparts) on the Effective Date at the Effective Time, unless another time and place is agreed to in writing by the Parties.

2.13 Payment of Consideration

Neuronetics will, following receipt by Greenbrook of the Final Order and prior to the Effective Time, deposit in escrow with the Depository (the terms and conditions of such escrow to be satisfactory to the Parties, acting reasonably) sufficient Neuronetics Shares to satisfy the aggregate Consideration payable to Greenbrook Shareholders pursuant to the Plan of Arrangement.

2.14 Announcement and Shareholder Communications

The Parties agree to issue a joint press release with respect to this Agreement as soon as practicable after its due execution. Neuronetics and Greenbrook agree to cooperate in the preparation of presentations, if any, to Neuronetics Stockholders and Greenbrook Securityholders regarding the transactions contemplated by this Agreement. Each Party shall: (a) not issue any press release or otherwise make public statements with respect to this Agreement or the Arrangement without the consent of the other Party, which consent shall not be unreasonably withheld, conditioned or delayed; and (b) not make any filing with any Governmental Entity with respect to this Agreement or the Arrangement without the consent of the other Party, which consent shall not be unreasonably withheld, conditioned or delayed. Each Party shall enable the other Party to review and comment on all such press releases prior to the release thereof and shall enable the other Party to review and comment on such filings prior to the filing thereof (other than with respect to confidential information contained in such filing); provided, however, that the foregoing shall be subject to each Party's overriding obligation to make any disclosure or filing in accordance with applicable Laws, including Canadian Securities Laws, U.S. Securities Laws, and if such disclosure or filing is required and the other Party has not reviewed or commented on the

disclosure or filing, the Party making such disclosure or filing shall use commercially reasonable efforts to give prior oral or written notice to the other Party, and if such prior notice is not possible, to give such notice immediately following the making of such disclosure or filing. For the avoidance of doubt, the foregoing shall not prevent either Party from making internal announcements to employees and having discussions with shareholders and financial analysts and other stakeholders so long as the content of such statements and announcements are consistent with and limited in all material respects to the content contained in the most recent press releases, public disclosures or public statements made by the Parties. Notwithstanding the foregoing, the provisions of this Section 2.14 related to the approval or contents of filings with Governmental Entities will not apply with respect to filings in connection with the Regulatory Approvals, the Greenbrook Proxy Statement, the Neuronetics Proxy Statement, the Interim Order or the Final Order which are governed by other sections of this Agreement. The restrictions set forth in this Section 2.14 shall not apply to any release or public statement in connection with any dispute regarding this Agreement or the transactions contemplated hereby.

2.15 Adjustment to Exchange Ratio

- (a) If, on or after the date of this Agreement, either Party, subject to Article 5:
- (i) splits, consolidates or reclassifies any of its issued and outstanding common shares;
 - (ii) undertakes any other capital reorganization; or
 - (iii) declares, sets aside or pays any dividend or distribution to its shareholders of record as of a time prior to the Effective Time, including any stock dividend or rights offering,
- then the Exchange Ratio shall be appropriately adjusted to provide to Neuronetics, Greenbrook and their respective shareholders the same economic effect as contemplated by this Agreement and the Arrangement prior to such action.

2.16 Withholding Taxes

Neuronetics, Greenbrook, any of their affiliates and the Depositary, as applicable, shall be entitled to deduct and withhold, or direct any other Person to deduct and withhold on their behalf, from any amounts otherwise payable, issuable or otherwise deliverable to any Greenbrook Securityholders, and any other Person under the Plan of Arrangement or this Agreement such amounts as are required or reasonably believed to be required to be deducted and withheld from such amounts under any provision of any Law in respect of Taxes. To the extent any such amounts are so deducted and withheld, such amounts shall be treated for all purposes under this Agreement and the Plan of Arrangement as having been paid to the Person in respect of which such deduction and withholding was made; provided that such deducted and withheld amounts are actually remitted to the appropriate Governmental Entity. To the extent that the amount so required to be deducted or withheld from any amounts payable, issuable or otherwise deliverable to a Person under the Plan of Arrangement or this Agreement exceeds the amount of cash otherwise payable to such Person, Neuronetics, Greenbrook, any of their affiliates and the Depositary are hereby authorized to sell or otherwise dispose, or direct any other Person to sell or otherwise dispose, of such portion of the non-cash consideration or non-cash amounts payable, issuable or otherwise deliverable hereunder to such Person as is necessary to provide sufficient funds to Neuronetics, Greenbrook, any of their affiliates and the Depositary, as the case may be, to enable it to comply with such deduction or withholding requirement and Neuronetics, Greenbrook, any of their affiliates and the Depositary, as applicable, shall notify the relevant Person of such sale or other disposition and remit to such Person any unapplied balance of the net proceeds of such sale or other disposition (after deduction for (x) the amounts required to satisfy the required withholding under the Plan of Arrangement or this Agreement in respect of such Person, (y) reasonable commissions payable to the broker and (z) other reasonable costs and expenses).

2.17 Adjustment of Consideration

Notwithstanding anything in this Agreement to the contrary, if, between the date of this Agreement and the Effective Time, the issued and outstanding Neuronetics Shares shall have been changed into a different number of shares by reason of any split or consolidation of the issued and outstanding Neuronetics Shares, then the Consideration to be paid per Greenbrook Share shall be appropriately adjusted to provide to Greenbrook Shareholders the same economic effect as contemplated by this Agreement and the Arrangement prior to such action and as so adjusted shall, from and after the date of such event, be the Consideration to be paid per Greenbrook Share.

2.18 Governance and Transitional Matters

Neuronetics covenants with Greenbrook that it will take all actions necessary to ensure that, upon completion of the Arrangement, the Neuronetics Board shall consist of seven (7) directors, two (2) of which shall be appointed by Madryn and five (5) of which shall be appointed by Neuronetics.

The Parties agree to work cooperatively to implement the foregoing including by providing any information required by applicable Law with respect to their respective board nominees for inclusion in the Neuronetics Proxy Statement.

2.19 Incentive Plan Matters

The Parties acknowledge that the outstanding Greenbrook Equity Awards shall be treated in accordance with the provisions of the Plan of Arrangement.

The Parties acknowledge that no deduction will be claimed by Greenbrook or any Person not dealing at arm's length with Greenbrook in respect of any payment made in respect of the Greenbrook Equity Awards pursuant to the Plan of Arrangement to a holder of Greenbrook Equity Awards who is a resident of Canada or who is employed in Canada (all within the meaning of the Tax Act), in computing the taxable income under the Tax Act of Greenbrook, or any Person not dealing at arm's length with Greenbrook, if and to the extent that the claiming of such deduction would cause such holder to not be entitled to claim any deduction pursuant to paragraph 110(1)(d) of the Tax Act otherwise available to such holder in respect of the calculation of any benefit arising from the surrender by the holder of Greenbrook Equity Awards, and Neuronetics shall cause Greenbrook to: (i) where applicable, make an election pursuant to subsection 110(1.1) of the Tax Act in respect of the payments made in exchange for the surrender of Greenbrook Equity Awards; and (ii) provide evidence in writing of such election to holders of Greenbrook Equity Awards.

2.20 Restrictive Covenants

The Parties hereto intend that the conditions set forth in subsection 56.4(7) of the Tax Act (including clause 56.4(7)(b)(ii)(B) thereof) have been met, such that subsection 56.4(5) of the Tax Act applies to any restrictive covenants (as defined in subsection 56.4(1) of the Tax Act) granted by Greenbrook Shareholders pursuant to this Agreement. For greater certainty, the Parties agree and acknowledge: (i) for the purposes of paragraph 56.4(7)(d) of the Tax Act, no proceeds shall be received or receivable by Greenbrook Shareholders for granting the restrictive covenants; and (ii) the restrictive covenants are integral to this Agreement and have been granted to maintain or preserve the fair market value of the Greenbrook Shares.

 - (ii) the Greenbrook Shareholder Approval has not been obtained;
 - (iii) Greenbrook has been, and continues to be, in material compliance with this Section 5.8;
 - (iv) Greenbrook has promptly provided Neuronetics with a notice in writing that there is a Greenbrook Superior Proposal, together with all documentation related to and detailing the Greenbrook Superior Proposal, including a copy of any proposed agreement and all ancillary documentation relating to such Greenbrook Superior Proposal as well as the cash value that the Greenbrook Board has, after consultation with outside financial advisors, determined should be ascribed to any non-cash consideration offered under the Greenbrook Superior Proposal;
 - (v) five Business Days (the "**Neuronetics Response Period**") shall have elapsed from the date Neuronetics received the notice and documentation referred to in Section 5.8(f)(iv) from Greenbrook;
 - (vi) if Neuronetics has proposed to amend the terms of the Arrangement in accordance with Section 5.8(h), the Greenbrook Board shall have determined, in good faith, after consultation with its outside financial and legal advisors, that the Greenbrook Acquisition Proposal remains a Greenbrook Superior Proposal compared to the proposed amendment to the terms of the Arrangement by Neuronetics, if applicable.
- (g) For greater certainty, notwithstanding any Greenbrook Change in Recommendation, unless this Agreement has been terminated in accordance with its terms, Greenbrook shall cause the Greenbrook Meeting to occur and the Arrangement Resolution to be put to the Greenbrook Shareholders thereat for consideration in accordance with this Agreement, and Greenbrook shall not, except as required by applicable Law, submit to a vote of its shareholders any Greenbrook Acquisition Proposal other than the Arrangement Resolution prior to the termination of this Agreement.
- (h) Greenbrook acknowledges and agrees that, during the Neuronetics Response Period or such longer period as Greenbrook may approve for such purpose, Neuronetics shall have the opportunity, but not the obligation, to propose to amend the terms of this Agreement, including an increase in, or modification of, the Consideration. The Greenbrook Board will review any such proposal to determine in good faith whether Neuronetics' proposal to amend this Agreement would result in the Greenbrook Acquisition Proposal ceasing to be a Greenbrook Superior Proposal. If the Greenbrook Board determines that the Greenbrook Acquisition Proposal is not a Greenbrook Superior Proposal as compared to the proposed amendments to the terms of this Agreement, it will promptly advise Neuronetics and enter into an amended agreement with Neuronetics reflecting such proposed amendments. If the Greenbrook Board continues to believe in good faith, after consultation with its outside financial and legal advisors, that such Greenbrook Acquisition Proposal remains a Greenbrook Superior Proposal and therefore rejects Neuronetics' offer to amend this Agreement and the Arrangement, if any, Greenbrook may, subject to compliance with the other provisions hereof, make a Greenbrook Change in Recommendation. Each successive modification of any Greenbrook Acquisition Proposal shall constitute a new Greenbrook Acquisition Proposal for the purposes of this Section 5.8

and Neuronetics shall be afforded a new Neuronetics Response Period in respect of each such Greenbrook Acquisition Proposal from the date on which Neuronetics received the notice and documentation referred to in Section 5.8(f)(iv) in respect of such new Greenbrook Superior Proposal from Greenbrook.

- (i) The Greenbrook Board will promptly reaffirm the Greenbrook Board Recommendation by press release after: (1) the Greenbrook Board determines any Greenbrook Acquisition Proposal that has been publicly announced or publicly disclosed is not a Greenbrook Superior Proposal; or (2) the Greenbrook Board determines that a proposed amendment to the terms of the Arrangement would result in any Greenbrook Acquisition Proposal which has been publicly announced or made not being a Greenbrook Superior Proposal. Greenbrook shall provide Neuronetics and its legal counsel with a reasonable opportunity to review and comment on the form and content of any such press release to be issued pursuant to this Section 5.8(i) and shall give reasonable consideration to such comments.
- (j) In circumstances where Greenbrook provides Neuronetics with notice of a Greenbrook Superior Proposal and all documentation contemplated by Section 5.8(f)(iv) on a date that is less than seven Business Days prior to the Greenbrook Meeting, Greenbrook may, or if and as requested by Neuronetics, Greenbrook shall, either proceed with or postpone the Greenbrook Meeting to a date that is not more than seven Business Days after the scheduled date of such Greenbrook Meeting, as directed by Neuronetics, provided, however, that the Greenbrook Meeting shall not be adjourned or postponed to a date later than the seventh Business Day prior to the Outside Date.
- (k) Without limiting the generality of the foregoing, Greenbrook shall advise its Subsidiaries and its Representatives of the prohibitions set out in this Section 5.8 and any violation of the restrictions set forth in this Section 5.8 by Greenbrook, its Subsidiaries or Representatives is deemed to be a breach of this Section 5.8 by Greenbrook.
- (l) Nothing contained in this Section 5.8 shall prohibit Greenbrook or the Greenbrook Board or a committee thereof from making any disclosure to the Greenbrook Shareholders that is required by Law or stock exchange rule or listing agreement provided, however, that (i) Greenbrook shall provide Neuronetics and its legal counsel with a reasonable opportunity to review and comment on the form and content of any disclosure to be made pursuant to this Section 5.8(l) and shall give reasonable consideration to such comments, and (ii) this Section 5.8(l) shall not be deemed to permit the Greenbrook Board to make a Greenbrook Change in Recommendation other than in accordance with Section 5.8(f).

5.9 Certain Neuronetics Covenants Regarding Non-Solicitation

- (a) Except as otherwise expressly provided in this Section 5.9, Neuronetics shall not, and Neuronetics shall cause its Subsidiaries and their respective directors, officers, employees, and shall use its reasonable best efforts to cause its other Representatives, not to:
 - (i) solicit, assist, initiate, knowingly encourage or otherwise facilitate (including by way of furnishing confidential information or entering into any form of agreement, arrangement or understanding other than a confidentiality agreement pursuant to Section 5.9(e)) any inquiry, proposal or offer that constitutes or would reasonably be expected to constitute or lead to a Neuronetics Acquisition Proposal;
 - (ii) enter into, engage in, continue or otherwise participate in any discussions or negotiations with any Person (other than Greenbrook and its Subsidiaries or affiliates) in respect of any inquiry, proposal or offer that constitutes or would reasonably be expected to constitute or lead to a Neuronetics Acquisition Proposal, it being acknowledged and agreed that, provided Neuronetics is then in compliance with its obligations under this Section 5.9, Neuronetics may (x) advise any Person of the restrictions of this Agreement, (y) advise a Person who has submitted a written Neuronetics Acquisition Proposal of the conclusion (without further communication) that its Neuronetics Acquisition Proposal does not constitute a Neuronetics Superior Proposal or (z) communicate with any person solely for the purposes of clarifying the terms of any inquiry, proposal or offer made by such person;

TABLE OF CONTENTS

- (iii) accept or enter into, or publicly propose to accept or enter into, any letter of intent, agreement in principle, agreement, arrangement or undertaking relating to any Neuronetics Acquisition Proposal (other than a confidentiality agreement pursuant to Section 5.9(e));
 - (iv) (1) (i) fail to make, or withdraw, amend, modify or qualify (or publicly propose to do so), in a manner adverse to Greenbrook or fail to publicly reaffirm (without qualification) the Neuronetics Board Recommendation within five Business Days (and in any case prior to the third Business Day prior to the Neuronetics Meeting) after having been requested in writing by Greenbrook to do so (acting reasonably), or (ii) accept, approve, endorse or recommend a Neuronetics Acquisition Proposal (or publicly propose to do so), or (iii) take no position or a neutral position with respect to a Neuronetics Acquisition Proposal for more than five Business Days after the public announcement of such Neuronetics Acquisition Proposal (or beyond the third Business Day prior to the date of the Neuronetics Meeting, if sooner); or (2) resolve or propose to take any of the foregoing actions ((1) or (2) each a “**Neuronetics Change in Recommendation**”); or
 - (v) make any public announcement or take any other action inconsistent with the approval, recommendation or declaration of advisability of the Neuronetics Board of the transactions contemplated hereby.
- (b) Neuronetics shall, and shall cause its Subsidiaries and Representatives to, immediately cease any existing solicitation, discussions, negotiations or other activities commenced prior to the date of this Agreement with any Person (other than Greenbrook and its Subsidiaries or affiliates) conducted by Neuronetics or any of its Subsidiaries or Representatives with respect to any inquiry, proposal or offer that constitutes, or would reasonably be expected to constitute or lead to, a Neuronetics Acquisition Proposal, and, in connection therewith, Neuronetics will discontinue access to and disclosure of its and its Subsidiaries’ confidential information (and not allow access to or disclosure of any such confidential information, or any data room, virtual or otherwise) and shall as soon as possible (and in any event within two (2) Business Days) request, and use its commercially reasonable efforts to exercise all rights it has (or cause its Subsidiaries to exercise any rights that they have) to require the return or destruction of all confidential information regarding Neuronetics and its Subsidiaries previously provided in connection therewith to any Person other than Greenbrook to the extent such information has not already been returned or destroyed and use commercially reasonable efforts to ensure that such obligations are fulfilled.
- (c) Neuronetics represents and warrants as of the date of this Agreement that neither Neuronetics nor any of its Subsidiaries has waived any standstill, confidentiality, non-disclosure, business purpose, use or similar agreement or restriction to which Neuronetics or any of its Subsidiaries is a Party, except to permit submissions of expressions of interest prior to the date of this Agreement. Neuronetics covenants and agrees that (i) it shall enforce each standstill, confidentiality, non-disclosure, business purpose, use or similar agreement or restriction to which Neuronetics or any of its Subsidiaries is a party, and (ii) neither Neuronetics nor any of its Subsidiaries nor any of their respective Representatives has (within the last 12 months) or will, without the prior written consent of Greenbrook (which may be withheld or delayed in Greenbrook’s sole and absolute discretion), release any Person from, or waive, amend, suspend or otherwise modify such Person’s obligations respecting Neuronetics, or any of its Subsidiaries, under any standstill, confidentiality, non-disclosure, business purpose, use or similar agreement or restriction to which Neuronetics or any of its Subsidiaries is a party; provided, however, that the Parties acknowledge and agree that the automatic termination or release of any such standstill, confidentiality, non-disclosure, business purpose, use or similar agreement or restriction in accordance with its terms shall not be a breach of this Section 5.9(c).
- (d) Neuronetics shall as soon as practicable, and in any event, within 24 hours, notify Greenbrook (orally at first and then in writing, in each case within 24 hours) if it receives or otherwise becomes aware of any inquiry, proposal or offer that constitutes or would reasonably be expected to constitute or lead to a Neuronetics Acquisition Proposal, or any request for copies of, access to, or disclosure of, confidential information relating to Neuronetics or any of its Subsidiaries in relation to a possible Neuronetics Acquisition Proposal, of such Neuronetics Acquisition Proposal, inquiry, proposal, offer or request, including the identity of the Person making such Neuronetics Acquisition Proposal, inquiry,

- proposal, offer or request and the material terms and conditions thereof and copies of all material or substantive documents or correspondence received in respect of, from or on behalf of any such Person. Neuronetics shall keep Greenbrook promptly and fully informed of the material developments and, to the extent Neuronetics is permitted by Section 5.9(e) to enter into discussions or negotiations, the status of discussions and negotiations with respect to such Neuronetics Acquisition Proposal, inquiry, proposal, offer or request, including any material changes, modifications or other amendments thereto.
- (e) Notwithstanding any other provision of this Agreement, if at any time following the date of this Agreement, and prior to the Neuronetics Stockholder Approval having been obtained, Neuronetics receives a request for material non-public information or to enter into discussions, from a Person that proposes to Neuronetics an unsolicited *bona fide* written Neuronetics Acquisition Proposal that did not result from a breach of this Section 5.9 (and which has not been withdrawn) and the Neuronetics Board determines, in good faith after consultation with its outside financial and legal advisors, that such Neuronetics Acquisition Proposal constitutes or would reasonably be expected to constitute a Neuronetics Superior Proposal (disregarding, for the purposes of such determination, any due diligence or access condition to which such Neuronetics Acquisition Proposal is subject), then, and only in such case, Neuronetics may (x) enter into, participate in, facilitate and maintain discussions or negotiations with, and otherwise cooperate with or assist the Person making such Neuronetics Acquisition Proposal, and (y) provide the Person making such Neuronetics Acquisition Proposal with, or access to, confidential information regarding Neuronetics and its Subsidiaries, but only to the extent that Greenbrook had previously been, or is concurrently, provided with, or access to, the same information, if, and only if:
- (i) Neuronetics has entered into a confidentiality and standstill agreement on terms no less favourable in aggregate to Neuronetics than the Confidentiality Agreement, a copy of which shall be provided to Greenbrook promptly and in any event prior to providing such Person with any such copies, access or disclosure, and provided further that such confidentiality agreement will not contain any exclusivity provision or other term that would restrict, in any manner, Neuronetics' ability to consummate the transactions contemplated hereby or to comply with disclosure obligations to Greenbrook pursuant to this Agreement, and any such copies, access or disclosure provided to such Person will have already been, or will substantially concurrently be, provided to Greenbrook;
 - (ii) the Person submitting the Neuronetics Acquisition Proposal was not restricted from making such Neuronetics Acquisition Proposal pursuant to an existing confidentiality, standstill, non-disclosure, use, business purpose or similar agreement, restriction or covenant with Neuronetics or any of its Subsidiaries; and
 - (iii) Neuronetics has been, and continues to be, in material compliance with this Section 5.9.
- (f) Notwithstanding any other provisions of this Agreement, Neuronetics shall not make a Neuronetics Change in Recommendation unless all of the following conditions are satisfied:
- (i) the Neuronetics Board has determined that the Neuronetics Acquisition Proposal constitutes a Neuronetics Superior Proposal;
 - (ii) the Neuronetics Stockholder Approval has not been obtained;
 - (iii) Neuronetics has been, and continues to be, in material compliance with this Section 5.9;
 - (iv) Neuronetics has promptly provided Greenbrook with a notice in writing that there is a Neuronetics Superior Proposal, together with all documentation related to and detailing the Neuronetics Superior Proposal, including a copy of any proposed agreement and all ancillary documentation relating to such Neuronetics Superior Proposal as well as the cash value that the Neuronetics Board has, after consultation with outside financial advisors, determined should be ascribed to any non-cash consideration offered under the Neuronetics Superior Proposal;
 - (v) five Business Days (the "**Greenbrook Response Period**") shall have elapsed from the date Greenbrook received the notice and documentation referred to in Section 5.9(f)(iv) from Neuronetics; and

- (vi) if Greenbrook has proposed to amend the terms of the Arrangement in accordance with Section 5.9(h), the Neuronetics Board shall have determined, in good faith, after consultation with its outside financial and legal advisors, that the Neuronetics Acquisition Proposal remains a Neuronetics Superior Proposal compared to the proposed amendment to the terms of the Arrangement by Greenbrook, if applicable.
- (g) For greater certainty, notwithstanding any Neuronetics Change in Recommendation, unless this Agreement has been terminated in accordance with its terms, Neuronetics shall cause the Neuronetics Meeting to occur and the Neuronetics Resolutions to be put to the Neuronetics Stockholders thereat for consideration in accordance with this Agreement, and Neuronetics shall not, except as required by applicable Law, submit to a vote of its stockholders any Neuronetics Acquisition Proposal other than the Neuronetics Resolutions prior to the termination of this Agreement.
- (h) Neuronetics acknowledges and agrees that, during the Greenbrook Response Period or such longer period as Neuronetics may approve for such purpose, Greenbrook shall have the opportunity, but not the obligation, to propose to amend the terms of this Agreement, including a modification of the Consideration. The Neuronetics Board will review any such proposal to determine in good faith whether Greenbrook's proposal to amend this Agreement would result in the Neuronetics Acquisition Proposal ceasing to be a Neuronetics Superior Proposal. If the Neuronetics Board determines that the Neuronetics Acquisition Proposal is not a Neuronetics Superior Proposal as compared to the proposed amendments to the terms of this Agreement, it will promptly advise Greenbrook and enter into an amended agreement with Greenbrook reflecting such proposed amendments. If the Neuronetics Board continues to believe in good faith, after consultation with its outside financial and legal advisors, that such Neuronetics Acquisition Proposal remains a Neuronetics Superior Proposal and therefore rejects Greenbrook's offer to amend this Agreement and the Arrangement, if any, Neuronetics may, subject to compliance with the other provisions hereof, make a Neuronetics Change in Recommendation. Each successive modification of any Neuronetics Acquisition Proposal shall constitute a new Neuronetics Acquisition Proposal for the purposes of this Section 5.9 and Greenbrook shall be afforded a new Greenbrook Response Period in respect of each such Neuronetics Acquisition Proposal from the date on which Greenbrook received the notice and documentation referred to in Section 5.9(f)(iv) in respect of such new Neuronetics Superior Proposal from Neuronetics.
- (i) The Neuronetics Board will promptly reaffirm the Neuronetics Board Recommendation by press release after: (1) the Neuronetics Board determines any Neuronetics Acquisition Proposal that has been publicly announced or publicly disclosed is not a Neuronetics Superior Proposal; or (2) the Neuronetics Board determines that a proposed amendment to the terms of the Arrangement would result in any Neuronetics Acquisition Proposal which has been publicly announced or made not being a Neuronetics Superior Proposal. Neuronetics shall provide Greenbrook and its legal counsel with a reasonable opportunity to review and comment on the form and content of any such press release to be issued pursuant to this Section 5.9(i) and shall give reasonable consideration to such comments.
- (j) In circumstances where Neuronetics provides Greenbrook with notice of a Neuronetics Superior Proposal and all documentation contemplated by Section 5.9(f)(iv) on a date that is less than seven Business Days prior to the Neuronetics Meeting, Neuronetics may, or if and as requested by Greenbrook, Neuronetics shall, either proceed with or postpone the Neuronetics Meeting to a date that is not more than seven Business Days after the scheduled date of such Neuronetics Meeting, as directed by Greenbrook, provided, however, that the Neuronetics Meeting shall not be adjourned or postponed to a date later than the seventh Business Day prior to the Outside Date.
- (k) Without limiting the generality of the foregoing, Neuronetics shall advise its Subsidiaries and its Representatives of the prohibitions set out in this Section 5.9 and any violation of the restrictions set forth in this Section 5.9 by Neuronetics, its Subsidiaries or Representatives is deemed to be a breach of this Section 5.9 by Neuronetics.
- (l) Nothing contained in this Section 5.9 shall prohibit Neuronetics or the Neuronetics Board or a committee thereof from (i) taking and disclosing to the stockholders of Neuronetics a position contemplated by Rule 14e-2(a) or Rule 14d-9 promulgated under the U.S. Exchange Act, (ii) making any disclosure to the Neuronetics Stockholders that is required by Law or stock exchange rule or listing

agreement, (iii) complying with Item 1012(a) of Regulation M-A promulgated under the U.S. Exchange Act or (iv) making any “stop-look-and-listen” communication to the stockholders of Neuronetics pursuant to Rule 14d-9(f) under the U.S. Exchange Act (or any substantially similar communication); provided, however, that (i) Neuronetics shall provide Greenbrook and its legal counsel with a reasonable opportunity to review and comment on the form and content of any disclosure to be made pursuant to this Section 5.9(l) and shall give reasonable consideration to such comments, and (ii) this Section 5.9(l) shall not be deemed to permit the Neuronetics Board to make a Neuronetics Change in Recommendation other than in accordance with Section 5.9(f).

5.10 Access to Information; Confidentiality

- (a) From the date hereof until the earlier of the Effective Time and the termination of this Agreement pursuant to its terms, subject to compliance with applicable Laws, each of Neuronetics and Greenbrook shall, and shall cause its Representatives to, afford to the other and its Representatives such access as the other Party may reasonably require at all reasonable times, to its officers, employees, agents, properties, books, records and contracts, and shall furnish the other Party with all data and information as it may reasonably request; *provided* that the Party furnishing data or information (the “**Furnishing Party**”) shall not be required to (or to cause any of the Furnishing Party’s Subsidiaries to) afford such access or furnish such information to the extent that the Furnishing Party believes, in its reasonable good faith judgment, that doing so would (A) result in the loss of attorney-client, work product or other privilege, (B) result in the disclosure of any trade secrets of third parties or violate any obligations of the Furnishing Party or any of the Furnishing Party’s Subsidiaries with respect to confidentiality to any third party, or otherwise breach, contravene or violate any such effective Contract to which the Furnishing Party or any Subsidiary of the Furnishing Party is a party or (C) breach, contravene or violate any applicable Law; *provided* that the Furnishing Party shall use its reasonable best efforts to cause such information to be provided in a manner that would not violate the foregoing.
- (b) Neuronetics and Greenbrook acknowledge and agree that information furnished pursuant to this Section 5.10 shall be subject to the terms and conditions of the Confidentiality Agreement. Any such investigation by a Party and its representatives shall not mitigate, diminish or affect the representations and warranties of the other Party contained in this Agreement or any document or certificate given pursuant hereto.

5.11 Insurance and Indemnification

- (a) Prior to the Effective Time, Greenbrook shall purchase customary “tail” policies of directors’ and officers’ liability insurance from a reputable and financially sound insurance carrier and containing terms and conditions no less favourable in the aggregate to the protection provided by the policies maintained by Greenbrook and its Subsidiaries which are in effect immediately prior to the Effective Date and providing protection in respect of claims arising from facts or events which occurred on or prior to the Effective Time and Greenbrook will and will cause its Subsidiaries to, maintain such “tail” policies in effect without any reduction in scope or coverage for six years from the Effective Time; provided, that Greenbrook and its Subsidiaries shall not be required to pay any amounts in respect of such coverage prior to the Effective Time and provided further that the cost of such policies shall not exceed 300% of Greenbrook’s current annual aggregate premium for policies currently maintained by Greenbrook or its Subsidiaries.
- (b) Greenbrook will, and will cause its Subsidiaries to, honour all rights to indemnification or exculpation now existing in favour of present and former employees, officers and directors of Greenbrook and its Subsidiaries under Law and under the articles or other constating documents of Greenbrook and/or its Subsidiaries or under any agreement or contract of any indemnified person with Greenbrook or with any of its Subsidiaries, and acknowledges that such rights shall survive the completion of the Plan of Arrangement, and, to the extent within the control of Greenbrook, Greenbrook shall ensure that the same shall not be amended, repealed or otherwise modified in any manner that would adversely affect any right thereunder of any such indemnified person and shall continue in full force and effect in accordance with their terms for a period of not less than six years from the Effective Date.
- (c) From and following the Effective Time, Neuronetics will cause Greenbrook to comply with its obligations under Section 5.11(a) and Section 5.11(b).

- (d) If Neuronetics, Greenbrook or any of its Subsidiaries or any of their respective successors or assigns
 - (i) consolidates with or merges into any other Person and is not a continuing or surviving corporation or entity of such consolidation or merger, or (ii) transfers all or substantially all of its properties and assets to any Person, Neuronetics shall ensure that any such successor or assign (including, as applicable, any acquirer of substantially all of the properties and assets of Greenbrook or its Subsidiaries) assumes all of the obligations set forth in this Section 5.11.
- (e) The provisions of this Section 5.11 are intended for the benefit of, and shall be enforceable by, each insured or indemnified Person, his or her heirs and his or her legal representatives and, for such purpose, Greenbrook hereby confirms that it is acting as trustee on their behalf, and agrees to enforce the provisions of this Section 5.11 on their behalf. Furthermore, this Section 5.11 shall survive the termination of this Agreement as a result of the occurrence of the Effective Date for a period of six years.

5.12 Pre-Acquisition Reorganization

- (a) Subject to Section 5.12(b), Greenbrook agrees that, upon request of Neuronetics, Greenbrook shall use its commercially reasonable efforts to (i) perform such reorganizations of its corporate structure, capital structure, business, operations and assets or such other transactions as Neuronetics may request prior to the Effective Date, acting reasonably (each, a “**Pre-Acquisition Reorganization**”), and the Plan of Arrangement, if required, shall be modified accordingly, and (ii) cooperate with Neuronetics and its advisors to determine the nature of the Pre-Acquisition Reorganizations that might be undertaken and the manner in which they would most effectively be undertaken. For certainty, the Greenbrook Debt Conversion shall be subject to the covenants and agreements set forth in Section 5.14 and shall not constitute a Pre-Acquisition Reorganization for the purposes of this Section 5.12.
- (b) Greenbrook and its Subsidiaries will not be obligated to participate in any Pre- Acquisition Reorganization under Section 5.12(a) unless such Pre-Acquisition Reorganization in the opinion of Greenbrook, acting reasonably:
 - (i) cannot reasonably be expected to result in any Taxes being imposed on, or any adverse Tax consequences to, Greenbrook or the Greenbrook Shareholders incrementally greater than the Taxes to such party in connection with the consummation of the Arrangement in the absence of any Pre-Acquisition Reorganization;
 - (ii) is not prejudicial to Greenbrook Securityholders, as a whole, in any material respect;
 - (iii) does not require Greenbrook to obtain the approval of Greenbrook Securityholders and does not require the consent of any third party (including any Regulatory Approval);
 - (iv) does not unreasonably interfere with Greenbrook’s material operations prior to the Effective Time;
 - (v) does not require Greenbrook or its Subsidiaries to contravene any Contract, Regulatory Approval or applicable Laws, or its organization documents;
 - (vi) is effected as close as reasonably practicable prior to the Effective Time, and in any case no earlier than one Business Day prior to the Effective Date; and
 - (vii) does not impair the ability of Greenbrook to consummate, and will not prevent or materially delay the consummation of, the Arrangement.
- (c) Neuronetics must provide written notice to Greenbrook of any proposed Pre- Acquisition Reorganization in reasonable written detail at least ten Business Days prior to the Effective Date. Upon receipt of such notice, Greenbrook and Neuronetics shall work cooperatively and use their best efforts to prepare prior to the Effective Time all documentation necessary and do such other acts and things as are necessary to give effect to such Pre-Acquisition Reorganization, including any amendment to this Agreement or the Plan of Arrangement and such Pre-Acquisition Reorganization shall be made effective after Neuronetics has waived or confirmed that all of the conditions set out in Section 6.1 and Section 6.2 have been satisfied other than conditions that, by their terms, are to be satisfied on the Effective Date.

- (d) Unless the Arrangement is not completed due to a breach by Greenbrook of the terms and conditions of this Agreement or in circumstances that would give rise to the payment by Greenbrook of a Greenbrook Termination Fee, Neuronetics agrees that it will be responsible for all reasonable costs and expenses associated with any Pre-Acquisition Reorganization, including professional fees and expenses and Taxes, to be carried out at its request and shall indemnify and save harmless Greenbrook and its Subsidiaries and their respective Representatives from and against any and all liabilities, losses, damages, Taxes, claims, costs, expenses, interest awards, judgments and penalties suffered or incurred by any of them in connection with or as a result of any such Pre-Acquisition Reorganization (including in respect of any unwinding, reversal, modification or termination of a Pre-Acquisition Reorganization) and that any Pre-Acquisition Reorganization will not be considered in determining whether a representation or warranty of Greenbrook under this Agreement has been breached (including where any such Pre-Acquisition Reorganization requires the consent of any third party under a Contract). If the Arrangement is not completed (other than due to a breach by Greenbrook of the terms and conditions of this Agreement or in circumstances that would give rise to the payment by Greenbrook of a Greenbrook Termination Fee), Neuronetics shall reimburse Greenbrook forthwith for all reasonable fees and expenses (including any professional fees and expenses and Taxes) incurred by Greenbrook in considering or effecting all or any part of the Pre-Acquisition Reorganization or in considering or effecting any unwinding, reversal, modification or termination of the Pre-Acquisition Reorganization.

5.13 Neuronetics Facility Amendment and Financing Cooperation

- (a) Neuronetics shall use reasonable best efforts to take or cause to be taken all actions and to do, or cause to be done, all things necessary, proper or advisable to enter into an amendment to the Neuronetics Credit Agreement, which amendment shall provide for the consent to the transactions contemplated in this Agreement and an increase in borrowings of up to \$75 million (together, the “**Neuronetics Facility Amendment**”) by no later than the Effective Date. If the Neuronetics Facility Amendment becomes unavailable for any reason whatsoever, Neuronetics shall use reasonable best efforts to arrange and obtain alternative Debt Financing that provides for aggregate borrowings of up to \$75 million by no later than the Effective Date (the “**Neuronetics Alternative Facility**”).
- (b) Greenbrook agrees to use reasonable best efforts to provide, and to cause each of its Subsidiaries and each of their respective Representatives to provide, such cooperation as may be reasonably requested by Neuronetics in connection with the Neuronetics Facility Amendment, the Neuronetics Alternative Facility and any other borrowing or an issuance of debt by Neuronetics and/or any liability management transaction (including, without limitation, any exchange offers, consent solicitations or tender offers) (collectively, a “**Debt Financing**”), including, without limitation to, upon reasonable notice: (i) provide assistance with any discussions of and/or furnish, as applicable, such business, financial statements, pro forma financials, projections, management’s discussion and analysis and other customary financial data and information (including diligence materials) reasonably required in connection with any Debt Financing, (ii) direct their respective independent accountants to provide customary and reasonable assistance in connection with any Debt Financing, including in connection with providing customary comfort letters and consents, (iii) obtain customary payoff letters, releases of liens and other instruments of termination or discharge reasonably requested by Neuronetics in connection with the repayment of debt of Greenbrook and its Subsidiaries (provided that the effectiveness of any such arrangements shall be contingent on the completion of the Arrangement) and (iv) authorize and facilitate discussions, meetings and other engagement by Neuronetics, its Subsidiaries or affiliates with the current lenders, noteholders or other providers of existing indebtedness to Greenbrook or any of its Subsidiaries (including, for certainty, Madryn and holders of Greenbrook Subordinated Convertible Notes) for the purpose of obtaining Debt Financing, including by necessary or appropriate waivers of the Confidentiality Agreement to permit such activities. Neuronetics shall reimburse Greenbrook for all reasonable out-of-pocket costs or expenses incurred by Greenbrook and its Subsidiaries in connection with cooperation provided for in this Section 5.13 to the extent the information requested was not otherwise prepared or available in the ordinary course of business.
- (c) Prior to the Effective Date, none of Greenbrook, its Subsidiaries or its or their respective Representatives shall be required to take any action that: (i) would contravene any applicable Law or any agreement that relates to borrowed money to which Greenbrook or any of its Subsidiaries are a

party; (ii) would reasonably be expected to impair or prevent the satisfaction of any condition in Article 6 hereof; or (iii) would subject such Person to actual or potential liability, to bear any cost or expense or to pay any commitment or other similar fee or make any other payment or incur any other liability or provide or agree to provide any indemnity in connection with any Debt Financing or their performance of their respective obligations under this Section 5.13 or any information utilized in connection therewith (except, in the case of this paragraph (iii) in respect of Greenbrook and its Subsidiaries, to the extent such liability, cost, expense or indemnity is conditional upon the occurrence of the Effective Time). Neuronetics shall indemnify and hold harmless Greenbrook and its Subsidiaries and their respective Representatives from and against any and all costs suffered or incurred by them in connection with any Debt Financing and the performance of their respective obligations under this Section 5.13 and any information utilized in connection therewith (other than arising from information provided by Greenbrook or its Subsidiaries specifically for use in the Debt Financing pursuant to Section 5.13). Greenbrook hereby consents to the use of the logos of Greenbrook or its Subsidiaries in connection with any Debt Financing; provided, that such logos are used solely in a manner that is not intended to or reasonably likely to harm or disparage Greenbrook or any of its Subsidiaries or the reputation or goodwill of Greenbrook or any of its Subsidiaries.

5.14 Greenbrook Debt Conversion

- (a) Greenbrook shall use its reasonable best efforts to take actions within its control to facilitate the conversion of Madryn's entire remaining outstanding principal amount, with any accrued and unpaid interest thereon cancelled without any payment, under the Greenbrook Credit Agreement or otherwise into fully paid and non-assessable Greenbrook Shares in accordance with the definitive agreement dated hereof in respect of the Madryn Debt Conversion so as to cause such converted Greenbrook Shares held by Madryn to, at the Effective Time, participate in the Arrangement for the Consideration (the "**Madryn Debt Conversion**"). The Madryn Debt Conversion shall be on terms and conditions satisfactory to Neuronetics, acting reasonably (it being understood that the definitive agreement in respect of the Madryn Debt Conversion shall be reasonably satisfactory to Neuronetics if it provides that the receipt of converted Greenbrook Shares by Madryn shall be in full satisfaction of the entire indebtedness amount outstanding under the Greenbrook Credit Agreement and Madryn executes a payoff letter in customary form that provides for confirmation of payment in full, release of all liens on assets of Greenbrook and termination of, and full and final release of Greenbrook's obligations and liabilities under, the Greenbrook Credit Agreement).
- (b) Greenbrook shall use its reasonable best efforts to take actions within its control to facilitate (i) the conversion of the entire remaining outstanding principal amount, together with any accrued and unpaid interest thereon and any fees owed thereunder, of all of the Greenbrook Subordinated Convertible Notes (other than the Greenbrook Subordinated Convertible Notes held by Madryn) by each of the holders thereof (other than Madryn) into fully paid and non-assessable Greenbrook Shares in accordance with the applicable definitive agreement in respect of the Convertible Note Conversion (as defined below) so as to cause such converted Greenbrook Shares held by such holders to, at the Effective Time, participate in the Arrangement for the Consideration; and (ii) the conversion of the entire remaining outstanding principal amount, with any accrued and unpaid interest thereon cancelled without any payment, of all of the Greenbrook Subordinated Convertible Notes held by Madryn into fully paid and non-assessable Greenbrook Shares in accordance with the applicable definitive agreement dated hereof in respect of the Convertible Note Conversion so as to cause such converted Greenbrook Shares held by Madryn to, at the Effective Time, participate in the Arrangement for the Consideration (together, the "**Convertible Note Conversion**"). The Convertible Note Conversion shall be on terms and conditions satisfactory to Neuronetics, acting reasonably (it being understood that each definitive agreement in respect of the Convertible Note Conversion shall be reasonably satisfactory to Neuronetics if it provides that the receipt of converted Greenbrook Shares by such holder shall be in full satisfaction of the entire indebtedness amount outstanding under the Greenbrook Subordinated Convertible Notes held by such holder and such holder executes a payoff letter in customary form that provides for confirmation of payment in full and termination of, and full and final release of Greenbrook's obligations and liabilities under, the Greenbrook Subordinated Convertible Notes).

- (c) Within fourteen days following the execution of this Agreement, Greenbrook shall provide Neuronetics and its advisors with all necessary and relevant information, documents, and data reasonably requested by Neuronetics and its advisors to assess the Tax considerations and potential Tax liabilities associated with the Greenbrook Debt Conversion (the “**Tax Information**”). Greenbrook shall cooperate fully with Neuronetics and its advisors in providing the Tax Information and shall promptly respond to any further inquiries or requests for clarification from Neuronetics and its advisors. Greenbrook shall also make available, upon reasonable request, any personnel or advisors who have relevant knowledge concerning the Tax Information. Neuronetics agrees that all Tax Information provided by Greenbrook shall be treated as confidential and used solely for the purpose of assessing the Tax considerations and potential Tax liabilities associated with the Greenbrook Debt Conversion.

5.15 Termination of Greenbrook 401(k) Plan.

Unless instructed otherwise by Neuronetics, the Board of Directors of Greenbrook or its appropriate Subsidiary shall adopt resolutions terminating, effective at least two (2) Business Days prior to the Closing Date, any Greenbrook Benefit Plan which is intended to meet the requirements of Section 401(k) of the Code (each such Employee Plan, a “**401(k) Plan**”). Greenbrook shall provide Neuronetics drafts of the executed resolutions authorizing termination of each such 401(k) Plan and, as appropriate, drafts of each amendment to each such 401(k) Plan intended to assure compliance with all applicable requirements of the Code and regulations thereunder. Such drafts shall be satisfactory to Neuronetics prior to becoming effective, which consent shall not be unreasonably withheld by Neuronetics. Greenbrook shall take (or cause to be taken) such other actions in furtherance of terminating each 401(k) Plan as Neuronetics may reasonably request.

5.16 Employment and Benefit Arrangements

- (a) For a period of no less than twelve (12) months following the Effective Date (but not beyond the date of the applicable employee’s termination of employment), Neuronetics will provide (or cause an affiliate of Neuronetics (including Greenbrook following the Effective Date) to provide) each employee of Greenbrook or any of its Subsidiaries as of the Effective Date who continues in employment with Neuronetics or any of its affiliates (including Greenbrook following the Effective Date) following the Effective Date (each, a “**Continuing Employee**”) with (i) a base salary or an hourly wage rate, as applicable, that is no lower than the base salary or hourly wage rate provided to such Continuing Employee immediately prior to the Effective Date, (ii) cash bonus and/or commission opportunities that are substantially similar in the aggregate to those provided by Greenbrook or its Subsidiaries to such Continuing Employee immediately prior to the Effective Date and (iii) employee benefits (including any paid leave, paid time off, health, welfare and retirement but excluding severance benefits, post-retirement health and welfare, and any equity or equity-based awards, change in control, post-retirement health and welfare or defined benefit pension benefits) that are substantially similar in the aggregate to those provided to (x) in the case of employees located in the United States, similarly situated employees of Neuronetics, (y) in the case of employees located in Canada, by Greenbrook or its Subsidiaries to such Continuing Employee immediately prior to the Effective Date.
- (b) For purposes of determining eligibility, vesting, participation and calculation of benefits under each Neuronetics Benefit Plan, each Continuing Employee shall be credited with his or her years of service with Greenbrook and its Subsidiaries (and any predecessors) prior to the Effective Date to the same extent as such Continuing Employee was entitled, before the Effective Date, to credit for such service under any comparable Greenbrook Benefit Plans, except to the extent providing such credit would result in any duplication of benefits. In addition, Neuronetics shall (or shall cause an affiliate of Neuronetics (including Greenbrook following the Effective Date) to) use commercially reasonable best efforts to cause benefit plan providers to cause: (i) each Continuing Employee to be eligible to participate, without any waiting time, in any and all Neuronetics Benefit Plans; (ii) each Neuronetics Benefit Plan providing medical, dental, hospital, pharmaceutical or vision benefits to provide that all pre-existing condition exclusions and actively-at-work requirements of such Neuronetics Benefit Plan are waived for such Continuing Employee and his or her covered dependents (except to the extent that such exclusions or requirements applied to the Continuing Employee under comparable Greenbrook Benefit Plans as of the Effective Date); and (iii) each Neuronetics Benefit Plan providing medical, dental, hospital, pharmaceutical or vision benefits to give effect, in determining any deductible and maximum out-of-pocket limitations under such Neuronetics Benefit Plan for

the plan year in which the Effective Date occurs, to claims incurred and amounts paid by, and amounts reimbursed to, the Continuing Employees during the plan year of the applicable Greenbrook Benefit Plan during which the Effective Date occurs (but prior to the Effective Date).

- (c) The provisions of this Section 5.16 are solely for the benefit of the Parties to this Agreement, and neither any Continuing Employee nor any other current or former independent contractor or other service provider, or any other individual associated therewith, shall be regarded for any purpose as a third-party beneficiary of this Section 5.16. In no event shall the terms of this Agreement be deemed to (i) establish, amend or modify any Greenbrook Benefit Plan, Neuronetics Benefit Plan, or any “employee benefit plan” as defined in Section 3(3) of ERISA or any other benefit plan, program, agreement or arrangement maintained or sponsored by Neuronetics, Greenbrook or any of their respective Subsidiaries or affiliates; (ii) alter or limit the ability of Neuronetics or its affiliates (including Greenbrook following the Effective Date) to amend, modify or terminate any Neuronetics Benefit Plan or any other benefit or employment plan, program, agreement or arrangement after the Effective Date, or to terminate the employment of any Continuing Employee; or (iii) confer upon any Continuing Employee or any other current or former independent contractor or other service provider any right to employment or service or continued employment or continued service with Neuronetics or any of its affiliates (including Greenbrook following the Effective Date), or constitute or create an employment agreement with any employee.

 - (i) cause any of the representations or warranties of either Party contained herein to be untrue, misleading or inaccurate in any material respect on the date hereof or at the Effective Date; or
 - (ii) result in the failure to comply with or satisfy any covenant, condition or agreement to be complied with or satisfied by either Party prior to or at the Effective Date.
- (b) Notification provided under this Section 6.5 will not affect the representations, warranties, covenants, agreements or obligations of the Parties (or remedies with respect thereto) or the conditions to the obligations of the Parties under this Agreement.

6.6 Frustration of Conditions

Neither Neuronetics nor Greenbrook may rely on the failure of any condition set forth in Section 6.1, Section 6.2 or Section 6.3, as applicable, to be satisfied if such failure was caused by such Party's breach in any material respect of any provision of this Agreement or failure in any material respect to use the standard of efforts required from such Party to consummate the transactions contemplated hereby.

ARTICLE 7 TERM, TERMINATION, AMENDMENT AND WAIVER

7.1 Term

This Agreement shall be effective from the date hereof until the earlier of the Effective Time and the termination of this Agreement in accordance with its terms.

7.2 Termination

 - (i) by mutual written agreement of Greenbrook and Neuronetics;
 - (ii) by either Greenbrook or Neuronetics, if:
 - (A) the Effective Time shall not have occurred on or before the Outside Date, except that the right to terminate this Agreement under this Section 7.2(a)(ii)(A) shall not be available to any Party whose failure to fulfill any of its obligations or breach of any of its representations and warranties under this Agreement has been the cause of, or resulted in, the failure of the Effective Time to occur by the Outside Date;
 - (B) after the date hereof, there shall be enacted or made any applicable Law or Order that remains in effect and that makes consummation of the Arrangement illegal or otherwise prohibits or enjoins Greenbrook or Neuronetics from consummating the Arrangement and such Law, Order or injunction shall have become final and non-appealable;

 - (D) the Neuronetics Stockholder Approval shall not have been obtained at the Neuronetics Meeting except that the right to terminate this Agreement under this Section 7.2(a)(ii)(D) shall not be available to any Party whose failure to fulfill any of its obligations or breach of any of its representations and warranties under this Agreement has been the cause of, or resulted in, the failure to receive the Neuronetics Stockholder Approval.

- (E) prior to obtaining the Greenbrook Shareholder Approval, the Greenbrook Board authorizes Greenbrook to enter into a written agreement with respect to a Greenbrook Superior Proposal in accordance with Section 5.8, provided that prior to or concurrent with such termination, Greenbrook pays the Greenbrook Termination Fee in accordance with Section 7.3(b)(ii).
- (b) The Party desiring to terminate this Agreement pursuant to this Section 7.2 (other than pursuant to Section 7.2(a)(i)) shall give written notice of such termination to the other Party, specifying in reasonable detail the basis for such Party's exercise of its termination right.
- (c) If this Agreement is terminated pursuant to Section 7.1 or Section 7.2, this Agreement shall become void and be of no further force or effect without liability of any Party (or any shareholder, director, officer, employee, agent, consultant or Representative of such Party) to any other Party hereto, except that: (i) in the event of termination under Section 7.1 as a result of the Effective Time occurring, the provisions of this Section 7.2(c) and Sections 5.11, 5.12, 8.2 and 8.9 and all related definitions set forth in Section 1.1 shall survive for a period of six years thereafter and Section 2.16 will survive indefinitely; (ii) in the event of termination under Section 7.2, the provisions of this Section 7.2(c) and Sections 5.10(b), 7.3, and 8.2, 8.3, 8.5, 8.6 and 8.8 and all related definitions set forth in Section 1.1 and the provisions of the Confidentiality Agreement shall survive any termination hereof pursuant to Section 7.2 and Section 2.16 will survive indefinitely; and (iii) neither Party shall be relieved or released from any liabilities or damages arising out of its willful breach of any provision of this Agreement.

7.3 Termination Fees

- (a) Except as otherwise provided herein, all fees, costs and expenses incurred in connection with this Agreement and the Plan of Arrangement shall be paid by the Party incurring such fees, costs or expenses.
- (b) For the purposes of this Agreement, "**Greenbrook Termination Fee Event**" means the termination of this Agreement:

If a Greenbrook Termination Fee Event occurs, Greenbrook shall pay the Greenbrook Termination Fee to Neuronetics, by wire transfer of immediately available funds, as follows:

- (A) if the Greenbrook Termination Fee is payable pursuant to Section 7.3(b)(i), the Termination Fee shall be payable within two Business Days following such termination;
 - (B) if the Greenbrook Termination Fee is payable pursuant to Section 7.3(b)(ii), the Termination Fee shall be payable concurrently with such termination;
 - (C) if the Greenbrook Termination Fee is payable pursuant to Section 7.3(b)(iii), the Termination Fee shall be payable (i) if Greenbrook terminates this Agreement concurrently with such termination and (ii) if Neuronetics terminates this Agreement, within two Business Days following such termination; or
 - (D) if the Greenbrook Termination Fee is payable pursuant to Section 7.3(b)(iv), the Termination Fee shall be payable concurrently upon the consummation of the Greenbrook Acquisition Proposal referred to therein.
- (c) For the purposes of this Agreement, “**Neuronetics Termination Fee Event**” means the termination of this Agreement:
- (i) by Greenbrook pursuant to Section 7.2(a)(iv)(A) [*Neuronetics Change in Recommendation*] or Section 7.2(a)(iv)(B) [*Neuronetics Breach of Non-Solicit*];
 - (ii) by Neuronetics pursuant to Section 7.2(a)(iii)(E) [*To enter into a Neuronetics Superior Proposal*];
 - (iii) by either Party pursuant to Section 7.2(a)(ii)(D) [*Failure to Obtain the Neuronetics Stockholder Approval*] following a Neuronetics Change in Recommendation; or
 - (iv) by either Party pursuant to Section 7.2(a)(ii)(A) [*Effective Time Not Occurring Prior to the Outside Date*] or Section 7.2(a)(ii)(D) [*Failure to Obtain the Neuronetics Stockholder Approval*] or by Greenbrook pursuant to Section 7.2(a)(iv)(D) [*Breach of Representations, Warranties or Covenants*], but only if, in these termination events, (x) prior to such termination, a *bona fide* Neuronetics Acquisition Proposal for Neuronetics shall have been made or publicly announced by any Person other than Greenbrook (and, if the Neuronetics Meeting is held, is not withdrawn at least five Business Days prior to the date of the Neuronetics Meeting) and (y) within 12 months following the date of such termination, (A) Neuronetics or one or more of its Subsidiaries enters into a definitive agreement in respect of an Neuronetics Acquisition Proposal (whether or not such Neuronetics Acquisition Proposal is the same Neuronetics Acquisition Proposal referred to in paragraph (x) above) and such Neuronetics Acquisition Proposal is later consummated (whether or not within 12 months after such termination) or (B) a Neuronetics Acquisition Proposal shall have been consummated (whether or not such Neuronetics Acquisition Proposal is the same Neuronetics Acquisition Proposal referred to in paragraph (x) above), provided that for purposes of this Section 7.3(c)(iv), the term “**Neuronetics Acquisition Proposal**” shall have the meaning ascribed to such term in Section 1.1 except that a reference to “20 per cent” therein shall be deemed to be a reference to “50 per cent”.

If a Neuronetics Termination Fee Event occurs, Neuronetics shall pay the Neuronetics Termination Fee to Greenbrook, by wire transfer of immediately available funds, as follows:

- (A) if the Neuronetics Termination Fee is payable pursuant to Section 7.3(c)(i), the Termination Fee shall be payable within two Business Days following such termination;

- (C) if the Neuronetics Termination Fee is payable pursuant to Section 7.3(c)(iii), the Termination Fee shall be payable (i) if Neuronetics terminates this Agreement, concurrently with such termination and (ii) if Greenbrook terminates this Agreement, within two Business Days following such termination; or

- (D) if the Neuronetics Termination Fee is payable pursuant to Section 7.3(c)(iv), the Termination Fee shall be payable concurrently upon the consummation of the Neuronetics Acquisition Proposal referred to therein.
- (d) The Parties acknowledge that all of the payment amounts set out in this Section 7.3 are payments of liquidated damages which are a genuine pre-estimate of the damages which the other Party entitled to such damages will suffer or incur as a result of the event giving rise to such payment and the resultant termination of this Agreement and are not penalties. Each Party irrevocably waives any right it may have to raise as a defence that any such liquidated damages are excessive or punitive. For greater certainty, each Party agrees that, upon any termination of this Agreement by either Party under circumstances where Greenbrook or Neuronetics is entitled to a Termination Fee and such Termination Fee is paid in full, Greenbrook or Neuronetics, as the case may be, shall be precluded from any other remedy against the other Party at Law or in equity or otherwise (including, without limitation, an order for specific performance), and shall not seek to obtain any recovery, judgment, or damages of any kind, including consequential, indirect, or punitive damages, against the other Party or any of its Subsidiaries or any of their respective directors, officers, employees, partners, managers, members, shareholders or affiliates or their respective representatives in connection with this Agreement or the transactions contemplated hereby, provided that the foregoing limitation shall not apply in the event of fraud or wilful breach of this Agreement by a Party.

7.4 Amendment

Subject to the provisions of the Interim Order, the Plan of Arrangement and applicable Laws, this Agreement and the Plan of Arrangement may, at any time and from time to time before or after the holding of the Greenbrook Meeting but not later than the Effective Time, be amended by mutual written agreement of the Parties, without further notice to or authorization on the part of Greenbrook Shareholders, and any such amendment may without limitation:

- (a) change the time for performance of any of the obligations or acts of the Parties;
- (b) waive any inaccuracies or modify any representation or warranty contained herein or in any document delivered pursuant hereto;
- (c) waive compliance with or modify any of the covenants herein contained and waive or modify performance of any of the obligations of the Parties; and/or
- (d) waive compliance with or modify any mutual conditions precedent herein contained.

7.5 Waiver

Any Party may: (a) extend the time for the performance of any of the obligations or acts of the other Party; (b) waive compliance, except as provided herein, with any of the other Party's agreements or the fulfilment of any conditions to its own obligations contained herein; or (c) waive inaccuracies in any of the other Party's representations or warranties contained herein or in any document delivered by the other Party; provided, however, that any such extension or waiver shall be valid only if set forth in an instrument in writing signed on behalf of such Party and, unless otherwise provided in the written waiver, will be limited to the specific breach or condition waived. A Party's failure or delay in exercising any right under this Agreement will not operate as a waiver of that right. A single or partial exercise of any right will not preclude a Party from any other or further exercise of that right or the exercise of any other right.

8.2 Governing Law

This Agreement shall be governed, including as to validity, interpretation and effect, by the Laws of the Province of Ontario and the Laws of Canada applicable therein. Each of the Parties hereby irrevocably attorns to the

TABLE OF CONTENTS

exclusive jurisdiction of the courts of the Province of Ontario in respect of all matters arising under and in relation to this Agreement and the Arrangement and waives any defences to the maintenance of an action in the Courts of the Province of Ontario.

8.3 Injunctive Relief

Subject to Section 7.3(d), the Parties agree that irreparable harm would occur for which money damages would not be an adequate remedy at Law in the event that any of the provisions of this Agreement were not performed in accordance with their specific terms or were otherwise breached. Accordingly, the Parties agree that, in the event of any breach or threatened breach of this Agreement by a Party, the non-breaching Party will be entitled, without the requirement of posting a bond or other security, to equitable relief, including injunctive relief and specific performance, and the Parties shall not object to the granting of injunctive or other equitable relief on the basis that there exists an adequate remedy at law. Subject to Section 7.3(d), such remedies will not be the exclusive remedies for any breach of this Agreement but will be in addition to all other remedies available at Law or equity to each of the Parties.

8.4 Time of Essence

Time shall be of the essence in this Agreement.

8.5 Entire Agreement, Binding Effect and Assignment

This Agreement (including the exhibits and schedules hereto) and the Confidentiality Agreement constitute the entire agreement, and supersede all other prior agreements, understandings, negotiations and discussions, both written and oral, between the Parties, or any of them, with respect to the subject matter hereof and thereof and, except as expressly provided herein, this Agreement is not intended to and shall not confer upon any Person other than the Parties any rights or remedies hereunder. This Agreement shall be binding upon and shall enure to the benefit of the Parties and their respective successors and permitted assigns. Neither this Agreement nor any of the rights, interests or obligations hereunder may be assigned by any of the Parties without the prior written consent of the other Party.

8.6 No Liability

No director or officer of Neuronetics shall have any personal liability whatsoever to Greenbrook under this Agreement, or any other document delivered in connection with the transactions contemplated hereby on behalf of Neuronetics. No director or officer of Greenbrook shall have any personal liability whatsoever to Neuronetics under this Agreement, or any other document delivered in connection with the transactions contemplated hereby on behalf of Greenbrook.

8.7 Severability

If any term or other provision of this Agreement is invalid, illegal or incapable of being enforced by any rule or Law or public policy, that provision will be severed from this Agreement and all other conditions and provisions of this Agreement shall nevertheless remain in full force and effect so long as the economic or legal substance of the transactions contemplated hereby is not affected in any manner materially adverse to any Party. Upon such determination that any term or other provision is invalid, illegal or incapable of being enforced, the Parties shall negotiate in good faith to modify this Agreement so as to effect the original intent of the Parties as closely as possible in an acceptable manner to the end that the transactions contemplated hereby are fulfilled to the fullest extent possible.

8.8 Waiver of Jury Trial

Each Party hereto (on behalf of itself and any of its affiliates, directors, officers, employees, agents and representatives) hereby waives, to the fullest extent permitted by applicable Laws, any right it may have to a trial by jury in respect of any suit, action or other proceeding arising out of this Agreement or the transactions contemplated hereby or the actions of the Parties in the negotiation, administration, performance and enforcement of this Agreement. Each Party hereto (a) certifies that no representative, agent or attorney of any other Party has

represented, expressly or otherwise, that such Party would not, in the event of any action, suit or proceeding, seek to enforce the foregoing waiver and (b) acknowledges that it and the other Parties hereto have been induced to enter into this Agreement, by, among other things, the mutual waiver and certifications in this Section 8.8.

8.9 Third Party Beneficiaries

The provisions of Section 5.11 and Section 8.6 are: (i) intended for the benefit of all present and former directors and officers of the applicable Party and its Subsidiaries, as and to the extent applicable in accordance with their terms, and shall be enforceable by each of such Persons and his or her heirs, executors administrators and other legal representatives (collectively, the “**Third Party Beneficiaries**”) and the applicable Party shall hold the rights and benefits in trust for and on behalf of the Third Party Beneficiaries and such applicable Party hereby accepts such trust and agrees to hold the benefit of and enforce performance of such covenants on behalf of the Third Party Beneficiaries; and (ii) in addition to, and not in substitution for, any other rights that the Third Party Beneficiaries may have by contract or otherwise. Except as provided in this Section 8.9, this Agreement shall not confer any rights or remedies upon any Person other than the Parties and their respective successors and permitted assigns.

8.10 Counterparts; Execution

This Agreement may be executed in one or more counterparts, each of which shall be deemed to be an original but all of which together shall constitute one and the same instrument. The Parties shall be entitled to rely upon delivery of an executed facsimile or similar executed electronic copy of this Agreement, and such facsimile or similar executed electronic copy shall be legally effective to create a valid and binding agreement between the Parties.

8.11 Disclosure Requirements

The Parties agree to reasonably cooperate in good faith to determine whether any transaction set out in this Agreement or the Plan of Arrangement, or any transaction that may be considered to be part of the same series of transactions as the transactions set out in this Agreement or the Plan of Arrangement, is a “reportable transaction” as defined in section 237.3 of the Tax Act (as such definition is amended from time to time) or a “notifiable transaction” as defined in section 237.4 of the Tax Act (as such definition is amended from time to time) (each, a “**Disclosure Requirement**”), and if any such transaction is mutually determined to be required to be so reported, to cooperate to make such filings on a timely basis. Notwithstanding the foregoing, no Party shall be under any obligation not to report a transaction that it determines, acting reasonably, to be subject to a Disclosure Requirement, provided that if at any time such Party has determined, or becomes aware that an “advisor” (as defined for purposes of section 237.3 or section 237.4 of the Tax Act) has determined, that any transaction set out in this Agreement or the Plan of Arrangement, or any transaction that may be considered to be part of the same series of transactions as the transactions set out in this Agreement or the Plan of Arrangement is, are or would be subject to a Disclosure Requirement, such Party will promptly and with reasonable detail inform the other Party of the determination.

 - (iii) Neuronetics shall be and shall be deemed to be the holder of all of the outstanding Greenbrook Shares (free and clear of all Liens) and the central securities register of Greenbrook shall be, and shall be deemed to be, revised accordingly.

The events provided for in this Section 3.1 will be deemed to occur on the Effective Date, notwithstanding that certain procedures related thereto may not be completed until after the Effective Date.

3.2 No Fractional Shares

- (a) In no event shall any Greenbrook Shareholder be entitled to a fractional Neuronetics Share. Where the aggregate number of Neuronetics Shares to be issued to a Greenbrook Shareholder as consideration under the Arrangement would result in a fraction of a Neuronetics Share being issuable, the number of Neuronetics Shares to be received by such Greenbrook Shareholder shall be rounded down to the nearest whole Neuronetics Share. In lieu of any such fractional Neuronetics Share, each Greenbrook Shareholder otherwise entitled to a fractional interest in a Neuronetics Share will be entitled to receive a cash payment equal to an amount representing such Greenbrook Shareholder's proportionate interest in the net proceeds from the sale by the Depositary on behalf of all such Greenbrook Shareholders of the Neuronetics Excess Shares.

- (b) As promptly as practicable following the Effective Time, the Depositary shall determine the excess of (i) the number of Neuronetics Shares issued and delivered to the Depositary pursuant to Article 5 representing the Consideration Shares over (ii) the aggregate number of whole Consideration Shares to be issued to Greenbrook Shareholders pursuant to Section 3.1(h) (such excess, the “**Neuronetics Excess Shares**”). Following the Effective Time, the Depositary shall, on behalf of the former Greenbrook Shareholders, sell the Neuronetics Excess Shares at the then prevailing prices on the NASDAQ. The sale of the Neuronetics Excess Shares by the Depositary shall be executed on the NASDAQ through one or more members firms of the NASDAQ and shall be executed in round lots to the extent applicable. The Depositary shall use its commercially reasonable efforts to complete the sale of the Neuronetics Excess Shares as promptly following the Effective Time as is practicable, consistent with obtaining the best execution of such sales in light of prevailing market conditions. Until the net proceeds of such sale or sales have been distributed to former Greenbrook Shareholders, the Depositary shall hold such proceeds in trust for such former Greenbrook Shareholders (the “**Neuronetics Share Trust**”). The amount of all commissions, transfer taxes and other out-of-pocket transaction costs, including expenses and compensation of the Depositary incurred in connection with such sale of Neuronetics Excess Shares shall be paid by Neuronetics. The Depositary shall determine the portion of the Neuronetics Share Trust to which each former Greenbrook Shareholder is entitled, if any, by multiplying the amount of the aggregate net proceeds composing the Neuronetics Share Trust by a fraction, the numerator of which is the amount of the fractional share interest to which such former Greenbrook Shareholder is entitled (after taking into account all Greenbrook Shares held as of immediately prior to the Effective Time by such former Greenbrook Shareholder) and the denominator of which is the aggregate amount of fractional Neuronetics Shares to which all former Greenbrook Shareholders are entitled.
- (c) As soon as practicable after the determination of the amount of cash, if any, to be paid to former Greenbrook Shareholders with respect to any fractional Neuronetics Shares, the Depositary shall make available such amounts to such former Greenbrook Shareholders.

ARTICLE 4 DISSENT RIGHTS

4.1 Dissent Rights

- (d) In connection with the Arrangement, each registered Greenbrook Shareholder may exercise rights of dissent (“**Dissent Rights**”) with respect to the Greenbrook Shares held by such Greenbrook Shareholder pursuant to Section 185 of the OBCA, as modified by the Interim Order, the Final Order and this Section 4.1(a); provided that, notwithstanding Section 185(6) of the OBCA, the written objection to the Arrangement Resolution referred to in Section 185(6) of the OBCA must be received by Greenbrook not later than 4:00 p.m. (Toronto time) two Business Days immediately preceding the date of the Greenbrook Meeting. Dissenting Shareholders who are:
- (i) ultimately entitled to be paid by Neuronetics the fair value for their Dissent Shares (A) shall be deemed to not to have participated in the transactions in Article 3 (other than Section 3.1(g)); (B) shall be deemed to have transferred and assigned such Dissent Shares (free and clear of any Liens) to Neuronetics in accordance with Section 3.1(g); (C) will be entitled to be paid the fair value of such Dissent Shares by Neuronetics, which fair value, notwithstanding anything to the contrary contained in the OBCA, shall be determined as of the close of business on the day before the Arrangement Resolution was adopted at the Greenbrook Meeting; and (D) will not be entitled to any other payment or consideration, including any payment that would be payable under the Arrangement had such holders not exercised their Dissent Rights in respect of such Greenbrook Shares; or
- (ii) ultimately not entitled, for any reason, to be paid by Neuronetics the fair value for their Dissent Shares, shall be deemed to have participated in the Arrangement in respect of those Greenbrook Shares on the same basis as a non-dissenting Greenbrook Shareholder and shall be entitled to receive only the Consideration from Neuronetics in the same manner as such non- Dissenting Shareholders.

To the extent that the amount so required to be deducted or withheld from any amounts payable, issuable or otherwise deliverable to a Person under this Plan of Arrangement or the Arrangement Agreement exceeds the amount of cash otherwise payable to such Person, Neuronetics, Greenbrook, any of their affiliates and the Depository are hereby authorized to sell or otherwise dispose, or direct any other Person to sell or otherwise dispose, of such portion of the non-cash consideration or non-cash amounts payable, issuable or otherwise deliverable hereunder to such Person as is necessary to provide sufficient funds to Neuronetics, Greenbrook, any of their affiliates and the Depository, as the case may be, to enable it to comply with such deduction or withholding requirement and Neuronetics, Greenbrook, any of their affiliates and the Depository, as applicable, shall notify the relevant Person of such sale or other disposition and remit to such Person any unapplied balance of the net proceeds of such sale or other disposition (after deduction for (x) the amounts required to satisfy the required withholding under this Plan of Arrangement and the Arrangement Agreement in respect of such Person, (y) reasonable commissions payable to the broker and (z) other reasonable costs and expenses).

3.2 No Fractional Shares

- (a) In no event shall any Greenbrook Shareholder be entitled to a fractional Neuronetics Share. Where the aggregate number of Neuronetics Shares to be issued to a Greenbrook Shareholder as consideration under the Arrangement would result in a fraction of a Neuronetics Share being issuable, the number of Neuronetics Shares to be received by such Greenbrook Shareholder shall be rounded down to the nearest whole Neuronetics Share. In lieu of any such fractional Neuronetics Share, each Greenbrook Shareholder otherwise entitled to a fractional interest in a Neuronetics Share will be entitled to receive a cash payment equal to an amount representing such Greenbrook Shareholder's proportionate interest in the net proceeds from the sale by the Depositary on behalf of all such Greenbrook Shareholders of the Neuronetics Excess Shares.

- (b) As promptly as practicable following the Effective Time, the Depositary shall determine the excess of (i) the number of Neuronetics Shares issued and delivered to the Depositary pursuant to Article 5 representing the Consideration Shares over (ii) the aggregate number of whole Consideration Shares to be issued to Greenbrook Shareholders pursuant to Section 3.1(h) (such excess, the “**Neuronetics Excess Shares**”). Following the Effective Time, the Depositary shall, on behalf of the former Greenbrook Shareholders, sell the Neuronetics Excess Shares at the then prevailing prices on the NASDAQ. The sale of the Neuronetics Excess Shares by the Depositary shall be executed on the NASDAQ through one or more members firms of the NASDAQ and shall be executed in round lots to the extent applicable. The Depositary shall use its commercially reasonable efforts to complete the sale of the Neuronetics Excess Shares as promptly following the Effective Time as is practicable, consistent with obtaining the best execution of such sales in light of prevailing market conditions. Until the net proceeds of such sale or sales have been distributed to former Greenbrook Shareholders, the Depositary shall hold such proceeds in trust for such former Greenbrook Shareholders (the “**Neuronetics Share Trust**”). The amount of all commissions, transfer taxes and other out-of-pocket transaction costs, including expenses and compensation of the Depositary incurred in connection with such sale of Neuronetics Excess Shares shall be paid by Neuronetics. The Depositary shall determine the portion of the Neuronetics Share Trust to which each former Greenbrook Shareholder is entitled, if any, by multiplying the amount of the aggregate net proceeds composing the Neuronetics Share Trust by a fraction, the numerator of which is the amount of the fractional share interest to which such former Greenbrook Shareholder is entitled (after taking into account all Greenbrook Shares held as of immediately prior to the Effective Time by such former Greenbrook Shareholder) and the denominator of which is the aggregate amount of fractional Neuronetics Shares to which all former Greenbrook Shareholders are entitled.
- (c) As soon as practicable after the determination of the amount of cash, if any, to be paid to former Greenbrook Shareholders with respect to any fractional Neuronetics Shares, the Depositary shall make available such amounts to such former Greenbrook Shareholders.

ARTICLE 4 DISSENT RIGHTS

- (ii) ultimately not entitled, for any reason, to be paid by Neuronetics the fair value for their Dissent Shares, shall be deemed to have participated in the Arrangement in respect of those Greenbrook Shares on the same basis as a non-dissenting Greenbrook Shareholder and shall be entitled to receive only the Consideration from Neuronetics in the same manner as such non- Dissenting Shareholders.

- (e) In no event shall Neuronetics or Greenbrook or any other Person be required to recognize a Dissenting Shareholder as a registered or beneficial owner of Greenbrook Shares or any interest therein (other than the rights set out in this Section 4.1) at or after the Effective Time, and as at the Effective Time the names of such Dissenting Shareholders shall be deleted from the central securities register of Greenbrook.

5.1 Certificates and Payments

- (a) Following receipt of the Final Order and prior to the Effective Time, Neuronetics shall deliver or cause to be delivered to the Depositary such number of Neuronetics Shares required to satisfy the aggregate Consideration payable to the Greenbrook Shareholders in accordance with Section 3.1, which Neuronetics Shares shall be held by the Depositary as agent and nominee for such former Greenbrook Shareholders for distribution to such former Greenbrook Shareholders in accordance with the provisions of this Article 5.
- (b) Upon surrender to the Depositary for cancellation of a certificate or a direct registration statement (“**DRS**”) Advice that immediately prior to the Effective Time represented outstanding Greenbrook Shares that were transferred pursuant to Section 3.1(h), together with a duly completed and executed Letter of Transmittal and any such additional documents and instruments as the Depositary may reasonably require, the registered holder of the Greenbrook Shares represented by such surrendered certificate or DRS Advice shall be entitled to receive in exchange therefor, and the Depositary shall deliver to such Greenbrook Shareholder a certificate or DRS Advice representing the Consideration that such Greenbrook Shareholder has the right to receive under the Arrangement for such Greenbrook Shares, less any amounts withheld pursuant to Section 5.3, and any certificate or DRS Advice so surrendered shall forthwith be cancelled.
- (c) After the Effective Time and until surrendered for cancellation as contemplated by Section 5.1(b), each certificate or DRS Advice that immediately prior to the Effective Time represented one or more Greenbrook Shares (other than Greenbrook Shares held by Neuronetics or any of its affiliates) shall be deemed at all times to represent only the right to receive in exchange therefor the Consideration that the holder of such certificate or DRS Advice is entitled to receive in accordance with Section 3.1, less any amounts withheld pursuant to Section 5.3.
- (d) Following receipt of the Final Order and prior to the Effective Time, Greenbrook shall deliver or cause to be delivered to the Depositary (unless the parties otherwise agree) sufficient funds to satisfy the aggregate amount of cash payable to the holders of the Greenbrook DSUs in accordance with Section 3.1, which cash shall be held by the Depositary as agent and nominee for such former holder of Greenbrook DSUs for distribution to such former holder of Greenbrook DSUs in accordance with the provisions of this Article 5. The delivery of such funds to the Depositary following receipt of the Final Order and prior to the Effective Time shall constitute full satisfaction of the rights of former holders of Greenbrook DSUs and such former holders of Greenbrook DSUs shall have no claim against Greenbrook or Neuronetics except to the extent that the funds delivered by Greenbrook to the Depositary (except to the extent such funds are withheld in accordance with Section 5.3) are insufficient to satisfy the amounts payable to such former holders of Greenbrook DSUs or are not paid by the Depositary to such former holders of Greenbrook DSUs in accordance with the terms hereof. As soon as practicable after the Effective Time, the Depositary shall pay or cause to be paid the amounts,

less applicable withholdings, to be paid to former holders of Greenbrook DSUs pursuant to this Plan of Arrangement. Notwithstanding the foregoing, at the election of Greenbrook, Greenbrook shall be entitled to pay the cash payable to the former holders of the Greenbrook DSUs pursuant to Section 3.1(d) through its payroll service provider following the Effective Date.

5.2 Lost Certificates

In the event any certificate that immediately prior to the Effective Time represented one or more outstanding Greenbrook Shares that were transferred pursuant to Section 3.1(h) shall have been lost, stolen or destroyed, upon the making of an affidavit of that fact by the Person claiming such certificate to be lost, stolen or destroyed, the Depository will issue in exchange for such lost, stolen or destroyed certificate, the Consideration deliverable in accordance with such holder's duly completed and executed Letter of Transmittal. When authorizing such payment in exchange for any lost, stolen or destroyed certificate, the Person to whom such cash is to be delivered shall as a condition precedent to the delivery of such Consideration, give a bond satisfactory to Neuronetics and the Depository (acting reasonably) in such sum as Neuronetics may direct, or otherwise indemnify Neuronetics and Greenbrook in a manner satisfactory to Neuronetics and Greenbrook, acting reasonably, against any claim that may be made against Neuronetics and Greenbrook with respect to the certificate alleged to have been lost, stolen or destroyed.

5.3 Withholding Rights

Neuronetics, Greenbrook, any of their affiliates and the Depository, as applicable, shall be entitled to deduct and withhold, or direct any other Person to deduct and withhold on their behalf, from any amounts otherwise payable, issuable or otherwise deliverable to any Greenbrook Securityholders and any other Person under this Plan of Arrangement or the Arrangement Agreement such amounts as are required or reasonably believed to be required to be deducted and withheld from such amounts under any provision of the Tax Act, the United States Internal Revenue Code of 1986 or any provision of any other Law. To the extent any such amounts are so deducted and withheld, such amounts shall be treated for all purposes under this Plan of Arrangement and the Arrangement Agreement as having been paid to the Person in respect of which such deduction and withholding was made; provided that such deducted and withheld amounts are actually remitted to the appropriate Governmental Entity. To the extent that the amount so required to be deducted or withheld from any amounts payable, issuable or otherwise deliverable to a Person under this Plan of Arrangement or the Arrangement Agreement exceeds the amount of cash otherwise payable to such Person, Neuronetics, Greenbrook, any of their affiliates and the Depository are hereby authorized to sell or otherwise dispose, or direct any other Person to sell or otherwise dispose, of such portion of the non-cash consideration or non-cash amounts payable, issuable or otherwise deliverable hereunder to such Person as is necessary to provide sufficient funds to Neuronetics, Greenbrook, any of their affiliates and the Depository, as the case may be, to enable it to comply with such deduction or withholding requirement and Neuronetics, Greenbrook, any of their affiliates and the Depository, as applicable, shall notify the relevant Person of such sale or other disposition and remit to such Person any unapplied balance of the net proceeds of such sale or other disposition (after deduction for (x) the amounts required to satisfy the required withholding under this Plan of Arrangement and the Arrangement Agreement in respect of such Person, (y) reasonable commissions payable to the broker and (z) other reasonable costs and expenses).

5.4 Distributions with respect to Unsurrendered Share Certificates

No dividend or other distribution declared or made after the Effective Time with respect to Neuronetics Shares with a record date after the Effective Time shall be delivered to the holder of any unsurrendered certificate that immediately prior to the Effective Time represented outstanding Greenbrook Shares unless and until the holder of such certificate shall have complied with the provisions of Section 5.1 or Section 5.2. Subject to applicable Law and to Section 5.3, at the time of such compliance, there shall, in addition to the delivery of Consideration to which such holder is thereby entitled, be delivered to such holder, without interest, the amount of the dividend or other distribution with a record date after the Effective Time theretofore paid with respect to such Neuronetics Shares.

5.5 Limitation and Proscription

To the extent that a former Greenbrook Shareholder shall not have complied with the provisions of Section 5.1 or Section 5.2 on or before the date that is six (6) years after the Effective Date (the "**final proscription date**"), then the Consideration that such former Greenbrook Shareholder was entitled to receive shall be automatically cancelled without any repayment of capital in respect thereof and the Consideration to which such former Greenbrook

Shareholder was entitled, shall be delivered to Neuronetics by the Depositary and the Neuronetics Shares forming part of the Consideration shall be deemed to be cancelled, and the interest of the former Greenbrook Shareholder in such Neuronetics Shares (and any dividend or other distribution referred to in Section 5.4) to which it was entitled shall be terminated as of such final proscription date, and the certificates formerly representing Greenbrook Shares shall cease to represent a right or claim of any kind or nature as of such final proscription date. Any payment made by way of cheque by the Depositary pursuant to this Plan of Arrangement that has not been deposited or has been returned to the Depositary or that otherwise remains unclaimed, in each case, on or before the final proscription date shall cease to represent a right or claim of any kind or nature and the right of any Greenbrook Shareholder to receive the Consideration for Greenbrook Shares pursuant to this Plan of Arrangement shall terminate and be deemed to be surrendered and forfeited to Neuronetics.

5.6 No Liens

Any exchange or transfer of securities pursuant to this Plan of Arrangement shall be free and clear of any Liens or other claims of third parties of any kind.

5.7 Paramountcy

From and after the Effective Time: (a) this Plan of Arrangement shall take precedence and priority over any and all Greenbrook Shares and Greenbrook Equity Awards issued prior to the Effective Time; (b) the rights and obligations of the registered holders of Greenbrook Shares (other than Neuronetics or any of its affiliates) and Greenbrook Equity Awards, and of Greenbrook, Neuronetics, the Depositary and any transfer agent or other depositary in relation thereto, shall be solely as provided for in this Plan of Arrangement and the Arrangement Agreement; and (c) all actions, causes of action, claims or proceedings (actual or contingent and whether or not previously asserted) based on or in any way relating to any Greenbrook Shares and Greenbrook Equity Awards shall be deemed to have been settled, compromised, released and determined without liability except as set forth herein.

ARTICLE 6 AMENDMENTS

6.1 Amendments

- (a) Neuronetics and Greenbrook reserve the right to amend, modify and/or supplement this Plan of Arrangement at any time and from time to time prior to the Effective Time, provided that any such amendment, modification or supplement must be agreed to in writing by each of Greenbrook and Neuronetics and filed with the Court, and, if made following the Greenbrook Meeting, then: (i) approved by the Court, and (ii) if the Court directs, approved by the Greenbrook Shareholders and communicated to the Greenbrook Securityholders if and as required by the Court, and in either case in the manner required by the Court.
- (b) Subject to the provisions of the Interim Order, any amendment, modification or supplement to this Plan of Arrangement, if agreed to by Greenbrook and Neuronetics, may be proposed by Greenbrook and Neuronetics at any time prior to or at the Greenbrook Meeting, with or without any other prior notice or communication, and if so proposed and accepted by the Persons voting at the Greenbrook Meeting shall become part of this Plan of Arrangement for all purposes.
- (c) Any amendment, modification or supplement to this Plan of Arrangement that is approved or directed by the Court following the Greenbrook Meeting will be effective only if it is agreed to in writing by each of Greenbrook and Neuronetics and, if required by the Court, by some or all of the Greenbrook Shareholders voting in the manner directed by the Court.
- (d) Notwithstanding Sections 6.1(a) and 6.1(b), any amendment, modification or supplement to this Plan of Arrangement may be made by Greenbrook and Neuronetics without the approval of or communication to the Court or the Greenbrook Securityholders, provided that it concerns a matter which, in the reasonable opinion of Greenbrook and Neuronetics, is of an administrative or ministerial nature required to better give effect to the implementation of this Plan of Arrangement and is not materially adverse to the financial or economic interests of any of the Greenbrook Securityholders.
- (e) This Plan of Arrangement may be withdrawn prior to the Effective Time in accordance with the Arrangement Agreement.

**ARTICLE 7
FURTHER ASSURANCES**

7.1 Further Assurances

Notwithstanding that the transactions and events set out in this Plan of Arrangement shall occur and shall be deemed to occur in the order set out in this Plan of Arrangement without any further act or formality, each of the parties to the Arrangement Agreement shall make, do and execute, or cause to be made, done and executed, all such further acts, deeds, agreements, transfers, assurances, instruments or documents as may reasonably be required by any of them in order further to document or evidence any of the transactions or events set out in this Plan of Arrangement.

**ARTICLE 8
U.S. SECURITIES LAW EXEMPTION**

Notwithstanding any provision herein to the contrary, Greenbrook and Neuronetics each agree that the Plan of Arrangement will be carried out with the intention that, and they will use their commercially reasonable best efforts to ensure that, all Consideration Shares issued under the Arrangement will be issued by Neuronetics in exchange for Greenbrook Shares pursuant to the Plan of Arrangement, whether in the United States, Canada or any other country, in reliance on the exemption from the registration requirements of the U.S. Securities Act, as amended, as provided by Section 3(a)(10) thereof and applicable state securities laws, and pursuant to the terms, conditions and procedures set forth in the Arrangement Agreement.

OPINION OF A.G.P./ALLIANCE GLOBAL PARTNERS

(See attached.)

Confidential

August 11, 2024

The Board of Directors
Greenbrook TMS Inc.
890 Yonge Street, 7th Floor
Toronto, ON M4W 3P4

Dear Board of Directors and Members of the Special Committee:

Greenbrook TMS Inc., a corporation existing under the laws of the Province of Ontario (the “**Company**”), has engaged A.G.P./Alliance Global Partners (“**A.G.P.**”, “**we**” or “**us**”) to provide an opinion (this “**Opinion**”) to the board of directors of the Company (the “**Board**”) and the special committee of the Board (the “**Special Committee**”) as of the date hereof as to the fairness, from a financial point of view, to the holders of common shares in the authorized capital of the Company (such holders, the “**Company Shareholders**”; provided, however, that the term Company Shareholders shall not include Neuronetics (as defined below) or any of its affiliates) of the consideration to be paid to the Company Shareholders in the contemplated transaction described below (the “**Proposed Transaction**”).

It is our understanding that the Proposed Transaction will involve, subject to the terms and conditions of the Arrangement Agreement to be entered into by the Company and Neuronetics, Inc., a corporation existing under the laws of the State of Delaware (“**Neuronetics**”) (such agreement, the “**Arrangement Agreement**”), the acquisition by Neuronetics of all of the issued and outstanding share capital of the Company pursuant to a plan of arrangement under Section 182 of the *Business Corporations Act* (Ontario) pursuant to which, among other things, each issued and outstanding common share of the share capital of the Company will be cancelled in exchange for approximately 25,304,971 shares of the common stock, with \$0.01 par value per share, of Neuronetics (such shares in the aggregate, the “**Consideration**”), as more fully described in the management information circular (“**Information Circular**”) of the Company which is expected to be filed with the SEC following entry into the Arrangement Agreement.

Engagement of A.G.P.

A.G.P. was initially contacted regarding a potential advisory assignment in January 2024. A.G.P. was engaged to provide financial advice, including the preparation of a fairness opinion for delivery to the Board and Special Committee pursuant to an agreement dated April 6, 2024 (the “**Initial Engagement Agreement**”). On August 5, 2024, A.G.P. and the Company entered into a separate agreement relating to the preparation and delivery of this Opinion (the “**Engagement Agreement**”), which superseded the Initial Engagement Agreement insofar as it related to the provision of a fairness opinion with respect to the Proposed Transaction.

A.G.P. has not been requested to prepare (and has not prepared) a valuation or appraisal of the Company or Neuronetics or of any of the respective assets, liabilities or securities of the Company or Neuronetics, or to express an opinion with respect to the form of the Proposed Transaction itself, and this Opinion should not be construed as such. A.G.P. was similarly not engaged to review any legal, tax or accounting aspects of the Proposed Transaction.

Under the Engagement Agreement, A.G.P. will receive a fee for providing our Opinion. Our fee does not depend on the conclusions of our Opinion or on the completion of the Proposed Transaction. The Board of Directors on behalf of the Company has agreed to reimburse A.G.P. for its reasonable expenses and to indemnify A.G.P. for certain liabilities that may arise out of our engagement.

TABLE OF CONTENTS

This Opinion is provided to the Board and Special Committee in an impartial and objective fashion to assist the Board and Special Committee in discharging its fiduciary duties and does not constitute a recommendation to the Company Shareholders or any other person as to how any of them should vote or act with respect to the Proposed Transaction. A.G.P. has received no instructions from the Company in connection with the conclusions reached in this Opinion.

Scope of Review

For purposes of rendering this Opinion, A.G.P. has reviewed and relied upon, among other things, the following:

1. The execution version dated August 11, 2024, of the Arrangement Agreement;
2. Historical financials relating to the Company for the fiscal years ended December 31, 2022, December 31, 2023, and the interim period ended June 30, 2024 contained in the Company's public filings, financial forecasts and projections relating to the Company for the three-month periods ended September 30 and December 31, 2024 and for the years 2024 through 2026 prepared by or discussed with the management of the Company;
3. Publicly available financial and stock market information of certain public companies that were deemed by us to be reasonably comparable to the Company;
4. Financial terms, to the extent publicly available, of certain acquisition transactions that were deemed by us to be reasonably comparable to the Proposed Transaction; and
5. Publicly available stock market information of Neuronetics, including current and historical market prices and trading volumes of publicly traded shares of Neuronetics.

In rendering this Opinion, we have, with your permission, assumed and relied upon the accuracy and completeness of all information that was publicly available, provided by or on behalf of the Company or any other party to the Proposed Transaction, or otherwise reviewed by or discussed with us, without (and without assuming responsibility for) independent verification thereof by us, and we have relied upon the assurances of the management of the Company that they are not aware of any facts or circumstances that would make such information inaccurate or misleading. Accordingly, we do not express an opinion or any other form of assurance thereon. Moreover, upon your advice, we have assumed that the financial forecasts and projections and probability estimates referred to above have been prepared reasonably and in good faith and are based upon the best currently available estimates and judgments of the management of the Company as to the matters covered thereby, and we have relied upon such forecasts, projections and estimates in our analysis. We have also assumed for purposes of this opinion the consummation of the retirement of approximately 11,634,660 of the common stock of the Company pursuant to a settlement agreement with a shareholder. We have not been engaged to assess the reasonableness or achievability of such forecasts, projections or estimates or the assumptions upon which they are based, and we express no views as to such forecasts, projections or estimates or the assumptions on which they are based.

In addition, A.G.P. has not evaluated the solvency of the Company or Neuronetics or made an independent evaluation or appraisal of the Company (including any contingent, derivative, or off-balance-sheet assets and liabilities), Neuronetics or any of their respective subsidiaries, and A.G.P. has not been furnished with any such evaluation or appraisal.

This Opinion does not constitute legal, regulatory, accounting, insurance, tax, or other similar professional advice. A.G.P. has, with respect to all accounting, legal and tax matters relating to the Proposed Transaction and the implementation thereof, relied on the advice of accounting advisors and legal and tax counsel to the Company and Neuronetics, as applicable, including information disclosed in the Information Circular, and expresses no opinion thereon.

This Opinion also does not address the underlying business decision of the Company to engage in the Proposed Transaction, or the relative merits of the Proposed Transaction as compared to any strategic alternatives that may be available to the Company. This Opinion addresses only the fairness from a financial point of view, as of the date hereof, to the Company Shareholders of the Consideration to be paid to the Company Shareholders in the Proposed Transaction. A.G.P. does not express any view on, and this Opinion does not address, any other terms or aspect of the Proposed Transaction, including, without limitation, the form or structure of the Proposed Transaction, the tax treatment thereof, the form or structure of the Consideration (or any component thereof), any

TABLE OF CONTENTS

adjustment to the Consideration, the allocation of expenses between the Company and Neuronetics in connection with the Proposed Transaction, any transition services, noncompetition, support, consulting, lock-up, transfer restriction, registration rights or other agreement or arrangement to be entered into in connection with the Proposed Transaction, any consideration received in connection therewith by, the holders of any class of securities, creditors, or other constituencies of the Company, other than the Company Shareholders, or any other party to the Proposed Transaction, the fairness of the amount or nature of any compensation to be paid or payable to any of the officers, directors or employees of the Company or any other party to the Proposed Transaction, or class of such persons in connection with the Proposed Transaction, whether relative to the Consideration to be paid to the Company Shareholders in the Proposed Transaction or otherwise, the terms of the conversion of any outstanding indebtedness of the Company into common shares of the Company in connection with or in contemplation of the Proposed Transaction. A.G.P. does not express any opinion as to what the actual value of Neuronetics common stock will be when issued in the Proposed Transaction, the prices at which Neuronetics common stock or the Company's common stock will trade at any time or what the actual value of the shares of Neuronetics common stock comprising the Consideration will be if and when paid. This Opinion is necessarily based on economic, monetary, market and other conditions as in effect on, and the information made available to A.G.P. as of, the date hereof, and A.G.P. assumes no responsibility for updating, revising, or reaffirming this Opinion based on circumstances, developments or events occurring after the date hereof.

For purposes of rendering this Opinion, A.G.P. has assumed, with your permission, for all purposes material to our analysis, that the Consideration was determined through arm's-length negotiations between the Company and Neuronetics, that the representations and warranties made in the Arrangement Agreement are accurate, that all estimated financial forecasts will be realized, and that all of the conditions required to implement the Proposed Transaction will be satisfied and that the Proposed Transaction will be completed in accordance with the Arrangement Agreement without any amendments thereto or any waivers of any terms or conditions thereof. A.G.P. also has assumed, with your permission, that all governmental, regulatory, or other consents and approvals necessary or useful for the consummation of the Proposed Transaction would be obtained without any adverse effect on the Company or Neuronetics or on the Proposed Transaction in any way impacting A.G.P.'s analysis. A.G.P. has relied upon the fact that the Company has been advised by appropriate legal counsel and financial advisors as to all legal, tax and accounting matters with respect to the Proposed Transaction, including whether all procedures required by law to be taken in connection with the Proposed Transaction have been duly, validly and timely taken.

A.G.P. has further assumed, with your permission, that as of the date hereof, there has been no material adverse change to the Company's or Neuronetics' assets, financial condition, results of operations, business or prospects since the date of the last financial statements made available to us, in the case of the Company, or made publicly available by Neuronetics, in the case of Neuronetics.

The Opinion has been provided solely for the use of the Board and is not intended to be, and does not constitute, a recommendation to purchase securities nor should it be construed as a recommendation to vote in favour of the Proposed Transaction. A.G.P.'s conclusion as to the fairness, from a financial point of view, of the consideration to be received under the Proposed Transaction by Company Shareholders is based on A.G.P.'s review of the Arrangement Agreement taken as a whole, rather than on any particular element of the Proposed Transaction, and this Opinion should be read in its entirety.

In A.G.P.'s analysis in connection with the preparation of its Opinion, A.G.P. made numerous assumptions which it believes to be reasonable with respect to the industry performance, general business and economic conditions and other matters, many of which are beyond the control of A.G.P. or the Company, and while in the opinion of A.G.P. the assumptions used in preparing this Opinion are appropriate in the circumstances, some or all of these assumptions may prove to be incorrect.

A.G.P. believes that its analysis must be considered as a whole and that selecting portions of the analysis or the factors considered by it, without considering all factors and analysis together, could create a misleading view of the process underlying this Opinion. The preparation of an Opinion is a complex process and is not necessarily susceptible to partial analysis or summary description. Any attempt to do so could lead to undue emphasis on any particular factor or analysis and an inaccurate conclusion.

A.G.P. is a financial services firm engaged in the securities, investment management and individual wealth management businesses. Its securities business is engaged in securities underwriting, trading and brokerage

activities, foreign exchange, commodities and derivatives trading, prime brokerage, as well as providing investment banking, financing and financial advisory services. A.G.P., its affiliates, directors and officers may at any time invest on a principal basis or manage funds that invest, hold long or short positions, finance positions, and may trade or otherwise structure and effect transactions, for their own account or for the accounts of their customers, in debt or equity securities or loans of the Company, or any other company, or any currency or commodity, that may be involved in the Proposed Transaction, or any related derivative instrument.

A.G.P. may, in the future, in the ordinary course of its business, perform financial advisory or investment banking services for the Company, Neuronetics or any of their respective associates or affiliates.

A.G.P. will receive a fee as compensation for its services in rendering this Opinion, no portion of which is contingent upon either the conclusion herein or the consummation of the Proposed Transaction. The Company has agreed to indemnify A.G.P. against certain liabilities arising out of its engagement. In addition to the foregoing engagement, A.G.P. has also been engaged as strategic advisor to the Company in connection with the Proposed Transaction and will receive a fee as compensation for such engagement which is contingent upon the consummation of the Proposed Transaction.

This Opinion may be relied upon by the Board and Special Committee for the purpose of considering the Proposed Transaction and making recommendations to Company Shareholders, but may not be published, reproduced, disseminated, quoted from or referred to, in whole or in part, or be used or relied upon by any other person for any other purpose without A.G.P.'s express prior written consent. A.G.P. expressly consent to the duplication and inclusion of this Opinion in the Information Circular, as well as a summary thereof (in a form acceptable to A.G.P.) and to the filing thereof, as necessary, by the Company and/or Neuronetics with the securities commissions or similar regulatory authorities in each of the applicable jurisdictions.

This Opinion was approved by A.G.P.'s fairness opinion committee, a committee of A.G.P. investment banking and other professionals, in accordance with A.G.P.'s customary practice.

Approach to Fairness

In support of the Opinion, A.G.P. has performed certain financial analyses on the Company based on the methodologies and assumptions that A.G.P. considered, in its professional judgement, appropriate in the circumstances for the purposes of providing its Opinion. As part of the analyses and investigations carried out in the preparation of this Opinion, A.G.P. reviewed, considered and relied upon the items outlined under "Scope of Review," above. A.G.P. has not been provided with access to the management of Neuronetics and has not performed any financial analyses to estimate the value of Neuronetics common stock. Rather, A.G.P. has assumed, with your permission, that the closing price of the Neuronetics common stock on August 8, 2024, the last trading day prior to the date of this Opinion, which was \$1.78 per share, is a reasonable estimate of value for shares of Neuronetics common stock to be issued as the Consideration. Based on the 25,304,971 shares of Neuronetics to be issued as Consideration in the Proposed Transaction, A.G.P. calculated an implied equity value for the Consideration of \$45,042,848, before adjusting the valuation for any implied savings as a result of the conversion of debt into equity prior to the closing of the Proposed Transaction. Based on the total amount of debt converting into equity of the Company prior to the closing of the Proposed Transaction, the Company is estimated to realize a cost savings of approximately \$88,223,124, resulting in an adjusted implied valuation of approximately \$130,282,373 after taking into consideration non-converted debt and cash held on the Company's balance sheet. A.G.P. has not applied any illiquidity or other discounts, or otherwise given effect to any restrictions or limitations, which may be attributable to the shares of Neuronetics common stock comprising the Consideration. In the context of the Opinion, A.G.P. performed the following financial analyses:

- I. A comparison of the Consideration to the results of a discounted cash flow analysis of the Company on a stand-alone basis (the "**DCF Analysis**");
- II. A comparison of the Consideration to the results of a selected companies analysis of the Company (the "**Selected Companies Analysis**").
- III. A comparison of the Consideration to the results of a precedent transactions analysis of the Company (the "**Precedent Transactions Analysis**").

Additionally, as discussed in greater detail below, A.G.P. reviewed and considered other market data and financial analysis but did not rely on these analyses.

TABLE OF CONTENTS

DCF Analysis

A.G.P. performed a DCF Analysis which reflects the growth prospects inherent in the Company's business by taking into account the amount, timing and relative certainty of the projected cash flows expected to be generated by the Company. The DCF Analysis requires that certain assumptions be made regarding, among other things, future cash flows, discount rates, and terminal values. The DCF Analysis employed by A.G.P. involved the calculation of the enterprise value ("EV") of the Company by discounting to a present value the unlevered free cash flows ("UFCFs") of the Company expected to be generated between June 30, 2024 and December 31, 2026, as well as a terminal value, such value also having been discounted to a present value. In determining the UFCFs, A.G.P. reviewed financial projections prepared by management of the Company for the years 2024 through 2026 (the "**Management Forecast**"). The Management Forecast is comprised of a detailed 2-year forecast for the years 2024 to 2026. A.G.P. also reviewed certain underlying assumptions and other publicly available industry and financial market information we considered relevant.

Terminal values were calculated using an exit multiple method with revenue multiples ranging from 1.6x to 2.2x for LTM Revenue. The projected UFCFs of the Company and the terminal values were discounted to present values as of June 30, 2024, at a discount rate ranging from 17.0% to 23.0%. Such terminal growth rates and discount rates were selected based on A.G.P.'s professional judgement and experience. To derive a range of implied equity values, A.G.P. then deducted from the EV, the net debt (cash) of the Company as of June 30, 2024. The DCF Analysis described above, generates results that are consistent with the Consideration.

Selected Companies Analysis

A.G.P. identified 13 publicly traded companies with operations that are similar to the Company. In selecting the comparable companies, A.G.P. searched for companies with similar business operations, size, prospects for growth, profitability, and risk. Among other things, the Company's business model, service offerings, geography, market position, and growth profile make it unique such that there are no perfectly comparable companies. The comparison set relied upon by A.G.P. therefore includes companies that individually exhibit some of the traits of the Company (including companies in the healthcare service sector and certain companies that provide mental and or physical therapies to patients) and collectively encapsulate most of the factors that make the Company unique.

Based on a detailed analysis of the selected companies described above, A.G.P. considered multiples of historical LTM, calendar year 2023 revenue and forecasted calendar 2024 through calendar year 2026 revenue for its valuation. A.G.P. also considered multiples of historical LTM, calendar year 2023 EBITDA and forecasted calendar year 2024 through calendar year 2026 EBITDA for its valuation. Revenue and EBITDA forecasts for the selected companies were obtained from sources that A.G.P. considers reliable, but were not independently developed by A.G.P. The select company peer group relied upon by A.G.P. is presented in the table below:

Based on this information and other factors, A.G.P. used professional judgment to select multiples that A.G.P. believes reflect the relative comparability of the Company to the selected companies. As of the date of this Opinion, the Enterprise Value to historical LTM to calendar year 2026 revenue multiples of the select companies ranged from 0.5x to 3.2x respectively. Ultimately, A.G.P. applied Enterprise Value to historical LTM to calendar year 2026 revenue multiples ranging from 1.6x to 1.9x (the median multiples of the select companies) for its valuation.

Based on the analyses described above, A.G.P. calculated an implied enterprise value range based on revenue multiples (+/- 10%) for the Company of between approximately \$126.7 million and approximately \$242.0 million.

TABLE OF CONTENTS

Although none of the companies or transactions used in this analysis is directly comparable to the Company, the companies included in the selected transactions above were chosen by A.G.P., among other reasons, because they are healthcare companies with certain business, operational, and/or financial characteristics that, for the purposes of A.G.P.'s analysis, may be considered similar to those of the Company. A.G.P. reviewed the consideration paid in selected precedent transactions in terms of the EV of such transactions as a multiple of the last twelve (12) months revenue based on the most recently available publicly disclosed twelve-month financials at the time of the transaction announcement. The Precedent Transactions Analysis generates results that are consistent with the Proposed Consideration.

Based upon and subject to the foregoing and such other matters as A.G.P. have considered relevant, A.G.P. is of the opinion that, as of the date hereof, the Consideration to be paid to the Company Shareholders pursuant to the Proposed Transaction is fair, from a financial point of view, to the Company Shareholders.

Yours truly,

A.G.P./ALLIANCE GLOBAL PARTNERS

Board of Directors
Neuronetics, Inc.
3222 Phoenixville Pike
Malvern, PA 19355

Members of the Board:

We understand that Neuronetics, Inc., a Delaware corporation ("Neuronetics"), proposes to enter into an Arrangement Agreement (the "Arrangement Agreement") with Greenbrook TMS Inc., a corporation existing under the laws of the Province of Ontario ("Greenbrook"), which provides for, among other things, Neuronetics to acquire all of the outstanding common shares of Greenbrook by way of a plan of arrangement governed by the *Business Corporations Act* (Ontario) (the "Plan of Arrangement" and, collectively with the other transactions contemplated by the Arrangement Agreement, the "Transaction"), pursuant to which each such outstanding common share of Greenbrook (other than any common shares held by Neuronetics or any of its affiliates and Dissent Shares) shall be deemed to be transferred and assigned by the holder thereof to Neuronetics in exchange for a fraction of a share of common stock, par value \$0.01 per share, of Neuronetics ("Neuronetics Common Stock") equal to the Exchange Ratio (the "Consideration"). The "Exchange Ratio" means the number, rounded down to the nearest five decimal places, that is equal to the quotient obtained when (a) 25,304,971 is divided by (b) the aggregate number of common shares of Greenbrook ("Greenbrook Shares") issued and outstanding immediately prior to the Effective Time (including the Greenbrook Shares issued pursuant to the Greenbrook Debt Conversion as described in the Arrangement Agreement and the Net Option Surrender Shares and the Net Warrant Surrender Shares as described in the Plan of Arrangement). You have requested our opinion as of the date hereof as to the fairness of the Consideration, from a financial point of view, to Neuronetics. The terms and conditions of the Transaction are more fully set forth in the Arrangement Agreement (which includes the form of Plan of Arrangement), and capitalized terms used but not defined herein shall have the meanings ascribed to such terms in the Arrangement Agreement.

Canaccord Genuity LLC ("CG"), as part of its investment banking activities, is regularly engaged in the valuation of businesses and their securities in connection with mergers and acquisitions, negotiated underwritings, secondary distributions of listed and unlisted securities, private placements and valuations for corporate and other purposes. In the ordinary course of business, we and our affiliates may acquire, hold or sell, for our and our affiliates' own accounts and the accounts of customers, equity, debt and other securities and financial instruments (including bank loans and other obligations) of Neuronetics and Greenbrook. Other than as described below, we have provided no investment banking or other financial services of a material nature to Neuronetics, Greenbrook or Madryn Asset Management, LP, a significant securityholder of Greenbrook, during the two years preceding the date of this opinion. We may provide investment banking and other services to or with respect to Neuronetics, Greenbrook or their respective affiliates in the future, for which we may receive compensation. We have acted as financial advisor to Neuronetics in connection with the Transaction. We will receive fees for our services in connection with the Transaction, a portion of which was payable upon the signing of our engagement letter with Neuronetics, a portion of which is payable upon the delivery of this opinion, and a significant portion of which is contingent upon the consummation of the Transaction. In addition, Neuronetics has agreed to reimburse certain of our expenses and indemnify us for liabilities relating to or arising out of our engagement.

This opinion has been approved by a fairness committee of CG. Our opinion is rendered on the basis of securities, economic, market and monetary conditions prevailing as of the date hereof and on the prospects, financial and otherwise, of Neuronetics and Greenbrook, known to us as of the date hereof. It should be understood that (i) subsequent developments may affect the conclusions expressed in this opinion if this opinion were rendered as of a later date, and (ii) CG disclaims any obligation to advise any person of any change in any manner affecting this opinion that may come to our attention after the date of this opinion. We have not undertaken to reaffirm or revise this opinion or otherwise comment upon any events occurring after the date hereof and do not have any obligation to update, revise or reaffirm this opinion. We have not been requested to conduct and we have not conducted, nor have we relied upon, any independent valuation or appraisal of any of the assets or liabilities (contingent, derivative, off-balance sheet or otherwise) of Neuronetics or Greenbrook. We also have not evaluated and do not express any opinion as to the solvency of any party to the Arrangement Agreement, or the ability of Neuronetics or Greenbrook to pay its obligations when they become due, or as to the impact of the Transaction on such matters, under any state, federal or other laws relating to bankruptcy, insolvency or similar matters. In addition, we have assumed, with your consent, that any material liabilities (contingent or otherwise, known or unknown) of Neuronetics and Greenbrook are as set forth in the respective financial statements of Neuronetics and Greenbrook provided to us.

This opinion is limited to and addresses only the fairness of the Consideration, from a financial point of view and as of the date hereof, to Neuronetics to the extent expressly specified herein. We do not express any view on, and our opinion does not address, any other term or aspect of any other agreements or arrangements contemplated by the Arrangement Agreement or the Plan of Arrangement or entered into or amended in connection with the Transaction, including, but not limited to, the Greenbrook Debt Conversion, the Neuronetics Facility Amendment or the Neuronetics Alternative Facility, or any Pre-Acquisition Reorganization. We also express no opinion as to the fairness of the Transaction to the holders of any class of securities, creditors or other constituencies of Neuronetics or Greenbrook. Our opinion does not address the relative merits of the Transaction as compared to other business strategies or transactions that might be available to Neuronetics, nor does it address the underlying business decision of Neuronetics to proceed with the Transaction or any view on any other term or aspect of the Transaction, including, without limitation, the structure or form of the Transaction. **COMPARISON OF RIGHTS OF GREENBROOK SHAREHOLDERS
AND NEURONETICS STOCKHOLDERS**

(See attached.)

**COMPARISON OF RIGHTS OF GREENBROOK SHAREHOLDERS
AND NEURONETICS STOCKHOLDERS**

The rights of Greenbrook Shareholders are governed by the Business Corporations Act (Ontario) (the “OBCA”) and by the Greenbrook Articles and Bylaws. Following the Arrangement, Greenbrook Shareholders who receive Neuronetics Shares as part of the Arrangement will become Neuronetics Stockholders and as such their rights will be governed by the Delaware General Corporation Law (the “DGCL”), the Current Neuronetics Charter and the Current Neuronetics Bylaws.

The following is a summary of the material differences between the rights of (i) Greenbrook Shareholders under the Greenbrook Articles and Bylaws and (ii) Neuronetics Stockholders under the Current Neuronetics Charter and the Current Neuronetics Bylaws. This summary is not a complete comparison of rights that may be of interest, and Greenbrook Shareholders and Neuronetics Stockholders should therefore read the full text of the Greenbrook Articles and Greenbrook Bylaws under Greenbrook’s SEDAR+ issuer profile at www.sedarplus.ca, and the Current Neuronetics Charter and the Current Neuronetics Bylaws under Neuronetics’ EDGAR issuer profile at www.sec.gov.

| | Greenbrook Shareholder Rights (Pre-Arrangement) | Neuronetics Stockholder Rights (Post-Arrangement) |
|---------------------------------|---|--|
| Authorized Share Capital | <p>Under the OBCA, the articles may provide for more than one class of shares and where they so provide, the rights, privileges, restrictions and conditions attaching to the shares of each class shall be set out therein.</p> <p>Greenbrook’s authorized share capital consists of (i) an unlimited number of common shares without par value and without special rights and restrictions attached; and (ii) an unlimited number of preferred shares without par value and with special rights and restrictions attached.</p> <p>Under the Greenbrook Articles, preferred shares may be issued in one or more series. The Greenbrook board of directors is authorized, without shareholder approval, but subject to the provisions of the OBCA, to determine the maximum number of shares of each series and attach such special rights or restrictions, including dividend, liquidation and voting rights, as the board of directors may determine. Such special rights or restrictions, including dividend, liquidation and voting rights, may be superior to those of the common shares.</p> <p>Greenbrook has not issued any preferred shares.</p> | <p>The DGCL requires that the certificate of incorporation state the number of shares of preferred stock that the corporation is permitted to issue as well as the par value of such series, but can otherwise delegate the power of determining the terms of such series to the board of directors.</p> <p>The Current Neuronetics Charter authorizes the issuance of 200,000,000 shares of common stock, \$0.01 par value per share, and 10,000,000 shares of undesignated preferred stock, \$0.01 par value.</p> <p>The Neuronetics Board is authorized to provide for the issuance of all or any of the shares of the Preferred Stock in one or more classes or series, and to fix for each such class or series such voting powers, full or limited, or no voting powers, and such distinctive designations, preferences and relative, participating, optional or other special rights and such qualifications, limitations or restrictions thereof, as stated and expressed in a resolution or resolutions adopted by the Neuronetics Board providing for the issuance of such class or series and as may be permitted by The DGCL.</p> <p>Such blank check preferred stock can be used as a “poison pill” to prevent a takeover by providing holders of such class of preferred stock with the rights needed to slow or stop such takeover.</p> |

| | Greenbrook Shareholder Rights (Pre-Arrangement) | Neuronetics Stockholder Rights (Post-Arrangement) |
|---|---|--|
| Voting Rights | <p>Under the OBCA, unless the articles of a corporation provide otherwise, (i) each share of a corporation entitles the holder thereof to one (1) vote at a meeting of shareholders and (ii) there is no cumulative voting for the election of directors.</p> <p>At meetings of Greenbrook directors, each director has one vote and questions are decided by a majority of votes. In case of an equality of votes at meetings of directors or meeting of shareholders, the chairman of the meeting has a second or casting vote.</p> | <p>Except as otherwise required by law or as otherwise provided in any certificate of designation for any series of Preferred Stock, the holders of Common Stock possess all voting power for the election of Neuronetics directors and all other matters requiring stockholder action. Holders of Common Stock are entitled to one vote per share on matters to be voted on by Neuronetics Stockholders.</p> <p>For the purpose of determining those stockholders entitled to vote at any meeting of the stockholders, except as otherwise provided by law, only persons in whose names shares stand on the stock records of the corporation on the record date, as provided in the Current Neuronetics Bylaws, shall be entitled to vote at any meeting of stockholders.</p> <p>Every person entitled to vote shall have the right to do so either in person, by remote communication, if applicable, or by an agent or agents authorized by a proxy granted in accordance with the DGCL. An agent so appointed need not be a stockholder.</p> <p>No proxy shall be voted after three (3) years from its date of creation unless the proxy provides for a longer period.</p> |
| Shareholder Approval of Business Combinations; Fundamental Changes | <p>Under the OBCA, certain corporate actions, such as certain amalgamations (other than with a direct or indirect wholly-owned subsidiary), continuances, and sales, leases or exchanges of all or substantially all the property of a corporation other than in the ordinary course of business, and other corporate actions such as liquidations, dissolutions and (if ordered by a court) arrangements, are required to be approved by special resolution. A special resolution is a resolution passed at a meeting by not less than two-thirds of the votes cast by the shareholders who voted in respect of the resolution.</p> <p>In certain cases, a special resolution to approve certain corporate actions is also required to be approved separately by the holders of a class or series of shares,</p> | <p>Under the DGCL, a merger, consolidation, sale, lease, exchange or other disposition of all or substantially all of the property and assets of a corporation, or a dissolution of the corporation, is generally required to be approved by the holders of a majority of the outstanding stock entitled to vote on the matter, unless the certificate of incorporation provides for the vote of a larger portion of the corporation's stock.</p> <p>Under the DGCL, mergers in which less than 20% of an acquirer corporation's stock outstanding immediately prior to the effective date of the merger is issued generally do not require acquirer stockholder approval. In certain situations, the approval of a business combination may require approval by a certain number of the holders of a class or series of shares. In addition, Section 251(h) of the</p> |

DGCL provides that stockholders of a constituent corporation need not vote to approve a merger if: (i) the merger agreement permits or requires the merger to be effected under Section 251(h) and provides that the merger shall be effected as soon as practicable following the tender offer or exchange offer, (ii) a corporation consummates a tender or exchange offer for all of the outstanding stock of such constituent corporation on the terms provided in the merger agreement that would otherwise be entitled to vote on the adoption or rejection of the merger agreement, (iii) immediately following the consummation of the offer, the stock irrevocably accepted for purchase or exchange plus the stock owned by the consummating corporation equals at least the percentage of stock that would be required to adopt the merger agreement under the DGCL and the certificate of incorporation of such constituent corporation, (iv) the corporation consummating the offer merges with or into such constituent corporation pursuant to the merger agreement, and (v) each outstanding share of each class or series of stock of the constituent corporation that was the subject of and not irrevocably accepted for purchase or exchange in the offer is to be converted in the merger into, or into the right to receive, the same consideration to be paid for the shares of such class or series of stock of the constituent corporation irrevocably purchased or exchanged in such offer. In addition, mergers in which one corporation, partnership, limited liability company, or other entity owns 90% or more of each class of shares of a second corporation that would otherwise be entitled to vote on a merger may be completed without the vote of the second corporation's board of directors or stockholders.

The DGCL does not contain a procedure directly analogous to a plan of arrangement under the OBCA.

Such matters include: (i) any amalgamation with another corporation (other than with certain affiliated corporations); (ii) an amendment to the corporation’s articles to add, change or remove any provisions restricting the issue, transfer or ownership of shares; (iii) an amendment to the corporation’s articles to add, change or remove any restriction upon the business or businesses that the corporation may carry on; (iv) a continuance under the laws of another jurisdiction; (v) a sale, lease or exchange of all or substantially all the property of the corporation other than in the ordinary course of business; (vi) a court order permitting a shareholder to dissent in connection with an application to the court for an order approving an arrangement proposed by the corporation; or (vii) certain amendments to the articles of a corporation which require a separate class or series vote, provided that a shareholder is not entitled to dissent if an amendment to the articles is effected by a court order approving a reorganization or by a court order made in connection with an action for an oppression remedy.

Oppression Remedy

The OBCA provides an oppression remedy that enables a court to make any order, either interim or final, to rectify the matters complained of if the court is satisfied upon application by a complainant (as defined below) that: (i) any act or omission of the corporation or an affiliate effects a result; (ii) the business or affairs of the corporation or an affiliate are or have been carried on or conducted in a manner; or (iii) the powers of the directors of the corporation or an affiliate are or have been exercised in a manner, that is oppressive or unfairly prejudicial to or that unfairly disregards the interest of any security holder, creditor, director or officer. A complainant may include: (a) a present or former registered holder or beneficial owner of securities of a corporation or any of its affiliates; (b) a present or former officer or

under the DGCL in connection with a merger or consolidation, if, among other things: (i) the corporation’s shares are listed on a national securities exchange or held of record by more than 2,000 stockholders and certain types of consideration are received in the merger or consolidation; or (ii) the corporation will be the surviving corporation of the merger and the merger is undertaken pursuant to certain provisions of the DGCL.

Unless otherwise provided in the certificate of incorporation, the DGCL grants appraisal rights only in connection with a merger or consolidation and not in the case of a sale or transfer of assets or a purchase of assets for shares. However, except for mergers undertaken pursuant to certain provisions of the DGCL, a stockholder is entitled to appraisal rights in the case of a merger or consolidation if the stockholder is required to accept in exchange for the shares anything other than: (i) shares of stock of the corporation surviving or resulting from the merger or consolidation; (ii) shares of stock of any other corporation that, on the effective date of the merger or consolidation, will be either listed on a national securities exchange or held of record by more than 2,000 stockholders; (iii) cash instead of fractional shares of stock of the corporation; or (iv) any combination of the foregoing.

Although the DGCL does not contain a statutory “oppression” remedy, stockholders may bring equitable claims against persons owing them fiduciary duties for breaches thereof.

See also “*Fiduciary Duties of Directors*” section for a further discussion of those fiduciary duties.

director of the corporation or any of its affiliates; and/or (c) any other person who in the discretion of the court is a proper person to make such application.

The oppression remedy provides the court with a broad jurisdiction to intervene in corporate affairs to protect shareholders and other complainants. While conduct which is in breach of fiduciary duties of directors or that is contrary to the legal right of a complainant will normally trigger the court’s jurisdiction under the oppression remedy, the exercise of that jurisdiction does not depend on a finding of a breach of such legal and equitable rights. Furthermore, the court may order a corporation to pay the interim expenses of a complainant seeking an oppression remedy, but the complainant may be held accountable for such interim costs on final disposition of the complaint (as in the case of a derivative action). The complainant is not required to give security for costs in an oppression action.

Pre-Emptive Rights

Under the OBCA, holders of a class or series of shares in a corporation do not have pre-emptive rights to subscribe for or purchase any additional shares of that class or series or of another class or series, unless such rights are so provided in the articles of the corporation or in a unanimous shareholder agreement.

Under the DGCL, stockholders of a corporation do not have pre-emptive rights to subscribe for or purchase any additional issues of stock or to any security convertible into such stock unless, and except to the extent that, such rights are expressly included in the corporation’s certificate of incorporation.

The Current Neuronetics Charter confers no such pre-emptive rights on the holders of Common Stock.

Shareholder Action by Consent Without a Meeting

Under the OBCA, shareholder action without a meeting may only be taken by written resolution signed by all shareholders or their attorney authorized in writing who would be entitled to vote thereon at a meeting.

Under Section 228 of the DGCL, unless otherwise provided in the certificate of incorporation, any action that can be taken at a meeting of stockholders may be taken without a meeting, without prior notice and without a vote if a consent, in writing or by electronic transmission, to the action is signed by the holders of outstanding stock having at least the minimum number of votes that would be necessary to authorize or take the action at a meeting at which all shares entitled to vote thereon were present and voted.

The Current Neuronetics Charter and the Current Neuronetics Bylaws provide that no action may be taken by Neuronetics

Requisition of Shareholders' Meetings

Under the OBCA, the holders of not less than 5% of the issued shares of a corporation that carry the right to vote at the meeting sought to be held may requisition the directors to call a meeting of shareholders. Upon meeting the technical requirements set out in the OBCA for making such a requisition, the directors of the corporation must call a meeting of shareholders. If they do not call the meeting within 21 days, the shareholders who made the requisition may call the meeting.

Stockholders except at an annual or special meeting of Neuronetics Stockholders called in accordance with the Current Neuronetics Bylaws and no action may be taken by the Neuronetics Stockholders by written consent or electronic transmission.

Under the DGCL, an annual meeting of stockholders must be held at such place, on such date and at such time as may be designated from time to time by the board of directors or as provided in the certificate of incorporation or by the bylaws.

Under the DGCL, a special meeting of stockholders may be called only by the board of directors or by persons authorized to do so in the certificate of incorporation or the bylaws.

The Current Neuronetics Charter provides that special meetings of Neuronetics Stockholders shall be called in accordance with the Current Neuronetics Bylaws, which provide that special meetings of Neuronetics Stockholders may be called only, for any purpose as is a proper matter for stockholder action under the DGCL, by (i) the Chairperson of the Neuronetics Board, (ii) Neuronetics' Chief Executive Officer or (iii) the Neuronetics Board pursuant to a resolution adopted by a majority of the total number of authorized directors (whether or not there exist any vacancies in previously authorized directorships at the time any such resolution is presented to the Neuronetics Board for adoption).

Notice of Shareholder Meeting

Under the OBCA, notice of the time and place of a meeting of shareholders of an offering corporation must be sent to each shareholder entitled to vote at the meeting, to each director and to the auditor of the corporation not less than 21 days and not more than 50 days before the meeting. In the case of a special notice, the notice must also state the nature of the business to be transacted at the meeting and the text of any special resolution to be submitted to the meeting.

Under the DGCL, written notice of each stockholders' meeting must be given at least 10 days but no more than 60 days before the date of the meeting to each stockholder entitled to vote at such meeting as of the record date for determining the stockholders entitled to notice of such meeting. The DGCL requires notice of a meeting to vote on a merger agreement, a sale, lease or exchange of all or substantially all assets, a conversion to another form of entity or a transfer, domestication or conveyance to a foreign jurisdiction to be given at least 20 days before the date of such meeting.

**Shareholder
Quorum and
Vote
Requirements**

Under the OBCA, a corporation’s bylaws may specify the number of shares with voting rights attached thereto which shall be present, or represented by proxy, in order to constitute a quorum for the transaction of any business at any meeting of the shareholders.

Greenbrook’s Bylaws provide that the quorum for the transaction of business at any meeting of Greenbrook Shareholders shall be one person present and entitled to vote at the meeting that holds or represents by proxy not less than thirty-three and one-third percent (33 1/3%) of the votes attached to the outstanding shares of Greenbrook entitled to vote at the meeting.

**Distributions
and
Dividends;
Repurchases
and
Redemptions**

Under the OBCA, subject to the corporation’s articles or any unanimous shareholder agreement, the board of directors may declare and a corporation may pay a dividend by issuing fully paid shares of the corporation or options or rights to acquire fully paid shares of the corporation and a corporation may pay a dividend in money or property. The board of directors, however, shall not declare and/or pay a dividend if there are reasonable grounds for believing that: (i) the corporation is, or after the payment, would be unable to pay its liabilities as they become due; or (ii) the realizable value of the corporation’s assets would thereby be less than the aggregate of (a) its liabilities, and (b) its stated capital of all classes. In the case of payment by a corporation to purchase or redeem shares, under the OBCA, a corporation may not do so if there are reasonable grounds for believing that: (i) the corporation is or, after the payment, would be unable to pay its liabilities

The Current Neuronetics Bylaws allow stockholders to waive any notice before or after the meeting.

Under the DGCL, a corporation’s certificate of incorporation or bylaws may specify the number of shares or the voting power that must be present, or represented by proxy, in order to constitute a quorum for the transaction of any business at any meeting of the stockholders.

Pursuant to Section 216 of the DGCL, in no event may a quorum consist of less than one-third of the shares entitled to vote at a meeting except that, where a separate vote by a class or series of a classes or series is required, a quorum must consist of no less than one-third of the shares of such class or series or classes or series.

The Current Neuronetics Bylaws provide that the presence, in person, by remote communication, if applicable, or by proxy duly authorized, of the holders of a majority of the voting power of the outstanding shares of stock entitled to vote will constitute a quorum for the transaction of business.

Under the DGCL, a corporation may, subject to any restrictions in its certificate of incorporation, pay dividends out of statutory surplus or, if there is no surplus, out of net profits for the current and/or the preceding fiscal year, unless the net assets of the corporation are less than the capital represented by issued and outstanding shares of stock having a preference on asset distributions. “Surplus” is defined as the excess of the net assets over capital, as such capital may be adjusted by the board of directors.

A Delaware corporation may purchase or redeem its shares of any class except when its capital is impaired or would become impaired as a result of the purchase or redemption. A corporation may, however, purchase or redeem out of capital, its shares that are entitled upon any distribution of its assets to a preference over another class or, if no such shares are

| Number and Term of Directors | <p>Under the OBCA, unless expressly elected for a stated term, each director ceases to hold office at the close of the first annual meeting of shareholders following his or her election; a director must cease to hold office not later than the close of the third annual meeting of shareholders following his or her election. If a director is appointed or elected to fill a vacancy, that director holds office for the unexpired term of the director’s predecessor.</p> <p>The Greenbrook Articles provide that the number of directors of the corporation shall no less than three (3) and no more than fifteen (15).</p> | <p>The DGCL provides that the board of directors of a corporation must consist of one or more members. The Current Neuronetics Charter and Current Neuronetics Bylaws provide that the number of directors will be fixed exclusively by resolution of the Neuronetics Board.</p> <p>The Neuronetics Board currently consists of five directors and the Current Neuronetics Charter and the Current Neuronetics Bylaws provide that at each annual meeting of Neuronetics Stockholders, directors will be elected for a term of one year to succeed the directors whose term expires at such annual meeting. | Standard for Election of Directors | <p>Under the OBCA, the directors of a corporation are to be elected at each annual meeting of shareholders at which an election of directors is required.</p> | <p>Pursuant to the Current Neuronetics Bylaws, directors are elected at the annual meeting of stockholders and a person is not eligible for election or re-election as a director unless such person is nominated by or at the direction of the Neuronetics Board or by any stockholder who was a stockholder of record at the time of giving the stockholder’s notice, who is entitled to vote at the meeting and who complied with relevant notice procedures set for the in the Current Neuronetics Bylaws.</p> <p>The nominees receiving the most “for” votes from the holders of shares present in person, by remote communication, if applicable, or represented by proxy at the meeting and entitled to vote on the election of directors will be elected.</p> |

| Vacancies on the Board of Directors | Under the OBCA, subject to the articles of the corporation, a vacancy among the directors may be filled at a meeting of shareholders or by a quorum of directors except when the vacancy results from an increase in the number or maximum number of directors or from a failure to elect the appropriate number of directors required by the articles. Each director appointed holds office until his or her successor is elected at the next meeting of shareholders of the corporation unless his or her office is vacated earlier. | Under the DGCL, vacancies, whether arising through death, resignation, retirement, disqualification, removal, an increase in the number of directors, or any other reason may be filled by a majority vote of the remaining directors, even if such directors in office constitute less than a quorum, unless otherwise provided in the certificate of incorporation or bylaws. The Current Neuronetics Charter provides that any vacancy on the Neuronetics Board resulting from death, resignation, disqualification, removal or other causes and any newly created directorships resulting from any increase in the number of directors, shall, unless the Neuronetics Board determines by resolution that any such vacancies or newly created directorships shall be filled by Neuronetics Stockholders, be filled only by the affirmative vote of a majority of the directors then in office, even though less than a quorum of Neuronetics Board, and not by the Neuronetics Stockholders. |
| Director Qualifications | The OBCA also requires that an offering corporation (i.e. a reporting issuer or public company) have at least three (3) directors, at least one-third of whom must not be officers or employees of the corporation or its affiliates. | Delaware Law requires that directors of Delaware corporations be natural persons. There are no director residency requirements under the DGCL, but a corporation can prescribe qualifications for directors under its certificate of incorporation or bylaws. Neither the Current Neuronetics Charter nor the Current Neuronetics Bylaws provide for any such residency qualifications for directors. |
| Removal of Directors | Under the OBCA, provided that articles of the corporation do not provide for cumulative voting, shareholders of a corporation may by ordinary resolution passed at an annual or special meeting remove any director or directors from office. If holders of a class or series of shares have the exclusive right to elect one (1) or more directors, a director elected by them may only be removed by an ordinary resolution at a meeting of the shareholders of that class or series. If all of the directors have resigned or have been removed without replacement, a person who manages or supervises the management of the business | Under the DGCL, except in the case of a corporation with a classified board of directors or with cumulative voting, any director or the entire board of directors may be removed, with or without cause, by the holders of a majority of the shares then entitled to vote at an election of directors. In the case of a corporation with a classified board of directors, stockholders may remove a director only for cause, unless the certificate of incorporation provides otherwise. | Fiduciary Duties of Directors | Under the OBCA, directors of an OBCA corporation must act honestly and in good faith with a view to the best interests of the corporation, and must exercise the care, diligence and skill that a reasonably prudent person would exercise in comparable circumstances. | <p>Under the DGCL directors owe to stockholders a duty of care and a duty of loyalty. The duty of care requires that the directors act in an informed and deliberative manner and to inform themselves, prior to making a business decision, of all material information reasonably available to them. The duty of loyalty may be summarized as the duty to act in good faith, not out of self-interest, and in a manner that the directors reasonably believe to be in the best interests of the stockholders.</p> <p>The DGCL provides that the certificate of incorporation of the corporation may include a provision which limits or eliminates the liability of directors to the corporation or its stockholders for monetary damages for breach of fiduciary duty as a director, provided such liability does not arise from certain proscribed conduct, including acts or omissions not in good faith or which involve intentional misconduct or a knowing violation of law, breach of the duty of loyalty, the payment of unlawful dividends or expenditure of funds for unlawful stock purchases or redemptions or transactions from which such director derived an improper personal benefit. A corporation may with the approval of a court, indemnify an Indemnifiable Person or advance monies, in respect of or by or on behalf of the corporation or other entity to procure a judgment in its favor, to which the individual is made party because of the individual’s association with the corporation or other entity if the individual fulfils the requirements under (i) and (ii), above. Indemnification determinations for current directors and officers must be made by: (i) a majority vote of the directors who are not parties to such action, suit, or proceeding, even though less than a quorum; (ii) a committee of such directors designated by a majority vote of such directors, even though less than a quorum; (iii) independent legal counsel in a written opinion if there are no such directors or if such directors so direct; or (iv) the stockholders.</p> <p>The DGCL requires indemnification of current or former directors and officers for expenses relating to a successful defense on the merits or otherwise of a derivative or third-party action, suit, or proceeding. Directors**

A director is not liable for breach of this duty of care under the OBCA if he or she relies in good faith on: (i) financial statements of the corporation represented to him or her by an officer of the corporation or in a written report of the auditor of the corporation fairly to reflect the financial condition of the corporation; (ii) an interim or other financial report of the corporation represented to him or her by an officer of the corporation to present fairly the financial position of the corporation in accordance with generally accepted accounting principles; (iii) a report or advice of an officer or employee of the corporation where it is reasonable in the circumstances to rely on the report or advice or (iv) a report of a lawyer, accountant, engineer, appraiser or other person whose profession lends credibility to a statement made by any such person.

The DGCL permits the adoption of a provision in a corporation’s certificate of incorporation limiting or eliminating the monetary liability of a director or an officer to a corporation or its stockholders by reason of a director’s or officer’s breach of the fiduciary duty of care.

The DGCL does not permit any limitation of the liability of a director or officer for: (i) breaching the duty of loyalty to the corporation or its stockholders; (ii) acts or omissions not in good faith; (or which involve intentional misconduct or a knowing violation of law) (iii) any transaction from which a director or officer obtains an improper personal benefit; or (iv) willfully or negligently paying a dividend or approving a redemption or repurchase of shares that was illegal under applicable law.

The Current Neuronetics Charter eliminates liability of directors of Neuronetics for monetary damages to the fullest extent permitted by applicable law.

**Interested
Director
Transactions;
Corporate
Opportunity**

Under the OBCA, a director or officer is required to disclose any conflict of interest in writing to the corporation or request to have entered in the minutes of meetings of directors the nature and extent of his or her interest. Subject to certain exceptions, a director who has a conflict of interest shall not attend any part of a meeting of directors during which the relevant contract or transaction giving rise to the conflict of interest is discussed and shall not vote on any resolution to approve of the contract or transaction.

Under Section 144 of Delaware Law, certain contracts or transactions in which one or more of a corporation’s directors or officers has an interest are not void or voidable solely because of such interest, provided that one of the following conditions is met: (i) obtaining majority approval of the disinterested directors, in good faith, following full disclosure of the material facts, even though the disinterested directors be less than a quorum; (ii) obtaining majority approval by the stockholders entitled to vote thereon, in good faith, following full disclosure of the material facts; or (iii) the

Actions**

Under the OBCA, a complainant may apply to the court for leave to bring an action in the name of and on behalf of a corporation or any subsidiary, or to intervene in an existing action to which any such corporation or subsidiary is a party, for the purpose of prosecuting, defending or discontinuing the action on behalf of the corporation or subsidiary. Under the OBCA, no action may be brought and no intervention in an action may be made unless the court is satisfied that the complainant has given notice to the directors of the corporation or its subsidiary of the complainant's intention to apply to the court not less than 14 days before bringing the application, or otherwise as ordered by the court and (i) the directors of the corporation or its subsidiary do not bring, diligently prosecute or defend or discontinue the action; (ii) the complainant is acting in good faith; and (iii) it appears to be in the interests of the corporation or its subsidiary that the action be brought, prosecuted, defended or discontinued.

Under the OBCA, the court in a derivative action may make any order it thinks fit including, without limitation, (i) an order authorizing the complainant or any other person to control the conduct of the action, (ii) an order giving directions for the conduct of the action, (iii) an order directing that any amount adjudged payable by a defendant in the action shall be paid, in whole or in part, directly to former and present security holders of the corporation or its subsidiary instead of to the corporation or its subsidiary, and (iv) an order requiring the corporation or its subsidiary to pay reasonable legal fees and any

transaction is fair to the corporation as of the time it is authorized, approved, or ratified.

Under Section 122(17) of Delaware Law, every corporation has the ability to renounce in its certificate of incorporation or by Neuronetics Board action any interest or expectancy of the corporation in, or in being offered an opportunity to participate in, specified or specified classes or categories of business opportunities that are presented to the corporation or to one or more of its officers, directors or stockholders.

Under Section 327 of Delaware Law, a stockholder bringing a derivative suit must have been a stockholder at the time of the wrong complained of or the stockholder must have received shares of stock in the corporation by operation of law from a person who was such a stockholder at the time of the wrong complained of. In addition, the stockholder must remain a stockholder throughout the litigation. There is no requirement under Delaware Law to advance the expenses of a lawsuit to a stockholder bringing a derivative suit. Delaware Law also requires that, before commencing a derivative suit, a stockholder must make a demand on the directors of the corporation to assert the claim, unless such demand would be futile. A stockholder also may commence a class action suit on behalf of himself or herself and other similarly situated stockholders where the requirements for maintaining a class action have been met.
