Item 1.01. Entry into a Material Definitive Agreement.

On April 21, 2020, Neuronetics, Inc. (the “Company”) entered into a promissory note (the “Note”) with Silicon Valley Bank (the “Lender”), evidencing an unsecured loan (the “Loan”) in the amount of \$6,360,327 made to the Company under the Paycheck Protection Program (the “PPP”). The PPP is a program of the U.S. Small Business Administration (the “SBA”) established under the Coronavirus Aid, Relief, and Economic Security Act (the “CARES Act”). On the date that the Company submitted its PPP application to the Lender and on the date that the Company entered into the Note, the Company had a good faith belief, after taking into account the disruptions to the Company’s then-current business activity and its inability to access other sources of liquidity sufficient to support its ongoing operations in a manner that would not be significantly detrimental to the Company’s business, that the then-current economic uncertainty made its loan request necessary to support its ongoing operations.

The interest rate on the Loan is 1.0% per annum. The Note matures on April 21, 2022. On November 21, 2020 (the “First Payment Date”), the Company is required to pay all accrued interest under the Loan that is not forgiven in accordance with the terms of the PPP. Additionally, on the First Payment Date and on the 21st day of each month thereafter until April 21, 2022, the Company must make equal monthly payments of the amount of principal under the Loan that is not forgiven in accordance with the terms of the PPP and related accrued interest thereon. The proceeds of the Loan may be used to pay payroll and make certain covered interest payments, lease payments and utility payments. The Note contains events of default and other conditions customary for a Note of this type.

Under the terms of the CARES Act, PPP loan recipients can be granted forgiveness for all or a portion of the loan granted under the PPP, with such forgiveness to be determined, subject to limitations, based on the use of the loan proceeds for payment of payroll costs and any payments of certain covered interest, lease and utility payments. The terms of any forgiveness also may be subject to further requirements in any regulations and guidelines the SBA may adopt. No assurance can be provided that the Company will obtain forgiveness of the Note in whole or in part.

The foregoing is a description of the material terms and conditions of the Note and is not a complete discussion of the Note. Accordingly, the foregoing is qualified in its entirety by reference to the full text of the Note, which is filed as Exhibit 10.1 to this Current Report on Form 8-K and incorporated herein by reference.

Item 2.03. Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant.

The information provided in Item 1.01 of this Current Report on Form 8-K is incorporated by reference into this Item 2.03.

H. Agreements.

Borrower understands and agrees, and waives and releases Lender, its affiliates and their respective directors, officers, agents and employees, as follows:

1. The Loan will be made under the SBA's Paycheck Protection Program. Accordingly, this Note and the other Loan Documents must be submitted to and approved by the SBA. There is limited funding available under the Paycheck Protection Program and accordingly, all applications submitted will not be approved by the SBA.
2. Lender is participating in the Payroll Protection Program to help businesses impacted by the economic impact from COVID-19. However, Lender anticipates high volumes and there may be processing delays and system failures along with other issues that interfere with submission of Borrower's application to SBA. Lender does not represent or guarantee that it will submit the application while SBA funding remains available under the Payroll Protection Program or at all. Borrower hereby agrees that Lender is not responsible or liable to Borrower or any of its affiliates (i) if the Lender does not submit Borrower's application to the SBA until after the date that SBA stops approving applications under the Paycheck Protection Program, for any reason or (ii) if the application is not processed by Lender. Borrower forever releases and waives any claims against Lender, its affiliates and their respective directors, officers, agents and employees concerning failure to obtain the Loan. This release and waiver applies to, but is not limited to, any claims concerning Lender's (i) pace, manner or

systems for processing or prioritizing applications, or (ii) representations by Lender regarding the application process, the Paycheck Protection Program, or availability of funding. This agreement to release and waiver supersedes any prior communications, understandings, agreements or communications on the issues set forth herein.

3. Forgiveness of the Loan is only available for principal that is used for the limited purposes that expressly qualify for forgiveness under SBA requirements, and that to obtain forgiveness, Borrower must request forgiveness from the Lender, provide documentation in accordance with the SBA requirements, and certify that the amounts Borrower is requesting to be forgiven qualify under those requirements. Borrower also understands that Borrower shall remain responsible under the Loan for any amounts not forgiven, and that interest payable under the Loan will not be forgiven, but that the SBA may pay the Loan interest on forgiven amounts.
4. Forgiveness of the Loan is not automatic and Borrower must request forgiveness of the Loan from Lender. Borrower is not relying on Lender for its understanding of the requirements for forgiveness such as eligible expenditures, necessary records/documentation, or possible reductions due to changes in number of employees or compensation. Borrower agrees that will consult the SBA's program materials and consult with its own counsel regarding the criteria forgiveness.
5. The Loan Documents are subject to review, and Borrower may not receive the Loan. The Loan also remains subject to availability of funds under the SBA's Payment Protection Program, and to the SBA issuing an SBA loan number.
6. Borrower's liability under this Note will continue with respect to any amounts SBA may pay Bank based on an SBA guarantee of this Note. Any agreement with Bank under which SBA may guarantee this Note does not create any third party rights or benefits for Borrower and, if SBA pays Bank under such an agreement, SBA or Bank may then seek recovery from Borrower of amounts paid by SBA.
7. Lender reserves the right to modify the Note Amount based on documentation received from Borrower.
8. Borrower's execution of this Note has been duly authorized by all necessary actions of its governing body. The person signing this Note is duly authorized to do so on behalf of Borrower.
9. This Note shall not be governed by any existing or future credit agreement or loan agreement with Lender. The liabilities guaranteed pursuant to any existing or future guaranty in favor of Lender shall not include this Note. The liabilities secured by any existing or future security instrument in favor of Lender shall not include the Loan.

10. The proceeds of the Loan will be used to retain workers and maintain payroll or make mortgage interest payments, lease payments, and utility payments, as specified under the Paycheck Protection Program Rule. Borrower understands that if the funds are knowingly used for unauthorized purposes, the federal government may hold Borrower legally liable, such as for charges of fraud.

Electronic Execution of Loan Documents.

The words "execution," "signed," "signature" and words of like import in this Note and any Loan Document shall be deemed to include electronic signatures or the keeping of records in electronic form, each of which shall be of the same legal effect, validity and enforceability as a manually executed signature or the use of a paper-based recordkeeping systems, as the case may be, to the extent and as provided for in any applicable law, including, without limitation, any state law based on the Uniform Electronic Transactions Act.
